Acknowledgement of Country

Griffith University acknowledges the people who are the Traditional Custodians of the land. We pay respect to the Elders, past and present, and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Opening in 2027

BRISBANE CITY (CBD)

Based in the Heritage-listed Treasury building, our newest location will give Griffith students unprecedented access to industry, government and community engagement

Traditional Owners: Yugarabul, Yuggera, Jagera and Turrbal peoples

OUR LOCATIONS

Griffith has campuses across South East Queensland. Wherever you study with us, you'll find a distinctive culture and wealth of specialised expertise.

Brisbane City (South Bank)

Queensland's leading creative and performing arts hub, embedded in the cultural heart of Brisbane

Traditional Owners: Yugarabul, Yuggera, Jagera and Turrbal peoples

Students: **3,500+**

Study areas: Acting, animation, contemporary Australian Indigenous art, cyber security, design, film, game design, music, musical theatre, visual arts

Brisbane South (Nathan)

Home to our foundation campus, steeped in natural beauty and a rich history of progressive thinking and learning

Traditional Owners: Yugarabul, Yuggera, Jagera and Turrbal peoples

Students: **17,000+**

Study areas: Aviation, business, commerce, communication, criminology, cyber security, education, engineering, environment, humanities, information technology, languages, law, nursing, occupational therapy, physiotherapy, political science, psychology, science

Gold Coast

Our largest campus, offering world-class facilities and a dynamic student lifestyle just minutes from the beach

Traditional Owners: Yugambeh/Kombumerri peoples

Students: **18,000+**

Study areas: Degrees span almost all study areas, with a strong focus on health

Logan

Our home of community-focused education, based in one of Australia's fastest-growing cities

Traditional Owners: Yuggera, Turrbal, Yugarabul, Jagera and Yugambeh peoples

Students: **2,500+**

Study areas: Education, human services, midwifery, nursing, social work

Find out more about each campus: **griffith.edu.au/campuses**

Past, present, brighter future

In 2025, Griffith University celebrates 50 years of delivering a transformative education to students from around the world.

50 YEARS 1975–2025

Half a century on from our origin as a single campus of 451 students, much looks different about our university. But despite the new campuses, new buildings and new ideas we've developed over the years, our defining, progressive spirit remains.

We know what Griffith looks like now isn't what we'll look like in five, 10 or even another 50 years' time, because we've been evolving since the very start. And all these years, our students, staff, partners and communities have been changing and growing right alongside us.

That's why it's important for us to celebrate just how far we've come these past five decades—to honour all that Griffith is, was and is yet to be.

Throughout our expansion across South East Queensland to our new chapter in Brisbane's heart and beyond, we've meant a lot of different things to a lot of different people over the years. But one thing remains our proudest constant: we'll always be a university fundamentally committed to creating a brighter future for all.

For more information, visit **griffith.edu.au/50years**

BRISBANE

Brisbane is a vibrant, expanding city, offering world-class education, a beautiful climate and a superb lifestyle. It is an ideal place to study and develop your career.

- Average temperature: 15°C–26°C
- Population: 2.7 million*
- 283 days of sunshine a year
- Culturally diverse population: 27% of Brisbane's residents were born overseas
- Brisbane is the host city of the 2032 Olympic and Paralympic Games

* Population data supplied by City of Brisbane **brisbane.qld.gov.au/-community-profiles**

GOLD COAST

Beautiful beaches, excellent quality of life and friendly people make the Gold Coast a popular study destination.

- Average temperature: 15°C–25°C
- Population: More than 647,000*
- 300 days of sunshine a year
- Beautiful white sandy beaches spanning nearly 60km of coastline
- 100,000 hectares of World Heritage-listed rainforests

* Population data supplied by City of Gold Coast goldcoast.qld.gov.au/Council-region/About-our-city/Population-data

Our locations

"The Business Lab would probably be one of the things I like best. It has helped me understand how the real business world works—I get to learn a lot of things that I don't think I could get anywhere else. Which is good because when I graduate from Griffith, I plan to go back to Thailand, so that I can help my family business."

Eddie (Thailand)
Bachelor of Business

BUILD YOUR CAREER

Griffith University graduates are well-equipped for the new world of work. We include real-life industry experiences in our degrees and have a great range of employability initiatives to get you job-ready.

Careers and Employment Service

Our Careers and Employment Service can help you:

- understand your career options
- market yourself to employers
- transition to graduate employment
- find suitable employment while you're studying.

They also have a range of information and events to help you on your journey.

griffith.edu.au/careers

Work-integrated learning

Employers like to see real-world experience on your resume. You can gain this practical experience while you study, build your portfolio and develop networks through internships and industry placements. Many work-integrated learning opportunities will allow you to earn credit towards your degree.

Leadership programs

Join one of our leadership programs, including the Griffith Business School Student Leadership Program, Student Academy of Excellence or Griffith Mates. You will receive formal recognition for participating in these programs and gain a range of experience and skills sought after by future employers.

Find out more at:
griffith.edu.au/employability

Industry Mentoring Program

For more than 25 years, our award-winning Industry Mentoring Program has connected Griffith students with industry professionals based in South East Queensland and beyond, supporting hundreds of mentoring relationships every year. Our students engage with their mentors in person or online, leveraging our innovative mentoring platform to track their growth and progress.

Student Academy of Excellence

The Student Academy of Excellence is an extracurricular program for outstanding undergraduate students that provides experiences to increase your employability and graduate opportunities. Many of these experiences are exclusive to Student Academy of Excellence students and will enable you to develop a global perspective while enhancing your leadership, communication, teamwork, research and industry skills.

griffith.edu.au/student-academy-excellence

Community Internship

The Community Internship is a 10-credit-point course available to students in most degrees. Through this course, you can make a difference in a local community organisation while developing professional and personal skills. You will complete a minimum of 50 internship hours (undergraduate students) or 80 internship hours (postgraduate students) in a not-for-profit organisation placement and combine this with academic learning.
With hundreds of internship opportunities, we can tailor the internship to match your study area or interests.

griffith.edu.au/community-internship

International scholarships and awards

We offer a range of scholarships and awards to support international students studying our undergraduate, postgraduate, research and pathway programs.
Our scholarships reward academic excellence for commencing students.

Vice Chancellor's International Scholarship

For exceptional students applying for undergraduate and postgraduate coursework degrees at Griffith University.

50% of tuition fees valid for degree duration*

International Academic Merit Scholarship

Rewards high achieving international students applying for undergraduate and postgraduate coursework degrees at Griffith University.

20% of tuition fees valid for degree duration*

*scholarship recipients must meet conditions to retain their scholarship.

Griffith Research Scholarships

Support for your PhD or research degree at Griffith University. Scholarships can cover tuition fees, living allowances, relocation and thesis allowances.

For more information visit:
griffith.edu.au/research-study/scholarships

Find out more at:
griffith.edu.au/international-scholarships

"As a scholarship recipient at Griffith University, the financial support is not just a means to pursue my studies, it's a transformative opportunity. It represents the acknowledgment of my potential and commitment to academic excellence, alleviating the financial burden and allowing me to fully focus on my Master of Social Work."

Surbhi (India)
Master of Social Work

WHERE TO LIVE

Whether you would like to live on campus or off campus, there are several options you can explore to find housing to suit your needs. Options include homestay, which allows you to experience life with a local family while you study.

Temporary and short-stay accommodation

If you are intending to organise long-term off-campus accommodation once you arrive in Queensland, it is important that you also find temporary accommodation for your first few days or weeks in the state. This will give you time to inspect your long-term off-campus accommodation before you move in. There are short-term accommodation options located near each of our campuses that are easily accessible by public transport.

Off campus

Share house

In Australia, share housing—where you share a house or apartment with a number of other students—is the most common form of off-campus accommodation.

When looking for suitable off-campus accommodation, you will need to consider:

- the cost of rent (usually advertised as a weekly amount)
- if utilities are included in your rent (electricity, water, gas)
- if internet is included in your rent
- if the accommodation is furnished
- how close the accommodation is to your campus
- access to public transport.

Off-campus student accommodation

There are a number of purpose-built student accommodation providers. You should review their offerings in relation to your needs and contact them directly for more information.

Brisbane: Genesis 1; Scape; Student One; UniLodge Park Central; Uniresort; Iglu.

Gold Coast: University Village; Metro on Central; University Square.

Find out more at:

griffith.edu.au/where-to-live

Homestay accommodation

Homestay accommodation gives you the opportunity to live with an Australian family while you study. It is a great way to develop your English language skills and experience life in Australia, and offers catered and self-catered options. Homestay is available to students at all Griffith campuses. Some homestay providers offer independent living options such as a granny flat.

Additional resources

You can find additional resources for accommodation options on the Gold Coast on the Study Gold Coast website at **studygoldcoast.org.au/live/student-accommodation/**

On campus

Griffith offers self-catered accommodation at Brisbane South (Nathan) campus and partners with Campus Living Villages to provide self-catered, on-campus accommodation in the Griffith University Village on the Gold Coast campus.

Living on campus is a fantastic way to meet new people, find out about new cultures and develop independence. On-campus accommodation is fully furnished and provides access to cooking facilities, laundry facilities, common rooms and internet, as well as offering a vibrant social life.

Airport pickup

International students commencing at Griffith University can apply for a free airport pickup, which takes you from the airport directly to your pre-arranged accommodation. The service is free for eligible new international students arriving at the Brisbane or Gold Coast airports.
griffith.edu.au/airport-reception

COMING SOON!

New accommodation in 2026

Our Gold Coast campus is set to boast a new student accommodation tower in the Griffith University Village. It is forecast for completion in 2026, with 459 new beds to be available.

Cost of living

There are many different costs involved in international study and your cost of living in Australia will vary depending on your lifestyle and personal requirements.

The Australian Government requires students to have access to a minimum of **A$29,710*** per year to meet their living costs, but most students spend more than this. Costs will be higher if you have family members accompanying you.

* As at February 2025

Calculating your total cost of study

Your total cost of studying in Australia will include:

- tuition fees
- visa application fees
- Overseas Student Health Cover (OSHC)
- flights
- cost of living
- other personal and study-related expenses.

Tuition fees

Tuition fees are reviewed annually, and international students should expect an increase in fees each year.
Detailed information on the fees relevant for your degree, including the fees applicable in your commencing trimester, is available at **degrees.griffith.edu.au**

Study Queensland's cost of living calculator

Study Queensland's website provides a cost of living calculator for prospective students thinking about studying in Queensland.
Scan the QR code to go to their calculator.

Weekly cost of living estimate

Please be advised these figures are an **estimate only** and individual differences and personal preferences mean prices will vary. Please note these costs do not include: arrival costs, temporary/short-term accommodation, security deposit, textbooks, clothing, gym and other memberships or medical expenses. Some of this information is based on 2024 costs according to Study Queensland**
(see above for the QR code and more details on the cost of living calculator).

	Self-catered on campus	Share house off campus	Homestay off campus
Campus availability	G, N	G, N, S, L	G, N, S, L
Rent	$180–$300 (N) $310–$450 (G)	$250–$600	$280–$420
Food	$140–$280	$140–$280	Variable*
Transport to university	Walking distance	$30–$100	$30–$100
Electricity and gas	Included	$25–$40	Included†
Mobile phone and internet	$15–$30 (Internet included)	$20–$50	$20–$50
Entertainment	$100–$200	$100–$200	$100–$200

* Fully-catered homestay accommodation includes food. The cost of fully-catered, semi-catered or self-catered homestay accommodation will vary.
† Students can expect to pay an additional cost for heating and air conditioning.
** These costs were calculated in January 2025.

"I love the vibe and inclusivity of the people in Australia. There's so much on offer in Brisbane and the Gold Coast, both in the city and in the outskirts. For nature enthusiasts, there are a wide variety of walking trails and beaches that are a short distance away!"

Jeffrey (USA)
Master of Business

YOUR STUDENT EXPERIENCE

Meet new people, make friends, enjoy the Australian lifestyle and, most importantly, have fun! We want you to have the best possible experience with your studies and enjoy your time at Griffith.

International Student Buddy Program

The International Student Buddy Program runs from Week 1 to Week 4 of each trimester. Current students (Senior Buddies) provide peer support to commencing international students (that's you!) through weekly meetups at the Gold Coast and Brisbane South (Nathan) campuses.

griffith.edu.au/international-buddy

Sport and fitness

Griffith offers a variety of sporting facilities and competitions. You can join Griffith Sport for social sport competitions or enjoy discounted student memberships for facilities including:

- on-campus gyms
- aquatic centre and athletics track at Gold Coast campus
- sports fields and squash courts at Brisbane South (Nathan)

griffith.edu.au/sport

Orientation

Once you are ready to enrol in your first trimester, you will be sent a link to myOrientation, a compulsory online orientation that will provide you with key information to prepare you for study and life at Griffith. Orientation Week is when you get to know Griffith, connect with your key support network online or on campus, and have fun meeting people before you start classes.

- Find out about studying and living in Australia at an International Student Welcome session during Orientation Week.
- Discover Brisbane or Gold Coast highlights on a free Twilight City Walking Tour with the Griffith Mates.
- Enjoy free activities on campus and in your new city!

griffith.edu.au/orientation

Clubs and societies

Griffith has over 100 clubs in cultural, religious, political, educational, sporting, professional and special interest areas. There are also international student clubs, societies and associations.

griffith.edu.au/clubs

Griffith volunteer community

In addition to Bush Care and Beach Care, Griffith Mates offers a range of other volunteer opportunities, which change each trimester. These can include volunteering at fun runs, community events or caring for the environment.

Griffith Bush Care group

(Brisbane campuses)
Help restore the Australian bush environment and, if you are lucky, see koalas, possums and sugar gliders. Join us to develop your teamwork skills, learn more about the environment and meet new people.

Griffith Park and Coastal Care group

(Gold Coast campus)
Our Gold Coast group does a different activity each trimester, including park care, beach care, tree planting and more! This is a great way to give back to the environment, meet new people and enjoy the beaches of the Gold Coast.

griffith.edu.au/mates

Chaplaincy and religion

Including one-on-one appointments, dedicated campus prayer rooms and information on local religious communities.

griffith.edu.au/chaplaincy

Find out more at:
griffith.edu.au/life-at-griffith

"I joined Griffith Mates at the start of my final year of my PhD. I met a lot of passionate and creative Mates and connecting with them was a great and unforgettable experience of my student life at Griffith. This experience is a gift to me."

Peishan (China)

Griffith Mates

Enjoy the most memorable years of your life with the Griffith Mates. The Griffith Mates are a diverse peer support network for international students, with members who speak over 30 languages. Look out for the Griffith Mates at Orientation—they may even be waiting to welcome you at the airport arrivals hall when you arrive in Australia!

Griffith Mates will help you make the most of university, develop friendships, practise your English, and:

- meet other international and Australian students
- join in volunteering opportunities, e.g. learn about the Australian environment
- visit amazing locations with the Griffith Mates on day trips around South East Queensland
- attend free on-campus events and activities, from games and sports to networking events
- expand your worldview with cross-cultural leadership opportunities by becoming a Griffith Mate.

Find out more at:

griffith.edu.au/mates

STUDENT SUPPORT

You will have access to Griffith University's comprehensive range of student support services, including programs and staff dedicated specifically to helping international students.

International Student Advisory

If you need extra information or support, make an in-person or online appointment with an International Student Advisor. International Student Advisors provide information to support you to manage your life and your studies within the conditions of your student visa. Our team of dedicated and highly experienced staff can answer any questions throughout your time on campus and help guide you towards academic success.

griffith.edu.au/international-student-advisors

Career support

Our Careers and Employment Service assists with career planning and mentoring as well as help finding employment while you study. Our successful Industry Mentoring Program matches Griffith students with industry professionals for career development, learning and industry exposure.

griffith.edu.au/careers-employment

Financial assistance

If you need help with budgeting or money, there are services available to offer budgeting advice, a textbook exchange service and other financial support services.

griffith.edu.au/student-support

Academic enrichment and learning support

EnglishHELP: If English is your second language, we provide a free English language learning service to continue developing your academic English and improve your overall academic performance. From dedicated courses to free one-to-one tutoring sessions, we offer a range of solutions that can help you achieve your goals.

griffith.edu.au/englishhelp

PASS: Peer Assisted Study Sessions (PASS) are study groups for specific courses that students often find difficult or demanding. The sessions are facilitated by student leaders who have previously completed the course and achieved excellent results.

griffith.edu.au/students/peer-assisted-study-sessions

Accommodation

See page 6 for information regarding accommodation options at Griffith.

griffith.edu.au/accommodation

Library

Become acquainted with the library—we have six libraries with a range of resources for study, including computers, quiet study areas and group work spaces. The library has helpful staff as well as a range of online resources to help you with different aspects of your academic life, including assignments, referencing, exam prep and more!

griffith.edu.au/library

Health and wellbeing

If you need a doctor, there are health and medical services located on the Gold Coast and Brisbane South (Nathan) campuses, as well as medical centres and hospitals near every campus. If you need someone to talk to about personal issues, we offer free, confidential counselling sessions on our campuses and a range of online counselling options.

griffith.edu.au/student-support

Disability services

At Griffith, we seek to remove barriers that students with disability face in higher education. Through our Disability and Accessibility Service, we aim to improve the participation, retention and success of students with disability, while ensuring access to learning environments. If you would benefit from the support offered by our Disability and Accessibility Service, we encourage you to make contact with our friendly staff before you start or at any time during your degree. Prospective students requiring disability support should make contact early so we can provide advice and information about the support available.

griffith.edu.au/disability

Safe campuses

All members of the Griffith University community have a right to feel welcome, safe and supported. We are committed to providing safe and inclusive campus communities free from harassment, bullying, discrimination and sexual assault. We encourage members of the Griffith community to call out, report and seek support when these behaviours occur.

griffith.edu.au/safe-campuses

Find out more at:

griffith.edu.au/student-support

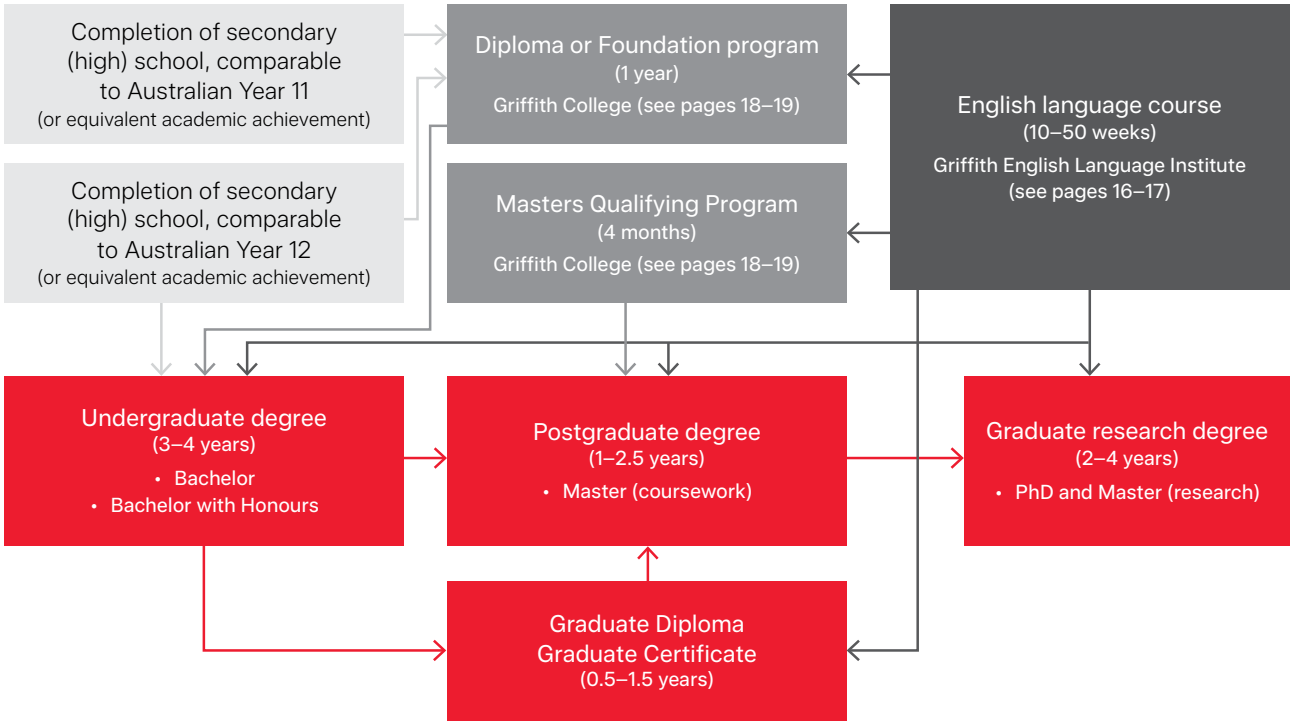

"I love Griffith for its inclusive and supportive community. The University fosters an environment where students can thrive academically and personally. The campus facilities and the emphasis on student wellbeing contribute to a positive learning atmosphere."

Issei (Japan)
Bachelor of Business

Know your pathway options

No matter what level of study you have completed, or what English level you have, we have a range of study options and pathways to help you achieve your study goals.

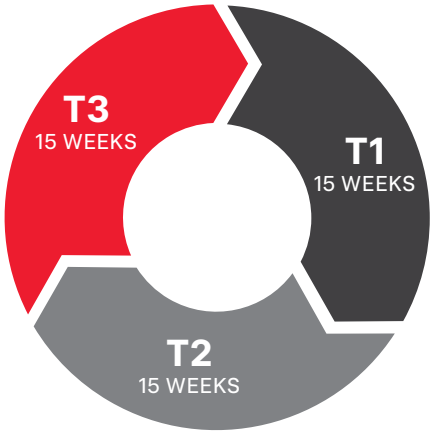

Study options and pathways at Griffith

Trimester teaching

At Griffith, we teach across three trimesters rather than two semesters. Trimesters 1 and 2 are compulsory, so if you begin your degree in Trimester 3, you must complete Trimesters 1 and 2 in the following year. However, if you begin in Trimester 1 or 2, it is not compulsory to enrol in Trimester 3.

Please note: A small number of Griffith degrees require students to enrol in Trimester 3.

Online study

Our online degrees are delivered 100% online, giving you flexibility over where and when you study. Choose between full-time and part-time study options.

Please note: If you enrol in an online or external degree you are not eligible for an Australian student visa.

Explore study options at:
griffith.edu.au/degrees

What am I eligible to study?

Read below for an overview of entry requirements for Griffith University degrees and the pathway options available.

Academic entry requirements

Undergraduate (bachelor)

Standard entry*

Completion of secondary school comparable to Australian Year 12 or equivalent academic achievement.

Some programs have higher entry requirements, specific prerequisites or require the submission of portfolios, medical checks or professional work experience.

Pathway option(s)

Study a Foundation Program or diploma through Griffith College. See pages 20–21.

Gain direct entry into the relevant Griffith University bachelor degree upon completion.

Postgraduate (masters)

Standard entry*

A bachelor degree or higher (or equivalent) from a recognised university.

- Masters (coursework)
- Graduate Diploma
- Graduate Certificate

You must meet minimum grade point average (GPA) entry requirements. Griffith also recognises the knowledge gained through work experience, as well as prior study, for some degrees.

Pathway option

Study the Masters Qualifying Program (MQP), delivered by Griffith College, for entry into Griffith University masters programs. See pages 20–21.

The MQP provides you with an opportunity to upgrade your prior study to meet direct entry requirements for a selection of Griffith masters programs.

Research

Standard entry*

Doctor of Philosophy (PhD)

- A bachelor degree (or equivalent) with class I honours or class IIA honours; or
- a master degree (or equivalent) incorporating a significant research component; or
- a record of research, or a qualification granted by a professional or other body, which is deemed to be of a standard comparable to a bachelor degree with class IIA honours.

Master of Philosophy (MPhil)

- a bachelor degree (or equivalent) with at least class IIB honours incorporating a significant research component; or
- a record of research, or a qualification granted by a professional or other body, which is deemed to be of a standard comparable to a bachelor degree with class IIB honours.

Pathway option(s)

Graduate Diploma of Research Studies

Griffith offers graduate diplomas in specific disciplines.

English language entry requirements

Undergraduate (bachelor), postgraduate (masters) and research

Standard entry*

- **IELTS:** minimum score of 6.5, with no subscore less than 6.0; or
- **Internet-based (iBT) TOEFL:** score of 79 (no subscore less than 19); or
- **Pearson Test of English (Academic):** overall score of 58 with no score less than 50; or
- **ISLPR:** no score less than 3+ in each skill of the ISLPR (conducted by ISLPR Language Services only).

Pathway option(s)

Complete the Direct Entry Program at Griffith English Language Institute. See pages 16–17.

The duration of English study required will vary depending on your current level of English.

* Visit degrees.griffith.edu.au to view the academic and English language entry requirements for your degree.

Griffith English Language Institute (GELI)

For more than 35 years, Griffith English Language Institute (GELI) has been delivering English language programs to international students.

Academic workshops

Join our free after-class workshops to improve in specific skill areas such as grammar and vocabulary.

Independent learning

Use our dedicated resources to undertake additional English study.

Exciting activities program

Participate in free and low-cost activities to practise English, make friends and enjoy Australian culture.

Direct Entry Program

Join our highly popular Direct Entry Program to gain the English skills necessary to enter a Griffith University degree or Griffith College program.

There are seven levels in the Direct Entry Program, and you will be placed in the appropriate class based on the results from your proficiency test. You will build your English language skills in reading, writing, listening and speaking, and at the higher levels you will practise academic skills that will help you to be successful in your studies at diploma, bachelor, master or PhD level.

When you successfully complete the Direct Entry Program at the equivalent of the IELTS level needed for your degree or diploma, you can enter your program directly without needing to submit a proficiency test result.*

* A small number of degrees require a formal proficiency test for entry. Check the English language entry requirements for your degree at **griffith.edu.au/international-study**

Direct Entry Program CRICOS 013051D

Fees

Your tuition fees for the Direct Entry Program will vary depending on the number of weeks in which you are enrolled.

2026 fees

Up to 25 weeks: **$470 per week**
26+ weeks: **$440 per week**
Enrolment fee: **$230**

GELI classes

Class sizes at GELI are small so you will receive personal attention from your teachers and progress quickly through your studies.

There are 20 hours of classes per week, two x 2-hour sessions each day, Monday to Friday. There are an additional five hours of independent learning each week, using GELI's independent learning plans.

2026 key dates

Orientation	Classes Start
5 January	5 January
6 February	9 February
13 March	16 March
17 April	20 April
22 May	25 May
26 June	29 June
31 July	3 August
4 September	7 September
9 October	12 October
13 November	16 November

Sample timetable, Direct Entry Program level 5

12:30pm–1:30pm	Writing	Listening & Speaking	Writing	Writing	Project

Find out more at:
griffith.edu.au/geli

"Griffith English Language Institute helped me achieve my dream by providing a pathway program to Griffith University. I can't recommend GELI enough to international students looking to improve their English. The teachers were so amazing, I really felt like I could ask them anything. I couldn't have done it without their help."

Claire (China)
GELI graduate

How long will I study at GELI?

Griffith University degree (requiring IELTS 6.5*)

Direct Entry Program
10–35 weeks

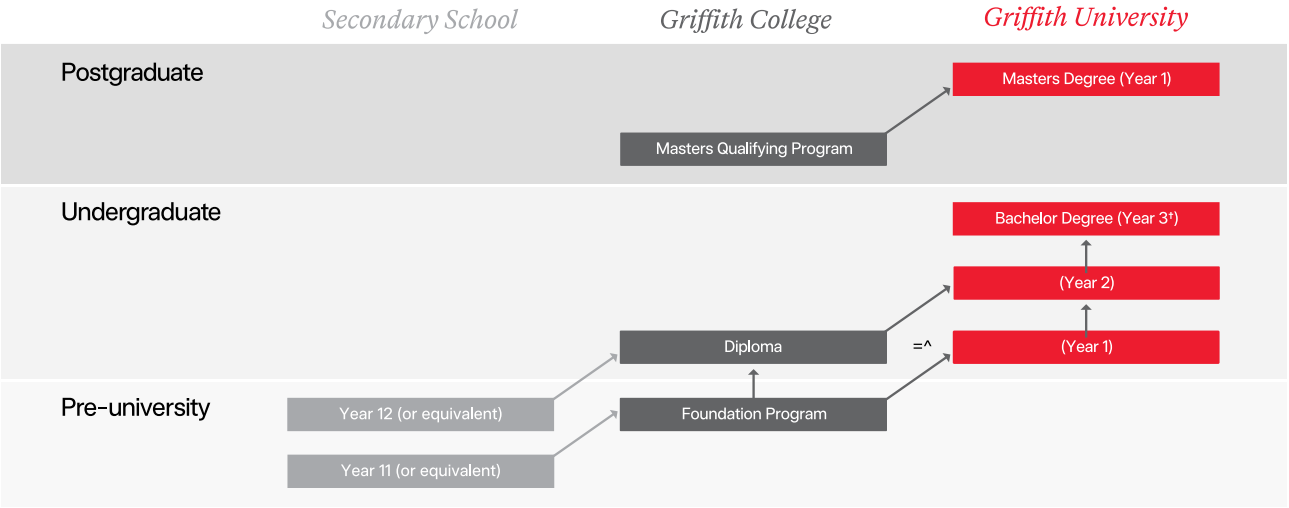

WEEKS	ENTRY SCORES			
	IELTS Academic	PTE Academic	TOEFL iBT	ISLPR
10	6.0 *(no sub-score <5.5)*	50 *(no Comm Skill <42)*	71 *(W 19, L,R,S 17)*	W3 *(2 scores 3, 1 score 2+)*
20	5.5 *(no sub-score <5.0, W 5.5)*	42 *(no Comm Skill <36, W 42)*	52 *(W 17, S 15, L,R 10)*	2+ *(all sub-scores)*
25	5.5 *(no sub-score <5.0)*	42 *(no Comm Skill <36)*	52 *(W,S 15, L,R 10)*	W2+ *(2 scores 2+, 1 score 2)*
30	5.0 *(no sub-score <4.5, W 5.0)*	36 *(no Comm Skill <30, W 36)*	40 *(W 15, S 13, L,R 6)*	2 *(all sub-scores)*
35	5.0 *(no sub-score <4.5)*	36 *(no Comm Skill <30)*	40 *(W,S 13, L,R 6)*	W2 *(2 scores 2, 1 score 1+)*
Griffith University degree (requiring IELTS 6.5*)	6.5 *(no sub-score <6.0)*	58 *(no Comm Skill <50)*	79 *(no sub-score <19)*	3+ *(all sub-scores)*

Key: W = Writing, L = Listening, R = Reading, S = Speaking, < = less than, Comm Skill = Communicative Skill.
* Check the English language entry requirements for your degree at **griffith.edu.au/international-study**
Please note: it normally takes 10–15 weeks to progress from one level to the next. This table indicates expected course length for students requiring IELTS 6.5.

Griffith College

With diplomas designed to unlock university entry and nurture your study skills, Griffith College is your head start to success. Griffith College provides academic credit for hundreds of majors at Griffith University, offering diploma programs that directly transition students into the second year of a bachelor degree. As a Griffith College student you will be welcomed into the wider university community from day one, with access to university facilities and a support network of staff and classmates to help you succeed throughout your journey.

Your College pathway to Griffith University

^ Some bachelor degree programs are more than three years' duration.
† One year of credit may not be wholly applicable to the first year of the relevant bachelor degree. Refer to program specific information pages online.

With an extra supportive learning environment and more accessible entry requirements, Griffith College is your pathway to successful further study.

As a Griffith College student, you will benefit from small class sizes and courses designed to strengthen your academic, maths and language skills. You will be equipped with the skills and confidence to succeed at university and beyond.

On successful completion of a Griffith College diploma, you will gain entry to the second year of the equivalent degree program at Griffith University.* Select which diploma and bachelor program you wish to study and receive one packaged offer for both programs.

* On successful completion of a Griffith College diploma program and meeting Griffith GPA (grade point average) entry requirements. Credit into Griffith University will depend on the degree and major chosen. Please see **griffithcollege.edu.au** for full progression outlines.

Study areas

Griffith College offers 11 diploma programs that provide direct entry into over 75 different bachelor and double bachelor degrees at Griffith University. Study areas include:

- business
- criminology and criminal justice
- design
- educational studies
- engineering
- health care (nursing)
- health sciences
- international tourism and hotel management
- information technology
- science
- social and psychological science

Other pathways to Griffith University

Foundation Program

The Griffith College Foundation Program is designed for students who haven't yet completed their high school education to the Australian Year 12 standard, or equivalent. It provides a bridge between secondary school and undergraduate studies, helping you to acquire prerequisites for specific Griffith University degrees while improving your skills for successful study.

Masters Qualifying Program

The Masters Qualifying Program (MQP) is delivered by Griffith College for Griffith University to provide you with the knowledge, values and skills required for successful completion of studies at postgraduate level in Australia.

For more detailed information about credit, please refer to griffithcollege.edu.au/how-apply

Study Abroad and Exchange Programs

Our Study Abroad Program and Exchange Program allow you to complete one or two trimesters of study in Australia and earn credit towards your home degree. Choose from a wide range of courses and study at the Gold Coast campus or one of our Brisbane campuses.

Wide range of courses

Griffith has 10 study areas and hundreds of courses for you to choose from. Our study areas include: architecture, construction and planning; business and government; criminology and law; education; engineering, IT and aviation; humanities, languages and social sciences; health; music and performing arts; science and environment; and visual and creative arts. To find a course (subject) visit our degree finder on our website and search by 'courses'.

griffith.edu.au/study/courses

English + University

Our English + University program is the best way to meet Griffith's English language entry requirements before you begin your Study Abroad trimester (or year). Students complete Griffith English Language Institute's award-winning Direct Entry Program then begin their Griffith University Study Abroad Program as a confident English speaker, listener, reader and writer.
Additional fees apply.

griffith.edu.au/geli

Student support

Study Abroad and Exchange students can enjoy a wide range of dedicated student support services including International Student Advisory, the Griffith Mates, Careers and Employment Service, and more.

Community Internship

Students in the Study Abroad or Exchange Program can enrol in the Community Internship, a 10 credit point course. Through this course, you can make a difference in a local community organisation while developing professional and personal skills. You will complete a minimum of 50 internship hours (undergraduate students) or 80 internship hours (postgraduate students) in a not-for-profit organisation placement and combine this with academic learning. With hundreds of internship opportunities, we can tailor the internship to match your study area or interests.

griffith.edu.au/community-internship

How many courses can I study?

At Griffith, a typical full-time study load is 30 to 40 credit points (CP). One course (subject) is usually worth 10CP. You can choose from the following options per trimester:

- **30CP – 3 courses**
- **40CP – 4 courses**

10CP = 3 to 4 credits in the US system
10CP = 7.5 ECTS in the European system

Note: the above information should be used as a guide only.

"Griffith is a great university where I was able to choose interesting courses which fit into my bachelor degree in Germany. I also love the Gold Coast and think it's a great place to stay and do your study abroad."

Julia (Germany)
Business student

griffith.edu.au/global-mobility-inbound

How to apply

You can complete your Study Abroad or Exchange Program application in four simple steps.

Study Abroad applicants:

1 CHECK YOU MEET ACADEMIC ENTRY REQUIREMENTS.

You must have an above average overall grade point average (equivalent to 4.5 on Griffith's 7.0 scale).

Students straight from high school may be eligible for this program.

OR Exchange applicants:

1 REQUEST NOMINATION FROM YOUR HOME UNIVERSITY.

If you are from an exchange partner university, you must be nominated by your home university and meet their exchange program requirements to be eligible for the program.

2 CHECK YOU MEET ENGLISH LANGUAGE ENTRY REQUIREMENTS.

If you are from a non-English speaking background, you must provide proof of English language proficiency, equivalent to IELTS overall 6.0 (6.5 for postgraduate students). Visit the link below for detailed English language requirements.

3 PREPARE SUPPORTING DOCUMENTATION.

Include a copy of the most recent official academic transcript (including academic grading scale)*; proof of English language proficiency (if required); copy of passport.

*Students may be asked for certified copies of the documentation listed above, i.e. signed and stamped by a home university representative, agent or provider.

4 APPLY ONLINE.

Apply online or via a registered recruitment representative.

griffith.edu.au/global-mobility-inbound-apply

RESEARCH AT GRIFFITH

As one of Australia's leading research universities, we are inspired and motivated by the pursuit of a better world in everything we do. When you choose Griffith, you are choosing a university working to answer society's greatest questions through pioneering research that makes a real difference.

Research infrastructure

Griffith offers world-class facilities and resources for research candidates, and we continue to invest in campus developments to create the best possible environment and experience for our research community.

Support to succeed

We'll support you through your entire research journey, from orientation to planning your research degree, research methodology, training workshops, writing and publishing, and presenting your research.

Collaboration and connection

Explore multidisciplinary collaborations with researchers across our many research centres and institutes, in extensive discipline areas. Griffith researchers are well connected and collaborative, with over 5,000 national partners and over 200 international research agreements.

Research study options

Doctor of Philosophy (PhD)

The PhD is Griffith's premier research training degree. It is awarded for a thesis, drafted under supervision, that makes an original, significant, and extensive contribution to knowledge and understanding in your field of study. A PhD is available across all schools and disciplines.

Griffith also offers:

- Doctor of Philosophy (by prior publication)
- professional doctorates (clinical psychology, education, musical arts and visual arts).

Master of Philosophy

The Master of Philosophy (MPhil) is awarded for a thesis, drafted under supervision, that presents original research and demonstrates both knowledge of a research topic and discipline. It is shorter than a PhD and is available across all schools and disciplines. Griffith also offers specialist Masters by Research (combine coursework with professional and/or artistic practice).

Industry PhD

As a PhD candidate at Griffith, you'll have the opportunity to undertake a collaborative research project or research internship with an industry partner while you complete your studies. These experiences provide an ideal way for you to work on real-world problems, build your professional networks and develop highly desirable skill sets.

Find out more at:

griffith.edu.au/research-study/industry-phd

Research with impact

At Griffith University, we're driven by the pursuit of a brighter future for all.

Griffith Institute for Biomedicine and Glycomics
Griffith's Institute for Biomedicine and Glycomics combines our outstanding discovery, translational research, infrastructure and training expertise. Its mission is to meaningfully impact and transform people's lives around the world, particularly in underserved communities. This work includes developing and manufacturing a world-leading malaria vaccine—PlasProtecTTM—which is now at human-trial stage.

Tackling water quality threats to the Great Barrier Reef
Our researchers are testing the role wetlands play in improving the water quality of the Great Barrier Reef, to directly influence Australian Government policy.

Advanced Design and Protoyping Technology Institute (ADaPT)
In collaboration with industry, Griffith researchers are pushing the boundaries in advanced design, prototyping and new materials to engineer next-generation biomedical and industrial applications.

Climate action
Griffith is taking a step beyond research into practice, to work with communities on addressing the motivations of climate action, how to transition to a zero-carbon resilient future, and how to ensure climate justice.

Inclusive futures: reimagining disability
Through a University-led alliance, Griffith is collaborating with people with disability, industry, government, health and social service providers that look to solve the most pressing real-world challenges for people living with disability.

Disrupting violence
Creating innovative and just responses to violence, Griffith seeks to improve human security through interdisciplinary and international collaborations, partnerships and projects.

Find out more at:
griffith.edu.au/research

The Worldwide Universities Network

Griffith University is proud to be a member of the Worldwide Universities Network (WUN), a global alliance of leading comprehensive research universities in a collaborative partnership to advance research and education on major global challenges.

Capitalising on the geographical and cultural diversity of members across six continents, WUN enriches their shared experience, and brings together distinctive constellations of talent to address problems of real significance.

Joining WUN in 2024 demonstrates Griffith's commitment to addressing critical global challenges through international collaboration and interdisciplinary research.

Find out more at:
griffith.edu.au/griffith-wun

Translating research into action

Griffith PhD candidate **Krishanthan Gnanapragasam** is using his studies to address a major issue in his home country of Sri Lanka—the overfishing of our oceans.

"Some experts predict that we could see a fishless ocean in less than 50 years," he says. "So I was really interested to find what is actually happening and what could be done to mitigate these issues."

Research degrees

	Intake	Duration (years)	Campus^	Credit pts.	IELTS	Codes: Program	Codes: CRICOS
BUSINESS							
Graduate Diploma of Research Studies in Business	Mar, Jul	1	G, N	80	6.5	4160	076836E
Entry requirements: pathway 1 - 0.5 year program (40CP): a Griffith Graduate Certificate in Research Studies in Business (3275) with a minimum GPA of 5.0. pathway 2 - 1 year program (80CP): any bachelor degree or higher (5.0 GPA in the two most recent years of study) OR 7 years full-time (or equivalent) related professional experience. All applicants require a research topic and suitable supervisor confirmed at point of application. Pathway: to the Doctor of Philosophy or Master of Philosophy.							
CLINICAL PSYCHOLOGY							
Doctor of Philosophy in Clinical Psychology	Mar	4	G, N	420	7	6028	094635J
Entry requirements: the application process is highly structured, please see degrees.griffith.edu.au							
EDUCATION							
Master of Education and Professional Studies Research	Mar, Jul	1	G, N, O	80	6.5	5608	083101G
Entry requirements: a postgraduate qualification with a GPA of at least 5.0 in a related discipline OR a bachelor degree with at least Second Class Honours (Division B) in a related discipline. Additional criteria need to be satisfied for admission to this program, please refer to degrees.griffith.edu.au for detailed information. Pathway: to the Doctor of Education or Doctor of Philosophy.							
Doctor of Education	Mar, Jul	3	G, L, O	240	6.5	6022	082410C
Entry requirements: a bachelor degree with a suitable class of research honours (not less than an upper second) or its equivalent as determined by the Dean, Griffith Graduate Research School, and professional engagement pertinent to the degree over a period totalling not less than three years. To provide evidence for establishing equivalence, applicants are asked to complete a professional portfolio (using the template provided by the Griffith University School of Education and Professional Studies) which is to be submitted with the appropriate supporting documentation appended.							
ENGINEERING							
Graduate Diploma of Research Studies in Engineering	Mar, Jul	1	G, N	80	6.5	4176	085199K
Entry requirements: related bachelor degree or higher (5.0 GPA). Pathway: to the Doctor of Philosophy or Master of Philosophy.							
HEALTH AND MEDICAL							
Graduate Diploma of Health Research	Mar, Jul	1	G, L, N, S, O	80	6.5	4161	077647B
Entry requirements: related bachelor degree (GPA 5.0) or higher OR related masters degree or higher. Additional criteria need to be satisfied for admission to this program, please refer to degrees.griffith.edu.au for detailed information. Pathway: to the Doctor of Philosophy or Master of Philosophy.							
Master of Health and Medical Research	Mar, Jul	1.5	G	120	6.5	5763	117151B
Entry requirements: a bachelor degree within a relevant health discipline or a related health discipline with a GPA of at least 5 (using a 7-point scale) or equivalent; OR a bachelor degree in any discipline with a GPA of at least 5 (using a 7-point scale) AND a minimum of 2 years full-time (or equivalent) industry experience in a health field. Additional criteria need to be satisfied for admission to this program, please refer to degrees.griffith.edu.au for detailed information.							
INFORMATION TECHNOLOGY							
Graduate Diploma of Research Studies in Information Technology	Mar, Jul	1	G, N	80	6.5	4174	085200M
Entry requirements: related bachelor degree or higher (4.5 GPA). Pathway: to the Doctor of Philosophy or Master of Philosophy.							
LAW							
Graduate Diploma of Law Research Studies	Mar	1	G, N	80	6.5	4177	086337G
Entry requirements: related bachelor degree or higher (5.0 GPA). Pathway: to the Doctor of Philosophy or Master of Philosophy.							
MUSICAL ARTS							
Doctor of Musical Arts	Mar	3-4	S	240	6.5	6017	062440G
Entry requirements: bachelor degree with at least second class honours (Division A) or higher.							
SCIENCE							
Master of Science	Mar, Jul	2	N	160	6.5	5667	085930K
Entry requirements: Related bachelor degree (5.0 GPA) or higher. Pathway: to doctoral research programs. Major(s): Applied Mathematics; Archaeological Science; Biomedical Science; Bioscience; Chemistry; Environmental Science; Food Security; Forensic Science; Marine Science; Physics.							
VISUAL ARTS							
Doctor of Visual Arts	Mar, Jul	3-4	S	240	6.5	6009	062441F
Entry requirements: bachelor degree with at least second class honours (Division A) or higher.							

Research degrees

HIGHER DEGREES BY RESEARCH

	Intake	Duration (years)	Campus*	Credit pts.	IELTS	Codes: Program	Codes: CRICOS
Doctor of Philosophy	Feb, Apr, Jul, Oct*	2-4	G, L, N, S	320	6.5	6001	062206F

An applicant for admission as a PhD candidate shall hold: a bachelor degree with first-class honours or second-class honours (Division A) or a masters degree, incorporating a significant research component, from a recognised institution; or a record of research, or a qualification granted by a professional or other body deemed by the Dean, Griffith Graduate Research School to be of a standard comparable to a bachelor degree with second-class honours (Division A).
The application schedule is available at: degrees.griffith.edu.au/Program/6001/HowToApply/International
Refer to degrees.griffith.edu.au for detailed information.

*Higher degrees by research have four intakes per year—March, April, July and November.

Master of Philosophy	Feb, Apr, Jul, Oct*	1-2	G, L, N, S	160	6.5	5001	005100M

Applicants for this program must have a bachelor degree with at least honours 2B or an equivalent postgraduate qualification.
The application schedule is available at: degrees.griffith.edu.au/Program/5001/HowToApply/International
Refer to degrees.griffith.edu.au for detailed information.

*Higher degrees by research have four intakes per year—February, April, July and October.

^Campuses are the following: G = Gold Coast, L = Logan, N = Brisbane South (Nathan), S = Brisbane City (South Bank), O = Online.

How to apply

1 CHOOSE YOUR PREFERRED RESEARCH DEGREE AND CHECK ENTRY REQUIREMENTS.

If you don't meet the direct entry requirements for a research degree, you may consider a Graduate Diploma of Research Studies or provide other evidence of your research experience, which provides an alternate pathway into such programs.

2 FIND AND CONNECT WITH A RESEARCH SUPERVISOR OR PROJECT.

Depending on your area of study and research, you may be starting at the very beginning with a unique proposal or you may be able to join an established research project.

If considering your own proposal, you are best to first identify a potential supervisor who works in your area of interest through the Griffith Experts database. Once found, you will need to contact them directly via email to discuss your research proposal.

Discover our academic and research experts now:
experts.griffith.edu.au

Griffith also has a number of established research projects, to which you can apply directly. These are available particularly in areas of science and health research.

Explore our projects now:
griffith.edu.au/research-study/find-supervisor-project

2026 Intake dates

Griffith offers you multiple intake dates to commence your PhD or Master of Philosophy.

Intake 1	23 February 2026
Intake 2	27 April 2026
Intake 3	6 July 2026
Intake 4	12 October 2026

3 DEVELOP YOUR RESEARCH PROPOSAL.

Your research question will provide the key research focus for the full duration of your degree, so it is important that you consult a wide variety of resources and select a topic you feel highly motivated to investigate.

Narrow your focus to a single research topic. Once you have connected with your prospective supervisor, it is important that you seek their input and advice on your research proposal. If you are joining an established research project, your prospective supervisor will assist you to prepare your research proposal.

4 CONSIDER THE COST OF STUDY AND SEARCH FOR FUNDING OPTIONS.

This could include scholarships or sponsorships. You may also seek a connection with an industry partner to collaborate on your proposed research project.

5 GATHER REQUIRED DOCUMENTS.

Ensure you have all the documents you need , including a CV that uses our CV template—find this template and our application checklist at our website listed below.

6 APPLY.

When you're ready, apply online or via a registered recruitment representative.

Find out more at:
griffith.edu.au/research-study

Index

Below is a comprehensive list of all degrees offered at Griffith University in 2025.

Degree name	Page
Bachelor of Acting	53
Bachelor of Advanced Business (Honours)	35
Bachelor of Advanced Commerce (Honours)	35
Bachelor of Advanced Computer Science (Honours)	49
Bachelor of Advanced International Tourism and Hotel Management (Honours)	35
Bachelor of Advanced Political Science and International Relations (Honours)	35
Bachelor of Advanced Science (Honours)	58
Bachelor of Animation	60
Bachelor of Architectural Design	31
Bachelor of Architectural Design/ Master of Architecture	31
Bachelor of Architectural Design/ Master of Urban and Environmental Planning	31
Bachelor of Arts	47
Bachelor of Aviation	33
Bachelor of Aviation Management	33
Bachelor of Biomedical Science	50, 58
Bachelor of Business	35
Bachelor of Clinical Exercise Physiology	29
Bachelor of Commerce	35
Bachelor of Communication	47
Bachelor of Computer Science	49
Bachelor of Construction Management (Honours)	31
Bachelor of Counselling	56
Bachelor of Criminology and Criminal Justice	38
Bachelor of Cyber Security	49
Bachelor of Dental Health Science	41
Bachelor of Dental Hygiene	41
Bachelor of Dental Prosthetics (Graduate Entry)	41
Bachelor of Dental Technology	41
Bachelor of Dental Technology/ Dental Prosthetics	41

Griffith is a leader in online education

Griffith University understands that everyone has different learning styles and life commitments. Our online degrees are delivered 100% online, giving you control over where and when you study. Our academic and student support team is committed to helping you succeed and reach your goals.

Online programs are available to international students studying in their home country or elsewhere in the world, or in Australia on a visa other than a student visa. International students in Australia on a student visa cannot enrol in online programs.

Griffith has been delivering online programs for nearly 20 years.

ALLIED HEALTH, EXERCISE SCIENCE AND SPORT

World-class facilities

Griffith is home to a range of world-class learning and sporting facilities including laboratories, running tracks, gyms and a 50-metre Olympic pool, so you can put your body—and your brain—through its paces.

Industry placements

You'll build your skills with organisations such as Gold Coast Suns and Swimming Australia, as well as through placements in specialist musculoskeletal and neurological rehabilitation centres and Griffith's own research centres.

Future-focused degrees

The healthcare system of the future will be built on innovation. Learn using the latest technology, including cutting-edge simulations, and study alongside world-leading researchers who are at the forefront of their fields.

Find out more about Griffith University and our degrees in allied health, exercise science and sport:

Undergraduate degrees

	Start trimester	Duration (years)	Campus	Honours	Credit pts.	IELTS	Academic	Griffith College	Codes	
									Program	CRICOS
Bachelor of Clinical Exercise Physiology	Mar	4	G	N/A	320	7.0	H1	N/A	1604	097688E
Bachelor of Exercise Science	Mar, Jul	3	G	✓	240	6.5	S	✓	1171	017687B
Bachelor of Sport Development	Mar	3	G	✓	240	6.5	S	✓	1493	086147C
Bachelor of Nutrition and Dietetics (Honours)	Mar, Jul	4	G	✓	320	7.0	S	✓	1436	084289E
Graduates are: eligible to become members of Dietitians Australia and can apply to join the Accredited Practising Dietitian (APD) program.										
Bachelor of Occupational Therapy (Honours)	Mar	4	G, N	✓	320	7.0	H2	✓	1662	084288F
Graduates are: eligible to apply for registration as an occupational therapist with the Occupational Therapy Board of Australia (subject to meeting any additional requirements).										
Bachelor of Physiotherapy (Honours)	Mar	4	G, N	N/A	320	7.0	H3	✓	1590	094397G
Graduates are: recognised by the Physiotherapy Board of Australia (PBA) and can apply for registration through the Australian Health Practitioner Regulation Agency (Ahpra) to practice physiotherapy within Australia.										

Postgraduate degrees

	Start trimester	Duration (years)	Campus	Credit pts.	IELTS	Griffith College	Codes	
							Program	CRICOS
Master of Speech Pathology	Mar	2	G	160	7.0	N/A	5567	076264C
Entry requirements: any bachelor degree (except speech pathology) (5.0 GPA) or higher and interview. Graduates are: eligible for membership of Speech Pathology Australia to practice as a fully accredited speech pathologist.								

"I want to prescribe exercise as medicine to help others. I really like how I can study with students from different bachelors degrees in the health field. We study exercise science first, then exercise physiology to have a deeper understanding."

Kit (Hong Kong)
Bachelor of Physiotherapy

ARCHITECTURE, CONSTRUCTION AND URBAN PLANNING

Industry connections

You'll have the opportunity to work with industry professionals while you study through work-integrated learning projects.

Unique experiences

You can access up to 130 hours of practical experience to help you stand out from the crowd, including small-group, practice-led design studios and international field study electives.

Five-star support

Both architecture and built environment at Griffith were given a five-star rating for learner engagement and skills development in the Good Universities Guide 2025.

BACHELOR/MASTER DOUBLE DEGREES

Bachelor of Architectural Design/Master of Architecture

Bachelor of Architectural Design/Master of Urban and Environmental Planning

"The next step is to extend this dream to deliver my skills and design for people around the world, helping to save our planet and enhancing people's lifestyles. All the knowledge that I got during my research study, engaging with industry and projects that touch people's lives, especially in buildings and the built environment, motivated me to design and work on my pet project, the Smart Planter Box."

Majed (Jordan)

PhD graduate and inventor of the Smart Planter Box

More than 30 years of experience

We have an international reputation for producing work-ready aviation graduates, and we have strong partnerships with major airlines, airports and aviation-related organisations.

Accelerated degree

Complete your undergraduate aviation degree in two years.

Cutting-edge tech

Train using state-of-the-art virtual reality technology in our Flight Procedures Lab.

ONLINE DEGREE

Graduate Certificate in Aviation Management

A community of MATES

Griffith Aviation's Mentoring Aviators Through Education Support (MATES) program is open to all aviation students, providing ongoing professional development and peer mentoring opportunities throughout your study.

This student-led program will give you the opportunity to meet your peers, who will often form part of your industry network as you enter the aviation workforce.

At the start of the program, students are allocated to flight groups. Your nominated Flight Leaders then mentor each group through numerous challenges. Chief Student Pilots oversee the program, which provides support during your transition to university and, ultimately, the aviation industry.

Weekly networking events bring the entire cohort together in a social environment where students gain practical insights into the industry, listening to guest speakers from across the many and varied aviation professions.

BUSINESS, POLITICAL SCIENCE AND TOURISM

AACSB ACCREDITED

EQUIS ACCREDITED

Ranked #1 in Australia

and #6 in the world for Hospitality and Tourism Management in the 2024 ShanghaiRanking Global Ranking of Academic Subjects.

Network for life

With Griffith Business School's 150 industry partners, you'll have the opportunity to develop a wide-reaching network. You'll access clubs, societies, and experiences to grow your employability, curiosity and friendship base.

Globally recognised degrees

Griffith is part of the top 1 per cent of universities worldwide who are accredited by both the AACSB International and EQUIS.

"By studying here at Griffith, you get to meet a lot of different people from different backgrounds. It opens up your eyes to how big the world is and expands your network as a whole...I really value the education I got here, but also, I value the relationships I formed, as well as the friends I made."

Joey (Canada)
Juris Doctor

Innovative learning and teaching

Get a taste for the realities of clinical practice in our state-of-the-art dental simulation lab. Hone your skills in a safe space before taking your next step in our on-campus dental clinic.

On-campus dental clinic

Our students learn in world-class dental clinics, located in our $150 million, purpose-built Griffith Health Centre. Our clinic includes 117 cutting-edge dental chairs, and students assist with over 6,000 patient appointments each year.

Leaders in dental education and research

At one of Australia's leading dental schools, you'll learn from practising educators who have led and contributed to globally significant research.

Innovative teaching
At Griffith, we're moving education forward in high-priority areas including STEAM education, coding, literacy, wellbeing and inclusive education.

Flexible study
We offer innovative, industry-relevant, employment-focused degrees with the flexibility to choose your pathway once you enter our degree.

Powerful partnerships
Benefit from our strong relationships with schools and industry partners. Preservice teachers will undertake professional experience each year, and have the opportunity to engage in international experiences.

"After being at Griffith I felt secure in my ability to teach, and being able to put what I learnt into practice. I am passionate about teaching, exchanging experiences with my students and helping them to achieve their goals. I couldn't see myself doing anything else."

Flavia (Brazil)

Master of Teaching English to Speakers of Other Languages (TESOL)

Practical learning

Our engineering students build key practical skills from year one. You'll have access to specialised workshops, laboratories and maker spaces while you learn by doing.

Industry experiences

Depending on your degree, you could have access to up to 900 hours of paid professional experience during your studies, setting you up for success before you graduate.

Flexible first year

Our common first year exposes you to a range of engineering disciplines, letting you experience the various areas you can specialise in before selecting a major.

Major(s): Data Management and Analytics, Health Communication, Pharmaceutical Science.

Bachelor of Medical Laboratory Science	Mar, Jul	4	G	✓	320	6.5	S	✓	1370	075028A

Accreditation: the Bachelor of Medical Laboratory Science is accredited by the Australian Institute of Medical and Clinical Scientists (AIMS) and is the only degree in Australia with international professional accreditation by the Institute of Biomedical Science (IBMS), enabling you to work in the UK and other Commonwealth countries.

Bachelor of Medical Science	Mar	2*	G, N	✓	240	7.0	H6	N/A	1280	058449K

*This program is an intensive two-year degree that is offered full-time on-campus. This program is delivered in accelerated mode over five trimesters of continuous study, including Trimester 3 of Year 1. Some courses are offered in mixed mode, online, or intensively to give you flexibility in your study.
Note: applicants are not permitted to defer an offer. Should you be unable to accept an offer, you must re-apply for entry in the following year.
Provisional offer: You will receive an offer for provisional entry into the Griffith Doctor of Medicine program.
Completion of the Bachelor of Medical Science program with a GPA of at least 5.5 will see graduates gain seamless entry into the Doctor of Medicine (5099).

Bachelor of Paramedicine	Mar	3	G	✓	240	7.0	H5	✓	1533	094591E

Graduates are: eligible to apply for registration as a paramedic with the Paramedicine Board of Australia via the Australian Health Practitioners Regulation Agency (Ahpra) subject to meeting any additional requirements. Graduates will also be eligible to become a member of the Australasian College of Paramedicine.

Bachelor of Pharmacy (Honours)	Mar, Jul	4	G	✓	320	7.0	H1	✓	1614	0100240

Accreditation: the Bachelor of Pharmacy (Honours) is accredited by the Australian Pharmacy Council (APC).

Bachelor of Pharmacology and Toxicology	Mar, Jul	3	G	✓	240	6.5	S	✓	1528	087743G
Bachelor of Public Health	Mar, Nov	3	G	✓	240	6.5	S	N/A	1440	094401E

Students and graduates are: eligible for membership of the Public Health Association of Australia (PHAA) and the Australian Health Promotion Association (AHPA).

Postgraduate degrees

	Start trimester	Duration (years)	Campus	Credit pts.	IELTS	Griffith College	Codes: Program	Codes: CRICOS
Doctor of Medicine	Mar*	4	G	320	7.0	N/A	5099	079860C

Entry requirements: direct entry via Bachelor of Medical Science; OR any bachelor degree or other key degree (5.0 GPA) and GAMSAT (minimum score of 50 in each section) or MCAT (123 in each section), and interview. Applicants must supply GAMSAT/MCAT scores that are no more than 2 years old at the time of application. Please see griffith.edu.au/degrees for more details on entry requirements.
*The Doctor of Medicine follows a non-standard academic calendar. Check griffith.edu.au/academic-calendar for key dates.

Master of Pharmacy	Mar, Jul	2–2.5*	G	240	7.0	N/A	5661	085641G

Entry requirements: applicants are eligible for admission into the Master of Pharmacy subject to meeting the following criteria:

- completed an eligible science or health science bachelor degree within the past 10 years;
- achieved an overall GPA greater than or equal to 5.0 (on a 7-point scale) calculated over the final 120CP (or equivalent) of undergraduate study;
- met all of the following essential prerequisites at a tertiary level with a minimum level of Pass:
  - biochemistry: one trimester duration or equivalent
  - chemistry: two trimesters duration or equivalent
  - pharmacology: one trimester duration or equivalent
  - physiology: one trimester duration or equivalent
  - statistics or maths: one trimester duration or equivalent.
- Where a student has not met the pharmacology prerequisite from their prior studies, they may enrol in 2018PHM Pharmacology which is offered in all three trimesters, with an intensive mode in Trimester 3 of each year.

*3 years full-time equivalent offered over 2 years. Duration depends on start trimester.

Professional recognition: graduates of this program will be eligible to apply for registration with the Pharmacy Board of Australia (via the Australian Health Practitioners Regulation Agency) subject to meeting any additional requirements that may be stipulated by the Pharmacy Board of Australia.

The Master of Pharmacy is accredited by the Australian Pharmacy Council.

Master of Public Health	Mar, Jul, Nov	1–1.5*	G, O	120	6.5	✓	5263	002408D

Entry requirements: related bachelor degree or higher with a minimum GPA of 4.0 (using a 7-point scale) OR a Graduate Certificate in Public Health from Griffith University with a minimum GPA of 4.0 (using a 7-point scale).
*Duration depends on previous studies.

Professional recognition: as a graduate of this program, you will be eligible for membership of the following professional bodies:
Public Health Association of Australia (PHAA)
Australian Health Promotion Association (AHPA)
International Union for Health Promotion and Education (IUHPE).

Master of Global Public Health	Mar, Jul, Nov	1.5–2*	G, O	160	6.5	✓	5725	097098E

Entry requirements: related bachelor degree or higher with a minimum GPA of 4.0 (using a 7-point scale) OR a Graduate Certificate in Public Health from Griffith University with a minimum GPA of 4.0 (using a 7-point scale).

*Duration depends on previous studies.

Professional recognition: as a graduate of this program, you will be eligible for membership of the following professional bodies:
- Public Health Association of Australia (PHAA)
- Australian Health Promotion Association (AHPA)
- International Union for Health Promotion and Education (IUHPE).

MUSIC AND PERFORMING ARTS

Globally renowned

Study at one of Australia's leading music and performing arts schools. Benefit from our global connections as you learn from, and work closely with, award-winning music and performing arts educators.

Experience the stage

Perform to audiences across a variety of settings. Learning from our experts, you'll have the opportunity to showcase your skills in fully staged productions and engage with industry.

Musical theatre academy

In partnership with QPAC, our new Queensland Academy of Excellence in Musical Theatre offers its students unparalleled professional experience, purpose-built studios and training with the industry's best.

"At Griffith, I felt really seen by my tutors—they saw a strength in me and a power for storytelling and gave me opportunities and challenges to step into."

Landing the lead role of Eliza in the multi-award-winning musical *Hamilton* (2024, Sydney Lyric Theatre) was nothing short of a dream come true for musical theatre alumnus Vidya Makan. "I feel like it's the peak of my career … it's definitely a really, really special moment in time for me," she said.

Vidya's love for music started early, with her parents often taking her to see musicals. She soon became an avid pianist and cellist and found her true passion in her high school production of *My Fair Lady*.

"Studying musical theatre at Griffith helped me see my own potential and really set me up to work in this industry," she says.

Ms Makan also recently had her composer/lyricist debut, writing a show called *The Lucky Country*—a musical that delves deep into the themes of identity and belonging, exploring what it means to be Australian.

Vidya Makan
Bachelor of Musical Theatre

NURSING AND MIDWIFERY

#1 in Australia

Nursing and Midwifery

Tied position, 2024 ShanghaiRanking Global Ranking of Academic Subjects

Hands-on learning

Our strong partnerships across Brisbane, South East Queensland and Northern New South Wales provide a wide range of placements and hands-on learning experiences to seamlessly translate your skills from the classroom to the clinic.

World-leading research

At Australia's No. 1 university for nursing and midwifery, you'll benefit from the professional expertise and industry networks of our award-winning teachers, who are leading the way in research, education and practice.

State-of-the-art facilities

To prepare you for the future of healthcare, we harness the latest approaches to technology and teaching. Learn in state-of-the-art facilities with access to innovative technology including realistic, practical simulations.

"I love that we are doing continuous placement and we have so many practical hours in the hospital, which I personally believe has brought me a sense of reality of what the job entails."

Malene (Denmark)
Bachelor of Midwifery

PSYCHOLOGY, COUNSELLING, SOCIAL WORK AND HUMAN SERVICES

From classroom to clinic

Put your skills into practice with clinical placements at our on-campus clinic at the Gold Coast or at one of the many hospitals and organisations across Brisbane, South East Queensland and Northern New South Wales.

Practising teachers

You'll learn from practising experts, who are contributing to some of Australia's most crucial research projects at our Centre for Mental Health, addressing key issues such as youth mental health, parenting and family interventions.

Graduate in demand

Griffith has a well-earned reputation for producing highly sought-after graduates in the health sector and beyond. Our graduates work in a range of roles and industries, using their skills to create a healthier future for all.

Find out more about Griffith University and our degrees in psychology, counselling social work and human services:

griffith.edu.au/international

Undergraduate degrees

	Start trimester	Duration (years)	Campus	Honours	Credit pts.	IELTS	Academic	Griffith College	Codes	
									Program	CRICOS
Bachelor of Human Services	Mar, Jul	3	G, L	✓	240	6.5	S	✓	1394	026703K
Bachelor of Counselling	Mar, Jul, Nov	3	G, N	N/A	240	6.5	S	✓	1548	090581F

Graduates are eligible for membership with the Psychotherapy and Counselling Federation of Australia (PACFA) and the Australian Counselling Association (ACA). Graduates can also register as a counsellor with the Australian Register of Counsellors and Psychotherapists (ARCAP).

Bachelor of Psychological Science	Mar, Jul, Nov	3	G, N	✓	240	6.5	S	✓	1012	058555G
Bachelor of Psychology (Honours)	Mar, Jul, Nov	4	G, N	N/A	320	6.5	H1	✓	1014	033967E

As a graduate of the Honours program in Psychology you may be eligible to apply to undertake postgraduate studies in Psychology. You may also be eligible to apply for associate membership with the Australian Psychological Society.

Bachelor of Social Work (Honours)	Mar, Jul	4	G, L	✓	320	7.0	S	N/A	1416	084287G

Program accreditation: the Bachelor of Social Work is accredited by the Australian Association of Social Workers (AASW).

Professional recognition: graduates of this program will be eligible to apply for registration with the Australian Association of Social Workers (AASW) subject to meeting any additional requirements that may be stipulated by the AASW.

Postgraduate degrees

	Start trimester	Duration (years)	Campus	Credit pts.	IELTS	Griffith College	Codes	
							Program	CRICOS
Master of Clinical Psychology	Mar	2	G, N	160	7.0	N/A	5070	019491J

Entry requirements: a four year accredited degree in psychology or equivalent (as assessed by Australian Psychological Society), eligibility for provisional registration as a psychologist and satisfactory interview.

Graduates are: eligible for general registration as a psychologist with the Psychology Board of Australia (subject to meeting any additional requirements). Graduates are eligible to apply for the Psychology Board of Australia registrar program in the endorsed area of practice of clinical psychology.

Master of Clinical Psychology Practice	Mar, Jul	1	G, N	80	7.0	N/A	5753	111848F

Entry requirements: a four-year accredited degree in psychology or equivalent (as assessed by Australian Psychological Society), have held general registration as a psychologist for a minimum of 12 months or have completed an APAC-accredited coursework program that meets Level 3 competencies in psychology and satisfactory interview.

Graduates are: eligible to apply for general registration as a psychologist with the Psychology Board of Australia (subject to meeting any additional requirements). Graduates are eligible to apply for the Psychology Board of Australia registrar program in the endorsed area of practice of clinical psychology. Graduates are eligible for membership of the Australian Psychological Society.

Master of Professional Psychology	Mar	1	G, N	80	7.0	N/A	5747	104731M

Entry requirements: a four year accredited degree in psychology or equivalent (as assessed by Australian Psychological Society), eligibility for provisional registration as a psychologist and satisfactory interview.

Graduates are: eligible to complete the +1 internship with the Psychology Board of Australia and are eligible for associate membership with the Australian Psychological Society.

Master of Social Work	Jul, Nov	2	G	160	7.0	N/A	5758	116391E

Entry requirements: Related bachelor degree (except social work) or higher.

Professional recognition: enrolled students and graduates of this program will be eligible to apply for registration with the Australian Association of Social Workers (AASW) subject to meeting any additional requirements that may be stipulated by the AASW, particularly in relation to English language proficiency.

Program accreditation: the Master of Social Work is accredited by the Australian Association of Social Workers (AASW). It is an entry qualification into the social work profession and has been determined to meet the Australian Social Work Education and Accreditation Standards (ASWEAS).

H4 - Higher Entry 4	
H5 - Higher Entry 5	1533 Bachelor of Paramedicine
H6 - Higher Entry 6	1280 &1306 Bachelor of Medical Science, 1577 Bachelor of Dental Health Science

[1]GCE A Levels: Aggregate of the best 3 A Level or combination of A and AS Level subjects A*=6, A=5, B=4, C=3, D=2, E=1 (AS Levels are equivalent to half points, e.g. A=2.5).

[2]Bangladesh: Bangladeshi Higher Secondary or Intermediate Certificate (since 2003). Grade average in the final year results OR successful completion of a recognised pre-tertiary or foundation program OR successful completion of one year study at a recognised tertiary or higher education institution is required in addition to the completion of high school studies.

[3]Gao Kao: Successful completion of the National College Entrance Examination (Gao Kao) with a minimum percentage of the overall maximum score.

[4]Hong Kong: Hong Kong Diploma of Secondary Education (HKDSE). Aggregate score in the best 5 Category A/B/C subjects with a minimum of three A and C subjects.

[5]India: Upper Secondary Education Graduation Diploma. Indian School Certificate (ISC) academic stream awarded by CISCE or All India Senior School Certificate academic stream awarded by CBSE. An overall grade average percentage, including English and best 3 academic subject (no other language subjects).

[6]Indonesia: Indonesia Secondary School Leaving Certificate (STTB SMA) (2013 onwards). Grade average in the best 5 subjects.

[7]Korea, Republic of: Korean Republic College Scholastic Ability Test (CSAT). A minimum overall grade. The overall grade is calculated from the results in Korean Language, Mathematics, Science and Social Study Areas. CSAT results must be accompanied by evidence of successful completion of senior secondary studies

[8]Korea, Republic of: Specialised High School Diploma. Grade average in the final year results (where A =5, B=4, C=3, D=2 and E=1).

[9]Malaysia: Malaysia Independent Chinese Secondary Schools Unified Examination Certificate (MICSS/UEC). Aggregate score, maximum of best 10 subjects. (Where A1 = 8, A2 =7, B3=6, B4=5, B5=4, B6=3, C7=2, C8=1).

[10]Norway: Norwegian Certificate of Completion of Upper Secondary School Examinations. Grade average in final year results.

[11]Pakistan: Pakistani Higher Secondary School Certificate or Intermediate Certificate (Pre-Eng & Pre-Med streams only). Grade average in final year results. *Standard entry of 85 relates to the Humanities & Science Streams.

[12]Singapore: Singapore-Cambridge General Certificate of Education (Advanced Level) (Level H1=AS Level; Level H2=A Level). For H2 subjects, A=5, B=4, C=3, D=2, E=1. For H1 subjects, the notional value is half of that assigned to H2 subjects.

[13]Sri Lanka: Sri Lankan General Certificate of Education (A Levels). Grade average in the best 3 Advanced Level subjects (where A=4, B=3, C=2, S=1).

[14]USA: SAT I score and High School Diploma. Composite SAT I score (Total of SAT-I: Evidence-Based Reading and Writing and SAT-I: Mathematics) PLUS completed High School Diploma.

[15]USA: Enhanced ACT and High School Diploma Complete ACT with minimum composite score. Students must also have completed a high school diploma.

[16]Vietnam: Upper Secondary Education Graduation Diploma (Bang Tot nghiep Trung hoc Pho thong). Successful completion of year 12 with an average out of 10 in 4 academic subjects.

All information is correct as at July 2025, but is subject to change. Visit griffith.edu.au/study/degrees for the most up-to-date information.

Masters degrees with multiple entry pathways

Some of our masters degrees offer multiple pathways to entry, meaning you may be able to complete your degree in 1 year, 1.5 years or 2 years, depending on your previous study and professional experience.

The most common set of pathways for entry for these masters degree are;

Pathway	Duration	Credit Points
1	1 year	80
2	1.5 years	120
3	2 years	160

Each of these masters degree pathways have different entry requirements, which may include (but are not limited to) previous study (which could be prior completion of any degree or a related degree), relevant professional experience, or alternative admissions criteria.

Previous study

Your previous study must be recognised by Griffith University. If you need to have completed a related degree, our website will tell you which degrees are considered a related degree for each masters program. Another requirement may be the grade point average (GPA) that you must have achieved in your previous studies.

Relevant professional experience

The required type of professional experience you need to have undertaken as well as the required duration of your professional experience will depend on the masters degree you want to study.

Alternative admissions criteria

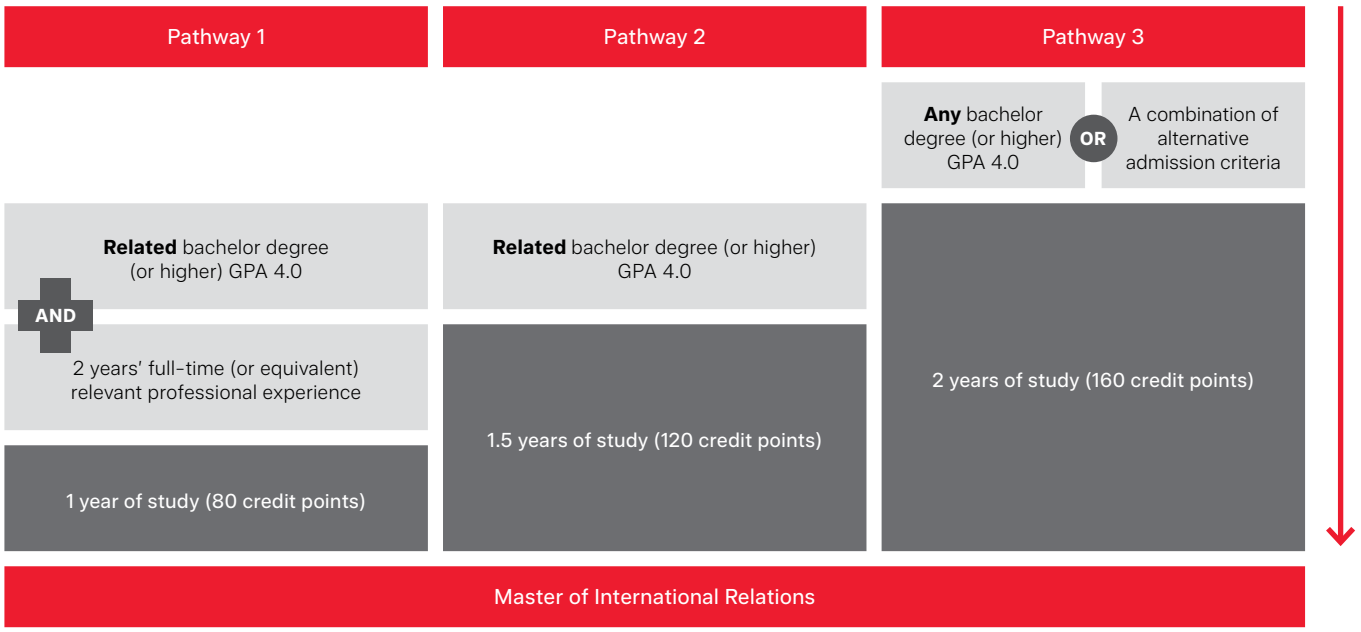

Griffith offers alternative admission criteria for some masters degrees, such as formal, informal and non-formal learning.

All the details are on our website

You can find the most up-to-date and specific entry requirements for each degree on the Griffith University website at **degrees.griffith.edu.au**

Example of the entry pathways

The diagram below illustrates the entry pathway options for the Master of International Relations. This is an example only, please refer to the degree finder for specific entry requirements for this and all other programs.

How to apply

Applying to study at Griffith is easy. With applications open all year round, you can complete your application in six simple steps.

1 CHOOSE THE DEGREE YOU WANT TO STUDY.

Find the degree that meets your career and study goals at **griffith.edu.au/international-study**

2 CHECK IF YOU MEET ENTRY REQUIREMENTS.

Consider a academic or English pathway option if you don't meet direct entry requirements (see page 14).

3 CHECK IF YOU ARE ELIGIBLE FOR CREDIT.

If you have existing formal qualifications or relevant work experience, you may be eligible to receive credit, which will reduce the duration of your study. **griffith.edu.au/credit**

4 PREPARE SUPPORTING DOCUMENTATION.

Include certified copies of your academic and English test results (translated into English if applicable) plus a portfolio or audition if relevant to your degree.

5 APPLY ONLINE.

Apply online or via a registered recruitment representative. **griffith.edu.au/apply/international**

If you are currently studying at an Australian high school you may apply through QTAC.

6 ACCEPT YOUR OFFER.

You must return evidence of meeting any outstanding conditions in your Letter of Offer, formally accept your offer and pay your total deposit fee.

Application dates

We accept applications all year round, however we recommend:

- Trimester 1 (February) intake: apply by mid-November
- Trimester 2 (July) intake: apply by mid-April
- Trimester 3 (October) intake: apply by mid-July

You must allow enough time for your visa application to be processed to enable you to arrive in time for Orientation Week. Some degrees have different application closing dates. Check if this applies to your degree at **degrees.griffith.edu.au.**

After you accept your offer

Once you have accepted your offer you will receive an electronic Confirmation of Enrolment (CoE) which you will need when you apply for a student visa.
Visit **griffith.edu.au/international/prepare-university** for useful information about life in Australia including:

- accommodation
- Griffith support services
- orientation
- public transport
- moving to Australia with a family.

Find out more:
griffith.edu.au/apply/international

How to use this guide

The following information will help you understand how to read this guide.

Campuses

G = Gold Coast
L = Logan
N = Brisbane South (Nathan)
S = Brisbane City (South Bank)
O = Online

If you enrol in an online or external degree you are not eligible for an Australian student visa. Online and external degrees can be studied part-time.

Duration

Unless stated otherwise, all degree durations (years) are for full-time study.
For most programs, full-time study is 80 CP per year (or 40 CP per trimester).

It is a condition of your student visa that you maintain full-time enrolment.

F = Full-time study
P = Part-time study

For example, 3F = three years full-time, 1P = one year part-time

Credit points

Credit Point (CP) refers to the value of a course. Generally, one course is worth 10 credit points.

This may differ depending on your area of study. This Guide contains the total number of credit points each degree is worth.

Programs and courses

A student is admitted to a program and on successful completion of all program requirements is awarded the degree to which the program relates.

Programs are made up of courses that are usually attributed 10 credit points each. At Griffith, a typical full-time study load is 4 courses per trimester (40 credit points).

Pathways

Degrees with a tick in the pathways column have a Griffith College academic pathway. Find out more on pages 20–21.

Honours

Degrees with a tick in the honours column have one optional year of honours research or the opportunity to complete honours within the degree.

Tuition fees

Tuition fees are indicative and are in Australian dollars. Tuition fees are normally listed per year for 80CP. Programs offered in accelerated mode will have a higher per year tuition fee. Tuition fees are subject to an annual review.

Find out more at:
griffith.edu.au/apply/international/fees

Entry requirements

Grade point average (GPA)

Your grade point average (GPA) is the measure used for academic achievement at Griffith University. The University uses a 7.0 scale where 4.0 is a passing mark.

Your GPA is calculated using your academic grades and the credit point value of the courses you have completed.

You can calculate your GPA using the method shown in the Calculation of Grade Point Average policy.

griffith.edu.au/students/assessment-exams-grades

Undergraduate academic entry scale

Standard—S

Higher—H1, H2, H3, H4, H5, H6

(H1 = lowest, H6 = highest)

Entry requirements are available in the 'How to Apply' tab for each degree on **degrees.griffith.edu.au**

Postgraduate academic entry

Some degrees have additional academic entry requirements, including specific GPAs and work experience. Please check the academic entry requirements for your degree at **degrees.griffith.edu.au**

English language

All Griffith degrees have English language entry requirements. You can check the minimum overall IELTS score for your degree in the program pages of this Guide.

Below is the list of English proficiency tests that we accept for the majority of programs:

- a minimum overall band score of 6.5 on IELTS (Academic) with no sub-score of less than 6.0
- OR a minimum score of 575 on TOEFL
- OR an internet-based (iBT) TOEFL score of 79 (no sub-score less than 19)
- OR no score less than 3+ in each skill of the ISLPR (conducted by ISLPR Language Services only)
- OR a minimum overall score of 176 (no score less than 169) on C1 Advanced (formerly Cambridge Certificate in Advanced English) or C2 Proficiency (formerly Cambridge Certificate of Proficiency in English)
- OR an overall score of 58 in the Pearson Test of English (Academic) with no score less than 50.

Some degrees have higher English language requirements.
Visit **degrees.griffith.edu.au**

Griffith University does not normally accept English language test results that are more than two years old.

Please note that the **Department of Home Affairs** may require you to submit a formal English language proficiency test as part of your student visa application. There is a specific list of accepted test providers and English language test results must be no more than two years old at the time of submitting your student visa application.

Disclaimer

Important note: All information is correct as at March 2025, but is subject to change as content is reviewed and updated. For the most up-to-date information, including specific pathway details, visit griffith.edu.au/international-study.

Griffith has used reasonable endeavours to ensure that the information contained in this publication is correct at the time of printing but this information may be subject to corrections or changes without notice. Griffith reserves the right to alter, change, or discontinue degrees and courses without notice. Griffith assumes no responsibility for the accuracy of information provided by third parties.

The publication of degree details in this document does not create an obligation on the part of Griffith to teach a degree in any given year, or teach it in the mode described in this publication. It is the responsibility of students to check and confirm all general and degree-specific information prior to application and enrolment. In particular, degree offerings, duration, mode, commencement, campus location, fees, and entry requirements need to be checked and confirmed. All costs and fees contained in this publication are in Australian dollars (A$). Applications and enrolments are subject to Griffith's Privacy Plan, which is available online at griffith.edu.au/privacy-plan.

ESOS Compliance

The provision of education services to international students by Australian educational institutions is governed by the Education Services for Overseas Students (ESOS) Act 2000 and the Education Services for Overseas Students (ESOS) Regulations under this Act. Griffith, in providing education services to overseas students, complies with the National Code of Practice available through the Department of Education. Visit internationaleducation.gov.au and education.gov.au

In accordance with Griffith University's Sustainability Plan, this publication has been produced using paper manufacturing and printing techniques that have a minimum impact on the environment.
