Curtin University

**International  
student guide**

**2025**

Make tomorrow better.

# Making a difference

With innovation at our heart, we're committed to initiatives where our staff, students and graduates can make a difference.

## Curtin is celebrating 50 years of nursing education.

Our first nursing diploma was launched in 1975, and, within a year, the course was accredited and recognised as a milestone in Australian nursing.

Curtin now ranks in the top 100 nursing programs in the Global Ranking of Academic Subjects 2023.

Curtin Commerce graduate **Dikshita Awotarowa** founded the 'Women in Finance and Investment Network' to increase the representation of women working in finance and investment industries.

We're developing an **AI technology** that will improve the monitoring and repair of jetties and other marine structures that are vulnerable to concrete corrosion – which will also reduce the environmental impact of the corroded structures.

We're improving land restoration in Western Australia through technologies that help maximise the quality and germination of native seeds.

**Picture:** Germination of pelleted small-seeded Myrtaceae species for nursery production.

Photo: S. Pedrini

Our researchers are exploring the **sociocultural impact of online influencers**, focusing on how marginalised communities can be both empowered and challenged by what they encounter on social media.

## Acknowledgement of Country

Curtin University acknowledges all First Nations of this place we call Australia and recognises the many nations who have looked after Country for more than 60,000 years.

We are honoured and grateful for the privilege to maintain campuses operating in Boorloo (Perth) and Karlkurla (Kalgoorlie) in Australia. We pay our respects to Elders past and present as Custodians and Owners of these lands. We recognise their deep knowledge and their cultural, spiritual and educational practices, and aspire to learn and teach in partnership with them.

Curtin also acknowledges First Nations peoples connected with our global campuses.

We are committed to working in partnership with all Custodians and Owners to strengthen and embed First Nations' voices and perspectives in our decision-making, now and into the future.

# About Curtin

**Curtin is a world-ranked, global university recognised for industry-connected programs that provide skills for agile careers.**

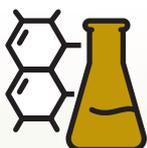

Inspired by the motto 'Look ever forward', Curtin has thrived over the past 57 years. Established in Australia in 1967, Curtin is now a global university with campuses and locations in a further five countries: Malaysia, Singapore, the United Arab Emirates, Mauritius and Sri Lanka.

Curtin's approach to university education is driven by five core values – integrity, respect, courage, excellence and impact – and is underpinned by our dedication to building education and research partnerships that make a positive difference, both for people and the planet.

Our range of courses, research strengths, learning facilities and industry partnerships make Curtin a popular choice for students around the world. In particular, Curtin is renowned for immersive learning and simulated work environments to ensure that our students can apply professional expertise as soon as they graduate.

## Our global rankings

### A LEADER IN RESEARCH

95% of Curtin's research output rated 'at or above world standard', in the latest Excellence in Research for Australia assessment.

### AUSTRALIA'S BEST GRADS

Curtin graduates are rated the best graduate-employees in Australia for employer satisfaction, in the Government's latest survey. (QILT Employer Satisfaction Survey 2022)

### TOP 1% IN THE WORLD

Curtin is ranked in the top 1% of universities in the world. (Academic Ranking of World Universities, 2023)

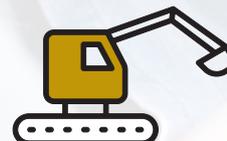

### #1 IN WA

Curtin outranks all public universities in Western Australia for undergraduate outcomes of full-time employment and starting salary, as well as staff qualifications. (The Good Universities Guide 2024)

### 5 STARS PLUS

Curtin continues to achieve the highest QS Stars rating possible for a tertiary institution: Five Stars Plus. (QS Stars 2023)

### #1 IN AUSTRALIA

Curtin ranks first in Australia and second in the world for mineral and mining engineering. (QS World University Rankings by Subject 2024)

# Get a Curtin head start in your career

To ensure that you graduate with the expertise that employers want, we design our courses in consultation with our expert industry partners and create diverse industry immersion experiences.

## Work-integrated learning and industry placements

Work-integrated learning (WIL) in the form of industry placements, industry engagement and fieldwork opportunities are an important part of many Curtin courses.

WIL enables you to implement and consolidate your new knowledge and skills in a real-world industry setting. WIL is highly valued by employers, because it demonstrates that you have gained industry knowledge and career experience before you graduate.

During your studies, you'll benefit from Curtin's renowned strong links with industry, government and non-profit sectors. As part of your WIL experience, you could complete internships with our industry partners or local or national organisations. You may also work on industry projects and research projects, participate in professional networking events, attend industry site visits and complete study tours.

To find out more, visit [curtin.edu/industryWIL](http://curtin.edu/industryWIL).

## Curtin Extra

At Curtin, you can participate in extracurricular programs that will give you new skills and the opportunity to make new friends and community connections. You can choose programs that relate to your course and your personal interests. For the programs that you complete, you'll receive an official Curtin Extra Certificate as part of your graduation documents. To find out more, visit [curtin.edu/curtin-extra](http://curtin.edu/curtin-extra).

## Curtin Ignition for innovators and entrepreneurs

Many Curtin students want to be an innovator in their field. Whether you're studying molecular genetics or game design, our Curtin Ignition program will help you develop your business ideas and your entrepreneurial skills. To find out more, visit [curtin.edu/ignitionprogram](http://curtin.edu/ignitionprogram).

## Volunteering opportunities

If you're keen to help others, Curtin Volunteers! provides volunteering programs that enrich your student experience and develop your capabilities, while also benefiting communities throughout Western Australia. To find out more, visit [curtin.edu/volunteering](http://curtin.edu/volunteering).

## Career support

We can help you plan for the career you want, build the skills and study experiences that employers look for, and identify further study or career options. You can attend employer events, participate in professional development programs, and discover employment opportunities to take up during your studies. Curtin also provides free personal accident insurance for students undertaking approved co-curricular work experiences. For more information, visit [curtin.edu/careers](http://curtin.edu/careers).

# Study at Curtin in Western Australia

Curtin's Western Australian locations are thriving places of community and innovation. You'll become connected with our diverse student and alumni communities and benefit from a global perspective.

## PERTH

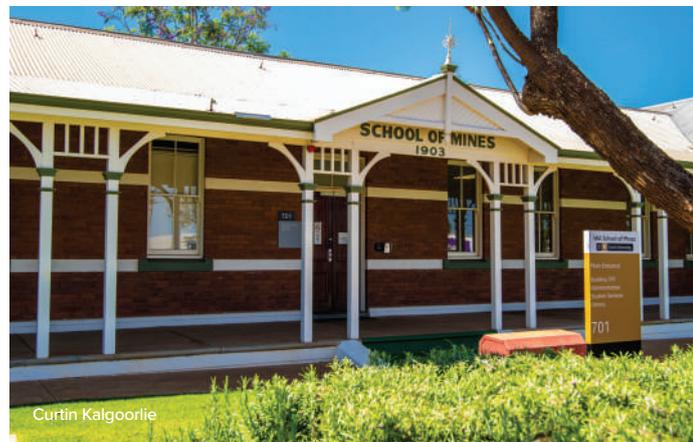

Curtin Perth is a beautiful and inspiring campus just six kilometres from Perth city. It has technology-rich learning spaces, advanced research centres and extensive library facilities. All of our courses are available to study at Curtin Perth.

## PERTH CITY

Curtin Law School in Perth city strengthens our links with the legal profession and the commercial centre of Western Australia. Curtin MBA students can also study in the city.

## KALGOORLIE

In Western Australia's historic gold mining region, you can study our renowned engineering courses as well as online courses in business, education and health. For our medicine, nursing and allied health students, Curtin Kalgoorlie also supports regional training and placements within local hospitals and clinics.

# Experience Perth

Located on the beautiful west coast of Australia, Perth (Boorloo) is multicultural, prosperous and safe – an ideal destination for students and tourists alike.

## 01 Breathe in the natural beauty

The Perth region has magnificent gardens and nature parks. Take in the best views of the city from Kings Park, which is larger than New York's Central Park and has thousands of species of beautiful native flora.

## 02 Experience our vibrant cultural lifestyle

Western Australia's many culturally and linguistically diverse communities have made Perth a very vibrant city. Many cultural festivals and events are held throughout the year, and you may choose to join community groups that link with your own culture.

## 03 Earn some spending money

Western Australia has a thriving economy, which provides many job opportunities for local and international students!

## 04 Use the easy transport options

Perth's metropolitan area is serviced with an extensive road network and you'll enjoy our comfortable, reliable public transport.

## 05 Explore places close to campus

To the north of Curtin Perth, the suburb of Victoria Park buzzes with restaurants, hotels and recreation options. To the south, the Canning River is home to dolphins, swans and other marine life. It's a beautiful area for picnicking and kayaking.

## 06 Enjoy the diversity of food and cuisine

Western Australia has many food-producing regions. Margaret River is world-famous for its vineyards and wineries, as well as forests and surfing! Closer to Perth, our scenic Swan Valley has a range of gourmet delicacies. And just near to campus, you can buy fresh fruit and vegetables at the local farmers market.

## 07 Go shopping!

The shopping and dining precincts of Elizabeth Quay and Forrest Place buzz with life. Visit the city's fascinating cultural centres and art galleries. Take a scenic train ride to discover the historic port of Fremantle (Walyalup), where the Swan River meets the Indian Ocean.

## 08 Visit the quokkas

Perth's coastline features breathtaking beaches and scenery, including Rottnest Island (Wadjemup). The island is a significant cultural site for the Nyungar people and is home to Australia's cutest marsupial – the quokka.

## 09 Travel to our famous attractions

Western Australia has world-famous forests, wine regions, geological features, surfing destinations and coastal towns – don't miss them!

### Perth weather

Perth has a Mediterranean climate.

# Benefit from immersive learning

Curtin has a range of learning environments that simulate real workplaces, so that you can build practical expertise while you study and step into your career with confidence.

### 01 **Cyber Security Computer Lab**

This laboratory is designed specifically for cyber security activities. The lab is divided into two areas where student teams simulate cyber attacks in one area and perform defensive strategies in the other.

### 02 **Design and Art Precinct**

The Design and Art precinct is a versatile environment where you can curate and exhibit your creative works. The precinct comprises art and fashion studios, computer labs and spaces that readily transform into exhibition spaces.

### 03 **Jeanette Hackett Moot Court**

Law students can enjoy simulated court proceedings at our high-tech moot court facility in Perth city and can practise their legal skills and debating in global student competitions.

### 04 **Media production studio**

Make your mark using interactive media facilities with HD and 4K-compatible technology and industry-standard digital systems for recording, post-production editing and sound mixing.

### 05 **Simulated health industry settings**

At Curtin, you will gain practical healthcare skills in our simulated hospital ward. Our equipment includes computer-controlled mannikins and moulage that enhance the realism of your learning.

### 06 **Working like Wall Street**

Our Commerce and Business students benefit from simulated stock-trading experience using the LSEG Workspace and conducting technical analyses on stocks and fundamental analyses on financial reports.

### 07 **Astrodome**

Curtin's Astrodome houses a 12-inch Meade Refractor telescope, which has automatic tracking capabilities that enable you to capture long exposures of astronomical events.

### 08 **3D virtual anatomy**

Immerse yourself in virtual reality. You can cut, pinch and zoom on a virtual human body with our anatomage table. Depending on your course, you may practise clinical care with our virtual patient, Jim the Avatar, and 'virtually' visit an older person's home to assess falls and risks.

### 09 **Curtin Tax Clinic**

This clinic enables taxation and law students to provide real-world advice to individuals and small businesses, under the supervision of tax experts.

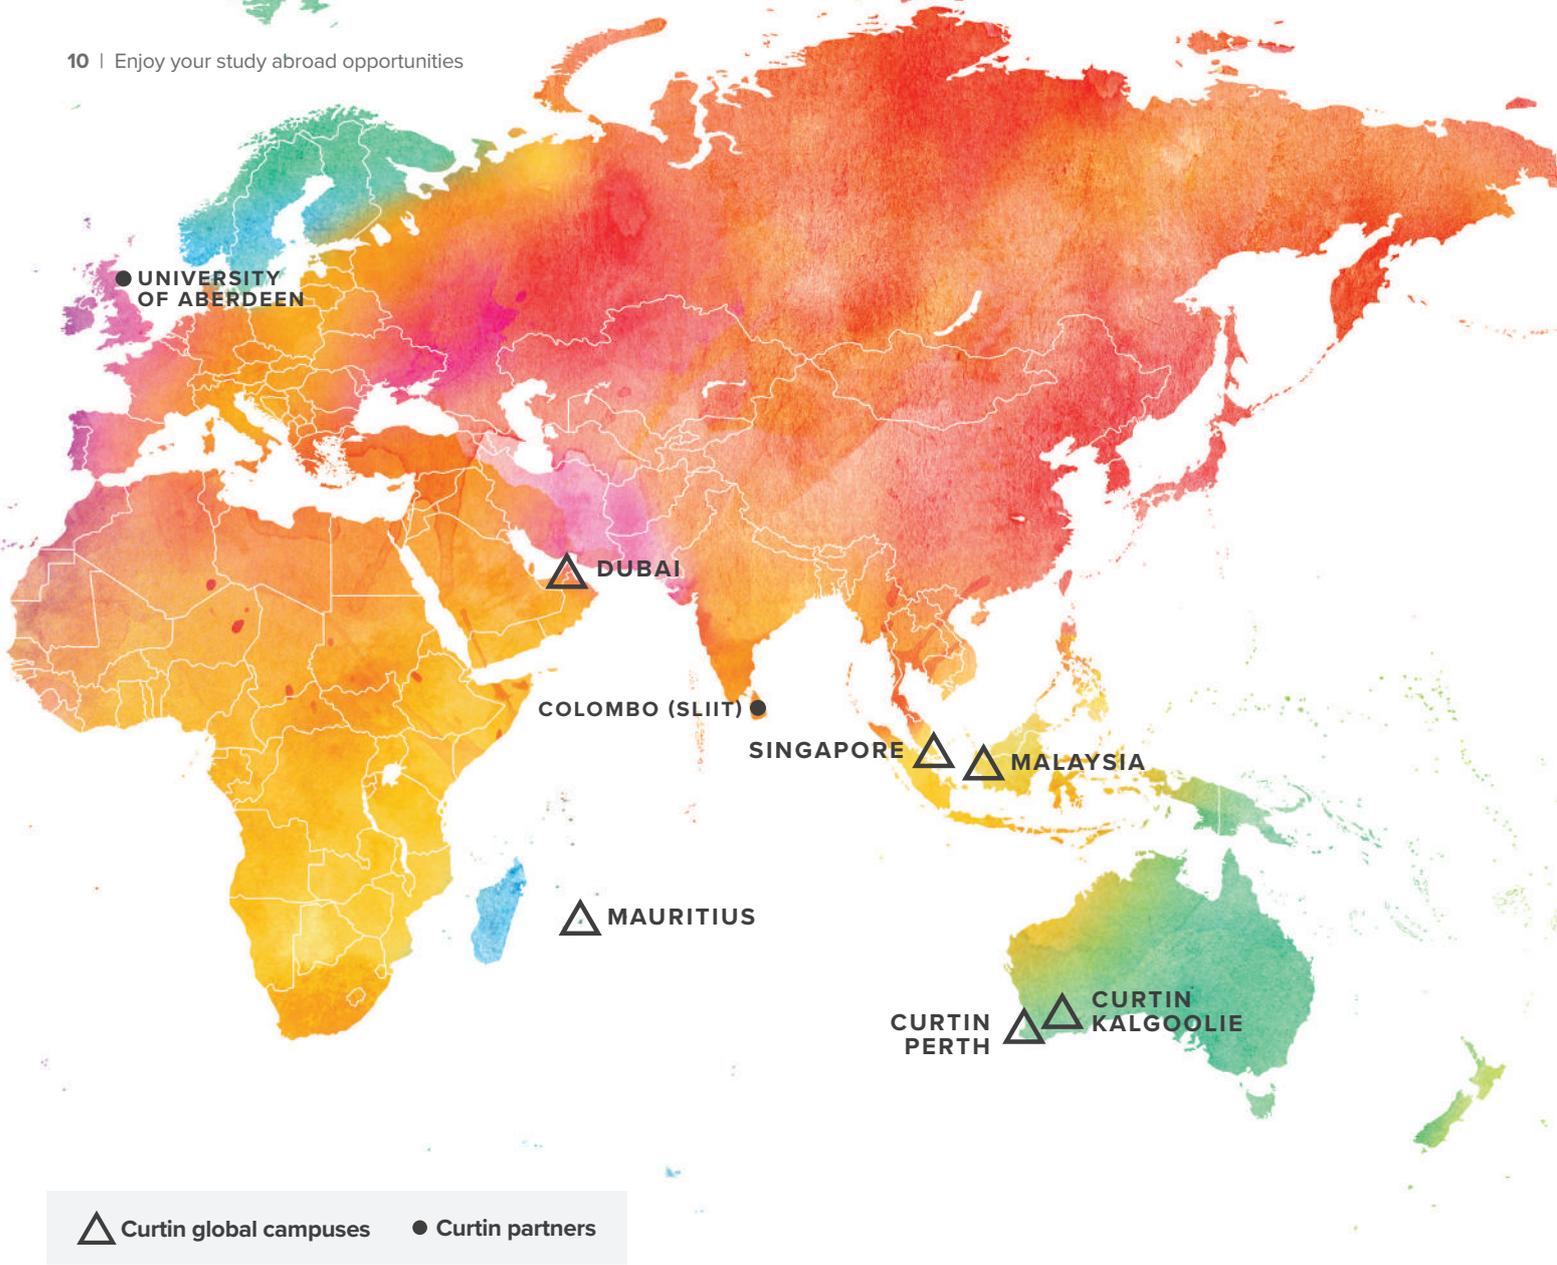

### 10 **Green Energy Electric Park**

At our Green Electric Energy Park (GEEP), you can conduct advanced experiments and research projects on renewable energy sources.

### 11 **Physical Containment Level 2 Laboratory**

When you study Biomedical Sciences or Laboratory Medicine at Curtin, you will develop the general and specialised skill sets required for analysing samples and reporting results in the same way as a real industry pathology laboratory.

● STANFORD  
UNIVERSITY

# Enjoy your study abroad opportunities

**As a Curtin student, you can explore your opportunities to study at our global campuses or at our partner universities in Asia, Africa, Europe, North America and South America.**

Completing some of your course in another country provides a unique cultural experience and enables you to create a valuable international network.

We offer a range of global opportunities, including semester exchange, study abroad and overseas summer schools. Our transfer pathway also gives you the flexibility to start your Curtin degree in your home country, before transferring to another Curtin campus with minimal interruption to your studies.

To find out more, visit [curtin.edu/global-opportunities](https://curtin.edu/global-opportunities).

## 01 DUBAI

In Dubai, you can study commerce, science, health and arts courses in the Dubai International Academic City – the world's largest dedicated higher-education zone. Or, you might choose to study engineering at Dubai Silicon Oasis, the epicentre of technology and engineering. To find out more, visit [curtindubai.ac.ae](https://curtindubai.ac.ae).

Ar BL En IT

## 02 COLOMBO

In partnership with the Sri Lanka Institute of Information Technology (SLIIT), Curtin Colombo offers courses in commerce, engineering (including IT and software engineering), science and the arts. And being in the heart of Colombo City, the location provides excellent opportunities to build professional networks. To find out more, visit [curtincolombo.lk](https://curtincolombo.lk).

## 03 SINGAPORE

In one of the world's safest and most well-connected cities, and immersed in a regional economic hub, Curtin Singapore offers courses in commerce, health, science, engineering and the arts. To find out more, visit [curtin.edu.sg](https://curtin.edu.sg).

Ar BL He IT

## 04 MAURITIUS

In the centre of Moka City in an island paradise, Curtin offers a range of commerce, communications, design, health and science courses to study. With Mauritius' renowned biodiversity and ecology, this campus is also a stunning backdrop to study sustainability and environmentalism. To find out more, visit [curtinmauritius.ac.mu](https://curtinmauritius.ac.mu).

“Curtin has great tutors and a lot of international students come here to study.

There is a lot of help available, and the student guild offers many benefits. Also, living in Perth is very peaceful, and I really like the weather, food and culture.”

**Anya Davaadorj**  
Master of Commerce (Marketing)

# Join our campus community

At Curtin, you will enjoy the sense of connection and community both in and out of tutorials and lectures. You'll also like the range of collaborative learning spaces, outdoor leisure areas and activities on offer between classes.

## On-campus convenience

### Buy your essentials on campus

Curtin Perth has a large IGA supermarket and a G-Mart for second-hand textbooks and computer equipment, along with printing and binding facilities and a dry-cleaning outlet. You can also order your books online and have them delivered to your door.

### Exciting events

Market days, multicultural week, live music and the Guild Ball are just a few of the vibrant events on campus.

### Technology access

Access wi-fi across the campus and charge your devices at many locations. Computer labs have current software, graphic workstations, scanners, printing stations and smart boards.

### A first-rate library

The TL Robertson Library is a beautiful, light-filled building designed to be your ideal place to study, collaborate with classmates and catch up with friends. Student spaces include group areas; an entire floor dedicated to quiet study; the Makerspace with technologies, tools and materials to get creative; a reading room with a tranquil view of the campus; plus a kitchen and a cafe. Find out more at [curtin.edu.au/library](http://curtin.edu.au/library).

### Exercise, relax, have fun

Curtin Stadium is the home of sport and fitness on campus, offering a range of activities you can participate in at a level that suits you. The stadium has:

- a fully equipped gymnasium, group fitness studio and specialised studio
- indoor and outdoor multi-use courts
- a health and rehabilitation clinic.

Find out more at [curtin.edu.au/sport](http://curtin.edu.au/sport).

You can also relax in the many beautiful gardens on campus, or use some of the extensive green spaces to have some fun – such as our disc golf course.

### Food, glorious food

Whether you need a coffee or bubble tea, a burger or bánh mì, you can get it on campus. In addition to the IGA supermarket, we have a range of cafes and an old favourite, the Tavern.

## Support services

### We'll help you get organised

In Building 102 our dedicated Curtin Connect team can advise you about courses and help with your application, enrolment, getting your ID card and organising your timetable.

We also offer support such as peer-to-peer tutoring and library help, to make your transition to uni easy as can be.

### O-Week

Your uni journey starts with Orientation Week, where you can get all the support and advice you need from Curtin Connect and our dedicated student advisors.

### Prioritising your health

Curtin has a range of health and wellbeing services for you on campus. They include a physiotherapy clinic and a medical centre where you can visit a doctor, occupational therapist, psychologist, counsellor or social worker. And if you have a disability, or you're caring for someone with a disability, we have dedicated support services for you.

Our Student Wellbeing Advisory service also offers confidential support for any issue that may be affecting you, to help you succeed in your studies.

### Career advice

At Curtin, we can help you with career advice and employment resources. Find out more at [curtin.edu/career-advice](http://curtin.edu/career-advice).

### Security and personal safety

Our Safer Community Team is here to keep you safe on campus, with 24/7 safety presence and availability, a security escort service, vehicle mechanical assistance, secure-card building access and the SafeZone security app. Plus, there are assistant call points at the main entry doors of campus buildings.

For more information about support and services, visit [curtin.edu/personal-support/international](http://curtin.edu/personal-support/international).

# Explore our accommodation

**At Curtin Perth, you can enjoy the independence and convenience of living in on-campus accommodation – a home where you can relax, study and socialise – and have a truly immersive university experience.**

Curtin Perth has six on-campus accommodation options for you to choose from in 2025. Managed by St Catherine's College and UniLodge, all of our accommodation is close to campus and shopping amenities – offering you an easy urban lifestyle.

## Benefits of living on campus

### A convenient lifestyle

All accommodation is just a short walk to your classes. You're also within reach of our on-campus supermarket, food outlets and health services, and close to a shopping centre and food hub.

Plus, there are two bus stations on campus – so when you want to explore further afield, it's easy to catch a bus to cafe strips, restaurants and attractions in nearby suburbs, as well as the entertainment venues and shopping precincts of Perth city.

### Cost-efficient living

Accommodation is furnished and your utilities are included in your rent. St Catherine's College residents can also have meals included. You won't need to pay a bond or security deposit, and you'll have free wi-fi and Curtin Stadium gym membership (off-peak hours) – all of which make living on campus even more cost-efficient and convenient.

### Independence and friendship

Living on campus during your university years will give you a sense of freedom and independence. And it's easy to make connections with other residents – you'll meet people from different towns, cities, countries and cultures. Imagine the unique experiences and the friendships you'll make that could last a lifetime!

### Peace of mind for parents

If you're a parent or guardian whose child is about to start their university journey, you'll appreciate how living on campus will help them transition to independent living while remaining in a safe, structured environment. An on-campus living experience will also enhance your child's engagement with their studies and campus life.

### Safety and security

All the accommodation has secure access. Plus, there's staff available to help when you need it. Curtin's Safer Community Team are also on-hand to respond to any general safety and security issues.

## St Catherine's College

St Catherine's College gives you a personalised, highly supportive residential experience, with fully catered options, to help you succeed in your university studies. Your rent includes tailored academic support such as tutoring and formal academic dinners.

The college features an impressive dining hall, study spaces, common areas and music rooms. It also offers a program of social events that brings residents together and helps create a thriving student community.

Book a tour of  
St Catherine's College

## UniLodge

The five UniLodge properties at Curtin Perth offer various independent-living options – such as self-contained studios with ensuites and private rooms in shared apartments – to suit different needs and budgets. You'll become part of a culturally diverse community and enjoy a Residential Life Program filled with events and activities throughout the year.

Book a tour of  
UniLodge properties

## Studying in Kalgoorlie?

If you're studying at Curtin Kalgoorlie as part of your course, you can live at our Agricola student accommodation. Agricola is just across from the campus and a short walk to the town centre. To find out more, visit [curtin.edu/kalgoorlie-accommodation](http://curtin.edu/kalgoorlie-accommodation).

## Off-campus living

If you're considering off-campus options, our Accommodation Coaches can help you with information and resources to find accommodation that suits your needs. To find out more, visit [curtin.edu/alternative-accommodation](http://curtin.edu/alternative-accommodation).

To find out more, visit [curtin.edu/accommodation](http://curtin.edu/accommodation).

“ Being a first-year student, I felt that living on campus would be convenient for me. At St Catherine’s College, I’m a five-minute walk from home to classes. We’re also located next to the bus station, and we have a supermarket beside the college.

We have a lot of activities that run throughout the week – sporting activities, art classes... a great way to get to know other residents here. ”

**Kar Yi Lam**

Bachelor of Science (Physiotherapy)

Hear more about Kar Yi’s experience living on campus, at [curtin.edu/Karyi](http://curtin.edu/Karyi).

# Discover your scholarship opportunities

International students at Curtin can access a range of merit-based and need-based scholarships.

Scholarships offer financial, academic and career support, giving you more opportunities to gain new skills, expand your horizons and add to your portfolio of achievements.

## Curtin English Scholarship

Receive a financial credit of up to A\$7,008 towards your undergraduate or postgraduate tuition once you've completed your Curtin English course.<sup>1,2</sup>

## Merit Scholarship

If you're a high-achieving student, you may be eligible for the Global Curtin Merit Scholarship which grants you a 25% discount on your first year of tuition.<sup>1</sup>

## Merit Extension Scholarship

The Master of Business Administration (MBA), MBA Advance and Master of Commerce (Marketing) degrees offer merit extension scholarships, granting a 25% fee discount on tuition in your final year.<sup>1</sup>

<sup>1</sup> Terms and conditions apply  
<sup>2</sup> Scholarships are subject to change

## Eligibility criteria

Scholarships are offered through a competitive process for students who are:

- high-achievers
- studying specific courses
- facing special circumstances.

Each scholarship has specific benefits, eligibility criteria, application procedures and application closing dates.<sup>2</sup> We encourage you to apply for scholarships as soon as you can.

## More information

Visit our scholarships website for:

- up-to-date information and eligibility criteria for scholarships
- tips for writing your scholarship application
- an email service that alerts you when the scholarships matching your selection criteria open for applications. You will also receive a reminder email one week before applications close.

Find out more at [curtin.edu/scholarships](http://curtin.edu/scholarships).

“The Alumni and Family Scholarship helped me to manage my finances when I arrived in Perth ... and it gave me the motivation to do well in my studies.

What I like most about Curtin Perth are the support services, the safe and secure environment, the facilities and relaxation places, and the places to study.”

**Dharsini Premramesh**

Master of International Business and Entrepreneurship

# Customise your degree

**At Curtin, you will have opportunities to choose from a range of subjects for your course – giving you the freedom to study for your dream career and pursue your personal study interests.**

## Single degrees

This degree type is three to five years of full-time study in one specific subject. You will learn about a wide range of topics within this subject, but your studies will focus on your chosen area. You'll gain in-depth knowledge and graduate as an expert in your field.

## Double degrees

Some of our degrees can be paired with another degree to broaden your knowledge. A double degree increases your skills and knowledge across two complementary learning areas, giving you more career choices and the flexibility to adapt to changing employment trends.

## Majors and specialisations

You can also tailor your learning within your degree to suit your interests and career path. Depending on your course, you can mix majors (a series of eight units)<sup>1</sup> with specialisations (a series of four units) to broaden your professional expertise and deepen your industry knowledge – which will improve your career opportunities and ability to pursue your professional goals.

Studying specialisations can give you the exact skillset you want for your chosen career. Here are some examples:

- A major in Multidisciplinary Science with a specialisation in Professional Writing and Publishing can create a career option in professional science communication.
- Environmental Science with a specialisation in Law can help you make an impact in environmental policy and regulation.
- A major in Animation and Game Design with a specialisation in Innovation and Entrepreneurship can help you grow an entrepreneurial venture in game development.

<sup>1</sup>Note that engineering majors are a series of 19 or 20 units

“ I chose Curtin because it's ranked among the top 1% in the world and the international student fee was fair for a business school with Curtin Business School's prestige.

I gained a Curtin Business School High Achiever award and I'm now mentoring teams in the Business Innovation Lab.

Some of the best things about the Curtin campus are the safety and the support services.

Also, when it comes to activities and sports, there is always something for everyone. ”

**Asib Ali Qureshi**

Bachelor of Business Administration

# Find the course for your career path

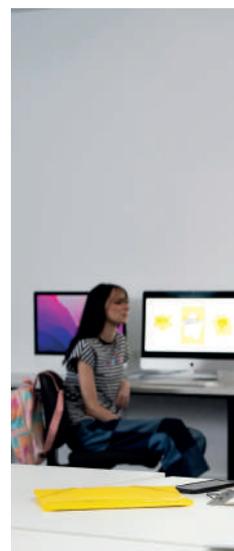

Explore the courses in our range of study areas, and let your passions and interests guide you to your dream career.

**Agriculture, environment and sustainability**

Learn how to manage, preserve and protect the living world. Turn your ideas into innovative solutions that address global warming, food production and risks to flora and fauna.

**Undergraduate degrees:** pages 20, 28

**Research degrees:** page 40–41

### Architecture and construction

Can you see the detail and beauty in structures and buildings, both inside and out? Learn how to create quality environments for people to live, work and play.

**Undergraduate degrees:** page 20  
**Postgraduate degrees:** page 32  
**Research degrees:** pages 40–41

### Physical sciences, geoscience and mathematics

Learn in facilities where research and discovery abound, and develop your expertise in growth areas such as biochemistry, industrial modelling and physics.

**Undergraduate degrees:** pages 26, 30  
**Postgraduate degrees:** page 39  
**Research degrees:** pages 40–41

# Your bachelor degree choices: Single degrees

Whether you want to build a more sustainable future, innovate global business or contribute to better health care, a Curtin degree is the place to begin.

<b>MASTER DEGREE</b>						
<b>Advanced Practice SIN</b> <i>Major:</i> Clinical Leadership	108520A	1 year	Feb	38,433	76,866	A bachelor degree in a related health science field with a minimum course-weighted average of 70%, and 3 years of postgraduate work experience in a related field
<b>Clinical Exercise Physiology</b>	097865D	1.5 years	Feb	45,610	68,416	A bachelor degree (or equivalent) in exercise and sports science with a course-weighted average of at least 60%. Your bachelor degree must meet the accreditation requirements of Exercise and Sport Science Australia (ESSA). If you have completed a non-ESSA-accredited degree in exercise science or a similar field, you need a Graduate Entry Assessment through ESSA
<b>Clinical Physiotherapy</b> <i>Streams:</i> Continence and Pelvic Health Musculoskeletal Sports Physiotherapy	049888F	1 year	Feb	47,463	47,463	A bachelor degree (or equivalent) in physiotherapy and at least 3 years' relevant clinical experience; plus registration as a physiotherapist with the Physiotherapy Board of Australia, or eligibility for limited registration for postgraduate training in Australia

All courses are offered at Curtin Perth unless otherwise specified. These abbreviations indicate the other Curtin campuses where you can complete the course:

COL Colombo DUB Dubai KAL Kalgoorlie MAL Malaysia MAU Mauritius SIN Singapore

The indicative fees and intake periods shown are for Curtin Perth. Please contact the relevant campus for fees and intake periods

Course	CRICOS	Duration	Intake	Indicative first-year fee A\$ <sup>1</sup>	Indicative total fee A\$ <sup>1</sup>	Admission criteria <sup>2</sup>
<b>Clinical Psychology</b>	0100584	1 year	Feb	41,660	41,660	An Australian Psychology Accreditation Council-accredited professional competencies qualification, such as Curtin's Master of Psychology (Professional), or equivalent APAC level 3 qualification. Entry is competitive and shortlisted applicants will be interviewed
<b>Dietetics</b>	079872K	2 years	Feb	43,295	86,590	A bachelor degree that meets the Dietitians Association of Australia requirements for entry to a graduate-entry master (specifying that 50% of your first and second years of undergraduate study must include bioscience, chemistry, physiology and biochemistry), and have 100 credit points (or equivalent) of undergraduate study in nutrition at second- and third-year levels. Entry is competitive; a high course-weighted average is required and shortlisted applicants candidates will be interviewed
<b>Health Administration</b>	006110A	2 years	Feb, Jul	41,096	82,191	A bachelor degree (or equivalent) in a related field, or a bachelor degree (or equivalent) in an unrelated field and work experience in health administration
<b>Midwifery</b>	114106J	2 years	Jul	38,433	76,866	A bachelor degree (or equivalent) with a minimum course weighted average of 70% AND completion of a human biology unit at tertiary level. Entry to this course is subject to quota.
<b>Nursing Practice</b>	064467B	2 years	Jul	38,433	76,866	A bachelor degree (or equivalent) with a minimum course-weighted average of 70%, and completion of tertiary-level human biology and research units. Entry is subject to course quota
<b>Occupational Therapy</b>	077383K	2.5 years	Jan	50,009	116,689	A bachelor degree (or equivalent), preferably in a related field, with a course-weighted average of 65%; and evidence of studies in human biology or in other human biosciences. Entry is subject to course quota
<b>Doctor of Physiotherapy (Extended Master)</b>	0100217	3 years	Jan	53,395	142,388	A bachelor degree (or equivalent) with a minimum course-weighted average of 70%, and completion of 3 of these subjects at a bachelor degree level: human musculoskeletal anatomy, human biology/physiology, health research methods or evidence-based practice. Entry to this course is competitive, and, to assist in the evaluation of your application, you should submit as much information as possible about your education and professional background
<b>Psychology (Professional)</b>	084066J	1 year	Feb	39,714	39,714	A 4-year Bachelor of Psychology (or equivalent) completed within the past 10 years and approved by the Australian Psychology Accreditation Council. Entry is competitive and shortlisted applicants will be interviewed
<b>Public Health MAL</b>	064462G	2 years	Feb, Jul	43,295	86,590	A bachelor degree preferably in health, education, behavioural sciences, social sciences or management, with above-average grades
<b>Public Health (Practice)</b>	104514J	1.5 years	Feb, Jul	43,295	64,943	A bachelor degree preferably in health, education, behavioural sciences, social sciences or management, with above-average grades
<b>Sexology (Professional)</b>	107629G	1.5 years	Feb	43,295	64,943	A recognised bachelor degree in a related health profession such as medical, social work or welfare studies, education, health promotion, health sciences, psychology, sociology or biological sciences. Applicants may be interviewed
<b>Social Work (Qualifying)</b>	0100481	2 years	Jun	46,117	81,987	A recognised bachelor degree in health or social sciences with a course-weighted average of 65%. Entry is subject to course quota
<b>Speech Pathology</b>	033868G	2 years	Jan	46,626	88,071	A bachelor or honours degree with a minimum course-weighted average of 65%, and evidence of university-level studies in human biology. Entry is subject to course quota

“ I chose Curtin for my master degree because it offers a comprehensive curriculum with theory and practical experience. Other benefits include the expert faculty, great facilities, and hands-on experience through clinical placements.

One of the aspects I've enjoyed most about being a Curtin student is the vibrant campus life and the opportunity to participate in various extracurricular activities. Whether it's guild events, like the barefoot lunch, games nights and study skills sessions, or joining clubs related to my interests, there's always something exciting happening on campus. ”

**Nandani Khetia**  
Master of Dietetics

# A global research experience

**Dr Tin Do completed his degree in structural engineering (with first-class honours) at Vietnam National University – University of Technology. He chose to complete his PhD at Curtin’s Centre for Infrastructural Monitoring and Protection, with grants from Curtin and the Australian Research Council.**

Tin’s thesis received a national award and he was subsequently awarded a prestigious program by Australia’s Department of Home Affairs. To date, he has contributed more than 30 publications in his field of impact and blast engineering.

We asked him about his Curtin research experience.

## **Tin, why did you choose Curtin for your doctoral study?**

Curtin is ranked in the top 1% of universities in the world and has a good academic reputation. It has top-ranking professors in my field working there, and state-of-the-art testing equipment.

## **Why did you choose this research area?**

The collapse of structures under bombing attacks and vehicle collisions are happening more frequently, and we need to better understand the behaviours of structures under those loads to find efficient solutions. I wanted my PhD research to contribute to design solutions for structures that are potentially subject to impact and blast events, to reduce the hazards and save lives.

## **What did you enjoy most about being a research student at Curtin?**

Other than contributing to greater understanding of my field, I enjoyed the teamwork. I worked with bachelor and master students for their final-year projects – they supported me with the experimental tests in the lab, and I assisted them to finalise results and build their writing skills. I also encouraged them to develop their careers to be structural engineers, and we still keep in touch.

## **How well did your supervisors support you?**

They [John Curtin Distinguished Professor Hong Hao and Dr Thong Pham] supported me in so many different ways ... not only in academic life but also in day-to-day life. When I first arrived, they prepared everything so quickly. I had my own quiet office to do my research. And even after graduating they have helped me to find a new position and with applications for research projects.

## **What did you enjoy most about the campus?**

I enjoyed the feeling of studying in the library with my friends and so many students around. The TL Robertson Library is equipped with advanced computers and has all the resources that students need. Walking around after lunch to enjoy the many spectacular views, and having the coffee on swinging hammocks near the library. Also, I played soccer at South Oval with my mates every Saturday afternoon!

## **What about Perth – did you enjoy living here?**

Perth is one of the most beautiful and peaceful places in the world. It’s cheaper than crowded cities like Melbourne and Sydney, and public transport fees are very low. And the people are so friendly.

## **Finally, what was the highlight of your time at Curtin?**

The unforgettable moment was when I received the assessors’ comments for my thesis. There were many good comments, but the most important one was that “The thesis has advanced the current state of knowledge”. That comment showed the success of my PhD course, and it has encouraged me a lot for my current and future work.

Van Tin Do

HAVING FULFILLED ALL THE RESEARCH AND EXAMINATION  
REQUIREMENTS IS DULY ADMITTED TO THE DEGREE OF

# Check the admission criteria

To study a Curtin course, you must meet the course's academic criteria and English language proficiency requirements.

## Undergraduate admission criteria

To apply for admission to a Curtin undergraduate course, you must have:

- a recognised education qualification from your home country (see pages 48–49)
- English language proficiency
- met the course prerequisites.<sup>1</sup>

## Postgraduate admission criteria

To apply for admission to a Curtin postgraduate course, you must have:

- a recognised university degree
- English language proficiency
- met the course prerequisites.<sup>1</sup>

## Research admission criteria

To be eligible for entry to our research courses, you must have:

- a minimum of four years of previous study in a tertiary institution
- met the eligibility criteria of the Graduate Studies Committee for the proposed enrolling area/s
- English language proficiency
- confirmation from the head of your enrolling area that the necessary supervision and facilities can be provided to support your research.

To find a research supervisor, visit [curtin.edu/hdr-supervisors](http://curtin.edu/hdr-supervisors).

## English language proficiency

For entry to all Curtin courses, you must demonstrate English language proficiency. See the table on page 46 for the recognised tests and qualifications you can use to demonstrate your English proficiency. Some courses require a different level of English language proficiency – see the table on page 47.

If you don't meet the English language requirements, you may be eligible to enrol in a program with Curtin English. Completing a program will help you meet the English levels you need to study at Curtin. See page 50 for more information.

<sup>1</sup> Entry is competitive and some courses may require higher than minimum levels

### Not sure you meet Curtin's admission criteria?

We offer two pathways that can help you meet the criteria needed to study at Curtin. See page 50 for more information.

## General English language proficiency requirements

English language test	Score
<b>IELTS (International English Language Testing System) Academic</b> Listening, Reading, Writing, and Speaking Overall band score	6.0 6.5

# Using your home country qualifications to apply

You apply to study a Curtin undergraduate course using an education qualification that is recognised by Curtin. Here are our minimum academic requirements, country-by-country.

Country	Qualification and minimum entry requirements
<b>Australia</b>	Completion of Australian Year 12 (VCE, HSC, QCE, WACE, SACE, TCE, NTCE, ACT) with a minimum Australian Tertiary Admission Rank (ATAR) of 70; and a scaled mark of at least 50 in English, Literature, or English as an Additional Language or Dialect
<b>Bangladesh</b>	Completion of the Bangladesh Higher Secondary Certificate (HSC) with a minimum Grade Point average of 4.0 (70–79%), and separate evidence of English competence
<b>Botswana</b>	Requirements as listed under United Kingdom or completion of part one (the first two years) of a degree at University of Botswana. English competence will be assessed
<b>Brazil</b>	Completion of the first year of a four-year bachelor/ bacharelado or licenciatura/licenciado (degree) or título professional (professional title) from a recognised institution; and English competence
<b>Brunei</b>	Three O-level passes (minimum grade C) and two A-level passes (minimum five points) in the Brunei Cambridge General Certificate of Education (GCE); and English competence.
<b>Canada</b>	Completion of a provincial high school diploma with an average of at least 60 in Grade 12, and including a grade of 60 or better in Year 12 English (except Quebec where separate evidence of English is required)
<b>China</b>	Completion of the National College Entrance Examination (NCEE or Gao Kao) with an aggregate of the required individual subjects that is equivalent to 67% of the overall maximum score, or one year of a bachelor degree at a recognised university; and English competence
<b>Germany</b>	Completion of the Abitur/Zeugnis der Allgemeinen Hochschulreife or Reifezeugnis (secondary school leaving certificate) at Gymnasium with an average grade of 4 including English or separate English competence; or completion of the Fachgebundene Hochschulreife with separate evidence of English competence
<b>Hong Kong</b>	Completion of the Hong Kong Diploma of Secondary Education (HKDSE) with a point score of 15 from the best five subjects, with at least a grade of 4 in English language or separate evidence of English competence
<b>India</b>	Completion of the All India Senior School Certificate awarded by the Central Board of Secondary Education (CBSE) or Indian School Certificate (ISC) awarded by Council with a grade average of 60% in the best four subjects, and 60% in English or separate evidence of English; or completion of Higher Secondary School Certificate awarded by one of the recognised Higher Secondary Education Boards with a grade average of 65%, with separate evidence of English. Grade average requirement may vary by course
<b>Indonesia</b>	Completion of Ijazah Sekolah Menengah Atas (SMA) (Certificate of Completion from Academic Senior Secondary School) with an overall average grade of at least 77%, and separate evidence of English competence
<b>Iran</b>	Completion of the first year of a four-year bachelor degree at a recognised institution, or completion of a two-year associate degree or higher diploma (after completion of National High School Diploma) from a recognised institution; and English competence

Country	Qualification and minimum entry requirements
<b>Japan</b>	Completion of first year of a Gakushi (bachelor degree) at a recognised institution, or Certificate of Graduation awarded by a recognised technical/vocational college; and English competence
<b>Kenya</b>	Completion of the first year of a bachelor degree at a recognised institution, and English competence
<b>Korea</b>	Completion of High School Diploma with a score of 300 (75%) in the National University Entrance Examination (College Scholastic Ability Test) (CSAT), or completion of one year of a four-year bachelor degree at a recognised university; and separate evidence of English competence
<b>Malaysia</b>	Three credit passes at SPM level and two passes in STPM (minimum 5 points), or completion of the Malaysian Independent Chinese Secondary Schools Unified Examination Certificate (UEC) (Senior Middle Level) with 15 points aggregated from the best five academic subjects; and English competence
<b>Mauritius</b>	Three O-level passes (minimum grade C) and two A-level passes (minimum five points) in the Cambridge Higher School Certificate and grade C in O-level English or English literature; or full International Baccalaureate with a minimum total of 24 points from six subjects at one sitting. Three of the subjects must be at the higher level and one of the six subjects should be English
<b>Myanmar</b>	Completion of one year of a four-year bachelor degree or two years of a three-year bachelor degree at a recognised institution; and separate evidence of English competence
<b>Nepal</b>	Completion of School Leaving Certificate Examination (Grade XII) awarded by the National Examination Board with at least Cumulative Grade Point Average (CGPA) of 3.0; and separate evidence of English competence
<b>Norway</b>	Completion of the Vitnemål For Videregående Opplæring (Leaving Certificate from Upper Secondary School) with an average grade of 3 plus a grade of 4 or better in English.
<b>Oman</b>	Completion of one year of a bachelor degree at Sultan Qaboos University, or completion of a recognised diploma at a public institution; plus English competence
<b>Pakistan</b>	Completion of the Pakistan Higher Secondary Certificate/ Intermediate Certificate with at least an average of 75% of the total marks (825 out of 1100); and separate English competence. Note that this qualification does not satisfy course subject prerequisites
<b>Philippines</b>	Completion of Philippines High School Diploma (Grade 12) (Academic track) with a final result of 80%, and a total score of at least 1000 out of 1600 in the SAT from the same sitting, with a minimum score of 400 in Evidence-Based Reading and Writing, and Math Section; and separate evidence of English competence
<b>Russia</b>	Completion of one year of a Diplom ob okonchaniy vysshego uchebnogo zavedeniya (Diploma of Specialist) at a state institution or fully accredited private institution where separate evidence of English competence is required
<b>Saudi Arabia</b>	Completion of the first year of a four-year bachelor degree at a recognised institution, or completion of a two-year diploma or associate degree at a public university; and English competence

Country	Qualification and minimum entry requirements
<b>Singapore</b>	Three GCE O-level passes (minimum grade C) or completion of the Integrated Program; and two H2 level passes in the Singapore/Cambridge GCE A Level (minimum 5 points); and Grade C in O-level English or English Literature, or separate evidence of English competence
<b>South Africa</b>	Completion of the National Senior Certificate with a grade average of Level 4 over six subjects (excluding Life Orientation), including a grade of Level 4 in the English Home Language
<b>Spain</b>	Completion of the two-year Titulo de Bachiller with a minimum final grade average of 7, and separate evidence of English competence
<b>Sri Lanka</b>	Three O-level passes (minimum grade C) and three A-level passes (minimum 5 points) in the Sri Lankan General Certificate of Education (GCE) (excluding General Paper); and Grade C in General English, or separate evidence of English competence
<b>Taiwan</b>	Completion of the first year of a four-year bachelor degree at a recognised institution, and English competence
<b>Tanzania</b>	Three passes (minimum grade C) in the Certificate of Secondary Education (CSE) examinations of the National Examinations Council of Tanzania (NECTA); and two principal level passes in the Advanced Certificate of Secondary Education (ACSE) (minimum of one C and one D grade); and Grade C or better in CSE English, or separate evidence of English competence
<b>Thailand</b>	Completion of one year of a bachelor degree at a recognised institution, and English competence
<b>United Arab Emirates</b>	Completion of the first year of a degree at United Arab Emirates University, and English competence, or completion of a diploma or higher diploma at a recognised institution; and English competence
<b>United Kingdom</b>	Three GCE O-level/GCSE passes and two GCE A-level passes (minimum 5 points), with Grade C or better in GCE O-level/GCSE English, English Literature or English Language or separate evidence of English competence
<b>United States</b>	A US High School or a High School Diploma based on a US curriculum with an average grade of B or better in 12th grade and a total score of at least 1000 out of 1600 in the Evidence-based Reading and Writing and Math in the SAT from the same sitting, with a minimum of 400 in each component; or a composite score of 21 or better in the American College Test (ACT); or completion of the first year of a four-year bachelor degree at a regionally accredited institution
<b>Vietnam</b>	Completion of the Bang Tu tai or Bang Tot nghiep Pho thong Trung hoc (Vietnamese Upper Secondary School Graduation Diploma) with at least 7.5 in the score for graduation evaluation, supplementary SAT and ACT score can be considered to meet higher entry requirement, or 7.5 in Grade 12 school report from an approved gifted high school and separate evidence of English competence
<b>Zambia</b>	Refer to United Kingdom; OR completion of the first year of a degree at University of Zambia or The Copperbelt University, and English competence
<b>Zimbabwe</b>	Requirements as listed under United Kingdom, or completion of five Zimbabwe General Certificate of Education O-level passes and two A-level passes (minimum 5 points), or completion of the first year of a degree at University College of Rhodesia and Nyasaland, University of Rhodesia or University of Zimbabwe; and English competence

## Undergraduate course cut-off scores key

The below information relates to the indicative cut-off scores for undergraduate courses listed on pages 21–31. Note that scores for individual prerequisites may be also be used for assessment purposes.

**ATAR:** Australian Tertiary Admission Rank – applicable to all Australian matriculation

**GCE:** General Certificate of Education

*Score conversion for GCE A-level:*

A grade = 5 points

B grade = 4 points

C grade = 3 points

D grade = 2 points

E grade = 1 point

**HKDSE:** Hong Kong Diploma of Secondary Education

**IB:** International Baccalaureate

**India CBSE:** India Senior School Certificate awarded by the Central Board of Secondary Education (CBSE)

**India HSC:** Higher Secondary School Certificate (Standard Year 12 Qualification) awarded by one of the recognised Higher Secondary Education Boards in India

**Ontario Gr 12:** Ontario Grade 12

**Sri Lanka:** GCE A-level issued by the Department of Examinations

*Score conversion for Sri Lankan GCE A-Level:*

A grade = 5 points

B grade = 4 points

C grade = 3 points

S grade = 1 point

**STPM:** Sijil Tinggi Persekolahan Malaysia

*Subject grades conversion for STPM:*

A = 5 points

A- or B+ = 4 points

B = 3 points

B- or C+ = 2 points

C = 1 point

**WAUFP:** Western Australian Universities' Foundation Program

# Our entry pathways

If you want to study a Curtin course but you don't meet the admission criteria, we offer two pathways for entry: Curtin College and Curtin English.

Depending on the requirements of the course you want to study, and your current education level, our Curtin College and Curtin English pathways can prepare you for direct entry to Curtin.

## Curtin English

If you don't meet the English language proficiency required for your chosen course, Curtin English can help you achieve the level you need for entry to Curtin University or Curtin College.

Curtin English courses can be packaged together with your chosen undergraduate, postgraduate or diploma program to streamline your enrolment and visa application process.<sup>1</sup>

At Curtin English, you will not only improve your English, but also develop the academic literacy skills that will prepare you to succeed in your future Curtin course.

### Curtin English programs

Curtin English has three main programs: General English, Gateway English and English Language Bridging. Your current English language test result and the level you need for admission to your chosen Curtin course will determine the English program suitable for you.

Curtin English will use your results from an approved language test to plan your pathway. Approved tests include:

- Duolingo
- LanguageCert
- Linguaskill
- International English Language Testing System (IELTS)
- Pearson Test of English – Academic (PTE)
- Test of English as a Foreign Language (TOEFL).

Use the English Pathway Planner tool on the Curtin English website to find out which Curtin English program is right for you.

If you don't have a recent English language test result, you will complete the Password test. This is a free online language test that will determine your English starting level. Your score can be used for entry into all Curtin English courses.

For more information, visit [curtin.edu/int-pathways](https://curtin.edu/int-pathways).

<sup>1</sup> Note that packaged offers are available only to applicants with IELTS 5.0 or higher

<sup>2</sup> Due to recent visa regulation changes, Australia's Department of Home Affairs may require a recognised test, which currently include IELTS, PTE, TOEFL, CAE and OET tests

## Curtin English scholarship<sup>1</sup>

If you have been offered an English package with your Curtin course admission offer (conditional), you will be eligible to receive up to A\$7,008 towards your English tuition – which may cover the full cost of your English course.

This scholarship is available to international students who are studying Gateway and/or ELB as a pathway to Curtin University.

You do not need to apply for the scholarship, as we will advise if you are eligible when you receive your conditional offer. If you are eligible, you will only need to accept your conditional offer and commence the Curtin English course outlined in the offer to be admitted to the scholarship program.

<sup>1</sup> Note that scholarship details are subject to change

## Curtin College

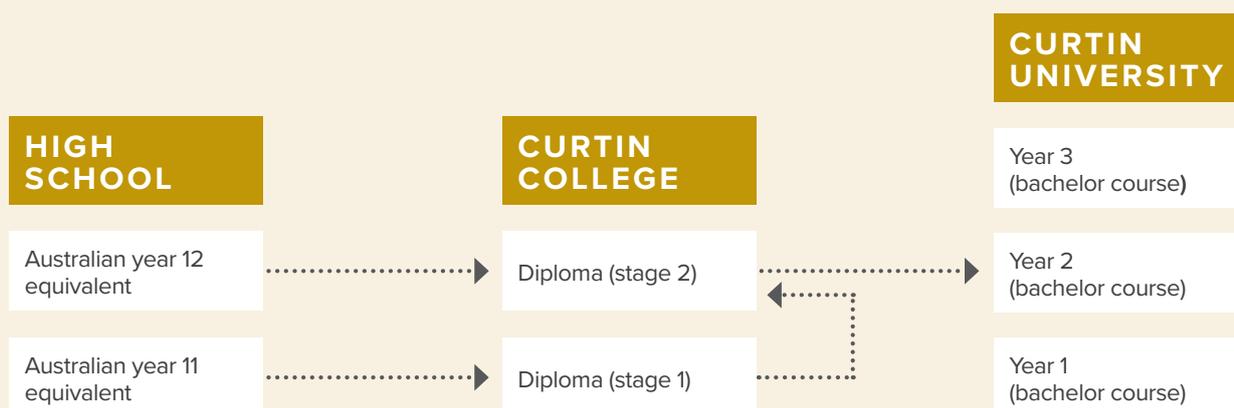

Curtin College is ideal if you have completed the equivalent of Australia's year 11 or year 12 in your home country and gained a high school graduate certification but you don't meet the criteria for direct entry to your chosen Curtin course.

Curtin College offers diploma courses that are equivalent to year one of a Curtin University bachelor degree. You will study units that lead to a Stage 2 Diploma qualification, enabling you to gain direct entry into year two of your chosen Curtin course (see the diagram below).

Curtin College is based at Curtin Perth, so you will enjoy access to the same services and facilities as Curtin students, making your transition to university a comfortable one.

For more information, visit [curtincollege.edu.au](https://curtincollege.edu.au).

### The Curtin College pathway

“ Because I applied to study nursing, the requirement for English is quite high. Curtin English is a transition stage for me. I improved English listening, reading, writing and speaking after ELB classes, especially writing.

Academic writing is always going to be the most difficult part – we write a lot in university – the skills I learnt in ELB helps me with my assignments.

The most enjoyable memory in ELB class would be the experience of cultural exchange. We come from different countries, we help and support each other and share life experience. ”

**Hongyang Shi**  
Master of Nursing Practice

# How to apply

The easiest way to apply to Curtin is through an agent, but you may also be able to apply to us directly through our online application process.

Applying to Curtin is straightforward when you are applying as an international student.

## 1. Select your course

Visit [curtin.edu/study](https://curtin.edu/study) to find the course you want to study.

## 2. Check the course admission criteria

### General

Cut-off scores for most countries are shown against each course.

### Prerequisites

Check your country's equivalent pass mark in the prerequisite subjects.

### English language proficiency

Check your country's equivalent scores at [curtin.edu/english-criteria](https://curtin.edu/english-criteria).

You can meet English proficiency through other recognised tests. Find out more at [curtin.edu/english-requirements](https://curtin.edu/english-requirements).

### Other criteria

Some courses will list supplementary information you need to submit with your application, such as a curriculum vitae (CV), a personal statement or professional references.

If you are interested in undertaking a Higher Degree by Research course, you must submit an Expression of Interest and receive an invitation from your potential supervisor before submitting an application. Find out more at [curtin.edu.au/applying/research](https://curtin.edu.au/applying/research).

## 3. Submit your application

### Apply through an agent

To find an agent who will manage your application efficiently, visit [curtin.edu/agents](https://curtin.edu/agents).

### Apply directly to Curtin

To apply directly, go to the course page of your chosen course, click APPLY NOW and follow the prompts.

If your application is successful, you will receive an offer package that explains how to accept your offer and how to enrol. When your enrolment is completed, you'll receive your Confirmation of Enrolment.

# Applying to Curtin if you have a disability

If you have a disability or health condition, there are support services and resources to help you succeed in your studies.

## Finding a suitable course

The Australian Disability Clearinghouse on Education and Training has assistance for exploring your course options, from NDIS plans and financial considerations, to choosing a course. Remember to check for inherent course requirements before you apply. To find out more, visit [curtin.edu/inherent-requirements](http://curtin.edu/inherent-requirements).

## Accessing Curtin's disability services

Once you have chosen your course, make an appointment with us to discuss your requirements. We will help you create a Curtin Access Plan, which is a document that outlines the adjustments you need to study the course. You can also apply to bring your support worker onto campus.

Other disability supports include provisions for assistive technologies, tailored library services and a mentoring program for students with an autism spectrum or related condition. To find out more, visit [curtin.edu/access-ability](http://curtin.edu/access-ability).

## Coming to campus

Curtin offers wheelchair-accessible routes, courtesy bays and ACROD parking. Subject to availability, we also provide mobility scooters and manual wheelchairs for short-term loan. To find out more, visit [curtin.edu/access-and-parking](http://curtin.edu/access-and-parking).

## We're here to help

If you have any questions about admission, our team can help you.

Tel: 1300 222 888

FAQs: [future.connect.curtin.edu.au](http://future.connect.curtin.edu.au)

Web: [curtin.edu.au/study](http://curtin.edu.au/study)

# Getting ready to go

We want your transition to study in Australia to be as smooth as possible. To prepare for your move to Perth, use our pre-departure resources, at [curtin.edu/pre-departure](https://curtin.edu/pre-departure).

## Your student visa

Apply for your student visa after you receive your Confirmation of Enrolment.

If you will be under the age of 18 when you start your Curtin course, you must nominate a guardian.

Find out more about applying for a student visa by visiting the Department of Home Affairs website at [immi.homeaffairs.gov.au](https://immi.homeaffairs.gov.au) and searching "student visa".

## We're here to help

If you have any questions about admission, our team can help you.

Tel: +61 8 9266 5888

Email: [study@curtin.edu.au](mailto:study@curtin.edu.au)

FAQ: [curtin.edu.au/study/help-support](https://curtin.edu.au/study/help-support)

Web: [curtin.edu/international](https://curtin.edu/international)

# Managing your finances as a student

**Before you start your course, check the fees you will need to pay and then plan your budget.**

## Tuition fees

Tuition fees are payable for each unit you study. The fee amount will depend on the course and units you study. Fees are calculated per semester (two study periods per year) or trimester (three study periods per year).

The course tables on pages 20–41 include the estimated fees for the first year of each course and the total fees for the course, based on the standard full-time study load.

Most Curtin courses are structured into semesters and have a full-time study load of 200 credits per year. However, and some courses are structured into trimesters, and some semester-based courses have a standard study load of 75 credits per semester. These variations may mean that the fees for your first year of study may vary slightly to the cost of completing the standard 200 credits per year.

All fees are subject to annual increases of no more than 5%. To see the student fee contribution for each unit and to find out more about fees, visit [curtin.edu/course-fees](https://curtin.edu/course-fees).

## Incidental fees

Some courses require additional payments for retainable materials and course-related costs. These are known as essential incidental fees, and will be advised in your Letter of Offer. Some course units may also have optional fees for course materials and other course-related items.

## International Student Refund Agreement

When you receive your letter of offer, you will also receive a copy of our International Student Refund Agreement. The refund agreements lists the categories under which we will assess an application for refund. For more information about refunds, visit [curtin.edu/fees-refunds](https://curtin.edu/fees-refunds).

## Other expenses

Tuition fees do not cover the cost of some items required for studying a particular unit or course. Examples of these items include (but are not limited) to:

- art supplies
- field trips
- first aid courses
- lab coats
- textbooks
- Working With Children Check.

You may also incur day-to-day study-related expenses, such as transport and parking costs.

## Curtin Student Guild

The Curtin Student Guild provides comprehensive education, welfare and social services to members. If you register as a full Guild member, you can gain taxation and budgeting advice, and benefit from a range of on-campus and off-campus discounts. For example, the Guild and the Curtin Bookshop offer bookshop grants to students in financial hardship. To find out more, visit [guild.curtin.edu.au/advice/financial](https://guild.curtin.edu.au/advice/financial).

# Getting to and from Curtin

Curtin Perth is just six kilometres from the city centre. There are several easy, safe, affordable and environmentally friendly ways to get to and around campus.

## Parking

Download the smartphone parking app CelloPark, from the App Store or Google Play, to conveniently pay for the time you park on campus.

## Transperth buses

More than 500 public buses stop at Curtin each weekday during semester. Curtin has two main bus terminals: Curtin Bus Station and the Curtin Central Bus Station, on the eastern and north-western sides of campus, respectively.

Routes 100 and 101 are high-frequency bus routes that link Curtin Perth with the Canning Bridge train station. Routes 998 and 999 link Curtin with Oats Street train station.

The CircleRoute buses, which travel between Perth's universities, train stations and shopping centres, leave every 15 minutes between 6.30am and 8pm.

Full-time students are eligible for Transperth travel concessions.

## Curtin shuttle buses

Curtin provides a free hail-and-ride bus service for students who live in the suburbs of Waterford, Bentley, Victoria Park and South Perth. The Curtin Access Bus Service (CABS) operates on weekdays during semester. Download the CABS smartphone app for live GPS tracking, route mapping and timetables.

## Trains

### Mandurah line

Most Perth–Mandurah trains stop at the Canning Bridge train station, where you can then catch a connecting Transperth bus to Curtin. Buses run every seven or eight minutes during peak times.

### Armadale line

Most Perth–Armadale trains stop at Oats Street train station, where you can catch a connecting Transperth bus to Curtin.

## Cycling

Around campus, you will find many bicycle racks, several secure bike pods, and some bicycle enclosures with shower facilities that have secure swipe-card access.

## Find your way with our online maps

Online, mobile-friendly maps of Curtin Perth and Curtin Kalgoorlie will ensure you'll never get lost at uni.

▶ ▶ ▶ Visit [curtin.edu/maps](http://curtin.edu/maps).

# Glossary

## Course types

### Bachelor degree

The standard university award recognised worldwide for completing an undergraduate course.

- **Double degree:** Studying two complementary bachelor degrees concurrently. For example, Bachelor of Laws and Bachelor of Arts.
- **Honours:** Additional research and coursework at an advanced level.

### Postgraduate degree

A higher degree qualification and subject specialisation that can be studied once you have completed a bachelor degree.

### Undergraduate study

Education that leads to your first qualification from a university, usually a bachelor degree.

## Course structure

### Clinical placement

Working as part of a team in a clinical setting, under supervision.

### Fieldwork

An umbrella term for any approved practical work, teaching, study, volunteer or research activity, outside the normal place of university business. Fieldwork encompasses clinical placements, work placements, practicums, study tours and field trips.

### Major

A series of more than eight units in the same area within a bachelor degree. A major includes at least two units at final-year level.

- **Double major:** Studying two majors within a degree course. For example, Bachelor of Commerce (Economics and Finance).

### Professional placement / internship

Working in a professional environment to extend your knowledge and practical skills.

### Specialisation / minor

Specialisations and minors are a series of four units in the same discipline. A specialisation or minor may complement your major or be from a different discipline. For example, you may study a Bachelor of Commerce (Marketing) and complement this with a humanities specialisation such as Korean Studies.

### Stream

A series of six units in the same discipline.

### Unit

A component of a course that covers one subject area in detail.

A unit may comprise lectures, tutorials, class presentations, group work, computer lab sessions, case studies, workplace assignments and exams.

- **Core unit:** A compulsory unit, as specified in the course outline.
- **Elective unit:** A unit that can be chosen from any discipline as long as you meet the prerequisites.
- **Optional unit:** A unit that you choose from a specified list provided in the course outline.

## Course essentials

### ATAR

The Australian Tertiary Admission Rank, used for allocating places in university courses.

- **Guaranteed ATAR:** A rank that guarantees you entry to the course (provided you meet the course prerequisites and English language requirements).
- **Minimum ATAR:** The minimum rank you need to be considered for entry to a course.

## Accreditation

The formal recognition of a course by an accrediting body.

## Professional recognition

A formal acknowledgement of your professional status, which may be required to practise in your field, and eligibility to access services that support professionals in that field.

## Duration

The time it will take to complete the course if you study full-time.

## Intake

The semester or trimester when you can begin studying the course.

## Location

Curtin campuses that offer the course.

## Portfolio entry

A pathway into Curtin's courses if you're taking General subjects at high school, or are studying a combination of ATAR, General and/or VET certificates. It is also suitable if you've finished school without an ATAR.

## Prerequisite

A subject or unit you must complete before starting a course or taking a higher-level unit.

## STAT

The Special Tertiary Admissions Test (STAT) is a national test for those who don't meet university admission criteria. STAT can be used to meet entry criteria for some courses, or as a way to satisfy Curtin's English proficiency requirements if you haven't done so through year 12.

For more information, visit [tisc.edu.au/static/guide/stat.tisc](http://tisc.edu.au/static/guide/stat.tisc).

## Study mode

How much study you undertake in a semester or a trimester.

- **Domestic students:** Full-time study is three or four units per semester. Part-time study is one or two units per semester. Studying part-time reduces your weekly workload but extends the duration of your course.
- **International students:** International students studying in Australia on a student visa must study four units per semester for most courses. A small number of courses allow a study load of three units.

## Other university terms

### Advanced standing / credit for recognised learning

Recognition of any previous study or work experience you have that may exempt you from having to study some units of your degree.

### Faculty

A teaching area comprising university schools and disciplines.

### OUA

Open Universities Australia.

### Semester

A 16-week study period. There are two semesters per calendar year.

### TISC

The Tertiary Institutions Service Centre processes university applications on behalf of Western Australia's public universities. It also administers STAT.

### Trimester

A 14-week study period. There are three trimesters per calendar year.

### WACE

Western Australian Certificate of Education.
