PATHWAYS TO A BACHELOR DEGREE

Our certificate and diploma courses provide a pathway into selected bachelor courses at CQUniversity.

Our undergraduate study options and degrees are designed for real-world employability and help you develop the skills and confidence for further education.

EDUCATION ROADMAP

CERTIFICATE COURSES

Designed with industry input, these courses range from hospitality, kitchen operations, commercial cookery and nursing.

DIPLOMA COURSES

Provides you with theoretical knowledge and practical skills for work and reflect the latest developments in industry so you will gain skills that are in demand.

ASSOCIATE DEGREE COURSES

Designed to qualify you at the para-professional level, gain foundational knowledge and understanding in a specific discipline area.

BACHELOR COURSES

Industry focused qualifications that provide a solid basis for a wide range of career options. Develop your critical thinking skills and capacity for further independent study.

POSTGRADUATE DEGREE STRUCTURE

Our postgraduate courses are a great option if you have completed a bachelor degree or, in some cases, have relevant professional experience and are looking to complete further study to advance your skills and knowledge.

COURSEWORK DEGREES

GRADUATE CERTIFICATE

Provides specialised study in a specific subject area with the opportunity to progress to a graduate diploma and/or masters upon completion.

GRADUATE DIPLOMA

Enables you to develop skills in a specialised area or equip you with the knowledge to undertake a new career direction.

MASTERS BY COURSEWORK

Comprises a series of specialist courses designed to extend your professional understanding in a particular subject area, or provide you with the opportunity to move in a new professional direction.

RESEARCH STUDY OPTIONS

Our master by research and doctoral courses are based on a research project carried out by the candidate, under the supervision of well-qualified, active researchers from the University's academic staff.

You can choose from a diverse range of disciplines across the University's priority research areas. Specific topics can be chosen from the published list available at **cqu.edu.au/research/research-higher-degrees/projects**.

GRADUATE CERTIFICATE IN RESEARCH

An excellent pathway if you are interested in a research higher degree (RHD) and either don't meet the entry requirements or would like to hone your research and investigative skills prior to starting your RHD studies.

MASTER OF RESEARCH

Enables you to undertake original research in a particular area of interest under supervision and resulting in the submission of a thesis.

DOCTOR OF PHILOSOPHY (PhD)

Awarded on the basis of a thesis prepared under supervision that makes an original, significant and extensive contribution to knowledge and understanding in the relevant field of study, as judged by independent experts applying accepted contemporary international standards.

DOCTOR OF EDUCATION (EdD)

A specially designed doctoral degree suitable for professionals working within the education and training sector. The degree offers candidates a supported entry, with structured research tasks followed by a thesis component.

DOCTOR OF PHILOSOPHY (INDUSTRY)

Designed for people who aspire to a doctoral degree and have significant professional experience without a formal qualification in research. Combining preparatory studies, advanced coursework and a research project (dissertation component), the PhD (Industry) enables graduates to bring high-level research analysis and critical thinking skills to bear on their existing leadership and/or management roles in industry and academic settings.

DOCTOR OF PHILOSOPHY BY PORTFOLIO

Complete a PhD thesis that incorporates your pre-existing peer-reviewed research outputs as a substantial component of the thesis; allowing you to gain recognition for your significant contribution to research in your discipline.

ENTRY REQUIREMENTS

^ Vocational course.

Duration PT – Part time available for online courses. Duration is in years, unless otherwise stated.
Intake T1 – Term 1 (March), T2 – Term 2 (July), T3 – Term 3 (November).

Please note the following important information:

- Fees are in Australian dollars A$.
- Fees are indicative only and do not cover additional costs such as textbooks, accommodation, visa applications, OSHC, general living etc.
- Fees are based on a full-time study load and the final fee payable will be determined by your selection of units and if any credit was awarded for recognition of prior learning.
- The University reserves the right to amend fees at any time during the course. Fees are reviewed annually and may increase in the following year to enable CQUniversity to continue to provide quality services and facilities to students.
- Courses are subject to change at the discretion of the University.
- It is your responsibility to make yourself aware of the entry requirements and prerequisites of the courses you wish to undertake.
- The typical annual fee shown provides an estimate of the tuition fees for the first year of the course in 2025. This estimate assumes a full time study load of 24 credit points per term (based on two terms).
- International students holding an Australian Student Visa can only undertake courses online from an overseas location.
- International students studying on-campus in Australia may only take 33 per cent of their entire course by online education, and this option cannot be taken in its entirety during a compulsory term (Term 1 and Term 2). Students must study at least one unit face-to-face each term (excluding Research Higher Degrees).

CAN I ORGANISE ACCOMMODATION BEFORE I ARRIVE?

Depending on your choice of accommodation, it is possible to organise where you will live before you arrive in Australia. Living at one of our student residences, managed student accommodation and homestay are easy to organise beforehand using our preferred providers.

Be wary of organising a private rental from overseas as in most cases you do need to view a property in person before applying.

LIVING COST

The cost of living varies depending on the location, accommodation type and lifestyle you choose.
The table below reflects basic living costs and does not include tuition fees, air tickets, student visa application fees, medical examinations for student visa application, OSHC and study related costs, such as textbooks.

When you first arrive, you will need to consider establishment costs such as bond payment, advance rent, furniture and other household items. If you have a car, you will need to consider vehicle registration and maintenance costs.

LIVING EXPENSES FOR A SINGLE STUDENT	AVERAGE PER WEEK (A$)
Accommodation	90 – 440
Groceries and eating out	140 – 280
Gas and electricity	15 – 30
Public transport	30 – 60
Phone and internet	15 – 30
Car (after purchase)	150 – 260
Entertainment	80 – 150

STUDENT ESSENTIALS

STUDENT VISA

If you intend to study in Australia, you will require a student visa for the duration of your studies. Once you have received your visa, there will be conditions you need to meet to ensure your visa remains valid.

The Department of Home Affairs website provides all information in relation to student visas including other visa streams visit **homeaffairs.gov.au**.

TEMPORARY GRADUATE VISA

If you complete two years of a bachelor degree, masters degree or PhD in Australia, you could be eligible for a Temporary Graduate Visa, which allows you to live and work in Australia for two or more years.

For more information and options visit **homeaffairs.gov.au**.

OVERSEAS STUDENT HEALTH COVER (OSHC)

The Department of Home Affairs requires all student visa holders to have OSHC for the duration of their visa length. CQUniversity has a preferred arrangement in place with Bupa – a recognised health insurance provider for international students in Australia.

For more information and a quote visit **bupa.com.au/health-insurance/oshc**.

WORKING WHILE STUDYING

From 1 July 2023, student visa holders are restricted to 48 hours of work a fortnight. Students must ensure they are aware of any changes to visa conditions, including work rights.

All people working in Australia have basic workplace rights and protections, including minimum pay and conditions. You will need to obtain a Tax File Number (TFN).

For more information visit **immi.homeaffairs.gov.au**, **ato.gov.au** and **fairwork.gov.au**.

GETTING AROUND

Public transport is an affordable, convenient option and is available at all our campus locations. Options include a bus, train, tram or ferry, depending on where you live. Some states provide discounted concessions for international students.

BRINGING FAMILY

If you wish to bring your family, you must provide evidence that you will be able to support them financially while they are in Australia. There are costs associated with schooling, childcare and health insurance.

AUSTRALIAN CURRENCY

The Australian currency is the Australian Dollar (AUD). Visit **xe.com/currencyconverter** to check your currency conversion.

RESIDENTIAL SCHOOLS

Residential schools may be compulsory or recommended, and vary in duration. They are usually conducted at a CQUniversity campus where an intensive block of classes allows you to obtain practical hands-on experience and network with lecturers, other students and in some cases industry specialists.

RECOGNITION OF PRIOR LEARNING

If you have previously studied at another university or institution within the last ten years, or have professional experience, you may be eligible for recognition of prior learning (also known as advanced standing, credit exemption and credit transfer).

Recognition of prior learning must be applied for at the time of applying for your course. Your qualifications and professional experience will be assessed on a case-by-case basis. Confirmation of approved credits will be made when you receive an Offer of Admission.

STUDY OPTIONS

16 000+
ONLINE STUDENTS IN 2023

STUDY MODES

ON CAMPUS

If you are in Australia on a student visa you must study full time on campus. While in Australia, you are able to undertake some units within your course online provided it is: no more than 33 per cent of your entire course; approved by the University; and not entirely online in a compulsory term.

ONLINE

We have a strong record in delivering courses and units in highly advanced and innovative online environments, including Moodle, Zoom, online live classrooms and other online tools to maximise staff and student interaction.

By choosing to study online, you'll have the flexibility to study a world-class Australian qualification and graduate with the same qualification, all from the comfort of your home. If you choose to study online, you may choose part time or full time to study at your own pace. This is a perfect option if you need to balance work or family commitments or upskill to get ahead in your career. Some courses require you to attend a residential school in Australia for a short period of time.

Note: studying online is only available to international students who hold a temporary visa or do not live in Australia.

cqu.edu.au/international-online

Take a look at what online study looks like.

Benefits of studying online:

- ☑ Graduate with the same qualification
- ☑ Flexible study load
- ☑ No student visa required
- ☑ Professional recognition will not be affected
- ☑ Save on Australian living expenses
- ☑ 24/7 access to online learning tools and study materials, including recorded lectures
- ☑ Receive feedback on your writing or help with a study question within 24 hours via Studiosity
- ☑ Study groups and online discussion forums
- ☑ Online video Ask-a-Librarian consultation sessions
- ☑ Learn highly desired attributes: time management, motivation and being an independent learner
- ☑ Shape your studies around your lifestyle and existing commitments

STUDY FULL OR PART TIME

FULL TIME

For an undergraduate or postgraduate coursework degree, a standard full-time load consists of 24 credit points per term. You can expect a maximum of 16 hours on campus each week, consisting of four hours per unit.

PART TIME

Part-time study is only available to international students who are not on a student visa. You must not live in Australia and be enrolled in online study. A part-time load consists of fewer than four units per term.

'Online study offered flexibility through recorded lectures and it also taught me to develop independent learning skills and effectively manage my time, resulting in reduced stress.

The teaching staff are great, you'll not only get educated but enjoy learning invaluable lifelong skills through CQU's diverse student programs and opportunities.'

Certified documents are photocopies that have been viewed along with the original document by an authorised person who will stamp them as being authentic copies. It may be from a Justice of the Peace, Commissioner of Declaration, a contracted agent of CQUniversity or the issuing authority of the institution.

2 Apply

Education Agents: Apply through one of our authorised education agent representatives: **cqu.edu.au/agents**.

Online: Apply directly through our secure online application system, iStart: **cqu.edu.au/international-apply**.

Applications for a scholarship are done at the same time.

Allow 5 – 7 business days for CQUniversity to assess your application.[2]

It is important to attach all requested supporting documentation, otherwise your application could be delayed or rejected.

3 Accept your offer

If your application is successful, you or your agent (if you appointed one) will receive the Offer of Admission via email. Your offer letter will include important information on:

- » your course, duration and commencement date
- » tuition fees and the deposit payable
- » the fee for visa-length Overseas Student Health Cover (OSHC). **Note:** if you are arranging your own OSHC (in full) we will require a copy of the insurance document
- » conditions that need to be met, if any.

Once all conditions are met, your offer accepted and payment made, CoE (Confirmation of Enrolment) is issued within 2 business days.

4 Apply for Student Visa

Once you receive your CoE you, or your agent, can apply for your student visa via the Department of Home Affairs.

homeaffairs.gov.au/trav/visa/appl/student

Allow at least three months for your student visa.

5 Organise travel

Once you receive your visa, you can organise your travel to Australia.

Our teams can provide advice on airport pick-up and short and long-term accommodation options.

Applying for a Research Higher Degree

Prospective research candidates must apply through iStart via **cqu.edu.au/international-apply** with an Expression of Interest.

Depending upon the outcome of your Expression of Interest, you may be invited to submit a full application for admission. The University reserves the right to refuse admission to any applicant.

STUDENT PAYMENTS

We offer four easy options to help you make payment:

- ☑ Flywire global payment portal: **https://payment.flywire.com**
- ☑ BPAY portal (onshore students)
- ☑ on campus via credit card
- ☑ over the phone to designated campus.

1 Certified academic documents are not mandatory at the time of application. You may receive a conditional offer until documents are received and conditions are met.
2 Application assessment time frame may take longer if applying for credit exemptions or research.

2025 KEY DATES

We offer three terms per year for higher education so, depending on your course, you can start at the beginning of the year, mid-year or towards the end of the year.

Term 3 is not compulsory – it is another study option to provide you with the opportunity to start your study at a time more convenient to you, or to fast-track your study and get into the workforce sooner.

Each term runs for approximately 12 weeks with university breaks.

You can apply at any time throughout the year, our international admissions team is always ready to process applications and assist with any questions.

Students are encouraged to lodge their applications at least two to four months prior to when you want to study. Some courses will have quota restrictions and will close as soon as the quota is filled.
