The University of Queensland
AUSTRALIA

CREATE CHANGE

Welcome to The University of Queensland

Studying at The University of Queensland can be a transformational experience.

It's an opportunity to meet people who will become lifelong friends, exchange ideas with other bright minds, and learn from Australia's most awarded teachers.

You'll gain knowledge and skills that will help you excel, no matter where your life and career take you in a rapidly changing world. It's an investment in your future.

When you join us, you'll join students who come from all over Australia and around the world to study here. The curiosity, creativity and entrepreneurial spirit of our students are part of what makes employers seek out UQ graduates.

As a university that is regularly ranked among the global top 50, UQ has championed creative thinking for more than 100 years to solve problems facing humanity. We don't just teach the latest research; our research pioneers are industry leaders who discover the latest breakthroughs and make a positive difference in people's lives around the world.

At UQ, we are passionate about enriching the entrepreneurial ecosystem and creating leaders of the future. We support entrepreneurs at every stage of their journey, working alongside staff and alumni, and connecting with a wide range of global experts.

University is not just about study though – you'll also have fun here. At UQ, we are renowned for our vibrant campus culture, our clubs and societies, and our world-class sporting facilities. So, UQ is a place where you'll enjoy your recreation time and make friends for life.

No matter what your reason for being here, you're sure to enjoy UQ's long-standing traditions, while creating some new ones of your own.

I look forward to seeing the positive impact that you create in your time with us and beyond.

Professor Deborah Terry AC
Vice-Chancellor and President

Disclaimer

The information in this Guide is accurate at April 2025. However, the University has many programs and courses, and refreshes and updates its programs and course offerings from time to time and without notice. It is your responsibility to visit study.uq.edu.au for up-to-date information.

All costs and fees quoted in this publication are in Australian dollars (A$) except where otherwise indicated.

Fees for UQ programs are indicative and correct at time of publication. For up-to-date information visit your program's webpage on study.uq.edu.au.

ESOS compliance

The provision of education services to international students by Australian education institutions is governed by the *Education Services for Overseas Students (ESOS) Act 2000* and the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

The ESOS Act and related legislation are designed to protect the interests of students coming to Australia on Student visas. The legislation aims to protect and enhance Australia's reputation for quality education, to provide tuition protection, and support the integrity of the Student visa program.

The University of Queensland, in providing education services to overseas students, complies with the National Code of Practice of the Department of Education and Training and the Universities Australia code of ethical practice.

Why choose UQ

Best place to learn in Australia

With more national teaching awards than any other Australian university, our educators are the most highly awarded in the country. Recognised for transforming the way students learn at university, they will inspire and guide you with the latest knowledge and ideas. You will put theory into practice in workplace, clinical and laboratory settings, expanding your understanding and contextualising your studies.

Pioneering change

As one of Australia's leading research-intensive universities, UQ is at the frontier of knowledge creation. The calibre of our research and the impact of our innovations are addressing many of the cultural, economic and social challenges facing the world today. Be inspired by our world-leading researchers and academic leaders and understand what it takes to pioneer change. This knowledge is brought into the classroom so you can address the latest issues, ideas and challenges with their guidance and support. Discover our latest innovations and the thought leaders behind them.

World-class facilities

UQ boasts beautiful campuses, extensive recreation and sports facilities, and renowned buildings and learning environments. Our active building program includes notable structures like the Oral Health Centre, a major solar research facility and the Liveris chemical engineering building – as well as one of the best research libraries in Australia. With 5 faculties, 7 globally recognised research institutes, and over 2,500 specialists, we uphold UQ's tradition of research leadership with the latest in technology, equipment and instrumentation, and laboratories. Additionally, we have research centres located throughout Queensland, taking advantage of the state's diverse ecosystems and climate.

Industry relevant

As a locally and globally connected university, UQ provides many opportunities for students to apply knowledge gained in the classroom to real life. You'll have access to work-integrated learning, entrepreneurial and enrichment programs, local and global internships and volunteer opportunities to boost your confidence, capabilities and résumé. A wide range of free entrepreneurship programs are available to complement your studies, and to help you build a network, take on new challenges and bring your ideas to life.

Proven graduate outcomes

We're committed to enriching your studies and developing your employability to prepare you for a career you'll love. We support you to gain knowledge, a range of capabilities and adopt an innovative mindset. Our research, teaching and connections prepare you to forge an exciting career. UQ qualifications are highly regarded by Australian and international employers.

According to the 2022 Quality Indicators for Learning and Teaching Graduate Outcomes Survey, 77.7% of UQ bachelor's degree graduates secured full-time employment within 4 months of completing programs. Know when you graduate from UQ, you'll be ready for any challenge.

Digitally enhanced learning environment

UQ combines its unparalleled campus experience with an online learning environment that gives students everything for their study needs at their fingertips. Our teaching spaces and digital ecosystem enable flexible learning.

UQ's well-established and modern online learning environment attracts higher than average student satisfaction than our Go8 peers in the national Student Experience Survey, with positive ratings given by 87% of students for learning resources (2023). The increasing student satisfaction reflects UQ's ongoing commitment to transformation through the co-design of bespoke digital learning experiences and assessment.

The perfect place to study

One of Australia's fastest growing capital cities

Australian Bureau of Statistics 2023

One of the top 30 best student cities in the world

QS Best Student Cities 2025

We offer one of the best campus experiences in the world in a location renowned for its relaxed and safe lifestyle, subtropical climate and vibrant and diverse culture.

Brisbane

Brisbane (Meanjin), the home of UQ's St Lucia, Herston and Dutton Park campuses, is the capital city of the state of Queensland and its economic and cultural hub. Innovative and progressive, the city is a thriving global centre in Asia-Pacific for business, investment, technology, major events and education. It is also home to over 200 nationalities and 220 languages. As one of Australia's fastest-growing capital cities, Brisbane has unstoppable momentum and is embracing opportunity.

Entertainment and events

Brisbane has a thriving live music scene that can be discovered in Fortitude Valley and West End. It is also home to BIGSOUND, the southern hemisphere's biggest new music festival and industry gathering. For comedy, live theatre and dance, head to the Brisbane Powerhouse and the Queensland Performing Arts Centre (QPAC). The expansive Queensland Art Gallery and Gallery of Modern Art (QAGOMA) consistently ranks among the most visited Australian art museums and keep an eye out for the Brisbane Festival that attracts artists from across the globe. The city also hosts a calendar of seasonal events that celebrate our cultural diversity, such as BrisAsia Festival, Holi Festival of Colours, Paniyiri Greek Festival and more.

Sport

Brisbane's amazing weather and top-tier sporting facilities make physical activity a must.

Kayak along the Brisbane River, rock climb your way to the top of the Kangaroo Point Cliffs, ride along kilometres of scenic riverside cycle paths or participate in the extensive social sport opportunities available across Brisbane. If you prefer to spectate, cheer for your team with crowds up to 50,000 strong at a rugby union, rugby league, cricket, 'Aussie Rules' football, tennis or soccer match at one of our world-famous sporting stadiums.

Food

With a third of Brisbane's population born overseas, you can find cuisines from almost every culture. From affordable lunchtime and 'Cheap Tuesday' offers to reasonably priced cafes, pubs and farmers' markets, to award-winning fine dining restaurants – there is a lot to choose from and plenty of new culinary experiences to be had. Coffee culture in Australia is renowned for its quality and you won't be disappointed with how Brisbane's cafes serve up your morning brew. If you want to enjoy alfresco dining on a budget, you can always enjoy a picnic with friends and use the city's free barbecue facilities in one of our scenic parks by the river.

UQ acknowledges the Traditional Owners and their custodianship of the lands on which UQ is situated. — **Reconciliation at UQ** about.uq.edu.au/reconciliation

in Brisbane has a multicultural background

Around Brisbane

When you want to head out of the city, there is plenty to discover. Go south for the famous golden sands of the Gold Coast and Byron Bay; north for the unspoilt beaches of the Sunshine Coast, the world's oldest rainforest, and the majestic Great Barrier Reef; west for charming outback towns; or east for the spectacular Mulgumpin (Moreton Island), Minjerribah (Stradbroke Island) and K'gari (Fraser Island). Sydney, Cairns and Melbourne are all short flights away. There is so much to explore on your doorstep.

Gatton

Gatton, the largest town in South-East Queensland's Lockyer Valley, is the home of UQ's Gatton campus. Bordered by unspoilt mountain ranges and located only one hour's drive from Brisbane, Gatton has a culturally diverse population of approximately 8,000 people. UQ Gatton students enjoy a laid-back, country lifestyle in a close-knit community.

Find out more about living in Queensland
study.uq.edu.au/university-life/living-in-queensland

St Lucia

Considered one of the most beautiful campuses in the world, our main campus is a vibrant mix of old sandstone buildings, modern architecture, parklands and lakes. It is a city within a city, with everything you need to study, live and relax.

Food

UQ St Lucia is full of cafe and food options. From great coffee and bakery food, to healthy sandwiches and wraps, pizza, noodles, bubble tea and juice bars, you won't go hungry or thirsty. We have options for all dietary requirements including vegan, vegetarian, halal and gluten- and dairy-free. If you'd like to try growing your own food, the community garden is open for students to garden, prepare and cook freshly harvested produce and relax outdoors. Whether you're looking for fine dining to celebrate those important milestones, or a quick bite in between classes, we've got you covered.

Take a virtual tour of our campuses

Retail

You don't need to leave the campus for your shopping. There is a bookshop – where you can buy new books or sell your secondhand ones – a convenience store, hairdresser, post office, stationery and office supplies store, UQ Shop (an official merchandiser of UQ) and Wednesday markets offering handicrafts, gifts, flowers and fashion.

campuses.uq.edu.au/information-and-services/shops/food-retail

Entertainment

There is always something to do and see at UQ St Lucia. Listen to live music, join a book club, attend a movie night or tour one of the 5 museums.

The campus also hosts festivals throughout the year to celebrate the changing seasons and major cultural events. Join the liveliness of Diwali and Lunar New Year celebrations, and participate in captivating conversations that celebrate Australia's Indigenous cultures during NAIDOC Week.

If you want to relax and unwind, there are always wellness activities taking place too. There's something on every week.

life.uq.edu.au

uqu.com.au/whats-on

Fitness

You'll be spoilt for choice with a wide range of sport, fitness and recreational activities on offer at our St Lucia campus. UQ Sport is Queensland's largest multi-sport complex, featuring dedicated fitness, aquatic, tennis and athletics centres, as well as an array of sports fields and courts.

There are also plenty of group fitness classes offered. From yoga and pilates to SwimFit and Cardio Tennis, there's an option for everyone. Stay active and meet new people through weekly social sport or join a UQ-affiliated sports club – there's more than 35 to choose from.

uqsport.com.au

Library

The Library is your gateway into the world of academic information. Our staff and resources are here to help you find the answers to your questions. With safe and welcoming learning spaces, a world-class collection and approachable staff, we can connect you with everything you need to succeed in your studies. There's a library to suit everyone at UQ.

library.uq.edu.au

Healthcare

If you need to see a doctor or dentist or fill a medicine prescription, we have your healthcare needs covered right here on campus. Visit the friendly teams at the UQ Health Care clinic, UQ Dental or the Campus Pharmacy.

uqhealthcare.org.au

Gatton

Our regional campus is located near the town of Gatton, 87 kilometres west of Brisbane's city centre. It offers a laid-back and friendly lifestyle with on-campus accommodation, UQ Sport Fitness and Aquatic Centre and state-of-the-art teaching and research facilities in agriculture, animals and veterinary science.

Teaching and research facilities

The campus houses production animals, horticultural fields, a plant nursery, post-harvest facilities, research laboratories and greenhouses, a wildlife facility, specialist veterinary and equine hospitals, and some of the best animal teaching facilities in the southern hemisphere.

The community garden is nearly a hectare in size and includes garden beds in which students and staff can grow their own herbs and vegetables.

Library

The JK Murray Library is at the heart of campus, open 24/7 for study, relaxation, and meetings. With comfortable study spaces, a world-class collection and friendly staff to help with all your questions, we can connect you with everything you need to succeed in your studies. Whether you want to borrow books, meet friends for a coffee, or work quietly on an essay, there's a space to suit you.

Free inter-campus bus service

UQ provides a free inter-campus bus service between UQ Gatton and UQ St Lucia for students and staff. The travel time for the service is 90 minutes (one way).

campuses.uq.edu.au/information-and-services/parking-transport/campus-bus/intercampus

Food and retail

You can buy food and drinks from the Coffee Pod, Dining Hall and Walkway Cafe, and you can purchase and sell books at our retail bookshop. There's also an on-campus post office, and regular events for students in the Central Walkway.

Healthcare

Your healthcare needs are taken care of on campus at the UQ Gatton Medical Centre, a medical clinic with experienced doctors and nurses available to UQ students.

uqhealthcare.org.au

Fitness and sport

Whether you're looking to boost your fitness, meet new people, or relax and unwind, UQ Sport Gatton offers the opportunity to do it all in one location. There are both gym and pool facilities – as well as tennis, basketball, netball and squash courts. There are weekly group fitness classes, sporting clubs and social sports to enjoy.

uqsport.com.au

Herston

Just 3 kilometres from the Brisbane city centre, UQ Herston is our specialist campus for health and medical teaching and research. It shares premises with the Royal Brisbane and Women's Hospital (RBWH) and the QIMR Berghofer Medical Research Institute, creating a health-focused community where students gain practical experience alongside industry professionals and leading researchers.

Teaching and research facilities

UQ Herston is home to our Medicine, Dentistry and Public Health programs, as well as state-of-the-art clinical facilities including:

- Medical School
- School of Public Health
- School of Dentistry
- Herston Imaging Research Facility
- Oral Health Centre
- RECOVER Injury Research Centre
- UQ Centre for Clinical Research.

Surgical, Treatment and Rehabilitation Service (STARS)

STARS is one of the largest tertiary specialist rehabilitation centres in the southern hemisphere. The collaborative community health precinct is home to more than 30 health facilities, research institutes and organisations, accommodating more than 13,000 staff, students and scientists.

Library

The Herston Health Sciences Library provides access to the Queensland Health network, along with all the resources available as a UQ student. As the library for a busy hospital, you can be sure you are getting the most up-to-date, expert information from our staff.

Food and retail

Head to Cafe Dose for your coffee fix and join our various events and experiences to keep you engaged and motivated.

From Employability Week to a wide range of wellbeing activities, there are multiple opportunities to stay connected with the Herston community. There is a post office and retail outlets at the Royal Brisbane and Women's Hospital. There are cafes and restaurants at STARS, just a short walk from your classes.

Dutton Park

A short distance from the St Lucia campus, UQ Dutton Park is a health and biotechnology research and teaching hub. The campus is located in a vibrant research and innovation precinct, within an expanding health, biomedical and environmental sciences sector.

Teaching and research facilities

Across the river from St Lucia, connected by a bridge, Dutton Park is situated within Brisbane's innovation corridor. It is the primary teaching and research location for UQ's School of Pharmacy and Pharmaceutical Sciences and is home to the Queensland Alliance for Environmental Health Sciences (QAEHS) and the Cornwall Street Medical Centre (UQ Health Care). It is adjacent to the Translational Research Institute, housing UQ's Frazer Institute, and has strong connections with health and government partners.

The campus adjoins the Princess Alexandra (PA) Hospital and is close to the Mater Research Institute-UQ in South Brisbane.

Food and retail

Pacemaker Cafe provides coffee, cakes and light meals. Other cafes and coffee shops are located throughout the hospital precinct.

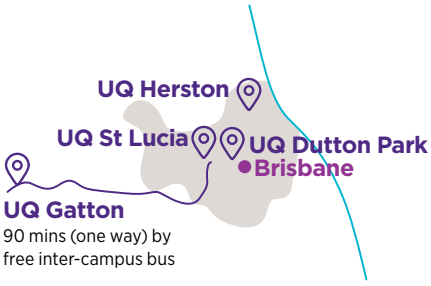

Healthcare

Cornwall Street Medical Centre at UQ Dutton Park looks after the health needs of UQ staff and students, as well as the broader community, and includes a 7-day Medicare Urgent Care Clinic where students with a Medicare card can have their urgent medical treatment with a doctor bulk-billed.

Within Cornwall Street Medical Centre, you can access the onsite pharmacy and a range of allied health and specialist medical services. Visit cornwallstmc.com.au for a full list of health services.

Library

The Dutton Park Health Sciences Library provides welcoming and modern learning spaces and consultation zones to support the teaching, learning and research needs of staff and students.

Research institutes

UQ has a proud reputation for creating change in the world through research. In partnership with government, industry and donors, UQ has established 7 globally recognised research institutes, as well as research centres at our 4 main campuses and other locations across Queensland.

Australian Institute for Bioengineering and Nanotechnology (AIBN)

AIBN creates solutions for some of society's most serious problems in health, energy and the bioeconomy. We develop platform technologies that can be applied across a range of industries from pharma and biotech to waste disposal, manufacturing, energy and transportation. By translating science into commercially viable solutions, we make it easier and faster for our valued industry partners and government to get to market.

aibn.uq.edu.au

Institute for Molecular Bioscience (IMB)

IMB is a multidisciplinary life sciences research institute whose 500 researchers are developing better ways to predict, prevent and treat some of the world's biggest health challenges, such as heart disease, stroke and endometriosis, and developing sustainable solutions for our cities and agricultural sector. IMB's 4 centres focus on antimicrobial resistance, chronic diseases, genomics and drug discovery.

imb.uq.edu.au

Institute for Social Science Research (ISSR)

With a vision to contribute to a fair and just society, ISSR is one of Australia's foremost authorities in research and evaluation to support equity and sustainable futures. Providing methodological expertise in co-design, data analytics and complex policy and program evaluation, it works with government and the private and not-for-profit sectors to undertake solution-focused research and evaluation that contributes to achieving positive social impact in a changing environment.

issr.uq.edu.au

Mater Research Institute – UQ (MRI–UQ)

MRI-UQ turns scientific discovery into the best possible treatment, care and outcomes for patients and the broader community. Key focus areas include Mother and Baby, Chronic and Integrated Care, Cancer, Neuroscience, and Healthcare Delivery and Innovation. Each year, more than 120 students undertake cutting-edge research projects with supervision from world-class biomedical and clinician scientists. Undergraduate and postgraduate students can apply for a research project via the Mater Research website.

materresearch.org.au

Queensland Alliance for Agriculture and Food Innovation (QAAFI)

UQ is Australia's leading university for agriculture-related research and consistently ranks among the best in the world across multiple ranking systems. QAAFI enjoys an international reputation for agriculture and food science research in subtropical and tropical production systems by taking advantage of its expertise and geographical location and works closely with the School of Agriculture and Food Sustainability. QAAFI has a strong industry focus and works through large numbers of partners and sectoral funding agencies to deliver research impact and industry outcomes across cropping systems, horticulture, livestock, emissions, food, nutrition and agribusiness industries.

qaafi.uq.edu.au

Queensland Brain Institute (QBI)

The Queensland Brain Institute (QBI) is one of the world's leading centres in neuroscience research, with pivotal discoveries made at QBI now being translated into the clinic.

QBI's research spans brain development and plasticity, cognition and behaviour, mental health, dementia and ageing, and brain injury. QBI researchers focus on exploratory science that underpins tomorrow's medical breakthroughs.

qbi.uq.edu.au

Sustainable Minerals Institute (SMI)

The work of SMI is multidisciplinary. It integrates expertise in exploration, mining, mineral processing, workplace health and safety, mine rehabilitation, water and energy, social science and governance to reduce the minerals industry's impact on communities and the environment and reshape its role in sustainable development. SMI works collaboratively with industry, governments, civil society and communities, and translates research sinto impact through commercialisation, research and consulting.

smi.uq.edu.au

Programs

At UQ, a qualification or degree is called a program.

We offer bachelor's programs, dual programs and honours programs at undergraduate level. For postgraduate study we have more than 150 subject areas on offer as well as Higher Degrees by Research (HDR).

You can receive credit for applicable prior studies. If you don't meet a program's entry requirements, you can take advantage of our pathways to upgrade your academic qualifications or English language skills. As a postgraduate student you may also be able to gain entry by undertaking a graduate certificate.

Using the Programs section

Consider 'doubling up'

A dual program, also called a double degree, allows you to study 2 degrees at the same time – often in a shorter timeframe. Many programs also offer the opportunity to focus on 2 areas of study within the standard duration of a program. Take a look at UQ's dual programs on page 17.

Add another dimension to your degree

Add another dimension to your degree by studying a concurrent Diploma in Languages. You can study the diploma alongside your degree and learn or progress a second language (9 languages available). The diploma is made up of 16 units and can be applied for after you have enrolled in a full-time UQ program.

Enhance your career

A UQ bachelor's degree is the solid foundation for a successful career, but to truly enhance your career prospects, consider continuing to postgraduate study after you graduate.

UQ offers postgraduate coursework programs (graduate certificates, graduate diplomas, coursework masters, coursework masters [advanced] and professional doctorates) and Higher Degrees by Research (Master of Philosophy [MPhil], Doctor of Philosophy [PhD], and Doctor of Veterinary Clinical Science) to equip you with specialist knowledge, enhance your employability, upgrade your qualifications, help you get promoted, or pave the way for your career in research.

1

Choose your program

Use the 'UQ programs quick reference table' on pages 16–19 to find your program. Alternatively, you can refer to the index on page 85.

For more information about your chosen program, visit **study.uq.edu.au/study-options**

2

Check your program's admission requirements

To gain entry into a UQ program you must have 'Minimum' or 'Higher-than-minimum' English language skills.

For undergraduate programs, you must have attained an overall minimum entry score in senior schooling equivalent to Queensland Year 12, and satisfied other academic entry requirements.

For most postgraduate programs you will need a 'grade point average' (GPA) (or equivalent). At UQ, we use a 7-point grading scale, where 4 is a pass and 7 is the highest grade.

Admission requirements for programs can be found within each program's description (pages 28–65).

3

Check you qualify to meet your program's admission requirements

Use the admissions section (pages 70–73) to view definitions of 'Minimum' and 'Higher-than-minimum' English language requirements and how to meet them, subject prerequisite equivalents, and each program's minimum entry score.

If you do not qualify for entry to UQ you may be able to upgrade through an academic or English language pathway (see pages 20–27).

4

Apply for your UQ program

Use the step-by-step application process to apply to UQ (see pages 74–75).

Program table explained

DURATION
The time it takes to complete a program when it is studied full-time.

Full-time: The standard study load is 8 units per semester.

Part-time: Part-time study load is less than 75% of the standard study load (i.e. less than 6 units per semester for most programs). International students can only study part-time if they do not require a student visa. All international students on an international student visa must complete the program within the stated program duration.

START SEMESTER
The academic year at UQ is divided into 2 main semesters. Semester 1 usually starts at the end of February and Semester 2 starts at the end of July.

The majority of programs begin at the start of the semester, and some only have one start semester per year; however, some programs may have an earlier or later start date or begin in Summer Semester.

CAMPUS
One of 4 UQ teaching sites located at St Lucia, Herston, Gatton and Dutton Park where the majority of lectures are held.

Some programs may be delivered at UQ's other teaching sites.

ENGLISH
All programs require either 'Minimum' or 'Higher-than-minimum' English language proficiency.

MIN 'Minimum' English language proficiency is IELTS 6.5 with a 6 in each sub-band (or equivalent).

MIN+ 'Higher-than-minimum' English language proficiency varies and is higher than 'Minimum' English.

See the fold-out and page 73 for both a list of programs with 'Higher-than-minimum' English language proficiency requirements and for alternative ways to meet 'Minimum' English language proficiency requirements.

2026 FEE (YEAR 1)
Tuition fees vary according to the program. We have provided an indicative first year tuition fee for each program in this guide.

This indicative amount is based on a standard full-time study load (16 units) for a calendar year for the year of commencement.

DEGREE	PROGRAM CODE	CRICOS CODE	DURATION	START SEMESTER	CAMPUS	ENGLISH	ADMISSION REQUIREMENTS	FEE (YEAR 1)

DEGREE
- **D** Dual program(s) available.
- **H** Honours available.
- **Q** This is a quota program.
- **GC** Graduate Certificate also available.
- **GD** Graduate Diploma also available

You can find a description of each key term used in the programs section on the 'UQ terminology' page at the back of this guide (page 84).

DUAL PROGRAMS AVAILABLE
Two UQ programs undertaken at the same time (sometimes known as dual/parallel/combined/double degrees).

The dual programs are listed in full on page 17.

HONOURS AVAILABLE
The majority of our 3-year bachelor's degrees offer a one-year honours program. Most 4- or 5-year programs include the honours component.

QUOTA PROGRAM
A quota program is one that has limited places available for students, and entry is usually competitive. Meeting the minimum entry requirements does not guarantee that you will secure a place in the program.

ADMISSION REQUIREMENTS
You must have completed schooling equivalent to Queensland Year 12 to gain entry into a UQ undergraduate program.

Some undergraduate programs require you to have completed specific subjects (or their equivalent) at school.

Almost all postgraduate coursework programs require you to have completed a specific degree. Some also have additional requirements.

For some postgraduate coursework programs you must have studies a particular discipline/disciplines to obtain entry.

ADDITIONAL REQUIREMENTS
Some programs may have additional requirements, including but not limited to early application closing dates.

Please visit the study.uq.edu.au website to find detailed information about your program.

INHERENT REQUIREMENTS
Some programs and courses at UQ have inherent requirements: core activities, tasks and skills essential to successfully completing a program or course. All students must meet their program's inherent requirements to graduate. For more information and to view if your program's inherent requirements, visit study.uq.edu.au/admissions/inherent-requirements

Pathways to UQ

UQ College is the academic pathway and English language provider for The University of Queensland.

We are dedicated to helping you achieve your educational goals by providing high-quality learning experiences and personalised support. Located at UQ's St Lucia campus, UQ College students are a part of the UQ community from day one.

You'll have access to world-class facilities, vibrant student clubs and a wide range of societies to enrich your university experience.

As a UQC student, you will benefit from our exclusive Learning Centre where you can work with your teachers and Learning Advisers to improve your English language and academic writing skills. You'll also receive practical support in planning and organisation to help you succeed. Our Student Support and Wellbeing Services team is available to assist with personal matters, ensuring you have the support you need throughout your studies.

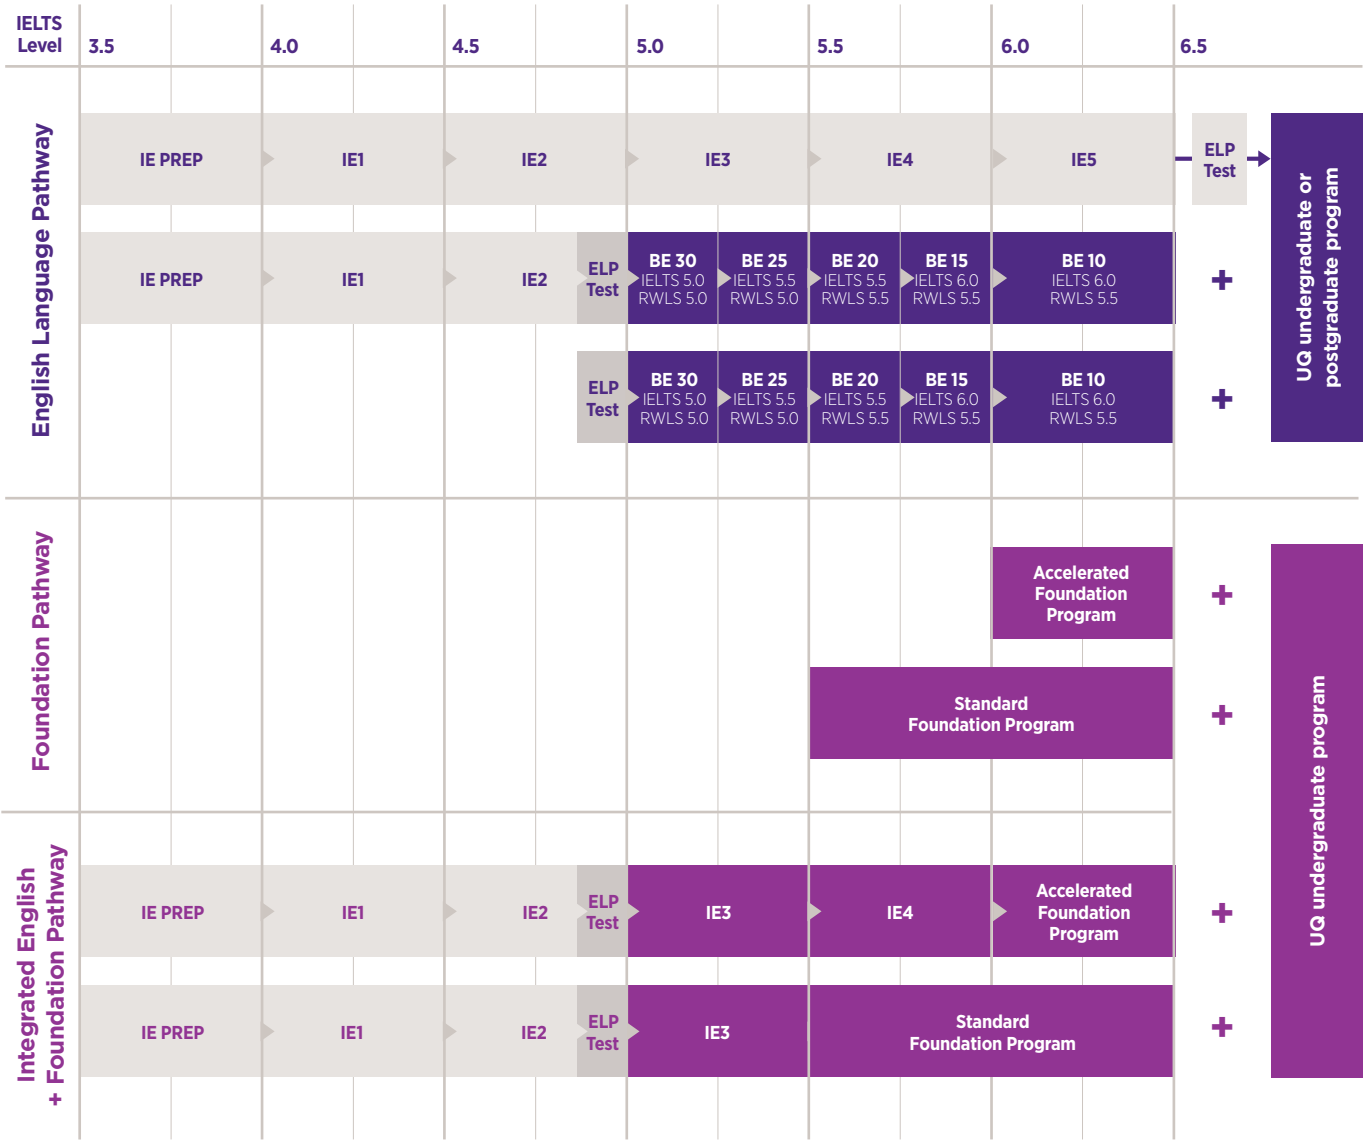

uqcollege.uq.edu.au

What is your pathway?

To receive an offer from UQ, you need to meet both the academic entry requirements and the English Language Proficiency (ELP) requirements.

If you have not met these, UQC can support you with either a packaged pathway program (from IELTS 5.0) with Bridging English (BE) or a standalone program to assist you reaching your desired goals.

R Reading **W** Writing **L** Listening **S** Speaking

■ Packaged options for UQ undergraduate / postgraduate program

■ Packaged options for UQ undergraduate program

* Depending on the UQ program this may be Bridging English instead. UQ International Admissions will advise when you receive your UQ offer.

If your UQ program requires a Higher-than-minimum English requirement you will be able to package an Integrated English* program with your chosen UQ program. Once you complete your English program, you will need to complete a recognised English test to meet the UQ entry requirements.

Packaged weeks	Minimum IELTS (or equivalent)
10*	No more than 0.5 below the UQ program requirements and no more than 0.5 below the sub-band requirement
15	No more than 0.5 below the UQ program requirements and no more than 1.0 below the sub-band requirement
20	No more than 1.0 below the UQ program requirements and no more than 1.0 below the sub-band requirement

Bridging English

If you have already met the UQ academic entry requirements for your chosen program and just need to meet the ELP requirements*, Bridging English (BE) is the program for you. To package Bridging English with your UQ program, you will need a minimum IELTS score of 5.0 (or equivalent) with no band below 5.0.

Bridging English
Standard or Advantage

+

UQ undergraduate or postgraduate program
Conditional offer

* For UQ Programs with a 'Minimum' ELP requirement. For programs with a 'Higher-than-minimum' requirement, please contact UQ International Admissions for advice on whether Bridging English or Integrated English is right for you.

How many weeks

Your IELTS level (or equivalent) will determine the length of Bridging English you will need.

BE LEVEL	IELTS ENTRANCE SCORE	WEEKS
BE 30	5.0 overall, no score below 5.0	30
BE 25	5.5 overall, no score below 5.0	25
BE 20	5.5 overall, no score below 5.5	20
BE 15	6.0 overall, no score below 5.5	15
BE 10	6.0 overall, W 6.0 and no score below 5.5	10

ASSESSMENT → **PASS BE 10** → **START UQ PROGRAM**

Check uqcollege.uq.edu.au/study-options/english-courses/be for accepted equivalent test scores.

Start dates

It is important to be aware of when your UQ program starts before you choose your Bridging English start date. This is to ensure you complete your Bridging English program in time to start at UQ.

IELTS SCORE	PROGRAM	BE ADVANTAGE (RECOMMENDED)	BE STANDARD

Semester 2 2027
July 2027

BE Advantage or BE Standard

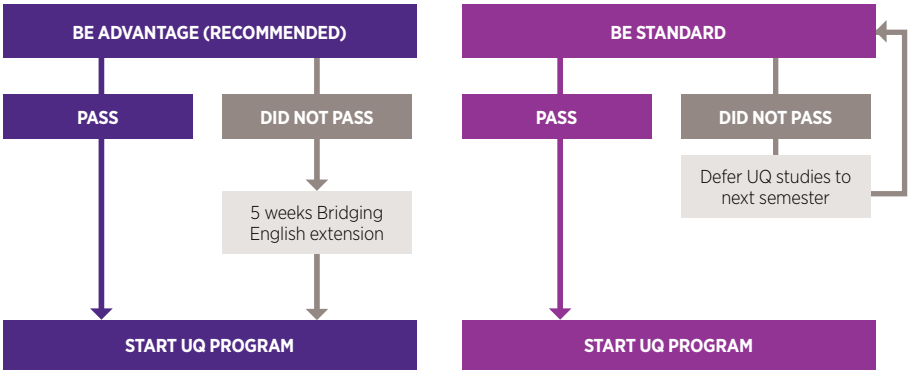

You have 2 options to choose from: BE Advantage or BE Standard. Both will help you meet the ELP requirements to enter UQ.

BE Advantage

The BE Advantage finishes at least 5 weeks before the semester commences. If you do not pass BE 10 you will have an opportunity to complete a 4-week BE Extension program and re-sit the BE assessment before the UQ semester starts. This option gives you a second chance, so you may not have to defer your UQ start date.

BE Standard

BE Standard finishes immediately before the start of the UQ semester. Due to time constraints, BE Extension is not available with this option. If you do not pass BE 10 assessments, you will need to defer your UQ start date.

Top 4 reasons why taking Bridging English is better than retaking an ELP test.

1. Our program is designed for your future study at UQ.
2. You improve your English faster because you are practising all the time in an English environment.
3. You will study at the UQ St Lucia campus and get access to all the facilities to help you make friends.
4. Learning test taking skills does not prepare you for academic study.

"UQ College has helped me because of its well-designed learning program and my skills have improved immensely.

I was also encouraged to take part in outside learning experiences and am grateful to be offered opportunities to broaden my social understanding.

I would like to share my sincere appreciation for everyone at UQ College. I have found myself motivated to learn, welcomed to participate and encouraged to grow.

With their assistance, I am confident to begin my higher education."

Wael Asiri, Saudi Arabia
Bridging English Student

Integrated English

Integrated English is a flexible option to improve your English. It can also prepare you to meet the ELP requirements and apply for a UQ program.

This program is ideal for students who have an IELTS score less than 5.0 (or equivalent), or who need a Higher-than-minimum ELP score to enter their chosen UQ program. Our small classes focus on practical English skills; Speaking, Listening, Reading and Writing. Classes run for 20 hours a week which includes one of the following electives:

- IELTS preparation
- Business English
- Oral communication skills

Progression and options

There are 6 levels of Integrated English, with assessments at the end of every 5-week teaching session. The results of the assessment may enable you to progress to the next level. Typically, students can expect to spend 10 - 15 weeks at each level. From Integrated English Level 3, you have the option to choose a stream that suits your learning goals: General, Academic or Business.

General stream

General English classes will help you to develop your confidence with the English language. You'll increase your ability to understand conversations and speak with more fluency and clarity.

Academic stream

Enhance your skills and confidence for university success. Improve your reading speed, comprehension and ability to communicate facts, ideas and opinions in academic writing.

Business stream

Develop speaking, listening, reading and writing skills for a business context. You'll improve speaking skills through group and individual presentations and be able to actively contribute to meetings.

IE PREP IELTS 3.5	General Stream Prep†		
IE 1 IELTS 4.0	General Stream 1†		
IE 2 IELTS 4.5	General Stream 2†		
IE 3 IELTS 5.0	General Stream 3†	Academic Stream 3 ††	Business Stream 3 ††

27 April	29 May
8 June	10 July
20 July	21 August
24 August	25 September
6 October	6 November
9 November	11 December

"I have completely enjoyed my Integrated English program at UQ College.

I thought that all of my teachers would be Australian, but actually, my teachers are from different countries. It's amazing to me because I can learn about different accents, cultures and English styles.

The St Lucia Campus is an amazing place that offers many interesting activities each semester, allowing you to interact with a diverse group of people and UQ student associations."

Tatiana Mosquera Rivas, Colombia
Integrated English Student

Foundation Program

The Foundation Program is designed to help you to meet the academic entry requirements and may also help you satisfy the English Language Proficiency requirements for your chosen UQ undergraduate program.

When you are offered a place in the Foundation Program, you will also be given a conditional offer for your desired UQ undergraduate program.

Standard Foundation Program IELTS 5.5 (no sub-score below 5.0)	**or**	**Accelerated Foundation Program** IELTS 6.0 (W 6.0, no sub-score below 5.5)	**+**	**UQ undergraduate program** Conditional offer

* To check the academic requirements, visit **uqcollege.uq.edu.au/study-options/foundation-program**.

Integrated English + Foundation Program Pathway

If you meet the academic requirements for entry to our Foundation Program but do not satisfy the ELP entry requirements for the Foundation Program, you can begin with Integrated English (IE).

* Or equivalent Pearson, TOEFL IBT or Cambridge ELP score

^ Students must be 18 years or older at time of the Integrated English program commencement.
All program durations indicated represent the minimum time needed. Some students may need more time to progress.

Package IE option: Minimum IELTS 5.0 (no sub-score below 5.0) or equivalent

If you have an IELTS score of 5.0 or equivalent, you can package 20 weeks of Integrated English with your studies. You will start at IE 3 and must pass this level to enter the Foundation Program.

Integrated English (minimum 20 weeks) + **Foundation Program** Standard or Accelerated + **UQ undergraduate program** Conditional offer

Standalone IE option: Minimum IELTS 3.5 (no sub-score below 3.5) or equivalent

If you do not meet the English requirement for a packaged option, you can still study Integrated English as a standalone program. IE will help you improve your English language ability, then you must take a recognised ELP Test such as IELTS or Pearson to meet the ELP entry requirement for the Foundation Program packaged with a UQ undergraduate program.

Due to the Under 18 supervision requirements, students will need to be 18 years of age for this option.

Integrated English (minimum 20 weeks) → **Foundation Program** Standard or Accelerated + **UQ undergraduate program** Conditional offer

Agriculture, animal and food sciences

Agricultural experts are needed to help sustainably feed, fuel and clothe our growing global population. Join the next generation of farm, fibre and food entrepreneurs by studying with a global leader in agriculture. We offer first-class programs in agriculture, agribusiness, and food, plant, soil and animal sciences. Learn from world-leading academics who are closely connected to industry and government, and enjoy access to our extensive specialist research facilities. Our hands-on learning approach offers practical experiences such as field visits, laboratory practicals, industry placements, and independent research projects.

Environmental management

Learn from Australia's leading environmental experts in programs that combine your scientific knowledge with the legal, political and social aspects of conservation and environmental management.

Gain practical skills to understand and manage our changing planet through industry placements and extensive fieldwork experiences in a diversity of ecosystems, including World Heritage rainforests, the Great Barrier Reef, island research stations and outback Australia.

Careers

Agribusiness; Agronomy and horticulture; Animal production; Animal health and welfare; Business and government; Crop and pasture production; Ecotourism; Environmental management; Environmental science; Farm management; Food and fibre production; Food processing; Food science and technology; Herd management; Land management; Livestock management; Marine management; Natural resource management; Parks and recreation facility management; Sustainability management; Veterinary practice; Wildlife and nature conservation.

Fieldwork

Locations include the Great Barrier Reef, islands along the Queensland coast, Hong Kong (SAR), Vietnam and Indonesia.

D Dual program(s) available. **H** Honours available. **Q** This is a quota program.
MIN Minimum English requirements, see page 72 for more information. **MIN+** Higher-than-minimum English requirements, see page 73 for more information.
Academic requirements may be lower for Graduate Certificate and Graduate Diploma.

"Australia is home to such unique biodiversity. I wanted to experience it myself and learn about the conservation issues here and the solutions to address them. Studying Wildlife Science is very interesting and there are lots of fieldwork elements in our program. I enjoy living in Gatton because it is the total opposite of home in Singapore. It is peaceful here, with beautiful landscapes, trees, and lots of native wildlife, and you're surrounded by people who are passionate about plants and animals!"

Craig Tan, Singapore
Bachelor of Wildlife Science

Addressing world issues

Our outlook is international. We engage with climate, geographic and social conditions in our design and planning to come up with practical solutions to common problems. We help to advance knowledge of the issues affecting our physical environment like climate change, urbanisation and natural resource management.

Helping you succeed

Our programs give you the skills and qualifications to create spaces that matter. You will be taught by a mix of internationally renowned scholars, experienced practitioners and talented architects. Courses are designed around studios where students can explore their interests in a collaborative environment.

We make sure you get hands-on experience in community-based projects with real clients, so you know what it takes to succeed as a professional.

Careers

Architecture; Commercial and industrial development; Environmental management and monitoring; Heritage and conservation; Infrastructure planning; Land-use planning; Planning law and practice; Policy and innovation; Product development; Regional development; Resource management; Social planning; Spatial planning; Tourism and transport; Town planning; Urban design; UX design.

Facilities

include architecture, design and planning studios, maker spaces, campus and CBD study and exhibition spaces, and computer labs.

Think differently

By studying arts, communication, humanities and social sciences you will learn to think differently and use your understanding to shape the future you want for yourself and your world, no matter which career you pursue.

Our graduates are essential for a sustainable, ethical and inclusive society. They embrace curiosity, daring to think bigger and broader to understand the world – then make it better.

Take the opportunity to indulge your interests in new and exciting fields and find your passion and purpose. Our award-winning research supports the ideas of stronger communities, social inclusion, sustainable development and international engagement.

Facilities

include 3 premier museums, archaeology laboratories and a field site, an industry-standard media studio and editing suites, and one of the top UN-standard interpreter training facilities in Australia.

Careers

Advertising; Art galleries and museums; Conducting; Crime prevention; Customs and immigration; Digital communications and marketing; Diplomacy and foreign affairs; Environmental protection and management; Event coordination; Festivals and events; Film, television and radio; Foreign affairs; Human resource management; Humanitarian services; Information management and technology; Interactive multimedia design; International development; International relations; Journalism; Marketing; Media and entertainment; Mediation and dispute resolution; Music composition; Music industry positions; Music teaching; Music therapy (with further study); Music writing and reviewing; Politics; Public affairs; Publicity and public relations; Publishing; Social media strategy; Social services; Sociology; Translation and interpreting; Travel and tourism; Writing.

"The BA program empowered me to be passionate about learning. Everything, from its diverse course selection to knowledgeable peers and academics you could engage in thought-provoking conversations with, encouraged us to extend ourselves intellectually.

Being a cybersecurity analyst requires me to constantly update my knowledge and perspectives to advise clients from various industries, and I believe I would not be as enthusiastic towards the prospect of lifelong learning if not for having completed a BA at UQ."

Riona Moriya, Japan

Bachelor of Arts (Peace and Conflict Studies, International Relations)

Cybersecurity Analyst for Deloitte in Tokyo, Japan.

Bachelor of Advanced Finance and Economics (Honours) **What you'll study:** Tools of Economic Analysis; Principles of Microeconomics; Principles of Financial Management; Finance Modelling **Majors:** Economics; Finance	2140	088354B	4 years	1 (23 Feb)	St Lucia	MIN+	Queensland Year 12 (or equivalent), including General English subject (Units 3 and 4, C); Mathematical Methods or Specialist Mathematics (Units 3 and 4, C).	$58,056
Bachelor of Business Management D H **What you'll study:** Introduction to Management; Introduction to Financial Management; Organisational Behaviour **Majors:** Business Economics; Business Information Systems; Human Resources; Innovation and Entrepreneurship; International Business; Leadership and Management Science; Marketing	2171	019886A	3 years	1 (23 Feb) 2 (27 July)	St Lucia	MIN	Queensland Year 12 (or equivalent), including General English subject (Units 3 and 4, C); and one of General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 and 4, C).	$54,096
Bachelor of Commerce D H **What you'll study:** Financial Reporting and Analysis; Introduction to Management Accounting; Transforming Business with Information Systems; Business Law **Majors:** Accounting; Business Analytics; Business Information Systems; Finance	2336	001944K	3 years	1 (23 Feb) 2 (27 July)	St Lucia	MIN	Queensland Year 12 (or equivalent), including General English subject (Units 3 and 4, C); Mathematical Methods (Units 3 and 4, C).	$54,096
Bachelor of Economics D H **What you'll study:** Introductory Microeconomics; Tools of Economic Analysis; Introductory Macroeconomics; Introductory Statistics for Social Sciences **Majors:** Economics and Public Policy; Economics of Strategy and Behaviour; International and Financial Economics; Quantitative Analysis	2467	001948F	3 years	1 (23 Feb) 2 (27 July)	St Lucia	MIN	Queensland Year 12 (or equivalent), including General English subject (Units 3 and 4, C); Mathematical Methods (Units 3 and 4, C).	$54,096
Bachelor of Laws (Honours) D **What you'll study:** Criminal Law: Principles, Offences and Defences; Constitutional Law; Corporate Law; Foundations of Law; Jurisprudence; Principles of Public Law	2471	082613C	4 years	1 (23 Feb)	St Lucia	MIN+	Queensland Year 12 (or equivalent), including General English subject (Units 3 and 4, C).	$54,096
Bachelor of Politics, Philosophy and Economics (Honours) **What you'll study:** Introduction to Australian Politics; Introduction to Ethics; Introductory Macroeconomics; Introductory Microeconomics; Critical Reasoning **Majors:** Economics; Philosophy; Politics	2522	092442A	4 years	1 (23 Feb)	St Lucia	MIN	Queensland Year 12 (or equivalent), including General English subject (Units 3 and 4, C); Mathematical Methods or Specialist Mathematics (Units 3 and 4, C).	$54,096
Bachelor of Tourism, Hospitality and Event Management D H **What you'll study:** Sustainability in Tourism, Hospitality and Events; Transforming Business with Information Systems; Visitor Experience and Marketing **Majors:** Hotel and Hospitality Management; Tourism and Event Management	2473	103168H	3 years	1 (23 Feb) 2 (27 July)	St Lucia	MIN	Queensland Year 12 (or equivalent), including General English subject (Units 3 and 4, C); and one of General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 and 4, C).	$54,096

D Dual program(s) available. **H** Honours available. **Q** This is a quota program.
MIN Minimum English requirements, see page 72 for more information. **MIN+** Higher-than-minimum English requirements, see page 73 for more information.
Academic requirements may be lower for Graduate Certificate and Graduate Diploma.

"I'd highly recommend attending UQ to students who are interested in expanding their mindset, challenging their own views, exploring their passions, and making meaningful connections that will enrich their professional and personal lives."

Marcela Areiza Jaramillo, Colombia
Master of Entrepreneurship and Innovation

“I opted to study at UQ because of its prestigious academic reputation, broad program offerings and emphasis on innovation.

UQ’s holistic approach and attention to networking and global viewpoints perfectly complements my passion for technology and management.

Furthermore, UQ’s dynamic campus and strategic position in Brisbane, a booming hub for business and technology, make it an excellent choice for furthering my academic and career goals in these disciplines.”

Chinmayi Dabholkar, India
Master of Business

Postgraduate programs

DEGREE	PROGRAM CODE	CRICOS CODE	DURATION	START SEMESTER	CAMPUS	ENGLISH	ADMISSION REQUIREMENTS	FEE (YEAR 1)
Master of Business GC **What you'll study:** Financial Management for Decision Makers; Tools and Techniques for Business Analysis; Business and Society **Majors:** Advertising; Human Resource Management; Information Systems, Innovation and Entrepreneurship; International Business; Law for Business, Leadership; Marketing; Organisational Sustainability	5583	082595M	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline, or a Graduate Certificate in Business from UQ (or equivalent).	$58,056
			1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in a relevant discipline. To see relevant disciplines, visit study.uq.edu.au for further information.	
Master of Business Administration GC **What you'll study:** Digitalising Business; Innovation Leadership; Operations Delivery and Transformation; Strategic Human Resources Management	5770	116551E	1.5 years (24 units)	1 (23 Feb) 2 (27 July)	Brisbane CBD	MIN	A bachelor's degree (or equivalent) in any discipline, plus 4 years full-time equivalent, relevant work experience, or the Graduate Certificate in Business Administration from UQ.	$69,112
Master of Business Analytics GC **What you'll study:** Business Analytics Foundations; Business Data Management; Machine Learning in Business; Monetising Business Data; Responsible AI; Statistical Methods in Business	5188		3 years (24 units, part-time only)	1 (23 Feb) 2 (27 July)	Online	MIN	A bachelor's degree (or equivalent) in a relevant discipline, or a bachelor's degree (or equivalent) in any discipline, plus 3 years of full-time equivalent relevant work experience, or the Graduate Certificate in Business Analytics from UQ (or equivalent). To see relevant disciplines, visit study.uq.edu.au for further information.	$25,016
Graduate Diploma in Business Research Methods **What you'll study:** Quantitative Business Research Methods I; Qualitative Business Research Methods II; Research Project; Research Thesis	5650	065372A	1 year (16 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline, or the Graduate Certificate in Business Research Methods from UQ.	$54,096
Master of Commerce GC **What you'll study:** Financial Statement Analysis; Corporate Finance; Information Retrieval and Management; Auditing **Majors:** Applied Finance; Information Systems; Professional Accounting	5584	082596K	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline, or a Graduate Certificate in Commerce from UQ (or equivalent).	$58,056
			1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in a relevant discipline. To see relevant disciplines, visit study.uq.edu.au for further information.	
Graduate Certificate in Economics Studies **What you'll study:** Foundations in Macroeconomics; Foundations in Microeconomics; Mathematical Techniques for Economics; Statistics for Business and Economics	5602	084718M	0.5 years (8units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline, or to have completed post-secondary studies, plus 5 years of full-time equivalent work experience in business or economics, or 7 years of full-time equivalent work experience in business or economics.	$27,048
Master of Economics GC GD **What you'll study:** Economics of Financial Markets; Foundations of Public Health; Globalisation and Economic Development **Majors:** Applied Econometrics; Economics and Public Policy; Health Economics	5399	058270K	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline, or a Graduate Certificate in Economic Studies from UQ, or a Graduate Diploma in Economics from UQ.	$54,096
			1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in a relevant discipline (see below), or a Graduate Certificate in Economics from UQ. To see relevant disciplines, visit study.uq.edu.au for further information.	
Master of Entrepreneurship and Innovation GC **What you'll study:** Building Innovation Capability; Creativity for Innovation and Design Thinking; Idea Management, Managing Innovation **Majors:** Biotechnology; Design and Information Technology; Food Entrepreneurship; Social and Community Entrepreneurship; Sustainable Energy	5690	096017G	1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in a relevant discipline, or the Graduate Certificate in Entrepreneurship and Innovation from UQ (or equivalent), or a bachelor's degree (or equivalent) in any discipline, plus 3 years of full-time equivalent relevant work experience, or the UQx Corporate Innovation MicroMasters® credential with 65% in the Corporate Innovation Capstone Assessment, plus 3 years of full-time equivalent relevant work experience. To see relevant disciplines, visit study.uq.edu.au for further information.	$54,096

"I always feel welcomed by the warm greetings from the friendly people at UQ. There are people from different backgrounds, ethnicities, races, and even different religions; and they all accept each other. You don't have to worry about safety here because people respect each other. You always feel like you belong here."

Wardina Rosli, Malaysia
Bachelor of Commerce

"UQ stood out to me because of its reputation and ranking. My program helped me access many opportunities to volunteer and gain industry work experience. One of the electives required me to seek an internship, which taught me how to approach firms, from small boutiques to larger corporations."

Guang Jun Lim, Singapore
Bachelor of Commerce

Education

Over 94% of UQ Education graduates are offered full-time employment within 4 months of graduation.

Making a lasting impact

Whether you want to begin your journey as a teacher or further develop your career in education, UQ offers programs that will forge your path to the most important and influential profession in the world – impacting the next generation.

Join the teachers of tomorrow – those passionate about inspiring students' love of learning. Our primary and secondary teacher preparation programs are accredited, and graduates are eligible for teacher registration in Queensland and beyond.

Broaden your career options and strengthen your leadership skills with a Master of Educational Studies. With 7 fields of study in which you can specialise – Behaviour Support; Curriculum; Guidance, Counseling and Careers; Inclusive Education; Leadership; Psychology Education and Science of Learning. Your learning will extend beyond the classroom into industry, media and community settings.

Careers

Curriculum development; Education leadership; Educational research; Guidance and career counselling; High school teaching; Language teaching; Mentoring; Music teaching; Primary school teaching.

Our vision

is to teach you how education has changed and prepare you for the future of learning.

Study with our international award-winning lecturers who will teach you flexible and creative ways to cater for the diverse learning needs of children and young adults.

Why be a teacher?

Teaching is a challenging but incredibly rewarding career. The impact you can have on our future generation is second to none. With excellent job security and a plenitude of vacancies, now is a great time to consider a career in teaching. UQ's teaching programs are recognised internationally and teachers are in high demand globally.

Teachers are in high demand

Over 94% of UQ Education graduates are offered full-time employment within 4 months after graduation. Queensland graduate teachers have one of the highest starting salaries in Australia.

Inspire the next generation

Teachers become influential in their students' lives, inspiring their love of learning and motivating them to achieve their personal best every day.

A balanced lifestyle

As a teacher you'll enjoy an enviable work-life balance, with guaranteed holidays and the flexibility to move locations depending on where your future takes you.

Endless career opportunities

Your career doesn't stop in the classroom. With further study, you also have the option to progress into a variety of leadership roles.

A degree the world will recognise

UQ's field of education is ranked =41st in the world in the QS World University Rankings by Subject 2025.

Become a community leader

Teachers have the opportunity to build relationships with their students and their families, and to create a positive sense of community in their classroom and school.

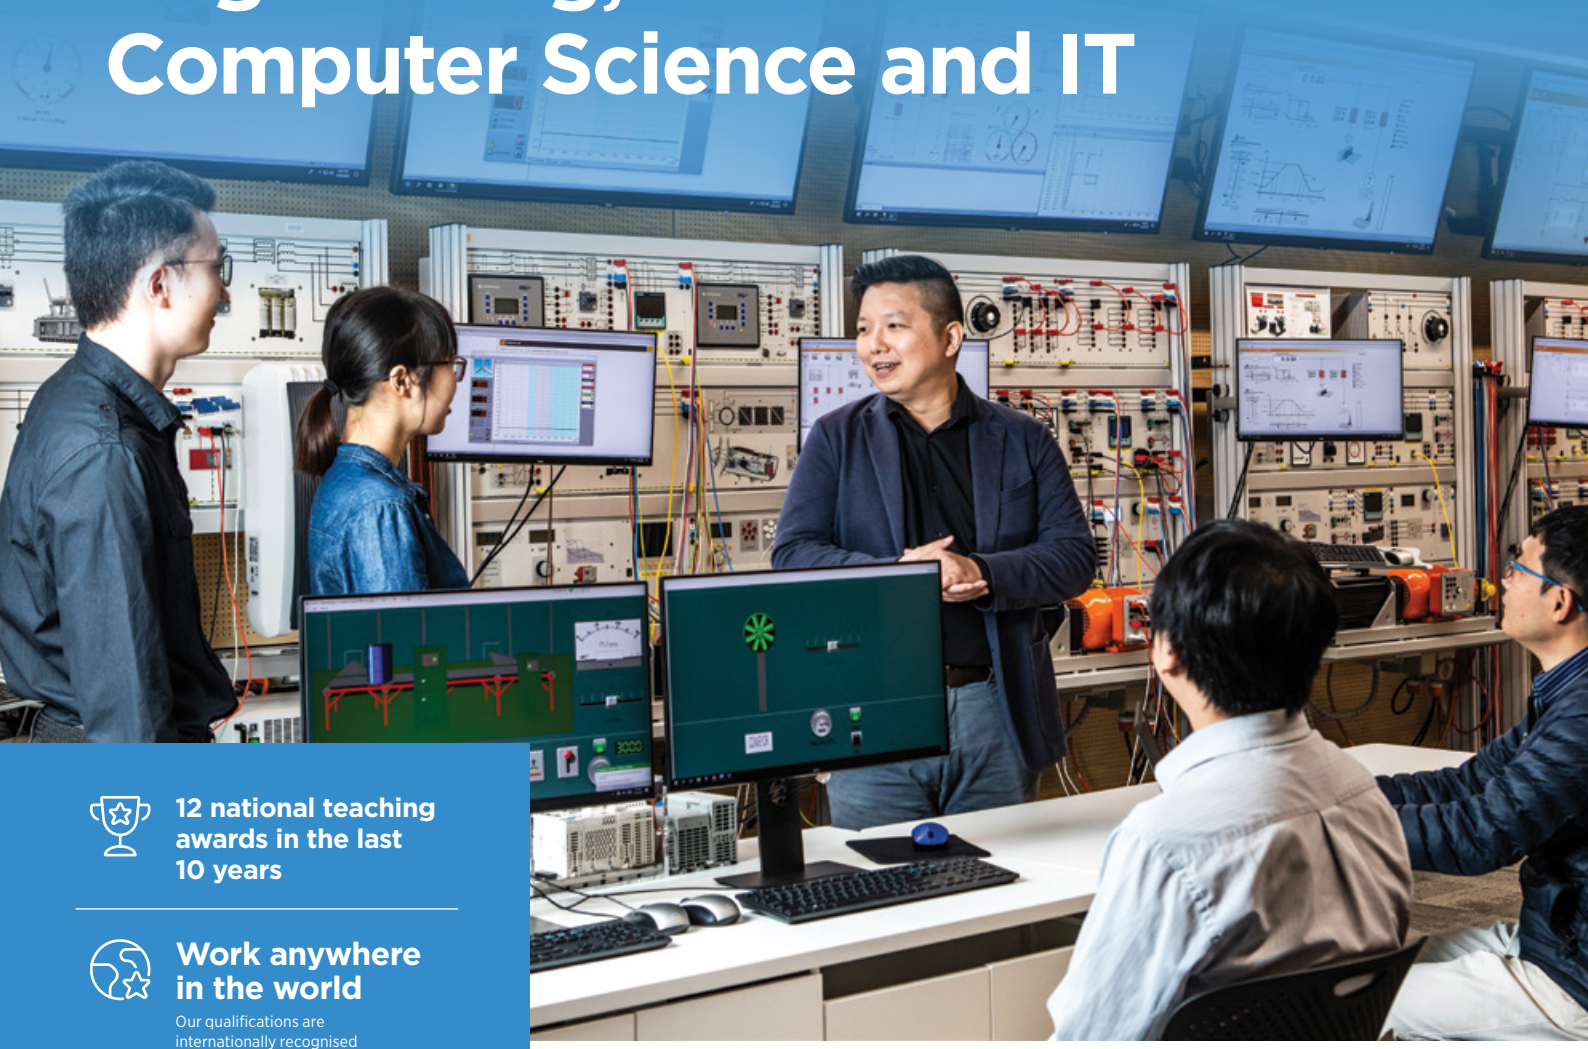

"I am passionate about the subjects I'm teaching, which are Chinese and History. Teaching what I love and witnessing students as they learn and achieve their goals is incredibly fulfilling to me. I am committed to making a difference in education and enjoy creating various engaging activities for students, with the goal of fostering lifelong learning.

Solving problems

For us, it starts with the spark. That craving you have to solve problems. It could be anything – protecting the planet, reimagining urban infrastructure, improving cyber security or creating uncomplicated human-centred digital products. As long as it's there, we'll help you explore it – by encouraging your intellectual boldness, honing your skills and bringing out your capacity to lead others towards positive and impactful change.

Innovation

You will be taught by a mix of internationally renowned lecturers, industry professionals and leading researchers. Our programs focus on developing your understanding of the business environment so you can make better decisions in class and in your professional career. By the time you graduate, you'll possess a distinct blend of creative and practical abilities, where every decision you make is ingrained in sustainability – and benefits people and communities all over the world.

Careers

Aerospace engineering; Augmented reality design; Biological engineering; Biomedical engineering; Chemical engineering; Civil engineering; Computer engineering; Cyber security; Data science; Design; Electrical engineering; Enterprise information systems; Environmental engineering; Game design; Geotechnical engineering; Human-computer interaction; Information management; Information technology; Materials engineering; Mechanical engineering; Mechatronic engineering; Metallurgical engineering; Mining engineering; Programming; Project management; Software design; Software engineering; Software information systems; UX design; Virtual reality design.

"The flexibility of studying engineering at UQ appealed to me, as you can try 6 areas of specialisation in your first year. I chose electrical engineering and software engineering. I enjoy the practical aspects of my program and I value the support provided by UQ staff for the more challenging assessments. The staff in Engineering and Technical Support Group are all very kind and patient to listen to your questions and help you find ways to solve them."

Master of Cyber Security GC GD **What you'll study:** Fundamentals of Cyber Security; Information Security Essentials; Cyber Security Governance, Policy, Ethics and Law; Cyber Criminology and Global Security **Majors:** Cryptography; Cyber Criminology; Cyber Defence; Leadership	5257	0100693	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline, or a graduate certificate or graduate diploma or master's degree in any discipline, or to have successfully completed 3 years of study towards an approved qualification at an overseas partner institution, with a formal pathway to the Master of Cyber Security.	$58,056
			1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in a relevant discipline, or a graduate certificate or graduate diploma or master's degree in a relevant discipline. To see relevant disciplines, visit study.uq.edu.au for further information.	
Master of Data Science **What you'll study:** Introduction to Data Science; Responsible Data Science; Data Analytics at Scale; Machine Learning	5660	092454G	2 years (32 units)	1 (16 Feb) 2 (20 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in a relevant discipline, or a bachelor's degree (or equivalent) which includes all of the relevant discipline content, or to have successfully completed 3 years of study towards an approved qualification at an overseas partner institution, with a formal pathway to the Master of Data Science. To see relevant disciplines, visit study.uq.edu.au for further information.	$58,056
			1.5 years (24 units)	1 (16 Feb) 2 (20 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in a relevant discipline with studies in at least 3 courses in mathematics, 2 courses in statistics or probability and 3 courses in computer sciences. To see relevant disciplines, visit study.uq.edu.au for further information.	
Master of Electrical Engineering (Professional) **What you'll study:** Advanced Computational Techniques in Engineering; Biomedical Instrumentation	5744	108881J	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A 4-year bachelor's degree (or equivalent) in a relevant engineering discipline, or a 4-year bachelor's degree in engineering (or equivalent) which includes all of the relevant discipline content, or to have successfully completed 3 years of study towards an approved qualification at an overseas partner institution, with a formal pathway to the Master of Electrical Engineering (Professional). To see relevant disciplines, visit study.uq.edu.au for further information.	$58,056
Master of Engineering Science GC **What you'll study:** Bioprocess Engineering; Chemical Engineering; Civil Engineering; Electrical Engineering **Majors:** Bioengineering; Chemical Engineering; Civil Engineering; Electrical Engineering; Materials and Manufacturing Engineering; Mechanical Engineering; Mechatronic Engineering; Software Engineering; Urban Water Engineering	5528	076003B	1 year (16 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A 4-year bachelor's degree (or equivalent) in a relevant engineering discipline, or a 4-year bachelor's degree (or equivalent) in engineering which includes all of the relevant discipline content. To see relevant disciplines, visit study.uq.edu.au for further information.	$58,056
Master of Engineering Science (Management) **Majors:** Bioengineering; Chemical Engineering; Civil Engineering; Electrical Engineering; Materials and Manufacturing Engineering; Mechanical Engineering; Mechatronic Engineering; Software Engineering; Urban Water Engineering	5530	075740K	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A 4-year bachelor's degree (or equivalent) in a relevant engineering discipline, or a 4-year bachelor's degree (or equivalent) in engineering which includes all of the relevant discipline content. To see relevant disciplines, visit study.uq.edu.au for further information.	$58,056
Master of Information Technology GC GD **What you'll study:** Introduction to Software Engineering; Design Computing Studio 1: Interactive Technology; Introduction to Information Systems; Relational Database Systems	5581	080723B	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in a field other than information technology, computer science, software/computer engineering, interaction design or multimedia design.	$58,056
Master of Interaction Design GC GD **What you'll study:** Design Thinking; Digital Prototyping; Human-Computer Interaction; Social and Mobile Computing	5580	080726K	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in a field other than interaction design, multimedia design, human computer interaction, human-centred computing or user experience design.	$58,056

Commitment to health

At UQ, we're committed to health in a big way. From the molecular to the macro, from the laboratory bench to the bedside and from biomedical to behavioural sciences, we seek to advance understanding, build better health services and make you a leader and innovator of the future.

Pathway to an exciting career

We offer one of the widest ranges of health study areas in Australia. A hands-on approach and cutting-edge research are built into our teaching, to prepare you for all types of care situations. We maintain close partnerships with major healthcare providers to inform our teaching, research and clinical engagement. Placements are important steps in your study program to expand your professional network, decide on your specialty and prepare for an exciting career.

Careers

Biomedical science; Cardiac science; Counselling; Dentistry; Digital health; Disability support; Embryology; Environmental health sciences; Epidemiology; Exercise physiology; Health and physical education; Health promotion; Health policy; Health science; Medicine; Mental health services; Midwifery; Nursing; Nutrition; Occupational health and safety; Occupational therapy; Pharmacy; Physiotherapy; Psychology; Public health management; Regulatory and medical affairs; Research; Social work; Speech pathology; Sport and recreation management; Sport science; Youth and child support services.

Global partnerships

with the World Health Organization, the World Bank, Médecins Sans Frontières, University of Oxford and Ochsner Health (USA).

Undergraduate programs

DEGREE	PROGRAM CODE	CRICOS CODE	DURATION	START SEMESTER	CAMPUS	ENGLISH	ADMISSION REQUIREMENTS	FEE (YEAR 1)
Bachelor of Biomedical Science D H **What you'll study:** Analysis of Scientific Data; Integrative Cell and Tissue Biology; Microbiology and Immunology; Principles of Pharmacology	2415	092440C	3 years	1 (23 Feb) 2 (27 July)	St Lucia	MIN	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C); Mathematical Methods (Units 3 and 4, C); and one of Biology, Chemistry or Physics (Units 3 and 4, C).	$58,056
Bachelor of Clinical Exercise Physiology (Honours) **What you'll study:** Biomechanics; Exercise Science Technical Skills; Exercise Prescription and Programming for Musculoskeletal Conditions; Exercise Prescription and Programming for Ageing; Metabolic Disease and Cancer	2413	092443M	4 years	1 (23 Feb)	St Lucia	MIN+	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C), and One of Biology, Chemistry or Physics (Units 3 and 4, C).	$50,032
Bachelor of Dental Science (Honours) Q **What you'll study:** Dental Practice 1; Head and Neck Anatomy for Dentistry; Immunology and Microbiology for Dentistry; Professions, People and Healthcare	2367	082620D	5 years	1 (23 Feb)	Herston, St Lucia	MIN+	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C); Chemistry (Units 3 and 4, C) (Biology also recommended), and UCAT ANZ (from the year you apply).	$94,856
Bachelor of Exercise and Sport Sciences (Honours) **What you'll study:** Biomechanics; Health and Fitness Through Diet and Exercise; Professions, People and Healthcare; Anatomical Basis of Human Movement	2371	082624M	4 years	1 (23 Feb)	St Lucia	MIN+	Queensland Year 12 (or equivalent) General English subject (Units 3 and 4, C); and one of Biology, Chemistry or Physics (Units 3 and 4, C).	$50,032
Bachelor of Health Sciences H **What you'll study:** Introduction to Public Health; Health Systems and Policy; Biology for Health Sciences; Exploring Wicked Problems in Health **Majors:** Clinical Health; Nutrition; Public Health	2252	055897K	3 years	1 (23 Feb) 2 (27 July)	Herston, St Lucia	MIN	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C). It is highly recommended that students undertake one of Year 12 (or equivalent) Biology, Chemistry and/or Physics.	$50,032
Bachelor of Health, Sport and Physical Education (Honours) **What you'll study:** Biomechanics; Sport and Health in Society and Culture; Health and Fitness Through Diet and Exercise; Sport Coaching: Learning, Talent and Performance	2372	082625K	4 years	1 (23 Feb)	St Lucia	MIN+	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C), General Mathematics, Mathematical Methods or Specialist Mathematics Units 3 and 4, C); and one of Biology, Chemistry, Psychology or Physics (Units 3 and 4, C)	$45,792
Bachelor of Human Movement and Nutrition Sciences D H **What you'll study:** Health and Fitness Through Diet and Exercise; Psychology of Sport, Physical Activity and Health; Indigenous Studies for Sport, Exercise, Nutition and Education **Majors:** Nutrition Sciences; Sporting Cultures; Sports Coaching	2525	113791B	3 years	1 (23 Feb) 2 (27 July)	St Lucia	MIN	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C). It is strongly recommended that students undertake: One of Queensland Year 12 (or equivalent) General Mathematics, Mathematical Methods or Specialist Mathematics, and One of Queensland Year 12 (or equivalent) Biology, Chemistry or Physics.	$50,032
Bachelor of Midwifery D H Q **What you'll study:** Introduction to Midwifery Practice; Clinical Midwifery Practice 1; Professional Practice 1; Working in Partnership with Women and Families	2261	058541C	3 years	1 (23 Feb)	St Lucia, clinical schools	MIN+	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C). It is strongly recommended that students undertake one of Queensland Year 12 (or equivalent) Biology, Chemistry or Physics.	$45,792
Bachelor of Nursing D H Q **What you'll study:** Health Across the Lifespan; Clinical Nursing Practice 1; Older Adults' Health; Acute Care Nursing	2241	050456J	3 years	1 (23 Feb)	St Lucia, clinical schools	MIN+	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C). It is strongly recommended that students undertake one of Queensland Year 12 (or equivalent) Biology, Chemistry or Physics.	$45,792
Bachelor of Nutrition Sciences / Master of Dietetics Studies Q **What you'll study:** Health and Fitness Through Diet and Exercise; Nutrition Science; Interviewing and Counselling for Dietetics Practice; Evidence Based Practice in Dietetics	2534	116549K	4 years	1 (23 Feb)	St Lucia	MIN+	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C), and General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 and 4, C), and one of Biology, Chemistry or Physics (Units 3 and 4, C).	$58,056
Bachelor of Occupational Therapy (Honours) Q **What you'll study:** Systematic and Applied Anatomy; Introduction to Professional Skills in Occupational Therapy; Occupational Therapy for Children and Youth I; Promoting Participation through Occupation and The Environment	2368	082621C	4 years	1 (23 Feb)	St Lucia	MIN+	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C); and one of Biology, Chemistry or Physics (Units 3 and 4, C).	$58,056
Bachelor of Pharmacy (Honours) **What you'll study:** Pharmacy Practice and Medicines Management 1A; Pharmaceutical Sciences 2A; Social Pharmacy and the Health System 2; Pharmacokinetics and Medicines Management	2373	082626J	4 years	1 (23 Feb) 2 (27 July)	Dutton Park	MIN	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C), and General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 and 4, C), and Chemistry (Units 3 and 4, C). Biology is also recommended.	$58,056

DEGREE	PROGRAM CODE	CRICOS CODE	DURATION	START SEMESTER	CAMPUS	ENGLISH	ADMISSION REQUIREMENTS	FEE (YEAR 1)
Bachelor of Physiotherapy (Honours) Q **What you'll study:** Physiotherapy Foundations I: Physiotherapy Profession and Basic Processes; Introduction to Principles of Physiotherapy Assessment and Management; Principles of Exercise in Physiotherapy Practice; Foundations of Physiotherapy Practice	2369	082622B	4 years	1 (23 Feb)	St Lucia	MIN+	Queensland Year 12 (or equivalent) General English subject (Units 3 and 4, C); and one of Biology, Chemistry or Physics (Units 3 and 4, C).	$58,056
Bachelor of Psychological Science (Honours) **What you'll study:** The Brain and Behavioural Sciences; Applied Sport and Exercise; Psychology; Neuroscience for Psychologists; Psychology of Criminal Justice	2379	084715C	4 years	1 (23 Feb)	St Lucia	MIN	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C).	$50,032
Bachelor of Social Work H **What you'll study:** Human Development and Social Work; Working with Aboriginal and Torres Strait Islander People; Moral and Ethical Foundations of Social Work; Social Work and the Legal Context	2540	001964F	4 years	1 (23 Feb)	St Lucia	MIN+	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C).	$45,792
Bachelor of Speech Pathology (Honours) Q **What you'll study:** Communication and Swallowing Across the Lifespan; Disability Across the Lifespan; Mental Health and Justice; Anatomy and Neuroanatomy Fundamentals for Speech Pathologists	2370	082623A	4 years	1 (23 Feb)	St Lucia	MIN+	Queensland Year 12 (or equivalent) General English subject (Units 3 and 4, C); and one of Biology, Chemistry or Physics (Units 3 and 4, C).	$58,056
Doctor of Medicine (Provisional Entry) Q **What you'll study:** Foundations of Medicine; Developing Skills in Medicine; Clinical Immersion; Advanced Practice; Transition to Practice	5740 Provisional entry: 2303	080921G	Bachelor's Degree + 4 years	1 (23 Feb)	St Lucia, Clinical Units and Teaching Hospitals	MIN / MIN+	Queensland Year 12 (or equivalent); English, a competitive University Clinical Aptitude Test for Australia and New Zealand (UCAT ANZ) aggregate score from the year you apply, and to attend a multiple mini-interview (MMI). If you receive a provisional entry offer, to progress to the MD, you'll also need: to complete your first degree at UQ within the minimum time specified for the program, and achieve a grade point average (GPA) of 5.0 on a 7-point scale in your first degree, and to complete the MD subject prerequisite courses.	$104,102

D Dual program(s) available. H Honours available. Q This is a quota program.
MIN Minimum English requirements, see page 72 for more information. MIN+ Higher-than-minimum English requirements, see page 73 for more information.

"My main motivation to choose Occupational Therapy is simply the desire to help people who are injured or recovering from illness to get back to their meaningful occupations and activities.

UQ is one of the leading institutions in Australia, the University also has good student support, and staff are amazing, approachable and very efficient.

My favourite learning activity was the practical class in anatomy as it enabled learning from real specimens, which was a new learning experience for me."

Esme Wai Chang, Hong Kong
Bachelor of Occupational Therapy (Honours)

Postgraduate programs

DEGREE	PROGRAM CODE	CRICOS CODE	DURATION	START SEMESTER	CAMPUS	ENGLISH	ADMISSION REQUIREMENTS	FEE (YEAR 1)
Master of Audiology Studies Q **What you'll study:** Clinical Audiology; Interprofessional Community Healthcare; Person and Family-Centred Audiology; Paediatric Audiology	5145	070265F	2 years (32 units)	1 (23 Feb)	St Lucia	MIN+	A bachelor's degree (or equivalent). Study in fields such as health, humanities, education, social, physical or biological sciences is recommended.	$58,056
Master of Biostatistics GC GD **What you'll study:** Introduction to Epidemiology; Principles of Statistical Inference; Health Indicators and Health Surveys; Data Management and Statistical Computing	5500		3 years (24 units, part-time only)	1 (23 Feb) 2 (27 July)	Online	MIN	A bachelor's degree (or equivalent) in a relevant discipline, or the Graduate Diploma of Biostatistics from this University. To see relevant disciplines, visit study.uq.edu.au for further information.	$25,016
			2 years (16 units, part-time only)	1 (23 Feb) 2 (27 July)	Online	MIN	A bachelor honours degree in the field of statistical sciences.	
Master of Business Psychology **What you'll study:** Business Skills for Consultants; Job and Organisational Design; Motivating and Leading in the Workplace; Organisational Change: Theory and Practice	5728	105112H	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline, plus 2 years, full-time equivalent relevant work experience at a managerial or professional level.	$58,056
			1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor honours degree in psychology with honours class I or IIA, or equivalent 4-year program from a recognised tertiary institution.	
Doctor of Clinical Dentistry Q **What you'll study:** Clinical Science; Advanced Clinical Practice; Data Collection and Analyses; Research Completion and Report	5616	058537K	3 years (48 units)	1 (23 Feb)	Herston	MIN+	Hold a degree in dentistry from UQ (or equivalent) Have a minimum 2 years of graduate clinical experience. Hold general or limited registration with the Dental Board of Australia.	$93,736
Master of Clinical Neuropsychology and Clinical Psychology Q **What you'll study:** Cognitive Behaviour Therapies for Adults; Assessment in Psychological Practice; Functional Neuroanatomy and Cognitive Disorders; Clinical Psychopathology	5766	113725A	2.5 years (40 units)	1 (23 Feb)	St Lucia	MIN+	A bachelor honours degree in psychology (minimum class IIA honours) or equivalent, 4-year Australian Psychology Accreditation Council (APAC) accredited degree. Applicants must be eligible for provisional registration or general registration with the Psychology Board of Australia.	$54,096
Master of Clinical Pharmacy **What you'll study:** Advanced Skills for Clinical Pharmacy Practice; Pharmacists in the Modern Health System; Pharmacotherapy in Patient Care; Leading and Managing the Future in Pharmacy Practice	5718		1 year (16 units)	1 (23 Feb) 2 (27 July)	Online	MIN+	A bachelor's degree in pharmacy (or equivalent) discipline and current, general registration as a pharmacist in your country of practice.	$58,056
Master of Clinical Psychology Q **What you'll study:** Acceptance and Commitment Therapy; Addiction Science and Practice; Applied Gerontology; Assessment in Psychological Practice; Behavioural Family Intervention; Clinical Psychopathology	5164	026000G	2 years (32 units)	1 (23 Feb)	St Lucia	MIN+	A bachelor honours degree in psychology (minimum class IIA honours) or equivalent, 4-year Australian Psychology Accreditation Council (APAC) accredited degree. Applicants must be eligible for provisional registration or general registration with the Psychology Board of Australia.	$58,056
Master of Counselling Q **What you'll study:** Counselling and Mental Health; Family Therapy Traditions: Basic Concepts and Skills; Understanding and Caring for Those Affected by Loss; Counselling for Crisis and Violence	5333	048816G	2 years (32 units)	1 (23 Feb)	St Lucia	MIN+	A bachelor's degree (or equivalent) in a relevant discipline. Applicants are required to submit a recorded interview. To see relevant disciplines, visit study.uq.edu.au for further information.	$45,792
Master of Dietetics Studies Q **What you'll study:** Medical Nutrition Therapy and Professional Practice; Interviewing and Counselling for Dietetics Practice; Management and Leadership for Dietetics Professionals; Evidence Based Practice in Dietetics	5768	116550F	2 years (32 units)	1 (23 Feb)	St Lucia	MIN+	An approved degree with completed tertiary studies in biochemistry, physiology and nutrition that meet the accreditation requirements of the national standards for dietetics. Entry is competitive based on GPA.	$58,056
Master of Environmental Health Sciences GC GD **What you'll study:** Risk Communication; System Dynamics; Introduction to Epidemiology; Introduction to Biostatistics	5704	098321F	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia, Herston, Online	MIN	A bachelor's degree (or equivalent) in a relevant discipline, or a bachelor's degree (or equivalent) in any discipline, plus one year full-time equivalent relevant work experience in an environmental health-related setting, or a graduate certificate or graduate diploma (or equivalent) in a relevant discipline. To see relevant disciplines, visit study.uq.edu.au for further information.	$50,032
Master of Epidemiology GC GD **What you'll study:** Risk Communication; System Dynamics; Introduction to Epidemiology; Introduction to Biostatistics	5759	110070D	2 years (32 units)	1 (23 Feb)	Herston, Online	MIN	A bachelor's degree (or equivalent) in a relevant discipline, or a bachelor's degree (or equivalent) in any discipline, plus one year full-time equivalent relevant work experience in a healthcare, public health or research setting, or a Graduate Certificate or Graduate Diploma (or equivalent) in a relevant discipline. To see relevant disciplines, visit study.uq.edu.au for further information.	$50,032
Master of Medicine GC **What you'll study:** Clinical and Dermatoscopic Diagnosis in Skin Cancer Practice; Assessment and Diagnosis; Foundation Therapeutics; Advanced Therapeutics **Majors:** Skin Cancer	5398		2 years (16 units, part-time only)	1 (23 Feb) 2 (27 July)	Online	MIN+	A bachelor's degree (or equivalent) in medicine, plus 2 years full-time equivalent post qualification clinical practice, and you must have access to and have obtained any necessary permission for the use of appropriate and sufficient clinical cases in order to complete the program.	$27,048

DEGREE	PROGRAM CODE	CRICOS CODE	DURATION	START SEMESTER	CAMPUS	ENGLISH	ADMISSION REQUIREMENTS	FEE (YEAR 1)
Doctor of Medicine (Graduate Entry) Q **What you'll study:** Foundations of Medicine; Developing Skills in Medicine; Clinical Immersion; Advanced Practice; Transition to Practice	5740	080921G	4 years (64 units)	1 (2 Feb)	St Lucia, Clinical Units and Teaching Hospitals	MIN+	A bachelor's degree (or equivalent) (known as a key degree), a grade point average (GPA) of 5.0 on a 7-point scale in your key degree, a minimum score of 50 in each section of the Graduate Medical School Admissions Test (GAMSAT) or 504 in the Medical College Admission Test (MCAT), to attend a multiple mini-interview (MMI), and successful completion of the required MD subject prerequisite courses.	$104,102
Master of Mental Health **What you'll study:** Human Development and Relationships Across the Life Span; Advanced Therapy Skills: Working with Complex and Non-Traditional Clients; Advanced Therapy Skills: Working with Families and Groups; Mental Health Research Thesis **Majors:** Art Therapy; Psychotherapy	5151	031212J	1.5 years (24 units)	1 (23 Feb)	Herston	MIN+	A bachelor's degree (or equivalent) in health or social work, plus one years full-time equivalent relevant work experience in a mental health setting, or a bachelor's degree (or equivalent) in any discipline, plus 2 year full-time equivalent relevant work experience in a mental health setting, or a Graduate Certificate or Graduate Diploma in Mental Health from UQ, plus 5 years full-time equivalent relevant work experience in a mental health setting. This program has additional admission requirements visit study.uq.edu.au for further information.	$45,792
Master of Nursing (Graduate Entry) Q **What you'll study:** Early Lifespan Nursing; Musculoskeletal Health and Injury Prevention; Cardiovascular and Respiratory Nursing; Neuroendocrine and MH Nursing	5776	069418D	2 years (32 units)	1 (23 Feb)	St Lucia	MIN+	A bachelor's degree (or equivalent) in any discipline.	$50,032
Master of Occupational Health and Safety Science D **What you'll study:** Occupational Hygiene; OHS Management Systems; Risk Management; OHS Law	5558	077534M	1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in science, engineering or health sciences with 2 or more first-year, university-level science courses that cover human anatomy, human physiology, organic chemistry, inorganic chemistry and/or physics.	$50,032
Master of Occupational Hygiene **What you'll study:** Occupational Health; Physical Ergonomics; Introduction to Epidemiology; Risk Management	5738	106960D	1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree in science, engineering or health sciences, with 2 or more first-year, university-level science courses that cover human anatomy, human physiology, organic chemistry, inorganic chemistry and/or physics.	$50,032
Master of Occupational Hygiene / Occupational Health and Safety Science **What you'll study:** Physical Ergonomics; Introduction to Epidemiology; Occupational Health and Safety Law; Occupational Safety Science	5739	106961C	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree in a science, engineering or health sciences, with 2 or more first-year, university-level science courses that cover human anatomy, human physiology, organic chemistry, inorganic chemistry and/or physics.	$50,032
Master of Occupational Therapy Studies Q **What you'll study:** Occupational Performance and Evaluation Across the Lifespan; Psychosocial Aspects of Occupational Therapy Practice; Promoting Occupational Performance for People with Chronic Medical and Mental Health Conditions; Social Change in Occupational Therapy	5147	002041G	2.5 years (40 units)	2 (27 July)	St Lucia	MIN+	A bachelor's degree (or equivalent) and have completed university-level studies in human anatomy, human physiology, and introductory psychology.	$58,056
Master of Organisational Psychology Q **What you'll study:** Advanced Personnel Training; Job and Organisational Design; Organisational Change: Theory and Practice; Motivating and Leading in the Workplace	5199	002042G	2 years (32 units)	1 (23 Feb)	St Lucia	MIN+	A bachelor honours degree in psychology (minimum class IIA honours) or equivalent, 4-year Australian Psychology Accreditation Council (APAC) accredited degree. Applicants must be eligible for provisional registration or general registration with the Psychology Board of Australia.	$54,096
Master of Pharmaceutical Industry Practice **What you'll study:** Drug Design and Formulation; Pre-Clinical Drug Development; Post-registration Life Cycle Management; Device Development, Drug Manufacturing, Regulatory Affairs and Governance	5703	098320G	2 years (32 units)	1 (23 Feb) 2 (27 July)	Dutton Park	MIN	A bachelor's degree (or equivalent) in Science, engineering, medical/biomedical science, health sciences, pharmacy or pharmaceutical science, or equivalent, or the Graduate Certificate in Pharmaceutical Industry Practice from UQ.	$50,032
Graduate Certificate in Pharmacy Practice **What you'll study:** Applied Pharmacy Practice 1; Applied Pharmacy Practice 2	5533		2 years (8 units, part-time only)	1 (23 Feb) 2 (27 July)	Online	MIN+	A bachelor's degree (or equivalent) in pharmacy from Australia or New Zealand. International applicants must have completed Australian Pharmacy Council requirements.	$14,514
Master of Physiotherapy Q **What you'll study:** Clinical Skills in Musculoskeletal, Sports and Exercise Physiotherapy; Exercise-Based Rehabilitation, Strength and Conditioning in Musculoskeletal, Sports and Exercise Physiotherapy; Advanced Clinical Reasoning, Injury Surveillance and Prevention in Sport and Performance; Applied Evidence and Clinical Reasoning in Musculoskeletal Physiotherapy Practice **Majors:** Musculoskeletal Physiotherapy; Sports Physiotherapy	5221	102796K	1 year part-time (8 units) + 0.5 year full-time (8 units)	1 (23 Feb)	St Lucia	MIN+	A bachelor's degree (or equivalent) in physiotherapy, plus 2 years full-time equivalent, relevant professional experience and evidence of continuing professional education, or equivalent qualifications and experience.	$58,056

DEGREE	PROGRAM CODE	CRICOS CODE	DURATION	START SEMESTER	CAMPUS	ENGLISH	ADMISSION REQUIREMENTS	FEE (YEAR 1)
Master of Physiotherapy Studies Q **What you'll study:** Foundations of Physiotherapy I: Fundamentals of Communication, Movement and Exercise; Foundations of Physiotherapy II: Fundamentals of Examination and Measurement; Theory, Practice and Research: Musculoskeletal Physiotherapy: Lower Limb; Theory, Practice and Research: Musculoskeletal Physiotherapy: Lumbar Spine	5267	039545A	2 years (40 units, intensive)	Summer (30 Nov)	St Lucia	MIN+	A bachelor's degree (or equivalent), with completed university-level studies in human anatomy and human physiology. This program has additional admission requirements visit study.uq.edu.au for further information.	$75,590
Master of Psychology Q **What you'll study:** Advanced Clinical Health Psychology; Assessment in Psychological Practice; Working with Children and Young People in Therapy **Majors:** Counselling; Health; Sport and Exercise	5666	092458D	2 years (32 units)	1 (23 Feb)	St Lucia	MIN+	A bachelor honours degree in psychology (minimum class IIA honours) or equivalent, 4-year Australian Psychology Accreditation Council (APAC) accredited degree. Applicants must be eligible for provisional registration or general registration with the Psychology Board of Australia.	$54,096
Master of Public Health **What you'll study:** Introduction to Environmental Health; Foundations of Public Health; Introduction to Epidemiology; Health Systems	5760	110071C	2 years (32 units)	1 (23 Feb) 2 (27 July)	Herston, Online	MIN	A bachelor's degree (or equivalent) in a relevant discipline, or a bachelor's degree (or equivalent) in any discipline, plus one year, full-time equivalent relevant work experience in a healthcare setting; sor a graduate certificate or graduate diploma (or equivalent) in a relevant discipline. To see relevant disciplines, visit study.uq.edu.au for further information.	$54,096
Master of Social Work (Qualifying) **What you'll study:** Lifespan, Culture and Disability; Introduction to Key Elements of Social Work; Direct Practice 1; The Legal and Policy Context for Social Work Practice	5767	063939E	2 years (32 units)	1 (23 Feb)	St Lucia	MIN+	A bachelor's degree (or equivalent) in a relevant discipline, with one year, full-time equivalent study in social and behavioural sciences. To see relevant disciplines, visit study.uq.edu.au for further information.	$45,792
Master of Speech Pathology Studies Q **What you'll study:** Professional Practice and Person-centred Communication Skills; Anatomy and Neuroanatomy Fundamentals for Speech Pathologists; Communication and Feeding Skills in Children; Communication and Swallowing Skills in Adults	5228	111199A	2 years (40 units, intensive)	Summer (30 Nov)	St Lucia	MIN+	A bachelor degree (or equivalent) in any discipline.	$72,570
Master of Sports Coaching GC **What you'll study:** Recovery and Nutrition for Elite Athlete; Developing the Elite Athlete; High Performance Program Management for Coaches; Performance Psychology for Coaches	5725		2 years (32 units, full-time)	1 (23 Feb) 2 (27 July)	Online	MIN	A bachelor's degree in any discipline plus current coaching qualifications endorsed by a recognised sporting body (e.g. a national sporting organisation) or equivalent plus one year's coaching experience. A current coaching qualification endorsed by a recognised sporting body (e.g. a national sporting organisation) or equivalent, plus 5 years coaching/high performance sporting experience.	$45,792
			1.5 years (24 units, full-time)	1 (23 Feb) 2 (27 July)	Online	MIN	A Bachelor's degree (or equivalent) in sports coaching, exercise and sport sciences, health and physical education, or a Graduate Certificate in Sports Coaching from this university.	
			1 year (16 units, full-time)	1 (23 Feb) 2 (27 July)	Online	MIN	A Bachelor honours degree (or equivalent) in sports coaching, exercise and sport sciences, health and physical education.	
Master of Sports Medicine GC **What you'll study:** Principles of Sports Medicine; Special Groups in Sports Medicine; Upper Limb, Head, Neck and Trunk Sport Injuries; Clinical Exercise Science for Sports Medicine 1	5420		1 year (16 units)	1 (23 Feb) 2 (27 July)	Online	MIN	A degree in medicine, plus 2 years full-time (or equivalent) post-qualification clinical practice. Applicants must hold registration as a medical practitioner in country of practice.	$50,032

D Dual program(s) available. **H** Honours available. **Q** This is a quota program. **GC** Graduate Certificate also available. **GD** Graduate Diploma also available.
MIN Minimum English requirements, see page 72 for more information. **MIN+** Higher-than-minimum English requirements, see page 73 for more information.
Academic requirements may be lower for Graduate Certificate and Graduate Diploma.

"The 4 years that I spent at UQ were some of the best times of my life. It was nice moving to Brisbane from Vancouver because they're similar cities in a lot of ways: they're both surrounded by beautiful scenery and really lend themselves to outdoor activities. Studying medicine at UQ has been a life-changing experience. I was lucky enough to win the 2022 Queensland Junior Doctor of the Year Award, which was surprising to be honest and I'm very humbled by it."

Dr Daniel Brimm, Canada
Doctor of Medicine (Graduate Entry)

Science and Mathematics

UQ researchers have developed the cervical cancer vaccine, the highly innovative Nanopatch, and chip technology in MRI machines

World-class

UQ has one of the largest science faculties in Australia with some of the world's leading scientists, teachers, science programs and solutions to global problems. We focus on ground-breaking projects like the molecular characterisation of drug-resistant bacteria and finding better treatments for illness, solving conservation problems using mathematics and improving hydrogen bonding.

Student-focused

Interact with expert research teams, use our world-class laboratories, and contribute to making a positive impact on society and the environment. You will have opportunities to connect with industry and employers during professional placements or internships. This hands-on approach is why UQ graduates enjoy high employability rates and attractive starting salaries.

Careers

Archaeology; Astrophysics; Biochemistry; Bioengineering; Bioinformatics; Biomedical science; Biophysics; Biotechnology; Chemistry; Ecology; Entomology; Environmental management; Environmental science; Food science and nutrition; Food technology; Genetics; Geographical science; Immunology; Marine biology; Marine science; Mathematics; Meteorology; Microbiology; Nanotechnology; Neuroscience; Pharmacology; Physics; Plant science; Spatial science; Statistics; Vaccine science; Veterinary science; Zoology.

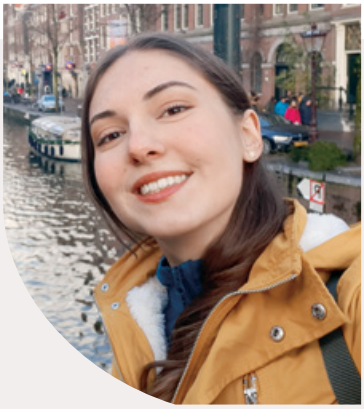

Undergraduate programs

DEGREE	PROGRAM CODE	CRICOS CODE	DURATION	START SEMESTER	CAMPUS	ENGLISH	ADMISSION REQUIREMENTS	FEE (YEAR 1)
Bachelor of Advanced Science (Honours) **What you'll study:** Advanced Biochemistry and Molecular Biology; Advanced Genetics; Condensed Matter Physics; Advanced Organic Chemistry **Majors and Minors:** Applied Mathematics; Archaeological Science; Astrophysics; Biochemistry and Molecular Biology; Biophysics; Bioinformatics; Biomedical Science; Cell Biology; Chemical Biology; Chemistry; Coastal and Ocean Science; Computer Science; Data Science; Developmental Biology; Earth Science; Ecology and Conservation Biology; Environmental Science Entomology; Food Science and Nutrition; Food Technology; Genetics; Geographical Science; Human Anatomy; Human Physiology; Immunology; Marine Biology; Mathematics; Microbiology; Neuroscience; Pharmacology; Physics; Plant Science; Psychology; Public Health; Science Communication; Statistics; Zoology	2516	079390F	4 years	1 (23 Feb) 2 (27 July)	St Lucia	MIN	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C) Mathematical Methods (Units 3 and 4, C) 2 of Agricultural Science, Biology, Chemistry, Earth and Environmental Science, Specialist Mathematics or Physics (Units 3 and 4, C), at least one of which must be Biology, Chemistry or Physics.	$54,096
Bachelor of Biotechnology D H **What you'll study:** Commercialisation of Biotechnology Products; Quality Management Systems in Biotechnology; Biochemistry and Molecular Biology; Genes, Cells and Evolution **Majors and Minors:** Agricultural Biotechnology; Chemical and Nano Biotechnology; Medical Biotechnology; Molecular and Microbial Biotechnology; Synthetic Biology and Industrial Biotechnology; Bioinfomatics; Innovation and Entrepreneurship; Science Communication	2456	102786A	3 years	1 (23 Feb) 2 (27 July)	St Lucia	MIN	Queensland Year 12 (or equivalent): General English subject (Units 3 & 4, C) Mathematical Methods (Units 3 & 4, C), and one of Biology, Chemistry or Physics (Units 3 & 4, C)	$58,056
Bachelor of Mathematics D H **What you'll study:** Advanced Analysis of Scientific Datas; Abstract Algebra and Number Theory; Functional Analysis; Statistical Modelling and Analysis **Majors and Minors:** Applied Mathematics; Mathematical Artificial intelligence; Mathematical Physics; Optimisation and Operations Research; Pure Mathematics; Statistics and Mathematical Data Science; Bioinfomatics; Computational Science; Computer Science; Physics; Science Communication	2460	088347A	3 years	1 (23 Feb) 2 (27 July)	St Lucia	MIN	Queensland Year 12 (or equivalent): General English subject (Units 3 & 4, C) Mathematical Methods (Units 3 & 4, C) Specialist Mathematics (Units 3 & 4, C) is recommended. Students studying Specialist Mathematics will have increased flexibility in their studies.	$54,096
Bachelor of Science D H **What you'll study:** Theory and Practice in Science; Analysis of Scientific Data; Genes, Cells and Evolution; Cells to Organisms **Majors and Minors:** Applied Mathematics; Archaeological Science; Astrophysics; Biochemistry and Molecular Biology; Bioinformatics; Biomedical Science; Biophysics; Cell Biology; Chemical Biology; Chemistry; Coastal and Ocean Science; Computational Science; Computer Science; Developmental Biology; Earth Science; Ecology and Conservation Biology; Environmental Science; Entomology; Food Science and Nutrition; Food Technology; Genetics; Geographical Information Science; Geographical Science; Human; Human Physiology; Immunology; Marine Biology; Mathematics; Microbiology, Infection and Immunity; Neuroscience; Pharmacology; Physics; Plant Science; Public Health; Science Communication; Statistics; Zoology	2461	001961J	3 years	1 (23 Feb) 2 (27 July)	St Lucia	MIN	Queensland Year 12 (or equivalent); General English subject (Units 3 and 4, C) Mathematical Methods (Units 3 and 4, C); and, one of Biology, Chemistry, Earth and Environmental Science or Physics (Units 3 and 4, C).	$54,096

"The problem-solving skills I developed during my mathematics degree have been so widely applicable to the range of projects I have worked on in my undergraduate research and in my role as a Data Analyst Consultant. I apply the programming skills I learnt during my degree to combine data from multiple sources so that I can analyse that data to extract meaningful insights and develop solutions."

Pantea Konn, Germany
Bachelor of Mathematics

Postgraduate programs

DEGREE	PROGRAM CODE	CRICOS CODE	DURATION	START SEMESTER	CAMPUS	ENGLISH	ADMISSION REQUIREMENTS	FEE (YEAR 1)
Master of Bioinformatics GC GD **What you'll study:** Issues in Biotechnology; Machine Learning; Advanced Genome Informatics; Artificial Intelligence; Advanced Proteins and Nucleic Acids; Molecular Systems Biology	5755	108891G	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline, including 2 courses in any combination of computer science, biology or statistics, or a graduate certificate or graduate diploma (or equivalent) in bioinformatics, or to have successfully completed at least 3 years of study towards an approved qualification at an overseas partner institution, with a formal pathway to the Master of Bioinformatics.	$54,096
			1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in science, information technology or engineering, including 2 courses in any combination of computer science, biology or statistics.	
			1 year (16 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor honours degree in science, information technology or engineering, with a major or minor (or equivalent volume of learning) in bioinformatics.	
Master of Bioinformatics Research Extensive **What you'll study:** Molecular Systems Biology; Applications of Computational Statistics; Advanced Proteins and Nucleic Acids; Advanced Genome Informatics	5598	082610F	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in science, information technology or engineering, including 2 courses in any combination of computer science, biology or statistics.	$54,096
			1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor honours degree (or equivalent) in science, information technology or engineering, with a major or minor (or equivalent volume of learning) in bioinformatics.	
Master of Biotechnology GC GD **What you'll study:** Commercialisation of Biotechnology Products; Creativity for Innovation and Design Thinking; Principles of Entrepreneurship; Quality Management Systems in Biotechnology **Majors:** Animal Agricultural Biotechnology; Medical Biotechnology; Molecular Imaging Technology; Plant Agricultural Biotechnology; Synthetic Biology and Industrial Biotechnology	5599	082611E	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline, or a graduate certificate or graduate diploma (or equivalent) in biotechnology, or to have successfully completed 3 years of study towards an approved qualification at an overseas partner institution, with a formal pathway to the Master of Biotechnology.	$58,056
			1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in biomedical science, biotechnology, science, bioinformatics, pharmacy or engineering.	
			1 year (16 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor honours degree (or equivalent) in biomedical science, biotechnology, science, bioinformatics, pharmacy or engineering, including a minimum of one semester of full-time research (or equivalent).	
Master of Biotechnology Research Extensive **What you'll study:** Quality Management Systems in Biotechnology; Biologics; Issues in Biotechnology **Majors:** Animal Agricultural Biotechnology; Medical Biotechnology; Molecular Imaging Technology; Plant Agricultural Biotechnology; Synthetic Biology and Industrial Biotechnology	5627	085552J	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in biotechnology, science, bioinformatics, pharmacy or engineering.	$58,056
			1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor honours degree (or equivalent) in biotechnology, science, bioinformatics, pharmacy or engineering, including a minimum of one semester of full-time research (or equivalent).	
Master of Financial Mathematics GD **What you'll study:** Introduction to Software Engineering; Calculus and Linear Algebra I; Mathematical Probability; Financial Mathematics	5573	079389K	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline with first-year, university-level mathematics (including single-variable and multi-variable calculus, ordinary differential equations, and linear algebra), or a graduate diploma (or equivalent) in financial mathematics, or to have successfully completed 3 years of study towards an approved qualification at an overseas partner institution, with a formal pathway to the Master of Financial Mathematics.	$54,096
			1.5 years (24 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in mathematics, or a bachelor's degree (or equivalent) majoring in mathematics.	

"The teaching staff at UQ are experienced and more welcoming to questions than what I experienced in the past. They are accommodating to my needs. I also get to see how Geographic Information Science can be useful in contexts more than the urban planning and general mapping side of things, such as ecosystem management, climate modellings and population studies. The postgraduate cohorts are also small, so I get to meet friends with similar backgrounds and knowledge in the field."

Ken Ho, Hong Kong
Master of Geographic Information Science

DEGREE	PROGRAM CODE	CRICOS CODE	DURATION	START SEMESTER	CAMPUS	ENGLISH	ADMISSION REQUIREMENTS	FEE (YEAR 1)
Master of Food Science and Technology GD GC **What you'll study:** Food Safety and Quality Management; Principles of Food Preservation; Advanced Functional Foods; Food Processing Technology	5576	079385C	2 years (32 units)	1 (23 Feb) 2 (27 July)	St Lucia	MIN	A bachelor's degree (or equivalent) in any discipline, with first-year, university-level chemistry or biology, or a graduate certificate (or equivalent) in food science and technology, or to have successfully completed 3 years of study towards an approved qualification at an overseas partner institution, with a formal pathway to the Master of Food Science and Technology.	$58,056

Higher Degrees by Research

Completing a Higher Degree by Research can advance your career opportunities, satisfy your intellectual curiosity and position you as an expert in your field, while providing you with opportunities to travel, network and explore.

Why do a Higher Degree by Research (HDR)?

As well as advancing your career opportunities and satisfying your intellectual curiosity, graduates from HDR programs can typically secure academic or research careers within tertiary institutions, or a broad range of professional and leadership roles within industry and government.

What are UQ's Higher Degrees by Research?

Doctor of Philosophy (PhD)

A PhD is one of the highest degrees that can be awarded. It is seen as a requirement for the majority of academic and research positions in a wide range of fields and industries. The aim of a PhD is to foster the development of independent research skills.

Master of Philosophy (MPhil)

The MPhil is an internationally recognised research degree that involves undertaking a significant research project. It provides candidates with an opportunity to develop and enhance analytical and research skills through independent investigation in a specific field.

Doctor of Veterinary Clinical Science

The Doctor of Veterinary Clinical Science is our veterinary residency program for already qualified veterinarians. It is designed to lead to careers as a certified specialist veterinarian, provided you meet all other requirements.

The doctorate will take you 3.5 years to complete full-time. It combines advanced coursework with clinical training and a research-based 50,000-word thesis. The doctorate is intended to introduce you to all aspects of specialist practice.

PROGRAM	ASSESSMENT	DURATION	ADMISSION REQUIREMENTS*
PhD	A thesis of no more than 80,000 words, with the research representing a significant new contribution to the discipline.	3 to 4 years	A bachelor's degree with honours class IIA or better from approved universities, which should include a relevant research component, or; a research master's degree, or; a coursework master's degree and an overall GPA equivalent to 5.65 on the 7 point UQ scale, which should include a relevant research component, or; a postgraduate degree of at least one year full-time equivalent with an overall GPA equivalent to 5.0 on the 7 point UQ scale, together with demonstrated research experience equivalent to honours IIA will be considered for PhD entry on a case by case basis, or; a bachelor's degree plus at least 2 years of documented relevant research experience, including research publications.
MPhil	A thesis of no more than 40,000 words that demonstrates a capacity for critical analysis and application of specialist knowledge.	1.5 to 2 years	A bachelor's degree with honours class IIB or better from approved universities, which must include relevant experience, or; a postgraduate degree of at least one year full-time equivalent and an overall GPA equivalent to 5.0 on the 7 point UQ scale, which must include relevant experience, or; a bachelor's degree plus at least 2 years of documented relevant experience. Evidence of other qualifications and/or experience to satisfy the Dean that the applicant is suitably qualified for admission.
Doctor of Veterinary Clinical Science	Coursework with clinical training and a research-based 50,000-word thesis.	3.5 years	BVSc(Hons) with honours class IIB or higher; OR Postgraduate degree in Veterinary Science of at least one year full-time equivalent including relevant experience and an overall GPA equivalent to 5.0 on the 7 point UQ scale; OR BVSc or equivalent plus 2 years relevant experience, or one year internship under the supervision of a registered veterinary specialist. Applicants must satisfy the Head of School and Dean of the Graduate School that they are qualified for admission, and may be required to attend an interview. Applicants must be eligible for registration with the Veterinary Surgeons Board of Queensland.

International students whose first language is not English must demonstrate that they meet the University's English language proficiency requirements – visit your program's webpage on study.uq.edu.au

How to apply:

Higher Degrees by Research

STEP 1

Check your eligibility

Check your eligibility by reviewing the Admission requirements for UQ's Higher Degrees by Research.

STEP 2

Search for a supervisor

UQ is home to over 2,000 research experts and a growing community of internationally renowned scholars and scientists. Visit **about.uq.edu.au/experts** to search for and contact potential advisors directly through the UQ Experts database or view available supervision and projects. Some projects also have attached scholarships.

research.uq.edu.au/graduate-research

STEP 3

Prepare your documentation

When applying, you must submit documents to support your application, such as a research proposal, academic CV, academic transcript, award certificates, proof of English language proficiency and 2 referee reports. If you do not upload all suggested documents, your application may be delayed or rejected.

STEP 4

Apply online

You can submit your application online.

If you wish to be considered for a competitive, merit-based scholarship, simply indicate this on the application form. There is no need to fill out a separate application form.

study.uq.edu.au/admissions/phd-mphil-professional-doctorate

Research quarters

International HDR candidates at UQ enjoy a significant advantage over students at most other tertiary institutions with annual tuition fees divided into quarters instead of semesters. This reduces the pressure to submit research prematurely due to financial considerations. Research quarters are designed to match HDR student enrolment and work patterns, as well as scholarship rounds. You are required to commence your program within the first 2 weeks of a research quarter: January, April, July or October.

Scholarships

Boost your potential with a scholarship to study at UQ. The Australian Government provides international students with a range of scholarship options, and the University also offers competitive scholarships to help with financial support, tuition, accommodation, mentoring and industry experience.

UQ scholarships

UQ offers competitive scholarships to help high-achieving students fund their tertiary education. You might be surprised at how many UQ scholarships you can apply for, whether you are a new commencing student or already on your study journey. We have scholarships for a diverse range of criteria – such as academic excellence, sporting excellence, creative excellence and much more. You may be eligible for a scholarship for your specific program, study area or research focus. There are also opportunities to enhance the experience of students from specific international countries or regions.

For more information, and to check your eligibility, visit **scholarships.uq.edu.au**

UQ HDR scholarships

UQ provides almost $40 million in scholarship funding support each year for living and tuition expenses of Higher Degree by Research (HDR) candidates.

UQ Graduate School Scholarship (UQGSS)

The UQ Graduate School Scholarship (UQGSS) is awarded from Research Training Program (Australian Government) funding and UQ funding via a competitive scholarship round twice per year. The UQGSS provides a living allowance and a tuition fee offset. For international applicants who will study in Australia on a student visa, the UQGSS also includes an allowance for single overseas student health cover.

scholarships.uq.edu.au/scholarship/graduate-school-scholarships-uqgss---includes-rtp

Other scholarships for HDR candidates

In addition to the UQGSS, a wide range of specific projects for HDR candidates are available. New opportunities are frequently added, so prospective HDR candidates are advised to check the website regularly.

Australian Government scholarships

Australia Awards

Australia Awards are prestigious international scholarships and fellowships funded by the Australian Government. They are administered by the Department of Foreign Affairs and Trade and offer the next generation of global leaders an opportunity to undertake study, research and professional development in Australia. The opportunities provided by Australia Awards Scholarships help participants develop the skills and knowledge to drive change and contribute to the development outcomes of their country. Benefits of the scholarship include payment of an establishment allowance, full tuition fees, return airfares, living allowance and Overseas Student Health Cover (OSHC). UQ has hosted Australian Awards-sponsored students for more than 50 years.

Australian Centre for International Agricultural Research (ACIAR) Fellowships

ACIAR is Australia's specialist international agricultural research for development agency. Building capacity of individuals and agricultural research institutes in partner countries is one of ACIAR's key priorities.

ACIAR administers 2 fellowships under the Australia Awards: the John Allwright Fellowship and the John Dillon Fellowship. Recipients of the Fellowships are generally from the Indo-Pacific region, from East Africa to the South Pacific. The John Allwright Fellowship provides the opportunity for partner country scientists involved in ACIAR-supported collaborative research projects to obtain postgraduate qualifications at Australian tertiary institutions. The John Dillon Fellowship provides career and leadership development opportunities for outstanding agricultural scientists or economists from ACIAR partner countries who are involved in a current or recently completed ACIAR project. Up to 10 fellowships are offered annually.

Other scholarship opportunities

Many international students at UQ are funded by scholarships from their home governments or other funding bodies. For more information on these scholarships, you should contact the Ministry of Education or another appropriate government agency in your home country. Some multinational aid organisations and other large corporations also provide scholarship funding for international students. If you wish to apply for assistance, contact the organisation directly.

global-partnerships.uq.edu.au/sponsored-students

A UQ research scholarship opened doors for Rainie. In her second year of study, she joined the Queensland Brain Institute, a leading neuroscience research institute. For Rainie, having the opportunity to apply her learnings in a real lab alongside hundreds of other researchers marked a milestone in her study journey.

"I still can't believe how I was able to be immersed in real-world research at such a young age while getting paid to learn techniques, attend conferences and publish papers. My advice to other students is to step out of your comfort zone and take on new opportunities as soon as possible. Once you take that first step forward, the growth will be unstoppable."

Dr Rainie Ye, China

UQ scholarship recipient

UQ Foundation Program, Bachelor of Biomedical Science and Doctor of Philosophy (PhD) graduate

Admission requirements

Undergraduate programs

To be admitted into a UQ undergraduate program you must have:

1. **completed Queensland Year 12** (or equivalent – see below)
2. **attained the required minimum entry score** (see fold-out)
3. **passed prerequisite subjects** (if applicable – see fold-out)
4. **attained the required level of English language requirements** (see fold-out and pages 72–73)
5. **completed program-specific application requirements** (if applicable – see fold-out).

The admission requirements in this guide are for 2026 only.
Admission requirements are reviewed annually and may change without notice.
It is your responsibility to visit **study.uq.edu.au** for up-to-date information.

ADMISSION REQUIREMENTS

1 Complete **Queensland Year 12** (or equivalent)

To be admitted into UQ's undergraduate programs, you need a qualification equivalent to Queensland Year 12. Accepted international qualifications are shown below.

If your qualification is not shown, please contact UQ International Admissions (email **applicationstatus@uq.edu.au**).

International qualifications equivalent to Queensland Year 12

LOCATION	QUEENSLAND YEAR 12 EQUIVALENT
Brunei	GCE 'A' Levels
Canada	Canadian Senior High School Graduation Diploma
China	Successful completion of the first year of a bachelor's degree at university or, for selected programs, meet the appropriate criteria for Gaokao (see fold out page D, note 4 for more details)
Denmark	Studentereksamen
Fiji	– Fiji University of the South Pacific Foundation Year or successful completion of the first year of a bachelor's degree at university or New Zealand bursaries – Fiji Year 13 or 7th Form (prior to 2013) Certificate
France	French Baccalauréat
Germany	Abitur
Hong Kong (SAR)	Hong Kong Diploma of Secondary Education (HKDSE)
India	National Boards: Higher Secondary School Certificate (CBSE); Indian Certificate of Secondary Education CISCE State Boards: Secondary School Certificates from the State Boards of Gujarat, Maharashtra, West Bengal, Karnataka, Tamil Nadu and Andhra Pradesh
Indonesia	Successful completion of the first year of a bachelor's degree at university
International Baccalaureate	Completed diploma
Japan	Successful completion of the first year of a bachelor's degree at university
Malaysia	Malaysian STPM, Unified Examination (UEC), or Malaysian Matriculation

LOCATION	QUEENSLAND YEAR 12 EQUIVALENT
Norway	Norwegian Certificate of Completion of Upper Secondary School Examinations or Comparable Quantifications (Vitnemål fra den Videregående Skolen, Examen Artium, Studenteksamen, Gymnaseksame, Eksamen fra Økonomisk Gymnas)
Pakistan	Intermediate/Higher Secondary School Certificate (Pre-Engineering and Pre-Medical Streams)
Philippines	Successful completion of the first year of a bachelor's degree at university
Republic of Korea	Successful completion of the Republic of Korea high school diploma and successful completion of the College Scholastic Ability Test (CSAT) in the following subjects: Korean Language, Mathematics (either stream) and the best of 2 social science or science subjects or a combination of both
Singapore	Singapore-Cambridge 'A' Levels
South Africa	South African Senior Certificate or IEB
Sri Lanka	Sri Lankan 'A' Levels
Taiwan	Taiwan GSAT
Thailand	Successful completion of the first year of a bachelor's degree at university
UK	GCE 'A' Levels
USA	High School Diploma + SAT scores; AP + SAT; GED + SAT; SAT I + SAT II; HSD + Enhanced ACT; GED + Enhanced ACT; Composite ACT + SAT (since March 2016), Composite ACT Score (36 scale), and; Advanced Placement (AP) Examinations
Vietnam	Graduates who have completed the Bang Tu Tai or Bang Tot Nghiep Pho Thong Trung Hoc (Upper Secondary School Graduation Diploma/High School Diploma) will be considered for most programs provided the required Year 12 grade is obtained

If you do not have the appropriate qualification to study at UQ, you still have options.
You may choose to enrol in a program at UQ College to upgrade your qualifications and enter your preferred UQ program.
For more information see pages 20–27.

ADMISSION REQUIREMENTS

2 Attain the minimum **entry score**

To be admitted into any UQ undergraduate program you need a score comparable to the Australian Tertiary Admission Rank (ATAR) specified for your program on the table below.

Attaining the minimum entry score for your program guarantees your entry to UQ, unless your program has a single asterisk next to its name.

If so, it is a quota program, and entry restrictions may apply. If you cannot find your qualification or a relevant minimum entry score, please contact UQ International Admissions (email **applicationstatus@uq.edu.au**).

More information: **study.uq.edu.au**

Notes to this table appear on the back of this fold-out

ADMISSION REQUIREMENTS

3 Pass academic prerequisite **subjects**

To be admitted into most UQ undergraduate programs, you must have passed specific subjects. These are stated within each program entry under 'Additional Requirements' on pages 28–65. Some international secondary school subjects equivalent to those studied in Queensland Year 12 are shown below. If your school's subject equivalents are not listed, please contact UQ International Admissions (email **applicationstatus@uq.edu.au**).

Note – if you have met UQ's English language proficiency requirements (see pages 72–73), you will be assumed to have met UQ's English academic subject prerequisite.

Other Queensland Year 12 subject equivalents

LOCATION	QUALIFICATION/RESULT	SUBJECT/COURSE						
		ENGLISH	GENERAL MATHEMATICS	MATHEMATICAL METHODS	SPECIALIST MATHEMATICS	PHYSICS	CHEMISTRY	BIOLOGY
China	**GaoKao** (min pass = 60%)	–	– Mathematics	– Mathematics (min. 90/150 required)	–	– Physics	– Chemistry	– Biology
Hong Kong (SAR)	**Hong Kong Diploma of Secondary Education (HKDSE)** (3 = min pass. 4 required for English)	– English Language (A grade of 4 required)	– Mathematics Compulsory – Mathematics Compulsory plus Ext Module 2 (Algebra and Calculus)* – Mathematics Compulsory plus Ext Module 1 (Calculus and Statistics)*	– Mathematics Compulsory plus Ext Module 1 (Calculus and Statistics)* – Mathematics Compulsory plus Ext Module 2 (Algebra and Calculus)*	– Mathematics Compulsory plus Ext Module 2 (Algebra and Calculus)*	– Physics – Combined Science (if not used to satisfy the Chemistry prerequisite)	– Chemistry – Integrated Science – Combined Science (if not used to satisfy the Physics pre-requisite)	– Biology
India	**All India Senior School Certificate (XII) Central Board of Secondary Education** (C1/5/50–60%; C2/6 40–50%; D/7/35–40%)	– English	– Mathematics	– Mathematics	– Mathematics	– Physics	– Chemistry	– Biology – Biological Science
Inter-national	**International Baccalaureate Completed Diploma** (HL subs: 3 = pass, SL subs: 4 = pass)	– English B (HL/SL) – English A: Literature (HL/SL) – English A: Language and Literature (HL/SL)	– Mathematical Studies (SL) – Mathematics (SL/HL) – Mathematics Applications and Interpretations (SL) – Further Mathematics (HL/SL) – Mathematics Analysis and Approaches (HL/SL) – Mathematics Analysis and Interpretations (SL/HL)	– Mathematics (SL/HL) – Mathematics Applications and Interpretations (SL/HL) – Mathematics Analysis and Approaches (SL/HL) – Further Mathematics (SL/HL)	– Further Mathematics (HL) – Mathematics (HL) – Mathematics Analysis and Approaches (HL)	– Physics (HL or SL) – Physical Science (HL)	– Chemistry (HL or SL)	– Biology (HL or SL)#
	General Certificate of Education (GCE) (A Level D. O and AS Level C); **General Certificate of Secondary Education** (O Levels) (A to C only)	– English Language or English Literature (A or AS Level) – Any 'English' Subject (GCSE/O Level)	– Mathematics (GCSE/O Level) – Mathematics (A/AS Level) – Pure Maths(A Level) – Further Mathematics	– Mathematics (A or AS Level) – Further Mathematics – Pure Mathematics (AS) – Pure Mathematics and Mechanics (AS) – Pure Mathematics and Probability & Statistics	– Mathematics (A Level) – Pure Maths (A Level)	– Physics (A or AS Level) – Physical Science (AS Level)	– Chemistry (A or AS Level) – Physical Science (AS Level)	– Biology (A or AS Level) – Human and Social Biology (A Level)
Ireland	**Irish Leaving Certificate** From 2017: Ordinary: O1 Pre-2017: Ordinary: B2, B	– English (ordinary or Higher Level)	– Mathematics (Ordinary Level)	– Mathematics (Ordinary Level)	–	–	–	–
New Zealand	**New Zealand NCEA Level 3** (Achieved= 2.0)	– English	– Mathematics – Statistics – Calculus	– Calculus	–	– Physics	– Chemistry	– Biology
Singapore	**A Levels** (GCSE/IGCSE, AS level or H1 = C or better. A level or H2 = D or better. O Level = C6 or better)	– English Language (A or AS level) – English Literature (A or AS level) – Any English subject (GCSE/O level)	– Mathematics (O Level) – Mathematics H1 – Mathematics H2	– Mathematics H1 – Mathematics H2	–	– Physics H1 – Physics H2	– Chemistry H1 – Chemistry H2	– Biology H1 – Biology H2
South Africa	**South African National Senior Certificate** (4 or 50 per cent = min pass)	– English (Home Lang) – English (Additional First Lang)	– Mathematical Literacy – Mathematics	– Mathematics	–	– Physical Science	– Physical Science	– Life Sciences
USA	**High School Diploma** (Advanced Placement AP min grade = 3)	– English (AP)	– Statistics (AP) – Calculus (AP) all levels i.e. AB, BC, etc)	– Calculus (AP) (all levels i.e. AB, BC, etc)	–	– Physics C: Mechanics – AP Physics C: Electricity and Magnetism; and Mechanics – AP Physics 1, and AP Physics 2: Algebra based	– Chemistry (AP)	– Biology/ Biological Science (AP)

International Baccalaureate: Environmental Systems and Societies is acceptable for Earth Science.

* Applicants must gain a grade of 3 in each relevant module to meet the mathematics prerequisite.

The list on the previous page is not exhaustive, visit your program's webpage on **study.uq.edu.au** to view your program's overseas subject equivalents. If you have not studied the prerequisite subjects you need to enter your preferred program, visit **study.uq.edu.au/admissions/undergraduate/review-entry-requirements** for ways to meet UQ's academic prerequisite subject requirements.

ADMISSION REQUIREMENTS

4 Attain the required level of **English**

All students need appropriate English language skills for admission to UQ.

UQ programs have either **'Minimum'** or **'Higher-than-minimum'** English language requirements. These are listed in each program entry under 'English' on pages 28–65.

ADMISSION REQUIREMENTS

5 Complete any **program-specific** application requirements

Some programs have additional application requirements. The Bachelor of Music (Honours), for example, asks applicants to audition. Please carefully check each program you are interested in studying for specific application requirements. These are listed in each program entry under 'Additional Requirements' on pages 28-65 or on your program's webpage on **study.uq.edu.au**

Notes to 2026 minimum entry scores table (fold-out)

1 UK GCE: 'A' levels for locations including: Bahamas, Bangladesh, Brunei, Cameroon, Falkland Islands, Gambia, Ghana, Gibraltar, Hong Kong (SAR), Ireland, Kenya, Liberia, Macau, Malawi, Malta, Mauritius, Namibia, Nigeria, Seychelles, Sierra Leone, Tanzania, Uganda, United Kingdom, Zambia and Zimbabwe. Aggregate of best 3 (or 2) A Level subjects or a combination of A and AS Level subjects equivalent to 3 (or 2) A Level subjects. A*=6, A=5, B=4, C=3, D=2, E=1 and AS Levels count for half of these scores.

2 International Baccalaureate Diploma.

3 Canada: OSSD grade average of best 6 University (U, 4U) and/or University/College (U/C, 4M) courses; Alberta High School Diploma: Grade average of best 5 Level 30 Provincial Diploma Exams; British Columbia Senior Secondary School Graduation Diploma: grade average using the Language Arts 12 subject (provincially examined if prior to 2020) plus 3 Grade 12 subjects with 4 credit points.

The following minimum entry scores are also accepted: Manitoba: grade average of best 5 grade 12 subjects; New Brunswick: grade average of best 5 grade 12 subjects; Newfoundland and Labrador: grade average of best 5 grade 12 results; Nova Scotia: grade average of best 5 grade 12 subjects – level 3 (grade 12) or 4 (advanced placement) subjects; Prince Edward Island: grade average of best 5 grade 12 subjects. Enriched/Advanced or Academic subjects only; Saskatchewan: grade average of best 5 grade 12 results, level 30 subjects and advanced subjects.

4 Chinese Gaokao: percentage of the maximum score possible in the relevant Province.

5 Danish Studentereksamen: final year results are averaged and then converted to a 13-point scale, ranging from 00 (lowest) to 12 (highest), with a passing mark set at 2.

6 French Baccalauréat: average, with 10 as the pass mark.

7 German Abitur: in the reformed upper secondary level (oberstufe), the Durchschnittsnote = 5 2/3 – P/180 where P = Punktzahl der Gesamtqualifikation. If P is greater than 840, Durchschnittsnote = 1. 1 (sehr gut), 2 (gut), 3 (befriedigend), 4 (ausreichend).

8 HKDSE: combined total of the best 5 subjects (Category A, B or C), where 5*, 5** = 6, 5=5, 4=4, 3=3, 2=2=, 1=1; A*=6, A=5, B=4, C=3, D=2, E=1, Attained with Distinction = 3, Attained = 1.

9 India: grade average in best 4 subjects (converted to a percentage scale).

10 India State Boards – Gujarat, Maharashtra, West Bengal, Karnataka, Tamil Nadu, and Andhra Pradesh: grade average in best 4 subjects (converted to a percentage scale).

11 Kenyan Certificate of Secondary Education: grade average of final year results with a minimum 7 subjects where A=12, A- =11, B+=10, B=9, B- =8, C+=7, C=6, C- =5, D+=4, D=3, D- =2, E=1.

12 Korean (Republic of) CSAT: achieve the minimum CSAT entry score for the relevant program and successfully complete the Republic of Korea high school diploma. CSAT score must include the following subjects: Korean Language, Mathematics (either stream), and the best of 2 social science or science subjects or a combination of both.

13 Malaysian STPM: aggregate of best 3 subjects, where A=4.00, A-=3.67, B+=3.33, B=3.00, B-=2.67, C+=2.33, C=2.00.

14 Malaysian Matrikulasis: average of the best 3 subjects, where A = 4.00, A- = 3.67, B+ = 3.33, B = 3.00, B- = 2.67, C+ = 2.33, C = 2.00 (pass), C- = 1.67, D+ = 1.33, D = 1.00, F = 0.00.

15 Malaysian UEC (Independent Chinese Secondary Schools Unified Examination Certificate): aggregate of the best 5 academic subjects where A1=1, A2=2, B3=3, B4=4, B5=5, B6=6.

16 Norway Upper Secondary School Exams: grade average of final year results. Norwegian Certificate of Completion of Upper Secondary School Examinations or Comparable Qualification.

17 Pakistan Inter/Higher School Certificate (pre-Eng and pre-Med streams): grade average of final year results. Pass = 33% (E), Satisfactory = 40% (D), Good = 50% (C), Very Good = 60% (B), Excellent = 70% (A), Outstanding = 80% (A-1).

18 Singapore A Levels: aggregate of best 3 H2 subjects and the best H1 subject. For H2 subjects, A=5, B=4, C=3, D=2, E=1. For H1 subjects, the notional value is half of that assigned to H2 subjects.

19 South Africa National Senior Certificate: grade average of best 5 subjects in the final year (excluding the subject Life Orientation and Mathematics (Third Paper)), where 7=80–100%, 6=70–79%, 5=60–69%, 4=50–59%, 3=40–49%, 2=30–39%, 1=0–29%.

20 Sri Lankan A Levels: grade average of best 3 A level subjects where A=4, B=3, C=2, S=1. Results in the Common General Test, General English Paper, Group Project or Individual Project are not used in the calculation of the grade average.

21 Swedish Secondary School Leaving Certificate: grade average of final year results, where A=5, B=4, C=3, D=2, E=1, F=0.

22 Taiwan GSAT: aggregate of the best 4 subjects, with the scaled score in each subject ranging from 0 to 15.

23 USA Composite SAT-I (since March 2016): total of SAT-I: Evidence-Based Reading and Writing and SAT-I: Mathematics. Students must also provide evidence of a recognised school leaving certificate.

24 USA Composite ACT Score 36 scale: Students must also provide evidence of a recognised school leaving certificate.

25 USA Advanced Placement (AP) Examinations: AP must be issued by The College Board Advancement Placement Program. AP grades reported as part of the high school academic record are insufficient. A minimum of 2 and a maximum of 4 APs may be used. Aggregate to be determined where: A=5, B=4, C=3 (Pass), D=2, E=1. Where more than 4 AP exams, the best 4 are used. Students must also provide evidence of a recognised school leaving certificate.

26 Vietnamese Upper Secondary School Graduation Diploma/High School Diploma GPA 10pt: grade average of final year results.

* These programs have quota restrictions and entry is very competitive: the figures quoted are a guide only and applications will be assessed on a case-by-case basis.

** Medicine – students must have taken the University Clinical Aptitude Test for Australia and New Zealand (UCAT ANZ) in the year of application. Invitation to interview will be based on the UCAT ANZ score. Entry is competitive based on ATAR (or equivalent), UCAT ANZ and interview scores.

*** Music – entry on the basis of specified requirements, an audition, interview and musicianship test.

Visit **study.uq.edu.au** for up-to-date information on UQ programs and courses.

Admission requirements

Postgraduate Coursework Programs

To be admitted into a UQ postgraduate coursework program you must have:

1. **completed a previous qualification and/or professional experience**
2. **attained the required minimum grade point average** (GPA)
3. **attained the required level of English language requirements**
4. **met the other program-specific requirements** (if applicable).

The admission requirements in this guide are for 2026 only.
Admission requirements are reviewed annually and may change without notice.
It is your responsibility to visit **study.uq.edu.au** for up-to-date information.

ADMISSION REQUIREMENTS

1 A complete previous qualification or professional experience

The previous study you need to have completed will depend on the program you want to study.

For most programs, you'll need to have completed an approved degree equivalent to an Australian bachelor's degree. However, for some programs we'll consider other relevant experience, such as work experience.

For some programs, we'll only accept previous study in specific disciplines. This ensures you have the required level of subject area knowledge to succeed in your program.

ADMISSION REQUIREMENTS

2 Attain the minimum grade point average (GPA)

For some programs, you need to have achieved a minimum grade point average (GPA) in your previous studies. Your GPA is a measure of academic performance based on the:

- grades you received
- number of units you completed in a degree.

We use a 7-point grading scale, where 4 is a pass and 7 is the highest grade. Different institutions use many different grading scales and methods for calculating GPAs.

When you apply, we'll calculate your GPA using the UQ grading scale. Any failing grades will be included.

If your GPA is below the minimum requirement for your preferred program, you should still consider applying. You may be eligible for an offer to a lower-level program in the same discipline.

If you are unsure of what your GPA is, use the international qualifications conversion tool on the right-hand side of your program's webpage on **study.uq.edu.au**. Simply select your year of study, semester of commencement and where your qualification is from to see your GPA equivalent. **study.uq.edu.au**

ADMISSION REQUIREMENTS

3 Attain the required level of English

All students need appropriate English language skills for admission to UQ. UQ programs have either **'Minimum'** or **'Higher-than-minimum'** English language requirements.

There are many ways you may be able to meet English requirements, including previous study, English language tests and work experience.

Please see pages 72–73 for all English language requirements.

ADMISSION REQUIREMENTS

4 Meet the other program-specific requirements

Some programs require specific work experience as well as academic qualifications. Others have additional requirements such as an interview, aptitude test, referee reports or professional registration.

Check the program's Admission requirements for details: **study.uq.edu.au**

English proficiency requirements

UQ programs have either 'Minimum' or 'Higher-than-minimum' English language requirements.

The 3 most common ways to meet our English requirements are:

- a recognised qualification
- previous secondary schooling or post-secondary study, or
- English language tests.

'Minimum' English programs

Recognised qualification: If you have obtained a recognised qualification, test score and satisfied relevant conditions listed in the table below, you will likely meet UQ's English language proficiency requirements:

LOCATION	QUALIFICATION	CONDITIONS
International	General Certificate of Education (GCE) / General Certificate of Secondary Education (GCSE) O level	A grade C or better in English Language, English Literature, or English as a Second Language
	International GCSE (IGCSE) (must be endorsed by CIE, OCR, Edexcel, AQA or other UK authority: independent and school-assessed A Levels are not sufficient)	A grade C or better in English Language, English Literature, or English as a Second Language
	General Certificate of Education (GCE) A or AS Level (must be endorsed by CIE, OCR, Edexcel, AQA or other UK authority: independent and school-assessed A Levels are not sufficient)	A grade C or better in an English Language or English Literature subject or (AS Level) General Paper/General Studies
	International Baccalaureate Diploma	A grade of 4 or better in Language A: Literature or Language A: Language and Literature (previously English A1 and English A2) at HL or SL
		A grade of 5 or better in Language B (previously English B) at HL or SL
		NOTE: Literature and Performance is not accepted
Australia	Group of 8 (Go8) Foundation programs	A grade in Academic English (or equivalent) accepted for entry by the institution that offers the foundation program or a grade of 5 on a 7-point scale
	UQ College Foundation Program	A grade of 5 in Academic English
Austria	Matura	A grade of satisfactory (befriedigend) or better in English
Denmark^	Studentereksamen (Upper Secondary School Leaving Examination) or Hojere Forberedelseseksamen (HF) (Preparatory Examination Certificate)	A grade of 4 or better in English A or a grade of 7 or better in English Level B
Germany	Abitur	A grade of 3 (or 'Satisfactory') or better in English
Hong Kong	Hong Kong Examination Authority Advanced Level (HKALE)	A grade of C or better in 'Use of English'
(SAR)	Hong Kong Diploma of Secondary Education (HKDSE)	A grade of 4 or better in core English language
India	All India Senior School Certificate (AISSCE) issued by CBSE	A grade of 65 per cent or better in English
	Senior Secondary School Certificate issued by the State Boards of Gujarat, West Bengal, Maharashtra, Karnataka and Tamil Nadu	A grade of 65 per cent or better in English
	Indian School Certificate (ISC)	A grade of 65 per cent or better in English
Malaysia	Malaysian Certificate of Education/Sijil Pelajaran Malaysia (SPM)	A grade of 6C or better in English (SPM 1119)
Norway^	Vitnemål	A grade of 4 or better in English
Singapore	Singapore-Cambridge GCE A Levels	A grade of C or better in the General Paper or Knowledge and Inquiry subject, or a grade of C or better in H2 English Language and Linguistics or Literature in English
Sweden^	Slutbetyg	A grade of VG or C in English B
USA	USA Advanced Placement (AP) Examinations	English (AP) A pass in English (Grade 3)

Results are valid for 5 years from the date of the qualification being granted to the commencement date at UQ, except for locations marked with ^.
Comprehensive information about UQ's English language proficiency requirements is available online in the UQ Policy and Procedures Library: policies.uq.edu.au/document/view-current.php?id=231

NOTE: It is assumed that the applicant will have completed the entire school qualification, where applicable.

or

Previous secondary schooling or post-secondary study: If you have completed senior secondary schooling in a designated location where the medium of instruction is English, or have successfully undertaken at least one year of full-time (or part-time equivalent) post-secondary study (at diploma level or higher) in a designated location from an accredited university or institution where the medium of instruction and assessment was English, you may meet UQ's English language proficiency requirements:

DESIGNATED LOCATIONS
American Samoa, Australia, Bahamas, Barbados, Botswana, Bermuda, Canada, Cook Islands, Falkland Islands, Fiji, Gibraltar, Ghana, Grenada, Guyana, Ireland, Jamaica, Kenya, Lesotho, Liberia, Nauru, New Zealand, Nigeria, Papua New Guinea, Samoa, Singapore, Solomon Islands, South Africa, Trinidad and Tobago, UK, USA, Zambia, Zimbabwe

or

English language tests: You can undertake one of the following English language tests to determine if you satisfy UQ's English language proficiency requirements:

IELTS	TOEFL (INTERNET-BASED)	PEARSON	CAMBRIDGE ENGLISH SCALE	BRIDGING ENGLISH (BE)*
Overall: 6.5 Reading: 6, Writing: 6, Speaking: 6, Listening: 6	**Overall: 87** Reading: 19, Writing: 21, Speaking: 19, Listening: 19	**Overall: 64** Reading: 60, Writing: 60, Speaking: 60, Listening: 60	A Cambridge English Scale (CES) score of 176 Reading: 169, Writing: 169, Speaking: 169, Listening 169	**Overall: 4** Reading: C, Writing: C, Speaking: C, Listening: C

NOTE: Test scores are valid for 2 years from the date of the test to the commencement date at UQ.
*BE is UQ's English language pathway course delivered by UQ College. See pages 20–27 for more information.

More ways to meet UQ's English requirements

UQ also recognises acceptable evidence of sufficient English language skills developed through paid and/or voluntary work experience in a primarily English-speaking professional environment for at least 3 years immediately before the start of your UQ studies.
English language test scores are subject to change; check individual program entries at **study.uq.edu.au** for the most up-to-date details.

'Higher-than-minimum' English programs

English language tests: To gain entry into UQ programs requiring 'Higher-than-minimum' English, you will need either the IELTS* English test score listed below, or an equivalent test score** where this is accepted:

UQ UNDERGRADUATE PROGRAM	IELTS SCORES REQUIRED				
	OVERALL	R	W	S	L
Advanced Business (Hons)	**7**	6.5	6.5	6.5	6.5

* International English Language Testing System.

** For an equivalent test score, see:

study.uq.edu.au/admissions/english-language-requirements

NOTE: At the time of publication, equivalent tests are not accepted for Teaching (Primary) and (Secondary) and are restricted for most other programs.

This section is only to be used as a guide and does not guarantee that you will meet UQ's English language proficiency requirements. Each application is assessed on an individual basis. For more information about UQ's English language proficiency requirements visit **study.uq.edu.au/admissions/english-language-requirements**

If you meet your preferred program's academic requirements but NOT the English language proficiency requirements, you may apply for a UQ College language pathway course. For more information see pages 20–27.

How to apply

STEP 1
Choose your program

- Find the program you wish to study in the Programs section on pages 28–65.
- Check you meet (or will meet) all Admission requirements on pages 70–73.
- Check the application deadline has not passed.
- Check if there's a specific application process to follow for your program.

STEP 2
Create an account

- Go to UQ's online application portal and create an account: **apply.uq.edu.au**

STEP 3
Complete your application

- Complete all details requested in the online application, detailing all courses you have taken and qualifications you have been awarded from institutions other than UQ, even if you think they are not relevant to your application.

  TIP: You can save an incomplete form and return to it later.
- Attach all required documentation as per the program Admission requirements and any additional information requests. You must provide complete academic transcripts and/or testamurs of any previous tertiary studies (please provide a current transcript if you have not yet completed your studies). A copy of your passport (in colour if possible) and official evidence of any name differences on your transcripts/awards are also required.
- If you want to apply for an English language pathway package, you can indicate this during the application process.
- In addition, you may be asked to complete and submit a Genuine Student (GS) Assessment and provide a GS Agent Checklist (if working with an agent).

STEP 4
Submit your application

- **Online:** After submission, you can check the status of your application through your account. If you are unable to access the online application portal, please email **applicationstatus@uq.edu.au** to request an application form.
- **In person or by mail:** If you are unable to email your application, you can submit it in person or by mail to: Future Students and Admissions, Level 2, JD Story Building, St Lucia, The University of Queensland, Brisbane, Queensland 4072 Australia.
- Your application will be assessed by UQ International Admissions. They will inform you of the outcome.
- A non-refundable $150 fee applies to all applications, regardless of the submission method.

International student definition

You are an international student if you are:

- not a citizen of Australia or New Zealand
- not an Australian Permanent Resident, or
- a Temporary Resident (visa status) of Australia.

You are not an international student if you are:

- an Australian citizen
- an Australian Permanent Resident (visa status)
- a New Zealand citizen, or
- a holder of an Australian permanent humanitarian visa.

Permanent residency

If you have been offered a place as an international student and become an Australian permanent resident before starting your first semester of study, you will not be able to retain that place and you must apply as a domestic fee-paying student.

Most postgraduate students must apply to change their fee status as soon as confirmation is received about their new residency, visa or citizenship status. All undergraduate students must apply for a Commonwealth Supported Place (CSP) through the Queensland Tertiary Admissions Centre (QTAC).

my.uq.edu.au/information-and-services/manage-my-program/fees-payments-and-refunds/fees-international-students/changes-residency-visa-or-citizenship-status

qtac.edu.au

International students studying Year 12 in Australia

If you are an international student studying Year 12 in Australia, check our website for details on how to apply for an undergraduate program through QTAC.

You may also be eligible for Adjustment (previously known as Bonus Points).

study.uq.edu.au/information-resources/high-school-students

yr12international@uq.edu.au

Credit transfer and exemption for previous studies

Credit for previous studies

If you have completed study elsewhere and have taken courses that are the same, or similar (in terms of level, standard and content) to your UQ program, you may be eligible for credit transfer. In some instances, this will reduce the amount of time it will take to complete your UQ program.
UQ recognises formal studies and recognised informal learning.
You can see if your prior studies qualify through our database.

creditprecedents.app.uq.edu.au

Exemption for previous studies

If you have undertaken some prior formal or informal learning, you may not have to complete some courses in your program. You will still have to complete the usual total number of units to graduate.

study.uq.edu.au/admissions/undergraduate/check-credit-eligibility

study.uq.edu.au/admissions/postgraduate-coursework/check-credit-eligibility

IB students

If you achieve specified grades in your IB, you may be offered up to 8 units of specified or unspecified credit for selected bachelor's level courses. Exemptions are also available for some IB subjects.
You can apply for credit and/or exemption once you have accepted an offer and enrolled at UQ. For information on the minimum grades needed to obtain credit, and to download an application form visit:

study.uq.edu.au/admissions/undergraduate/check-credit-eligibility

Visas

All international students applying to study in Australia must have a student visa unless they have an alternative visa that enables them to study. If you are granted a student visa, you must comply with all student visa conditions. For all visa enquiries and applications, please contact your local Australian Embassy, High Commission or Diplomatic Mission.

Applications

Closing dates

We recommend that you submit your application no later than the dates below to ensure you have enough time to apply for a student visa. Please note that some UQ programs have earlier closing dates. Visit study.uq.edu.au for details.

Semester 1 30 November of previous year
Semester 2 31 May of same year

Assessment

Applicants are assessed on a case-by-case basis. For some quota programs, meeting the minimum entry requirements does not guarantee acceptance. Applicants who do not meet academic entry requirements may wish to consider taking a Foundation Program offered by UQ College (see page 25).

Your application status

You can view the status of your application through the online application portal.

Documentation required

Academic

- certified copies of up-to-date transcripts and award certificates
- grading scales will also be needed for any tertiary studies
- certified official translations for documents in languages other than English.

English

To demonstrate your English language proficiency, you must provide relevant academic transcripts and award certificates with your application. Specific arrangements apply to IELTS, TOEFL and Pearson Test of English (PTE) Academic.

study.uq.edu.au/admissions/english-language-requirements

Waiting on documents?

You may be eligible for a conditional offer if you are still waiting for transcripts or final results. Submit your application with evidence of English language proficiency (unless you intend to sit a test), and any results you have so far. You can provide outstanding documents to your online application portal as soon as you receive them.

Deferrals, suspensions and cancellations

If you have an offer and wish to defer (i.e. delay commencing to a future semester), please contact the International Admissions office before the commencement date stated on your offer. If you have already received your UQ Confirmation of Enrolment (CoE), a deferral will only be permitted if there are 'compassionate or compelling grounds'. If a deferral is not approved, you may still delay commencing, but your CoE will be cancelled. The University can suspend or cancel your enrolment for a number of reasons including misbehaviour, poor academic standing and unsatisfactory academic progress. Please note that any deferrals, suspensions or cancellations may affect a student visa or visa application.

my.uq.edu.au/information-and-services/manage-my-program/withdraw-defer-or-return-study/deferring-studies

Students under 18 years of age

UQ offers a Supervision Program that provides supervision and support to our international students under 18 years of age. This program is compulsory for international students who:

- are under 18 years of age when they enter Australia and commence their program at UQ
- are under 18 and are not living with a parent, legal custodian or suitable relative approved by the Department of Home Affairs
- need their accommodation and welfare arrangements approved to meet the Department of Home Affairs' student visa requirements.

study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/under-18-international-student-supervision-program

Life at UQ

UQ will be your home away from home. We offer sporting, cultural and recreational activities, we help you find accommodation, and we anticipate your unique needs from arrival to departure.

Whether you require help with learning, someone to talk to, or a lift from the airport the first time you land in Australia, we have you covered.

Student support

Settling in

Getting started

Make your transition to UQ a smooth one by attending one of our Getting Started sessions either when you arrive or during O-Week. Attendance is compulsory for all international students. In the session, you find out how to enrol, register for classes, get your student ID card, and key UQ dates and terminology. We also tell you about what services and facilities are on campus, how to register for public transport, student discounts, and what your best options are for getting to and from UQ.

my.uq.edu.au/orientation

my.uq.edu.au/starting-at-uq

Transition to UQ life with ease by registering for the Jump Start Academic Preparation Program (JSAPP), held before semester starts.

my.uq.edu.au/information-and-services/student-support/study-skills-and-learning-advice/study-skills-and-learning-advice-overview/jumpstart-uni-preparation-program

O-Week and your first weeks

O-Week is a great introduction to life at UQ and is held one week before semester starts. You can browse clubs and societies, listen to live music, meet new and interesting people at events, pick up free stuff, and most importantly, attend your program's welcome session.

my.uq.edu.au/orientation

UQ mentoring

UQ offers lots of mentoring opportunities for you to get connected, get involved and have fun! Connect to peers, groups or industry partners; there's something for everyone. As a new student transitioning to university life we recommend you check out the Get Set program to help you navigate your first weeks at UQ. For more information on all of the mentoring opportunities available, visit the Mentoring website.

my.uq.edu.au/mentoring

Clubs and societies

Are you up for expanding your social network and diving into a hobby or passion? Join one of our 220+ clubs and societies. From anime to yoga, medievalism to table tennis, and hockey to dancing, you are certain to find like-minded people. If you don't, you can always start your own club.

uqu.com.au/clubs-and-societies

Safety on campus

Our campuses are safe places for students and staff. St Lucia and Gatton campuses have 24-hour security teams.

St Lucia also offers a safety escort service if you would like someone to accompany you to public transport or your car, and a Safety Bus that runs from 6pm onwards around the campus.

Plus, students can download the free UQ SafeZone app, which connects students directly with security officers or emergency services.

campuses.uq.edu.au/information-and-services/security/campus-safety

Spiritual practice

UQ welcomes students from all faiths and practices, and our Multi-Faith Chaplaincy at St Lucia caters to all religions. It is a great place to meet people from different cultures and faiths.

my.uq.edu.au/information-and-services/student-support/religion

Enhance your employability

From your first year you can take part in a range of enrichment experiences that will help you develop valuable career capabilities as well as gain exposure to work environments, engage with different cultural contexts, and expand your professional networks. Global study, internships, research projects, career workshops, and industry events all contribute to your employability development.

study.uq.edu.au/enhance-your-employability

Academic and life support

Student Central

If you need help navigating university administration, visit UQ Knowledge Base online or head to Student Central for help with enrolment, employability development, your Student ID card, counselling, study skills and more.

my.uq.edu.au/contact/student-central

Academic workshops

Gain new skills and prepare for exams by attending free workshops held by our Student Support and Wellbeing Services team. There are workshops on writing assignments, improving your memory, thesis writing, presentation skills, time management, academic language and grammar, and more.

my.uq.edu.au/information-and-services/student-support/workshops

Student Advisers

Our Student Advice Team can help you with a wide range of professional and confidential services. This includes support for welfare and wellbeing, diversity and inclusion, career development, counselling, and more.

You can make a private appointment with a student adviser or counsellor by contacting Student Support and Wellbeing Services.

my.uq.edu.au/contact/student-central

The Student Union (UQU) can also help you with legal or migration support.

uqu.com.au

Peer Assisted Study Sessions (PASS)

Learn more about studying at UQ from second- and third-year students who have achieved top grades in your course. They can provide advice on coursework and content, and suggest effective study habits that will help you make the most of your time. Ask your faculty for more information.

Academic English support during your study

Develop and refine your academic English language skills needed for study at UQ by enrolling in our free English for Academic Communication (EAC) workshops offered during semester by our award-winning English language institute, UQ College.

uqcollege.uq.edu.au/english-studies/english-academic-communication-eac

A variety of academic English study options covering a range of skills and topics are available to meet your needs.

my.uq.edu.au/information-and-services/student-support/study-skills-and-learning-advice/study-skills-and-learning-advice-overview/academic-english-support

Information sessions

Our range of information sessions and modules will help you get ready for life at UQ and transition to studying in Australia. These sessions take you through preparing to arrive in Brisbane, enrolment, orientation and how to navigate our websites.

my.uq.edu.au/information-and-services/student-support/information-sessions

UQ ALLY

Ally Network is our award-winning program for the LGBTQIA+ community. **staff.uq.edu.au/information-and-services/human-resources/diversity/sexuality/ally-network**

UQ provides free support, services and facilities for **students with a disability, illness, injury or mental health condition**. You can contact a Diversity, Disability and Inclusion Adviser to ensure your transition to study is as smooth as possible. **my.uq.edu.au/information-and-services/student-support/diversity-disability-inclusion**

Accommodation

Accommodation for every journey

Beyond your books and classes, where you choose to live is also part of the learning journey.

Whether you want to experience UQ living on campus or in accommodation outside of university, we're here to help curious minds feel right at home.

my.uq.edu.au/student-support/accommodation

On-campus living

Welcome to a truly immersive university experience. Join us on campus and connect to a community that centres around you and your education.

UQ residential colleges

Make lifelong friendships in a welcoming student community. Our 10 residential colleges provide a place where you can make memories and connections that stay with you long after graduation:

- Cromwell College
- Duchesne College
- Emmanuel College
- Grace College
- International House
- King's College
- St John's College
- St Leo's College
- The Women's College
- Union College

Living in a UQ college also means access to:

- a welcoming, collegial community
- 24/7 onsite staff support and pastoral care
- well-established academic communities and alumni networks
- inter-college sporting, cultural, community and social activities
- outstanding leadership, career mentoring and wellbeing programs.

With their unique and historical connection to the University, UQ colleges have an ideal on-campus home for everyone.

Gatton Halls of Residence

If you are studying at Gatton, stay in the Gatton Halls of Residence. Set among historic buildings and the beautiful outdoors of regional Queensland, The Halls have provided our students with a home since 1897. With 436 rooms, there's a place for you at Gatton.

Spacious living and study room at Kev Carmody House

Students enjoy some downtime at a UQ residential college

Kev Carmody House

Kev Carmody House is UQ's newest student residence exclusively for UQ students.

Located in the heart of our St Lucia campus, Kev Carmody House has the convenience of being just minutes away from classes, and features:

- 610 light-filled and spacious one-bedroom rooms with ensuite bathrooms
- a wide range of social areas to cook and catch up with new friends
- world-class facilities and a stunning rooftop pool deck
- an engaging student life program.

More than a place to study, Kev Carmody House is a place where you can belong and thrive in a vibrant community to call your own.

UQ Res Homes – St Lucia and Gatton

UQ Res Homes are for eligible students and families seeking accommodation on and around St Lucia and Gatton campuses. Rooms are available in 3-, 4- or 5-bedroom houses. Properties are limited and priority access is given to students in need, including those who have recently arrived from overseas.

Off-campus living

From city living to suburban share houses, you'll find a place to stay in no time.

Purpose-built student accommodation

Join students from universities all across Brisbane at one of our recommended student accommodation providers. A variety of studio, single-bedroom and twin-share options is available.

Private housing

Would you like to branch out from the university community? You might like to share a house or apartment with other people. Brisbane's rental market features everything from cost-effective share houses to high-rise apartments, while Gatton offers a range of affordable share houses. To find a room, apartment or house, first check our UQ Rentals database. There are also private rental accommodation websites and you can rent directly from real estate agents.

UQ Accommodation team

UQ Accommodation can help you find your ideal home. UQ offers free information sessions before classes start, and can also give you advice and direct you to useful material online.

Airport welcome and shuttle service

If you are a new international UQ student, we'll welcome you when you arrive and provide you with free transportation from the airport. During peak flight arrival times our International Student Welcome Crew will greet students arriving at Brisbane International Airport. Students can use the UQ-provided complimentary airport shuttle service that drops off at key locations across Brisbane and the Gatton campus.

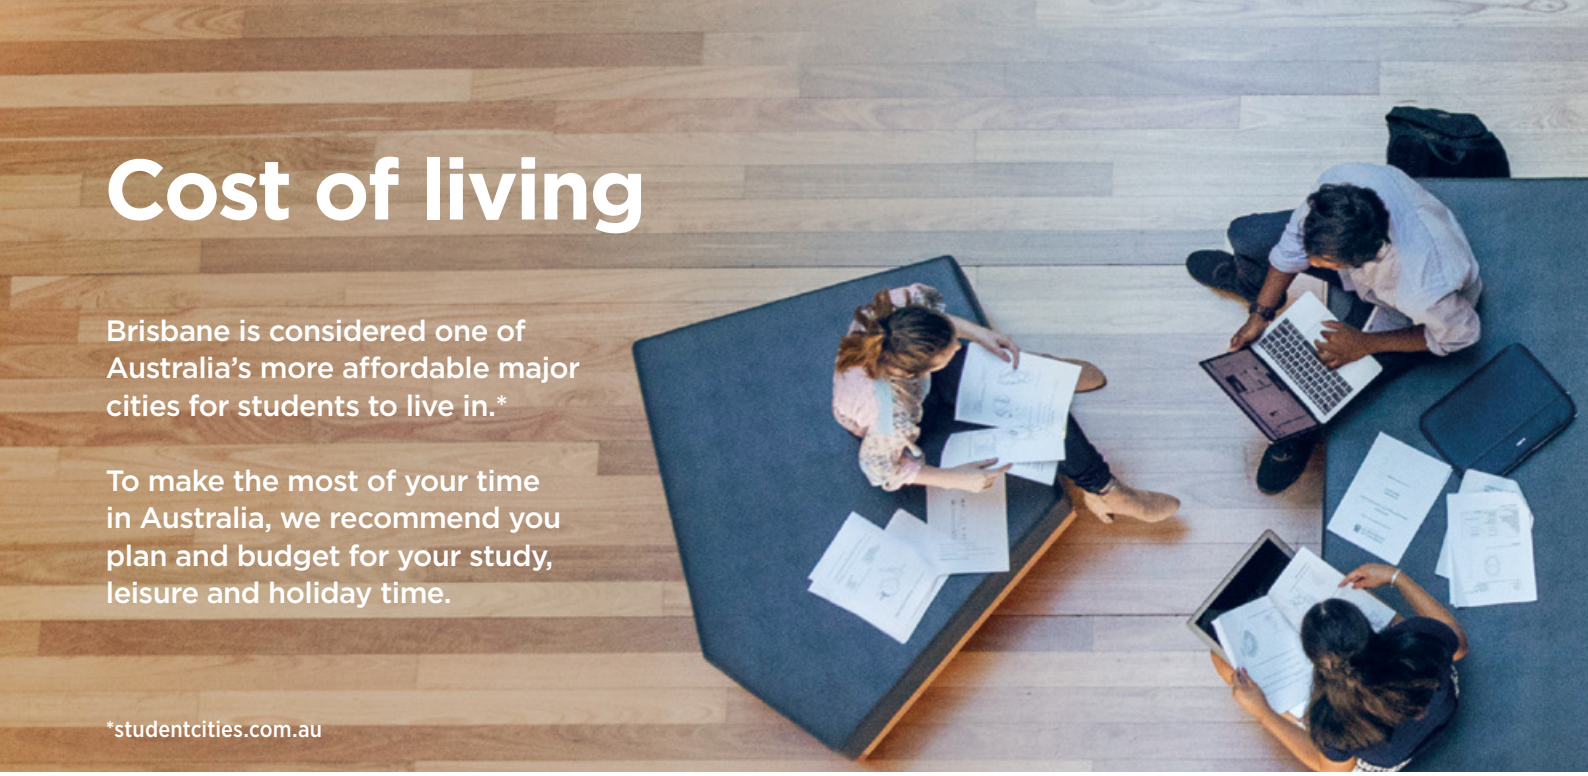

my.uq.edu.au/information-and-services/student-support/accommodation/accommodation-overview/international-student-airport-welcome-and-shuttle-service

Approved providers

UQ Approved Providers, both on and off campus, offer a range of secure and welcoming accommodation options, tailored to meet the needs of students. These providers have been chosen specifically to support UQ students, ensuring that they have access to quality living arrangements that foster a positive and productive academic environment.

The UQ Residential Colleges, located on campus, along with UQ approved purpose-built accommodation providers, set aside a number of rooms specifically for UQ students. This arrangement allows students to easily compare, choose, and secure the most appropriate accommodation that suits their individual needs and preferences. Find out more at **my.uq.edu.au/approved-provider-accommodation**

Cost of living

Brisbane is considered one of Australia's more affordable major cities for students to live in.*

To make the most of your time in Australia, we recommend you plan and budget for your study, leisure and holiday time.

*studentcities.com.au

Yearly costs

How much it will cost you to live in Brisbane will depend partly on your lifestyle preferences. From 10 May 2024, the Australian Government Department of Home Affairs announced that student visa applicants will need to show they have a minimum of $29,710 to cover the cost of living for a year in Australia.

In addition to this amount, you'll also need to consider establishment costs such as buying furniture, paying a rental bond and setting up electricity, gas and mobile phone accounts, as well as other expenses such as visa and medical fees, tuition fees, return airfares, and Overseas Student Health Cover (OSHC). Remember that exchange rate variations may also affect your budget.

Monthly expenses

The table below estimates monthly expenses for studying at UQ. These estimates are a guide only and prices vary according to your lifestyle. UQ tuition fees, textbooks and study materials, clothing, entertainment, printing, and healthcare costs are in addition to the figures below.

Working while studying

If you have a student visa you can work up to 48 hours per fortnight (2-week period) during university semesters (effective 1 July 2023), and full-time hours during holidays. In general, students shouldn't expect to cover tuition fees or living expenses with a casual job.

If you're studying at UQ on a scholarship, you should contact your scholarship provider about how many hours you're permitted to work each week.

immi.homeaffairs.gov.au/visas/already-have-a-visa/check-visa-details-and-conditions/see-your-visa-conditions?product=500

Student concessions

As a student, you can use your student ID to receive concession prices for public transport, the cinema, museums, software, technology and much more.

my.uq.edu.au/starting-at-uq/student-finances/budgeting

Visa information

When applying for a student visa, you must meet the Genuine Student requirement (immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/genuine-student-requirement) and have sufficient funds to pay your tuition fees and living costs (including the living costs of any dependants, if applicable) for the duration of your studies.

study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/student-visas

Bringing your family

To apply for a student visa in Australia, you need to declare that you have access to sufficient funds to pay your tuition fees and to support yourself and any dependants who are coming with you. This declaration is part of the UQ acceptance process. For children, you will also have to factor in school fees and childcare costs.

eqi.com.au/apply-now/fees

If you're bringing a spouse and/or children, they will need dependant visas.

study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/bringing-your-family-australia

Monthly cost of living

	STUDENT LIVING IN ON-CAMPUS COLLEGE^	STUDENT LIVING OFF-CAMPUS / STUDENT ACCOMMODATION *	FAMILY (2 ADULTS, ONE CHILD) LIVING OFF-CAMPUS ***
Rent	$2,422–$3,261*	$950–$2,686	$2,426–$3,033
Utilities (gas, electricity, water)	included in rent	$100–$150**	$200–$300
Food	included in rent	$463–$940	$832–$1,500
Mobile phone / internet	$15–$150	$15–$150	$45–$150
Public transport	$26–$52	$39–$65	$117–$195
TOTAL	**$2,463–$3,463**	**$1,567–$3,991**	**$3,620–$5,178**

^ Catered meals are included at UQ Residential colleges. UQ RES (Kev Carmody House) does not include catered meals.

* On campus and off campus accommodation costs are usually lower in Gatton. The cost for a standard resident room in the Halls of Residence in Gatton is from $378 per week.

** Many student accommodation providers include electricity, gas and internet costs in rent; however, check with your provider to be sure.

*** These costs are based on the assumption that the dependent child is not of school age and does not factor in child care costs. For more information on fees for school aged dependants visit: eqi.com.au/apply-now/fees

This table should be taken as a guide only. For the most accurate costs of living, visit: study.uq.edu.au/university-life/living-in-queensland/cost-living

Fees and expenses

As an international student, you will pay tuition and non-tuition fees. Some programs have additional costs; see individual program listings for details.

Tuition fees

Tuition fees vary according to program. We have provided the 2026 first-year tuition fee and the indicative total tuition fee for each program on pages 16–19 as a guide. These amounts are based on a standard full-time study load, unless otherwise indicated.

UQ has program-based tuition fees for coursework award programs, meaning that all courses within a program are charged at the same tuition fee rate per unit for a given academic year. Some programs also have additional costs. Tuition fees are reviewed annually.

Visit your program's webpage on study.uq.edu.au for the latest information about tuition fees.

Non-tuition fees

Non-tuition fees paid to the University may include the student services and amenities fee, books and equipment, health insurance, administration and accommodation. Other non-tuition fees include assistance to apply for or hold a student visa.

study.uq.edu.au/admissions/undergraduate/review-fees-and-financial-support

study.uq.edu.au/admissions/postgraduate-coursework/review-fees-and-financial-support

Student Services and Amenities Fee (SSAF)

The SSAF is charged each semester for the provision of non-academic services. In 2025, the annual SSAF was capped at $365.

my.uq.edu.au/information-and-services/manage-my-program/fees-payments-and-refunds/student-services-and-amenities-fee

Health insurance

If you'll be coming to Australia on a student visa, you'll need to purchase and maintain Overseas Student Health Cover (OSHC) as one of the conditions of your visa. This is an insurance policy that covers you for basic medical and hospital care and is required from the day you arrive in Australia until you leave. UQ's preferred OSHC provider is Allianz Care. UQ can organise your OSHC with Allianz when you accept your UQ offer and pay your tuition fee deposit.

Alternatively, you can obtain your own OSHC from a government-approved OSHC provider.

study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/overseas-student-health-cover

Financial aid

We can help students from North America, as well as some countries in Europe and Latin America, apply for student loan programs that are offered in their home countries. These loans can help you cover a portion of your educational expenses while studying full-time at UQ.

study.uq.edu.au/admissions/financial-aid-international-students

Refunds

If you cancel your enrolment by census date, fees can be refunded in full, unless you are a commencing student. For commencing students an administrative charge applies if you withdraw, are unable to meet the conditions of your conditional offer, or your enrolment is cancelled. After census date, refunds are only considered in special circumstances. Refer to the Student Refund Procedures for details.

policies.uq.edu.au/document/view-current.php?id=226

Cost of living calculator

Study Australia provides a helpful Cost of Living Calculator to estimate your weekly, monthly and annual living costs.

costofliving.studyaustralia.gov.au

A truly global network

As an international student, you know the importance of thinking and acting globally. At UQ, so do we. Our worldwide partner and alumni networks give you the international opportunities and connections to enhance your learning, life skills and employment prospects from the start of your degree to long after you graduate.

Global exchange experiences

As a UQ student, Brisbane or Gatton is just the first stop on your overseas adventure. Grow your global network through UQ's student exchange program by studying up to 2 semesters of your degree at one of our 130+ partner institutions in 30+ countries.

You'll gain program credit while expanding your world perspective, enhancing your employability, developing your network, and maybe even learning a new language. While on exchange, tuition fees at the host university are waived as you remain enrolled at and pay fees to UQ. Please visit this webpage to see UQ's outgoing exchange partners.

employability.uq.edu.au/student-exchange/find-host

employability.uq.edu.au/global-experiences

Incoming exchange and study abroad

Even if you're partway through a degree at a non-Australian university, with our incoming exchange and study abroad programs you can still study at UQ for one or 2 semesters and gain credit for your degree back home. If your university has an exchange agreement with UQ, you may be eligible to be nominated for the Incoming Exchange program. If your university is not partnered with UQ, you can apply to UQ as a Study Abroad student.

For a full list of our global incoming exchange and study abroad partners, visit:

study.uq.edu.au/admissions/study-abroad/review-entry-requirements/exchange-partners

study.uq.edu.au/admissions/study-abroad

Unlock new languages

In a global economy, the ability to communicate with a wide range of people is invaluable. Want to brush up on your language skills? Language classes are offered to students and the public at our Institute of Modern Languages where you can choose from more than 30 different languages other than English.

iml.uq.edu.au

Short-term experiences

While studying at UQ, you can participate in short-term global and virtual study experiences scheduled during the semester breaks. You can immerse yourself in a new culture for 2 to 8 weeks to enhance your academic learning and employability. If you're looking at expanding your practical skill set through short-term experiences, opportunities for domestic, virtual, and global internships are available.

study.uq.edu.au/enhance-your-employability/global-experiences

Global Startup AdVentures

Become a global thinker and learn from the world's most innovative startup hubs. Ventures Startup AdVentures are intensive international funded learning experiences (in-country). Build your network, learn from experienced innovators, and gain firsthand knowledge on founding, investing, and growing an early-stage business.

Relationships changing the world

Global connectivity is at the heart of UQ's vision to create knowledge leadership for a better world. From renewable energy technologies and sustainable mining practices, to disease control and child psychology, our international collaborations are working towards a cleaner, healthier and happier future. Explore our impact around the world.

global-partnerships.uq.edu.au

Access UQ networks – wherever you are in the world

Global Connections is an event series hosted by alumni for alumni in over 40 cities around the world. These events will be your opportunity to meet UQ alumni in your area and expand your professional and social network.

alumni.uq.edu.au/global-connection

UQ ChangeMakers platform

After graduation, you can harness the power of your global alumni community on the UQ ChangeMakers platform. Reach across industries and continents to make otherwise unlikely connections. Find mentorship, access research breakthroughs and receive exclusive event opportunities and bonus content specifically curated to help you excel.

alumni.uq.edu.au/changemakers

UQ partners

UQ has links worldwide and is also a proud member of the prestigious Group of Eight and Universitas 21 networks.

UQ's strategic partnership network

UQ has a strategic partnership network across more than 50 international locations, which includes leading organisations and institutions across higher education, research, industry, government, sponsorship and philanthropy.

As a key component of UQ's broader Global Strategy, UQ seeks to ensure a cohesive and coordinated approach to collaboration with international partners. UQ partners for global impact by building meaningful relationships worldwide and leveraging our strategic global presence. UQ's global connectedness has many beneficiaries, leading to research outcomes, products and services that have real impacts on people around the world.

UQ offers students a world of opportunity through its membership in prestigious global networks. These include, amongst others, Universitas 21, a select international network of comprehensive, research-intensive universities; the Worldwide Universities Network (WUN), a global higher education and research network of 24 universities across 6 continents; and the Association of Pacific Rim Universities (APRU), a leading network of 61 universities across 18 Pacific Rim economies recognised for their academic and research excellence.

UQ also has a number of arrangements with international institutions to facilitate the progression of students from those institutions to UQ through credit transfer.

UQ terminology

Alumni
All UQ graduates are considered UQ alumni.

Assessment
Assessment is completed as part of your course. It can come in the form of assignments, examinations, oral reports, debates, projects, research summaries and laboratory practical reports.

Bachelor's degree
A qualification awarded for the first level of study undertaken at university, typically requiring 3 to 5 years of study.

Blue card
An identification card issued under the Commission for *Children and Young People and Child Guardian Act 2000* that you need in order to work with children in Queensland, whether as a paid employee or volunteer. You can apply for one through the UQ School administering your program. Blue card applicants undergo a complete national criminal history check.

Campus
The location where a program is delivered. Some programs are taught at locations other than UQ St Lucia or at more than one campus.

Census date
The last date to cancel enrolment in a course without incurring financial liability. Census dates are 31 March for Semester 1, 31 August for Semester 2 and 18 December for Summer Semester (although this may change). Intensive study periods have individual census dates that change each year according to the start date of the study period.

Compulsory courses
Courses that must be studied to complete the requirements of a program.

Confirmation of Enrolment (CoE)
A CoE is issued when you accept a place at the University and pay your deposit and Overseas Student Health Cover (OSHC). You need a CoE to apply for a student visa. A CoE will only be issued for a quota program if there is still a place available at the time you accept and pay your deposit / OSHC.

Course
A discrete component of study within a program for which a grade is given.

Course profile
A course profile gives you key information about a course, including the course aims and learning objectives, required textbooks, learning activities, assessment information and due dates, and other important information.

Coursework program
A program where the assessable content by research represents less than two-thirds of the total assessable content for the program. Bachelor's degrees, associate degrees and postgraduate coursework programs are all categorised as coursework programs.

Commencement
Semester 1 in Australia generally begins in late February, and Semester 2 in late July, but some programs may start earlier. Check each program for details.

Credit
1. Students receive credit towards a degree when they pass a course that is part of the program requirements. 2. Students changing programs within UQ or from another university may apply for credit (a value assigned for study completed in one program) towards the new program. See Credit transfer.

Credit transfer (or transfer credit)
Credit transfer may be granted when students change from one program to another, if the rules of the new program allow it. Check with the administrating faculty.

CRICOS code
The Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) code indicates a registered program offered to international students studying in Australia on a student visa.

Domestic student
A student who is an Australian citizen, Australian permanent resident or a New Zealand citizen.

Dual program
2 UQ degree programs undertaken at the same time, under a single set of program requirements. The duration of a dual degree is shorter than taking each degree one after the other.

Duration
The length of time taken to complete a program, expressed in terms of a standard full-time study load.

Elective
A course that you may choose from a set of options. Some UQ programs allow elective courses to be taken from outside the main focus of the program or from other UQ programs.

Entry score
The entry requirement for a particular undergraduate program from a specific high school qualification.

External student
External students study online and do not attend any on-campus classes, although attendance at residential schools may be required in some programs. Material is dispatched by mail or via the web. International students can only study external programs offshore.

Faculty
The major organisational units within UQ, with responsibility for academic programs. Faculties may have a number of sub-faculty academic units called 'schools'. There are 5 faculties: Business, Economics and Law; Engineering, Architecture and Information Technology; Health, Medicine and Behavioural Sciences; Humanities, Arts and Social Sciences; and Science.

Field of study
A field of study is a prescribed combination of courses in a postgraduate coursework program having a value of at least 8 units or in a one-year bachelor's (honours) program having a value of 16 units.

Full-time (F/T)
75% or more (6 units) of the standard full-time study load (8 units) per semester for most programs. As an international student in Australia, you must complete your program within the specified duration. To do this, you would need to enrol in 8 units per semester.

Grade point average (GPA)
A statistic calculated on grades received and the number of units completed, indicating your performance in your studies.

Higher degree by research (HDR)
A postgraduate program that will enable you to become an independent researcher via a research project, thesis and oral examination.

Honours
At UQ, honours may be awarded as an additional one year of study following completion of a bachelor's degree or as a 4-year bachelor's (honours) degree. Some undergraduate programs allow eligible students to transfer to a bachelor's (honours) degree at a defined point in the bachelor's degree.

IELTS
International English Language Testing System.

Immunisation
For some Health, Medicine and Behavioural Sciences programs, you must provide proof of immunisation against certain diseases, including Hepatitis B. See **habs.uq.edu.au/placement-ready/immunisations**.

Intensive
A flexible delivery study mode where you attend on campus for short periods only (typically 1–2 weeks).

Internal student
A student who attends classes (lectures, tutorials and practicals) on-campus during semester.

International applicant / student
An 'international' applicant or student is not an Australian citizen or Australian permanent resident, nor a New Zealand citizen, and is intending to enrol (applicant) / is enrolled (student) with a higher education provider in Australia.

Orientation (O-Week)
A compulsory program of activities and information sessions to introduce new students to the University and to assist the transition to tertiary study.

Part-time (P/T)
Part-time study is less than 75% of the standard full-time study load (i.e. less than 6 units per semester for most programs).

Placement
Also called work placement, internship, industry study, clinical practice, practicum, fieldwork, clinical placement, practical work, teaching practice or industry experience. This is a period of practical, work-related experience designed to enable you to practise professional skills in a real-life setting, usually at an organisation external to the University.

Postgraduate coursework programs
Postgraduate coursework programs involve at least two-thirds of coursework. Study options include a graduate certificate, graduate diploma, coursework master's, and professional doctorate.

Prerequisites
Prerequisites are minimum entry requirements for admission to a program. They are intended to ensure that everyone entering a program has studied and achieved an appropriate level of knowledge in subject areas necessary to undertake the program successfully. Applicants who satisfy the prerequisite requirements are then eligible to compete for a place on the basis of the selection rank allocated to their qualifications.

Program
A sequence of study leading to the award of a qualification such as a degree, diploma, certificate or higher degree by research.

Quota program
Some programs have limited places available. The quota is the number of places that are available. For international students, the issuing of a Confirmation of Enrolment (CoE) for a quota program confirms that you have a place in that program.

School
At UQ, a school is a sub-division of a faculty – in other words, a faculty is a collection of schools. The school that teaches a course is listed on each course's electronic course profile (ECP) as the 'Coordinating Unit'.

Semester
The University teaching year is divided into 3 semesters: Semester 1, Semester 2 and Summer Semester. Most programs only require you to be enrolled in Semesters 1 and 2 each year.

Specialisation
A specialisation is at least 32 units of a prescribed combination of courses with a particular disciplinary focus, within an undergraduate program.

Study areas
Discipline-focused sets of courses that can be studied within a degree program and may include majors, minors and specialisations.

Teaching methods
At UQ we use a range of teaching methods, including lectures, tutorials, laboratory practicals, fieldwork, group discussions, and online modules and workshops. You will be required to complete assignments and examinations, and undertake independent study. Debate in classrooms is strongly encouraged.

Teaching spaces
Ranging from large, tiered lecture theatres to small tutorial rooms and specialised laboratories, we offer flexible spaces for group work, teaching and printing. All UQ lecture theatres and most tutorial rooms have Echo 360 installed so that teaching sessions can be recorded and accessed online.

Tertiary pathway
If you are not offered a place in your preferred program, you can accept an offer in a program with lower entry requirements, improve your entry score after completing your first year of full-time study, and then apply to change into your preferred program.

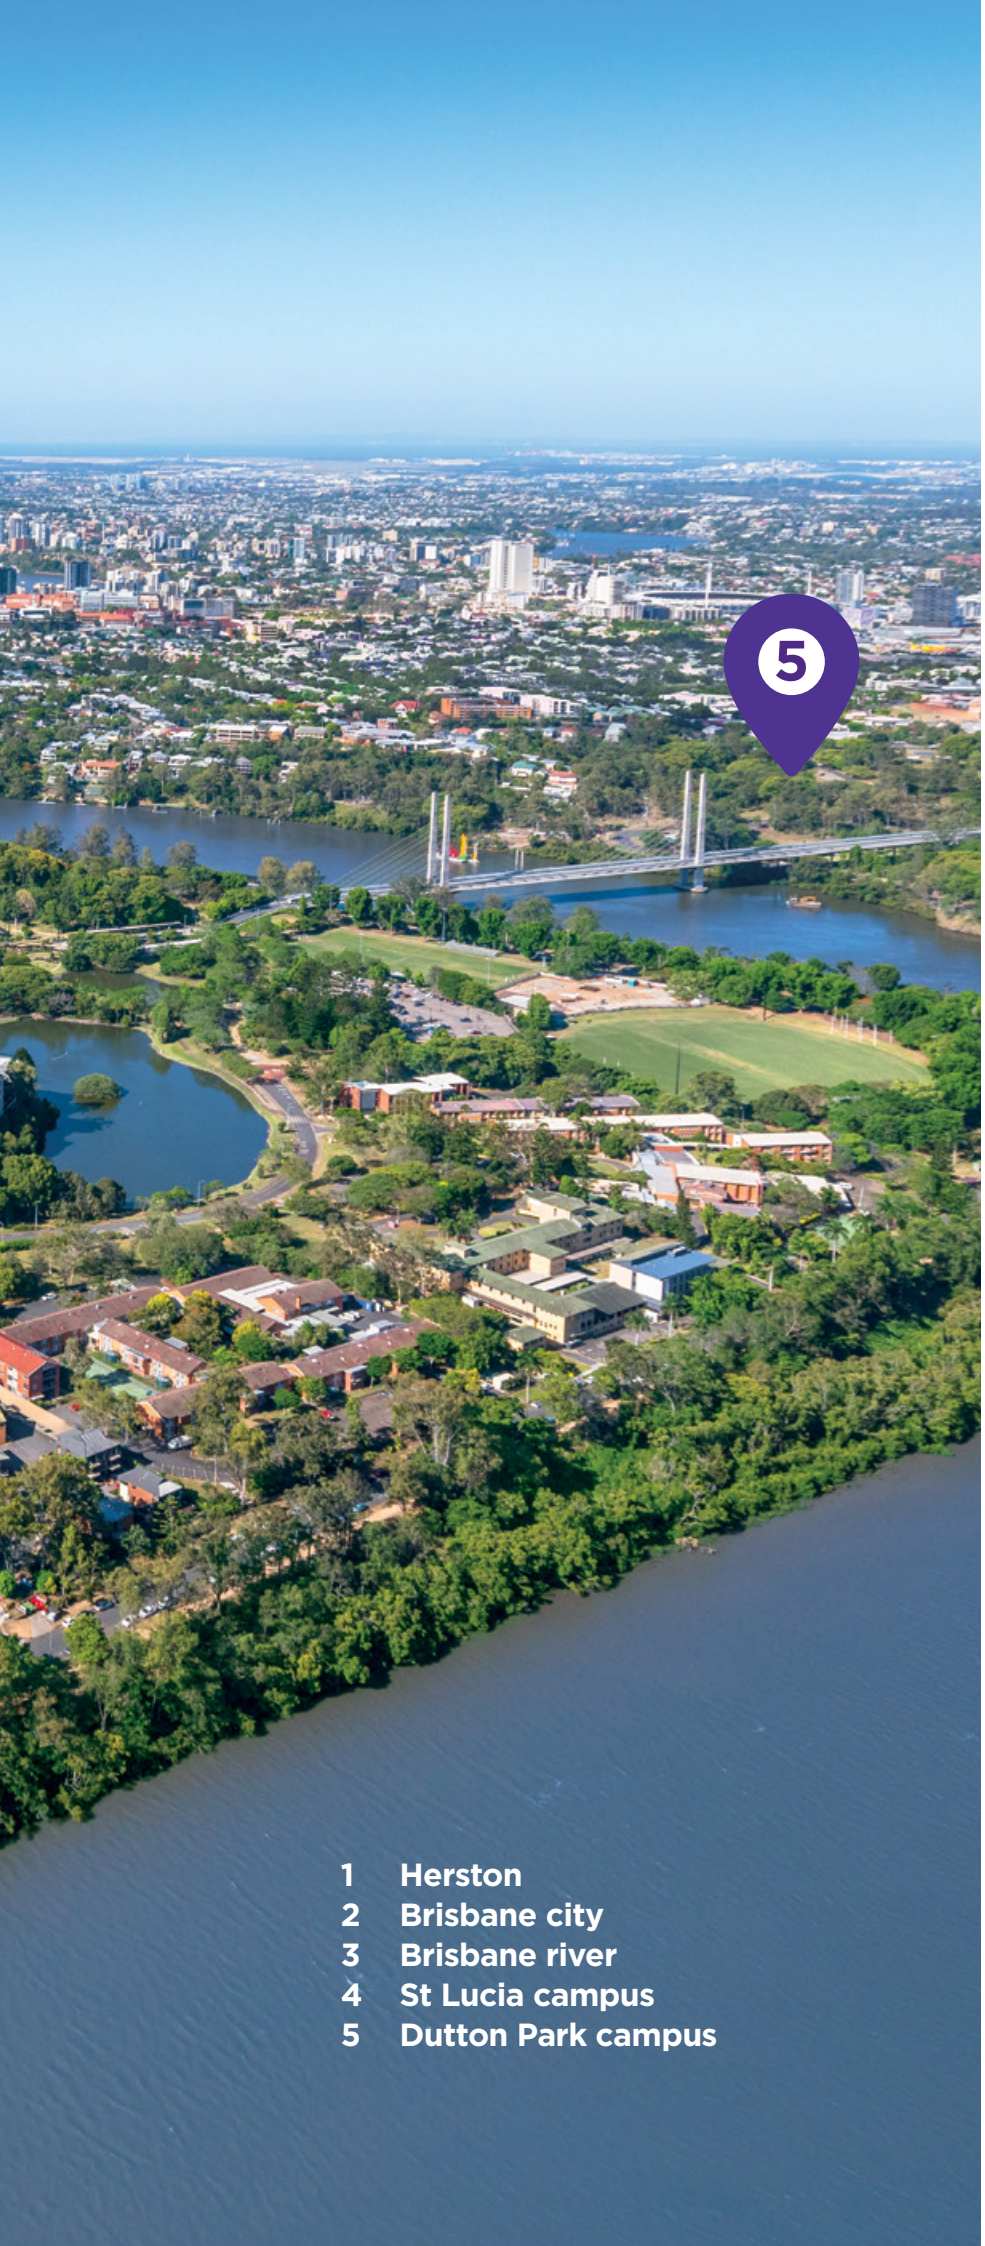

Units
Units (#) represent the value of individual courses that contribute to the total unit requirement of an academic program. Most courses at UQ are worth 2 units and a standard study load is 8 units per semester.

Index

Programs are listed in **bold**.
UG – Undergraduate program, PG – Postgraduate program

Academic workshops 77
Accommodation 78-79
Admission requirements 70-73
