CRICOS Provider Name: TAFE NSW - Technical and Further Education Commission CRICOS Provider Code: 00591E.

Achieve more with TAFE NSW

TAFE NSW is a vibrant, diverse and dynamic community that values learning new skills to achieve career goals. Whether you want to improve your English skills, study for a career, or complete a degree, TAFE NSW is the place for practical, real world skills that employers want.

For over 130 years, we have stood apart through our trusted reputation as the largest Government public provider of vocational education and training (VET) in the country. This means you can be assured that our nationally accredited courses are government guaranteed.

As an international student, you will be safe and supported throughout your journey at TAFE NSW, with programs designed to help you succeed. With locations across New South Wales, wherever you choose to study you will find a rich and rewarding experience waiting for you at TAFE NSW.

How to use this guide

1. Learn about TAFE NSW

TAFE stands for Technical and Further Education. Discover why TAFE NSW can provide the best start to your dream career. Learn about our teachers, locations, courses – and why you can feel safe choosing TAFE NSW.

Start thinking about where you would like to live, study and work in New South Wales (NSW), and get excited about launching your new career.

- Why choose TAFE NSW? Page 4

2. Decide on a course and qualification

Find your ideal course using the profiles in this guide for inspiration. Visit tafensw.edu.au/international to discover all your options. Then choose the qualification level you require, whether certificate, diploma, advanced diploma, or bachelor degree.

TAFE NSW also offers English language courses, so you can improve your English and prepare for your studies.

- English language courses: Pages 10-11
- Course areas: Pages 12-66
- TAFE NSW Degree: Pages 68

3. Choose your TAFE NSW location

Each TAFE NSW location offers its own unique qualities. Find out more about life on location - visit tafensw.edu.au/international/study/locations

- TAFE NSW locations: Page 8-9

4. Check the entry requirements and fees

Before you apply for a course, make sure you meet the entry requirements and have worked out how much you will need to pay.

Note that you may need to take an English test before enrolling in a TAFE NSW course, depending on visa requirements and your English language level.

- Your enrolment: entry requirements, visas and fees: Pages 73-76

5. Apply

Once you have decided on your course and location, you're ready to apply. You can do this through an education agent, online, or by email. The most popular method is to apply through a registered TAFE NSW education agent.

- How to apply: Page 73

Why choose TAFE NSW?

Safe places for learning and growth

At TAFE NSW, there are plenty of study spaces, as well as opportunities to network and socialise, or just chill out. These include cafés, gyms, bookshops, galleries and exhibition spaces, as well as areas for student bands, barbecues, and theatre performances.

Jobs Connect

Jobs Connect is a free service, helping TAFE NSW learners take their next career step by providing recruitment support and connecting them with top employers.

We understand that finding a job can be daunting, which is why the Jobs Connect team will support you every step of the way. They'll help you land the job you want by providing you with the skills to stand out throughout the recruitment process.

The Jobs Connect team can help you:

- Find out what employers are looking for throughout the recruitment process
- Be exposed to employment opportunities while you study
- Have recruitment resources at your fingertips

To learn more about Jobs Connect, visit tafensw.edu.au/student-services/jobs-connect.

Libraries

TAFE NSW has a statewide network of libraries with the latest digital and print resources. Our librarians can assist you with locating resources and library facilities, information services, and a range of other online support services.

You can also get access to computers and software, WiFi, individual and group study areas, photocopying, printing and scanning services (including 3D printing at some locations), as well as all the research, referencing, and bibliography help you need for your assignments.

Childcare centres

Excellent childcare facilities are provided at some TAFE NSW locations. Places may be available for children under the age of six.

Work placement

Some of our courses require additional skill development that can only be achieved through work placements. Work placements are opportunities for students to develop their skills in a real world, workplace environment.

Students have an incredible opportunity to build valuable industry contacts that could lead to further work opportunities. To learn more about work placement requirements and opportunities, please refer to your specific course area on our website tafensw.edu.au/international.

International Customer Experience Team

Your dedicated International Student Coordinator will organise your orientation program, meet you when you arrive at TAFE NSW, answer all questions about your study program, help to resolve any problems and assist you in accessing other support services. To find your International Customer Experience Coordinator, visit tafensw.edu.au/international/enrol/support-services.

Student support

Disability services

tafensw.edu.au/disability

TAFE NSW Disabilities Services ensure that students with a disability have access, support, and equal opportunities while studying. Disability Teacher Consultants will assist with providing reasonable adjustment based on your individual needs and the course in which you are enrolled. Disability Teacher Consultants can also help with assistive and adaptive technology needs. Additional fees may apply.

Counselling and career development services

tafensw.edu.au/counselling

The TAFE NSW counselling and career development is a free and confidential service designed to help you with strategies to get the most from your course and your studies, as well as in your chosen career. Prospective TAFE NSW students are able to access the service to assist with course choice decisions and career planning.

Students enrolled with TAFE NSW are able to access a range of services to assist in career development and personal support.

Learning support

tafensw.edu.au/study-support

TAFE NSW provides valuable learner support through 24/7 access to LinkedIn Learning, via Smarthinking that connects you to subject specialists, and the Read & Write App. Call 131 601 to find out what study support services are available at your location.

Scholarships

tafensw.edu.au/international/enrol/scholarships

International students may be eligible for a scholarship to support your studies at TAFE NSW. All scholarship opportunities, eligibility requirements and closing dates are updated regularly on our webpage.

Pathways to success

Are you looking to fast-track your career? Consider a TAFE NSW pathway. Whether you're preparing for work or further study, wanting to develop new skills, or pursuing a specific career outcome, we have the perfect pathway for you. Your journey will be tailored to your unique combination of skills, experience, study preferences, and career goals. Take a moment to explore our most popular entry points and start planning your future today.

English Courses

tafensw.edu.au/international/study/courses/english

TAFE NSW offers intensive English language courses at government-owned and operated English Language Centres across NSW.

Certificate and Diplomas

tafensw.edu.au/international/study/courses/certificate-advanced-diploma

TAFE NSW offers a range of nationally recognised vocational qualifications including certificate, diploma and advanced diploma courses.

TAFE NSW Degrees

tafensw.edu.au/international/study/courses/degrees

We offer pathways from some diploma and advanced diploma studies. Credit transfers allow graduates of some diploma and advanced diploma courses into accredited TAFE NSW undergraduate degrees.

University Pathways

tafensw.edu.au/international/study/courses/pathways

TAFE NSW offers a range of pathway programs that provide guaranteed entry into a number of Australian universities.

Choose a NSW location

Australia is a culturally diverse country, with people from many different backgrounds living and working together. Whichever TAFE NSW location you choose, you will have opportunities for social and recreational activities with local students through the international customer experience coordinator.

Sydney

Sydney is the capital of New South Wales and one of Australia's largest cities. It is best known for the Sydney Opera House, Darling Harbour, Sydney Harbour Bridge, and the Royal Botanic Garden.

The Sydney region is bordered by beautiful coastlines and inner city suburbs boasting lively theatre experiences, great restaurants, exciting nightlife and a vibrant cultural scene.

Western Sydney

Located to the west of the Sydney CBD, the Western Sydney region is one of NSW's diverse cultural hubs. The region is experiencing significant growth and is developing the industries and communities of the future.

Encompassing significant areas of national parks and waterways, the Western Sydney region is bordered by the world heritage listed areas of the Blue Mountains, including the Three Sisters.

International students can choose from more than 30 locations across New South Wales.
tafensw.edu.au/international/study/locations

Northern NSW

Northern NSW is a regional hub fostering innovative, creative, and technology-based businesses. It is home to charming country towns, idyllic farmlands, Australian wildlife, and beautiful coastlines.

Home to award winning wine regions, the famous beaches of Byron Bay and expanding to the Queensland border, Northern NSW offers students an amazing opportunity to experience regional Australia, including beautiful heritage sites and ancient rainforests.

Southern NSW

Extending south from Sydney to the state border, the rolling hills and breathtaking ocean views of the Southern NSW region are a fantastic backdrop to your studies. Studying in the Southern region enables students to develop skills related to the industries that these communities support, in particular sustainable agriculture.

Western NSW

The Western region has iconic rural and outback landscapes to explore, as well as historical villages and townships. Travelling to Western NSW is made easy by air, road, and rail connections. You can journey to the heart of NSW and experience rich Indigenous culture, visit World Heritage listed national parks as well as experience the iconic Australian outback.

International students can choose from more than 30 locations across New South Wales.
tafensw.edu.au/international/study/locations

English Language Courses

TAFE NSW can help you meet the English language requirements of your chosen vocational or higher education course. Our English language courses offer flexible study options and commence every Monday, 50 weeks of the year.

Once you successfully complete your English course, you will automatically satisfy the English language entry requirements of your chosen TAFE NSW vocational or higher education course. You can study English as a stand-alone course, or package it with a TAFE NSW degree, advanced diploma, or certificate course.

Strong study support

When you enrol, you will enjoy access to all campus facilities and online practice activities, as well as the support of our highly experienced and qualified teachers who can develop your reading, writing, listening, and speaking skills.

General English Program

(2 - 50 weeks, 20 hours per week) CRICOS #049258C

This course helps to develop your confidence in communicating in English, and is suitable for students from beginners to advanced. Successful completion of General English gives you direct entry into TAFE NSW vocational courses that have an IELTS 5.5 entry requirement.

English for Academic Purposes

(5 - 20 weeks, 20 hours per week) CRICOS #0101064

This course aims to improve your English language proficiency and academic strategies for successful participation in academic and Higher Education courses.

To find out more, contact one of our TAFE NSW English Language Centres across NSW, and learn what options are available in each location to help you meet your English language goals.

Please note, the length of your English course will depend on your English proficiency at the time of enrolment, your progress during the course, and the entry requirements for the course that you want to study afterwards.

For detailed course information and English language entry requirements, please visit tafensw.edu.au/international

A typical week in an English class

The best learning results come from mixing teaching methods, which is why you will read, write, listen, and participate in group discussions and conversations. With 20 hours per week of varied study, you will learn English easier and faster at TAFE NSW.

TAFE NSW English Language Centres

Sydney and Regional centres: Ultimo, Newcastle (Tighes Hill), Wollongong and Kingscliff*

Regional centre: Newcastle (Tighes Hill)

*English for Academic Purposes not offered at Kingscliff.

Agriculture & Land Management

Job opportunities

High-demand sectors such as food production and processing, timber processing, natural area restoration, and horticulture are expected to experience growth in employment rates and investment.

The consumption of the Earth's natural resources is at an all-time high. As our world becomes more populated and the demand on resources continues to grow, it becomes crucial to create liveable, sustainable, and economically viable spaces for people, plants and animals.

Turn your passion for the natural world into a rewarding career shaping a sustainable future for Australia. TAFE NSW is one of Australia's largest providers of agriculture, food processing, land management, and horticulture training. Thousands of employers and industry experts choose TAFE NSW each year, because we're passionate about providing the quality, practical experience that helps students to reach their career goals. There's a wide variety of courses to choose from, whether you are just starting out, are looking to take your next step, or want to make an exciting career change.

Strong industry connections

Established and dynamic employer networks, including the Royal Agricultural Society, Landcare NSW, Aboriginal Land Councils, the Australian Wool Exchange, the Australian Association of Bush Regenerators, The Landscape Association, the Australian Institute of Horticulture, the Forest Industry Council, Australian Forest Growers, the Australian Meat Industry Council, the Australian Institute of Food Science and Technology, the Australian Sports Turf Managers Association, the International Society of Sustainability Professionals, Society for Ecological Restoration, and Dairy Australia.

Agriculture

If you have a passion for plants and animals, soils, sustainability, and the great outdoors, then studying agriculture could be the perfect fit for you. TAFE NSW offers courses with practical experience for working in agriculture, focussing on food and animal production and farm management. Stay up to date with technology and management practices for all types of livestock and crops. This sector can offer you the chance to make a real difference to the environment, and to the people of Australia.

Full time work

More than 80% of this sector are employed full time in Australia.[^]

Arts, Fashion, Design & Digital Media

Employment growth

2,000+ jobs forecast over the 3 years to 2024-25 for the NSW Arts, Fashion, Design, Digital Media and Animation sectors.[^]

The benefits of the creative economy in Australia can be seen in our flourishing design, fashion, interior, music, film, art and digital industries. More than half a million Australians now work in the creative fields. From cultural diversity to social inclusion and innovation, the arts, music, fashion, digital design, film, and TV sectors are some of the fastest growing and dynamic industries.

TAFE NSW arts, music, fashion, digital design, film, and TV courses are developed in close consultation with industry. When you choose TAFE NSW, you will learn in industry-standard facilities from experienced teachers who are passionate about what they do. Choose from a variety of disciplines and start at a level to suit you. A career in arts, music, fashion, digital design, film, and TV will give you a chance to become a part of Australia's creative economy.

Strong study pathways

TAFE NSW offers a range of creative industry degrees. Pathways also exist to other higher education providers.

[^] Source: Employment forecast data from TAFE NSW - Strategy and Research 2022 and Deloitte Access Economics 2022.

Design

Channel your passion and develop your creative talents to forge a rewarding and fulfilling career. You could learn to design amazing brand and advertising campaigns, beautiful interiors, innovative products and equipment, 3D art and animation, or provide administrative support to the art and design industry. At TAFE NSW, our talented teachers will foster your artistic gifts and develop your design skills and techniques, to ensure you are properly set up for a successful career.

Building & Construction

Job opportunities

This area has strong growth projected over the next five years in Australia.[^]

More than half the world's population live in cities. With the increase in urbanisation and continued growth in population, the development of our environment into liveable and sustainable spaces that will accommodate diverse and growing communities is vital.

There are countless career options within the building, construction, and property industries. Study for a career in this area, and you will have the chance to design, innovate, create, and use your skills to help build and shape the future of Australia.

Strong industry connections

TAFE NSW maintains partnerships with major projects such as Western Sydney Airport Skills Exchange, as well as peak industry bodies including the Master Builders Association, Housing Industry Association, and Australian Property Institute.

[^] Source: JobOutlook, ANZCO ID 312199

Building & Construction

With the current shortage of qualified construction managers within the building industry throughout Australia, there has never been a better time to get into construction. A qualification in building and construction will help you develop the skills and knowledge to manage building projects, including selecting contractors, contract management, overseeing work quality, and liaising with clients. Completing qualifications in building and construction can lead to a building contractor's licence and can give you the freedom to set up your own business, or lead to a career in project management.

Business & Finance

Employment growth

The future of this sector in Australia indicates strong job growth.[^]

From the point of conception to the point of sale, the varied roles of business and finance underpin all sectors of the Australian economy. The skills you develop and fine-tune will open countless career doors, no matter what your passion.

Whether you are interested in small or large enterprises, specialist work or general management roles, TAFE NSW offers a range of business and finance qualifications that provide insight into organisational productivity and business success. Focus your skills on accounting and finance, human resources, training and assessment, marketing and communications or sales and retail. Provide specialist business administration support or learn to lead and manage a team to ensure your business is organised for ongoing success. Whatever your passion or direction, your knowledge will be transferable across multiple industries, ensuring your career progresses.

Strong study pathways

TAFE NSW offers a range of business and finance related degree programs, with credit from our diploma courses.

[^] Source: JobOutlook, ANZCO ID 1321

It was the teachers who gave me the confidence to continue my study. Their caring and supportive methods ensured that I believed in myself and my abilities – something money can't buy.

Gilda, Financial Planning

Accounting & Finance

There is strong demand in the public and private sector for highly trained accounting and finance professionals. Expertise in accounting and finance is essential for both business and personal success. TAFE NSW offers a wide variety of courses in this sector, giving you the skills and knowledge to become an industry leader, specialising in accounting, banking, investment, financial planning, mortgage, and stockbroking in Australia and overseas.

Community Services

Industry demand

Australia currently has a workforce of over 65,000 welfare support workers.[^]

When you work in community services, your people skills, compassion, and expertise make a real difference to the people in your community. TAFE NSW provides a range of qualifications that can give your career a helping hand, with flexible, stimulating and nationally recognised courses.

Whether you're interested in working with older people, helping children learn and grow, supporting people with a disability or making a difference in your community, TAFE NSW is the smart choice. We are Australia's largest education and training provider with courses ranging from an entry-level qualification through to specialist skills. All of which, have been designed by industry, to prepare you for a career working with people of all ages and needs.

Profile Spotlight

Ramesh, Bachelor of Early Childhood Education and Care

Ramesh came to Australia from Nepal to study at TAFE NSW Nirimba, and despite studying full time and working part time, Ramesh managed to find 20 to 30 hours each week to devote to volunteer work empowering, inspiring and motivating other international students as President and founding member of the not-for-profit organisation, Vision for Motivation.

As a result, in 2020 Ramesh was named the International VET/TAFE Student of the Year by the Council of International Students Australia.

Ramesh wants to pursue further study in curriculum and instruction, with a view to eventually returning to Nepal to help influence their education system.

Winning this award wouldn't have been possible without the continuous support and dedication from my TAFE NSW teachers.

Ramesh

Engineering

Growing industry

Engineering trades and technician roles are expected to see an increase in demand, and the electronics and electrotechnology industry revenue will reach AUD \$2.5 billion in the coming years in Australia.[^]

Sustainability, innovation, robotics, the digital age - there has never been a more exciting time to work in engineering and electrotechnology. This is a sector that's always advancing, so take the opportunity to build a brighter future for yourself, and for the planet.

You will learn on specialist simulators and industry-standard software, in learning environments that are as industry-realistic as possible. TAFE NSW study can lead you into a wide range of industries, including construction, manufacturing, or robotics. Whatever career you choose to pursue, you will be working with different technologies and experiencing different challenges and rewards every day.

Job ready and sustainable focus

From sustainable technologies, automation, and material technology, to communications and CAD skills, your learning is always focused on the needs of tomorrow's workplaces.

[^] Source: TAFE Strategic Research & Analysis, Industry and Training Outlook, May 2020

Engineering Studies

If you enjoy creative solutions, solving problems and working with machines and technology, then engineering and mechanical engineering could be for you. With developments in robotics and mechanical technologies, now is the time to get skilled for the future. Opportunities are opening up across a vast range of industries, from aerospace through to energy generation. So build your career in a clean and high tech environment, while helping to build a sustainable future.

Earning potential

The median weekly wage for a full time engineering tradesperson or technician in Australia is AUD \$1,270.[^]

Hairdressing & Beauty

Job opportunities

The future employment growth in this field is expected to be very strong, driven by a significant industry demand for individuals with full qualifications and specific skill sets.[^]

If you want a profession where you can help people look and feel their best, and gain creative skills you can take anywhere in the world, then you should study a hairdressing, barbering, or beauty course with TAFE NSW.

Learn from industry-experienced teachers and graduate with the confidence to build your career as a highly skilled hairdresser, or beauty, nail, or makeup professional. Whether you have your heart set on working in, or opening, your own upscale hair or beauty salon, we can ensure that you learn the latest techniques while gaining practical skills and experience in our purpose-built learning facilities. TAFE NSW has nationally recognised qualifications for every stage of your career, and we are passionate about delivering quality training.

Real experience in the real world

Train on real clients in our specialist salons. You can also develop your portfolio and showcase your skills in exhibitions and photo displays.

Information & Communications Technology

Growing industry

Australia is currently grappling with a substantial shortage of skilled ICT specialists.[^]

The ever-evolving information and communications technology (ICT) industry continues to be dynamic, progressive and exciting. The need for technical support and creative solutions paves the way for ongoing innovation and growth, with skilled ICT professionals remaining in high demand.

TAFE NSW is a leading provider of training for the ICT sector. Choose from a wide range of courses and career paths across multiple industries, with specialisations matched to current and developing technologies; from cloud-based technology, mobile, and big data analytics, to social technologies. Whether you are interested in a technical support role, the creation of systems and software, cyber security, or the design of games and websites, our digital and IT students graduate with skills that are highly demanded within the workforce.

Practical education

High tech computer laboratories include a pull-apart workshop for hardware testing, networking tasks, and virus search and removal.

[^] Source: AISC, Employment Snapshot, ICT Industry

Networking

Information technology networking involves connecting a range of machines and devices throughout an organisation, either physically, virtually, or both. As the world grows increasingly interconnected, networking roles will become ever more crucial to how companies conduct business. When you enrol in a TAFE NSW networking course, you will learn the necessary skills and knowledge needed to effectively manage networks, install a variety of virtual machines, and develop a strong understanding of sustainable IT practices.

Is it right for you?	Courses offered include	Potential career opportunities

Maritime

Job opportunities

Australia currently employs approximately 7,700 professionals in the field of marine transport.[^]

If you fancy working on deck or in the engine room of seafaring vessels, then set sail for a maritime career. Qualified employees are in demand and there is great scope for career advancement in a wide range of work environments. From deckhands to marine engineers, there are a range of dynamic and exciting career options, all with the possibility of international work and travel.

TAFE NSW Maritime courses are delivered by professionals who have the industry experience and connections to help you launch your career. Your training will be designed with industry leaders, teaching you the practical skills in interactive learning environments that include marine digital simulators. The maritime industry is truly international and plays a large part in global business and management. Potential employers include shipping lines, ports and terminals, shipping manufacturers, logistics and freight companies.

Industry-standard facilities

Apply your skills in interactive learning environments, including simulated workspaces and field trips on vessels.

External Industry requirement: These qualifications form some of the requirements for certification by the Australian Maritime Safety Authority (AMSA) as described in Marine Orders 70-73 (2014), under the Navigation Act 2012. People seeking certification should check requirements with AMSA www.amsa.gov.au

Tourism, Hospitality & Events

Job opportunities

With a workforce of over 850,000 employees, this industry accounts for 6.5% of Australia's total workforce.[^]

With the right mix of skills, experience, and a TAFE NSW qualification, your career in tourism, hospitality and events can take you anywhere in the world. From producing fine cuisine, to organising perfect events, or helping someone have the holiday of a lifetime, a career in these exciting industries will enable you to unleash your creative, organisational and people skills. Your journey towards a global career starts here.

When you combine TAFE NSW's tourism, hospitality, and events courses and industry connections, you will have the skills and confidence you need to be successful in whatever service industry career you choose. Not only does a TAFE NSW qualification demonstrate to employers that you are skilled for today's workplace, as well as the needs of tomorrow, but it also gives you the practical and innovative skills to open doors to global career opportunities.

Global opportunities

Use your qualification to travel the world in exciting careers for leading organisations, just like many of our graduates currently do. There may also be study tour options linked to your course.

TAFE NSW Degrees

A TAFE NSW degree will teach you the real world skills that employers are looking for. Taught by industry professionals in top quality facilities, our degrees are in industry sectors as diverse as ICT, Fashion Design, Applied Commerce, Early Childhood Education and Care, Business, Hospitality and Hotel Management. With a TAFE NSW degree, you will graduate with strong theoretical knowledge, practical experience and industry connections that will give you a head start in your career.

The TAFE NSW Degree difference

- Learn from highly qualified, friendly, and industry experienced teachers
- Enjoy smaller class sizes for an enhanced learning experience
- Study with a community of like minded students
- Be connected with our many industry partners
- Learn in industry-standard, purpose built facilities
- Earn degrees that have been developed in consultation with industry to ensure currency and relevance
- Get valuable industry experience in work placements and internships

Get more information

At TAFE NSW, we are continually expanding our range of higher education opportunities in metropolitan and regional locations. For more information about our courses, delivery locations, application processes, and tuition fees, please visit our website at [tafensw.edu.au/international/study/courses/degrees](https://www.tafensw.edu.au/international/study/courses/degrees)

“

I am immensely grateful for the support and encouragement I received at TAFE NSW. The educators played a crucial role in motivating me to study and strive for excellence. Thank you all for making a significant difference in my education.

Gracie, Early Childhood Education and Care

TAFE NSW Degree Pathways

On successful completion of a TAFE NSW course, TAFE NSW Degree Pathway programs can provide you with a guaranteed pathway to enter a bachelor's degree, with credit towards the degree. Credit transfer arrangements vary from program to program and are available for TAFE NSW degrees as well as with our university partners.

Advantages of a degree pathway

- It gives you two recognised qualifications (often in the same amount of time it would take to complete a single degree)
- It provides you with practical, career-focused skills to accompany your degree
- It allows you to begin your studies in a small-class setting, with individual access to teachers and support staff
- It can lower the total cost of obtaining a degree

University Pathways

TAFE NSW is a pathway partner with leading Australian universities. On successful completion of the TAFE NSW course, agreements with these universities guarantees your entry.

Articulation

TAFE NSW has articulation agreements (credit transfer) with many Australian universities.

This means that you could receive course credit at university for your previous studies, and not have to repeat subject areas you have already covered at TAFE NSW.

On completion of your TAFE NSW studies, articulation arrangements provide you with more study options. Find out more at credittransfer.tafensw.edu.au

Application process

1. Choose a course and location

Pick the location you want to study [tafensw.edu.au/international/study/locations](https://www.tafensw.edu.au/international/study/locations). Make sure you meet the entry requirements: See page 75 or visit [tafensw.edu.au/international/enrol/how-to-apply/entry-requirements](https://www.tafensw.edu.au/international/enrol/how-to-apply/entry-requirements)

2. Download and complete the application form

For TAFE NSW to University packages, follow the respective university application process at [tafensw.edu.au/international/enrol/how-to-apply](https://www.tafensw.edu.au/international/enrol/how-to-apply)

3. Prepare certified copies of your documents

A certified copy is a copy of the original document signed and dated by the organisation that issued the original document, a government official, Public Notary or Justice of the Peace, or an education agent of TAFE NSW, confirming that they have sighted the original.

4. Submit your application online

Access and submit your application at [tafensw.edu.au/international](https://www.tafensw.edu.au/international). A TAFE NSW education agent can help.

5. Receive offer letter

A TAFE NSW Admissions Support Officer will assess your application and issue your offer letter(s) with an invoice.

6. Make payment

Accept your offer and make payment.

7. Get a Confirmation of Enrolment (CoE)

Your Admissions Support Officer will issue a Confirmation of Enrolment (CoE).

8. Apply for visa

Apply for your visa and enrol at TAFE NSW.

2024 term dates

English Language Courses*

New students can start on Monday of any week, although at some centres, sessions start every five weeks.

Sessions	Dates	Sessions	Dates
Session 1	2 January – 2 February	Session 6	24 June – 26 July
Session 2	5 February – 8 March	Session 7	28 July – 30 August
Session 3	11 March – 12 April	Session 8	2 September – 4 October
Session 4	15 April – 17 May	Session 9	8 October – 8 November
Session 5	20 May – 21 June	Session 10	11 November – 13 December

* Please speak with the English Language Centre (at the location you choose to study at) for the best study plan and starting date to suit you.

Certificate and Diploma Courses

Term 1 (February intake)	5 February – 14 April	Term 3 (July intake)	22 July – 29 September

* Only available for some courses. See tafensw.edu.au/international

Note: There are two semesters per calendar year.

Degree Courses

Sessions	Dates	Sessions	Dates
Term 1	5 February – 12 April	Term 3	22 July – 27 September
Autumn vacation	15 April – 26 April	Spring vacation	30 September – 11 October
Term 2	29 April – 7 June	Term 4	14 October – 22 November
Winter vacation	10 June – 19 July	Summer vacation	25 November – 7 February 2024

Note: There are two semesters per calendar year.

Course entry requirements

TAFE NSW international student applicant qualifications are assessed as part of the admissions process. For academic equivalences by country, see tafensw.edu.au/international

As a general guide, for diplomas and bachelor degrees, Year 12 or equivalent is required. Please also note:

- Additional requirements apply for most degree courses.
- To enter a diploma or advanced diploma course, you may need to complete a Certificate III or Certificate IV course, or demonstrate an equivalent skill level. If a prerequisite applies, you will receive an offer letter which includes both the lower and higher level course.
- For design, digital media, fashion technology, fine arts and music courses, you are required to submit a portfolio, design or written task along with your application.

See the website for detailed information about entry requirements tafensw.edu.au/international

Your level of English

The minimum English language requirement is Academic IELTS 5.5 or TOEFL (iBT) 46 or General English program. Some courses, like the TAFE NSW bachelor degrees, require a higher IELTS, Academic IELTS 6.5 with no band less than 6.0 or TOEFL (iBT) 79. Alternatively, our English for Academic Purposes course will give you direct entry into our bachelor courses. The Diploma of Nursing requires an overall Academic IELTS of 7, with no band less than 7, or equivalent scores in other acceptable tests, such as the Occupational English Test (OET).

TAFE NSW offers English language courses: See page 10.

Your student visa application

To apply online for a student visa (subclass 500), go to the following link immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500

If you do not have an ImmiAccount, you will be prompted to create one. You can use the Department of Home Affairs (DHA) online tool to check the financial and English requirements that apply to you immi.homeaffairs.gov.au/visas/web-evidentiary-tool

If you are applying for a student visa from outside Australia, and if the online tool asks you to provide any additional financial or English language evidence, then you will need to apply through a TAFE NSW education agent.

For comprehensive information regarding student visas, visit the DHA website immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500
