TAFE NSW

INTERNATIONAL

International Student Guide 2026

tafensw.edu.au/international

In the spirit of reconciliation, TAFE NSW acknowledges Aboriginal and Torres Strait Islander Peoples as the Traditional Custodians of Country throughout Australia and their connections to land, sea and community. We pay our respect to their Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander Peoples today.

Tamarama Beach, Eora Nation.
Sydney's Eastern Suburbs, NSW: traditional lands of the Bidjigal and Gadigal Peoples.

Achieve more with TAFE NSW

TAFE NSW is a vibrant, diverse and dynamic community that values learning new skills to achieve career goals. Whether you want to improve your English skills, study for a career, or complete a degree, TAFE NSW is the place for practical, real world skills that employers want.

For over 140 years, we have stood apart through our trusted reputation as the largest Government public provider of vocational education and training (VET) in Australia. This means you can be assured that our nationally accredited courses are government guaranteed.

As an international student, you will be safe and supported throughout your journey at TAFE NSW, with programs designed to help you succeed. With locations across New South Wales, wherever you choose to study you will find a rich and rewarding experience waiting for you at TAFE NSW.

How to use this guide

1. Learn about TAFE NSW

TAFE stands for Technical and Further Education. Discover why TAFE NSW can provide the best start to your dream career. Learn about our teachers, locations, courses – and why you can feel safe choosing TAFE NSW.

Start thinking about where you would like to live, study and work in New South Wales (NSW), and get excited about launching your new career.

- Why choose TAFE NSW? Page 4

2. Decide on a course and qualification

Find your ideal course using the profiles in this guide for inspiration. Visit tafensw.edu.au/international to discover all your options. Then choose the qualification level you require, whether certificate, diploma, advanced diploma, or bachelor degree.

TAFE NSW also offers English language courses, so you can improve your English and prepare for your studies.

- English language courses: Pages 10-11
- Course areas: Pages 12-69, please refer to contents page
- TAFE NSW Degrees: Page 70

3. Choose your TAFE NSW location

Each TAFE NSW location offers its own unique qualities. Visit tafensw.edu.au/international/study/locations to find out more

- TAFE NSW locations: Page 8-9

4. Check the entry requirements and fees

Before you apply for a course, ensure that you meet all the entry requirements. You can find the course details, entry requirements, locations, intakes, and the course fee on the TAFE NSW International website.

Note that you may need to take an English test before enrolling in a TAFE NSW course, depending on visa requirements and your English language level.

- Your enrolment: entry requirements, visas and fees: Pages 73-76

5. Apply

Once you have decided on your course and location, you're ready to apply. You can do this through an education agent, online, or by email. The most popular method is to apply through a registered TAFE NSW education agent.

- Application Process: Page 73

Student support services

Disability services

tafensw.edu.au/disability

TAFE NSW Disabilities Services ensure that students with a disability have access, support, and equal opportunities while studying. Disability Teacher Consultants will assist with providing reasonable adjustment based on your individual needs and the course in which you are enrolled. Disability Teacher Consultants can also help with assistive and adaptive technology needs. Additional fees may apply.

Counselling and career development services

tafensw.edu.au/counselling

The TAFE NSW Counselling and Career Development Service is free and confidential* and is designed to help you with strategies to get the most from your course and studies. Prospective TAFE NSW students are able to access the service to assist with course choice and career planning. TAFE NSW students are able to access a range of services to assist in career development and personal support.

Learning support

tafensw.edu.au/study-support

TAFE NSW provides valuable learner support through 24/7 access to LinkedIn Learning, via Smarthinking that connects you to subject specialists, and the Read & Write App.

Scholarships

tafensw.edu.au/international/enrol/scholarships

International students may be eligible for a scholarship to support studies at TAFE NSW. All scholarship opportunities, eligibility requirements and closing dates are updated regularly on our webpage.

*Limits to confidentiality include risk of harm to self or others, and where there is a legal requirement to provide information.

Safe places for learning and growth

tafensw.edu.au/study/support-services/study-support

At TAFE NSW, there are plenty of study spaces and opportunities to network and socialise, including cafés, gyms, bookshops, galleries and exhibition spaces.

Jobs Connect

tafensw.edu.au/student-services/jobs-connect

Jobs Connect is a free service, helping TAFE NSW learners take their next career step by providing recruitment support and connecting them with top employers. The Jobs Connect team will help you land the job you want by providing you with the skills to stand out throughout the recruitment process, including:

- Understand the recruitment process
- Be exposed to employment opportunities while you study
- Have recruitment resources at your fingertips.

Library Services

tafensw.libguides.com

When you study with us, you'll gain access to our statewide network of library spaces and the latest digital and print resources. Our qualified library teams provide face-to-face and online support through:

- Unlimited access to our eResources anytime you need. This includes eBooks, journals, and databases.
- Our 'Ask a Librarian' service. You can use this service to connect with a librarian online, or research our Frequently Asked Questions.
- Support with research, bibliography and referencing using our online library.
- Access to computers, software, Wi-Fi, study areas, photocopying, printing and more.

Childcare Services

tafensw.edu.au/student-services/childcare-services

TAFE NSW has established campus-based Children's Centres, so your child can learn while you study and work. Our Centres are licensed to provide long day care for children from six weeks to under six years under the Education and Care Services National Regulations. Our positive learning environment is based on the National Early Years Learning Framework, which guides our practice.

Work placement

tafensw.edu.au/international

Some of our courses require additional skill development that can only be achieved through work placements. Work placements are opportunities for students to develop their skills in a real world, workplace environment. Students have an incredible opportunity to build valuable industry contacts that could lead to further work opportunities.

International Customer Experience Team

tafensw.edu.au/international/support/services

Your dedicated International Customer Experience Coordinator will organise your pre-arrival as well as your international orientation when you arrive at TAFE NSW, answer all questions about your study program, visa obligations, help to resolve any problems and assist you in accessing other support services.

Choose a NSW location

Australia is a culturally diverse country, with people from many different backgrounds living and working together. Whichever TAFE NSW location you choose, you will have opportunities for social and recreational activities with local students through the International Customer Experience Coordinator.

Sydney

Sydney is the capital of New South Wales and one of Australia's largest cities. It is best known for the Sydney Opera House, Darling Harbour, Sydney Harbour Bridge, and the Royal Botanic Garden.

The Sydney region is bordered by beautiful coastlines and inner city suburbs boasting lively theatre experiences, great restaurants, exciting nightlife and a vibrant cultural scene.

Western Sydney

Located to the west of the Sydney CBD (Central Business District), the Western Sydney region is one of NSW's diverse cultural hubs. The region is experiencing significant growth and is developing the industries and communities of the future.

Encompassing significant areas of national parks and waterways, the Western Sydney region is bordered by the world heritage listed areas of the Blue Mountains, including the Three Sisters.

International students can choose from more than 30 locations across New South Wales.
tafensw.edu.au/international/study/locations

Northern NSW

Northern NSW is a regional hub fostering innovative, creative, and technology-based businesses. It is home to charming country towns, idyllic farmlands, Australian wildlife, and beautiful coastlines.

Expanding to the Queensland border, and home to award-winning wine regions and famous beaches, Northern NSW offers students an amazing opportunity to experience regional Australia, including beautiful heritage sites and ancient rainforests.

Southern NSW

Extending south from Sydney to the state border, the rolling hills and breathtaking ocean views of the Southern NSW region are a fantastic backdrop to your studies. Studying in the Southern region enables students to develop skills related to the industries that these communities support, such as advanced manufacturing, ICT, tourism, defence, and healthcare.

Western NSW

The Western region has iconic rural and outback landscapes to explore, as well as historical villages and townships. Travelling to Western NSW is made easy by air, road, and rail connections. You can journey to the heart of NSW and experience rich Indigenous culture, visit World Heritage listed national parks as well as experience the iconic Australian outback.

International students can choose from more than 30 locations across New South Wales.

English Language Courses

TAFE NSW can help you meet the English language entry requirements of your chosen vocational or higher education course. Our English language courses offer flexible study options and commence every Monday, 50 weeks of the year.

Once you successfully complete your English course, you will be confident in your ability to communicate, as well as automatically satisfy the English language entry requirements of your chosen TAFE NSW vocational or higher education course. You can study English as a stand-alone course, or package it with a TAFE NSW degree, diploma, or certificate course.

Strong study support

When you enrol, you will enjoy access to all campus facilities and online practice activities, as well as the support of our highly experienced and qualified teachers who can develop your reading, writing, listening, and speaking skills.

General English Program (Beginner to Advanced)

This course helps to develop your confidence in communicating in English, and is suitable for students from beginners to advanced. Successful completion of General English gives you direct entry into TAFE NSW vocational courses that have an IELTS 6.0 entry requirement.

Course No./National Code	Course Name	Duration	Award Level	Fee ($AUD)
049258C	**General English Program**	Up to 50 weeks (20 hours per week: face-to-face)	TAFE Statement	$340 per week (when packaged with a vocational and/or Higher Education course at TAFE NSW) $420 per week (standalone course)

The tuition fee is payable in advance. If your application for this program is successful, you will receive a letter of offer with payment details.

English for Academic Purposes

This course aims to improve your English language proficiency and academic strategies for successful participation in academic and Higher Education courses.

Please note, the length of your English course will depend on your English proficiency at the time of enrolment, your progress during the course, and the entry requirements for the course that you want to study afterwards.

For detailed course information and English language entry requirements, please visit tafensw.edu.au/international

Course No./National Code	Course Name	Duration	Award Level	Fee ($AUD)
0101064	**English for Academic Purposes**	Up to 20 weeks (20 hours per week: face-to-face)	TAFE Statement	$340 per week (when packaged with a vocational and/or Higher Education course at TAFE NSW) $420 per week (standalone course)

The tuition fee is payable in advance. If your application for this program is successful, you will receive a letter of offer with payment details.

Visit the website for the latest course information www.tafensw.edu.au/international/courses/english-courses.

A typical week in an English class

The best learning results come from mixing teaching methods, which is why you will read, write, listen, and participate in group discussions and conversations. With 20 hours per week of face to face study, you will learn English easier and faster at TAFE NSW.

TAFE NSW English Language Centres

Sydney and Regional centres: Ultimo, Newcastle (Tighes Hill), Wollongong and Kingscliff*

Regional centre: Newcastle (Tighes Hill)

*English for Academic Purposes not offered at Kingscliff.

Study & Career Pathways

TAFE NSW offers courses to help you develop the skills and knowledge you need to progress further in your studies. Whether you're hoping to continue to a higher-level course to improve your employment opportunities, or are seeking university entry qualifications, we have a course that can help you succeed.

The Certificate IV in Tertiary Preparation (TPC) is a university preparation course that can give you a Tertiary Entrance Score (TES), as well as effective writing, study and research skills. You'll also learn valuable skills in how to manage your time effectively, think critically, and behave in an appropriate manner in a learning environment, giving you the confidence to take your next step on your study or career journey.

Widely recognised

The vast majority of universities accept the TAFE NSW Tertiary Preparation Certificate (TPC) as an entry qualification.

Building & Construction

Industry growth

Australia's construction industry is forecast to reach $554 billion in revenue by 2029-30.^

More than half the world's population live in cities. With the increase in urbanisation and continued growth in population, the development of our environment into liveable and sustainable spaces that will accommodate diverse and growing communities is vital.

There are countless career options within the building, construction, and property industries. Study for a career in this area, and you will have the chance to design, innovate, create, and use your skills to help build and shape the future.

Strong industry connections

TAFE NSW maintains partnerships with major projects such as Western Sydney Airport Skills Exchange, as well as peak industry bodies including the Master Builders Association, Housing Industry Association, and Australian Property Institute.

^ Source: IBISWorld 2025, Construction in Australia.

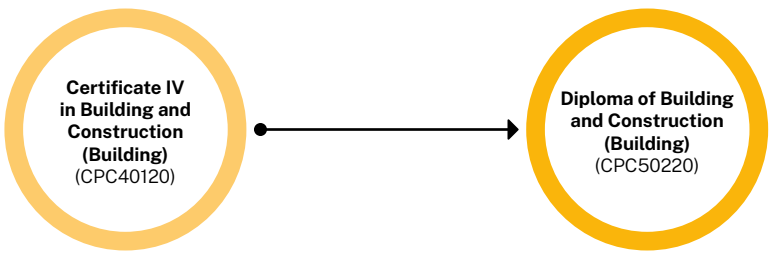

Building & Construction

With the current shortage of qualified construction managers within the building industry throughout Australia, there has never been a better time to get into construction. Develop your understanding of how to apply building and construction plans and ensure they comply with building standards and codes. Become familiar with practical considerations like how to estimate costs and order building materials. A TAFE NSW course will help you develop the skills and knowledge to manage building projects, including selecting contractors, contract management, overseeing work quality, and liaising with clients. Completing qualifications in building and construction can lead to a building contractor's licence and can give you the freedom to set up your own business or lead to a career in project management.

Is it right for you?	Courses offered include	Potential career opportunities
• Are you creative and imaginative? • Do you have an interest in design and architecture? • Are you a keen problem solver? • Are you good at time management? • Do you enjoy a variety of work?	• Building and Construction (Building)	• Building Site Manager/ Supervisor • Builder • Construction Manager

Community Services

Industry Demand

Over 300,000 people work in Australia's community services sector, with 95% employed in non-government organisations^

Take your passion for helping others and turn it into a rewarding career full of possibility, with a community services qualification. When you work in community services, your people skills, compassion, and expertise make a real difference to the people in your community. TAFE NSW provides a range of qualifications that can give your career a helping hand, with flexible, stimulating and nationally recognised courses.

Whether you're interested in working with older people, supporting people with a disability or making a difference in your community, TAFE NSW is the smart choice.

^ Source: UNSW Sydney 2024, 'Australia's social and community services workforce,' April 2024.

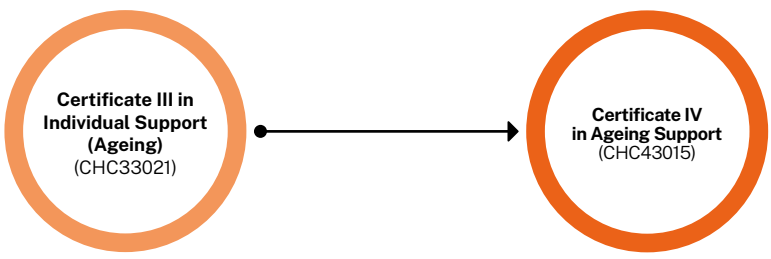

Aged Care

Aged care support is an industry that is booming, with an estimated additional 110,000 support workers needed in Australia by 2030. When you study a course in aged care and individual support, you gain transferable skills that can apply to the many career options and openings available in the aged care sector – and your first steps could be with TAFE NSW.

Is it right for you?	Courses offered include	Potential career opportunities
• Are you empathic? • Do you have good communication skills? • Are you interested in working with people? • Are you patient?	• Ageing Support • Individual Support (Ageing)	• Community Support Worker • Aged Care Supervisor • Care Team Leader • Enrolled Nurse • Home Care Worker • Personal Care Worker • Program Coordinator • Residential Care Officer

Early Childhood Education & Care

Skills shortage

There is a shortage of 39,000 qualified early childhood education and care professionals.^

If you love working with children and want to help them grow and develop, TAFE NSW has plenty of early childhood education study options to help you enter and advance within the profession. Enjoy a deeply rewarding career, where you can connect with young minds to inspire learning and growth.

Nurture the minds of young children, build strong learning foundations and create meaningful education and care for children. Early childhood education and care courses teach you to provide safe, nurturing, meaningful and inclusive care to children in their early years. You won't just be sitting in a classroom the whole time though. You'll get to do work placements in fantastic early childhood centres. You'll put what you've learned into practice and see what it's really like to work with children and young kids.

Learn from our experienced teaching staff, as well as from your work placement experience. Take the opportunity to demonstrate your new skills and knowledge so you can lead and innovate in a growing industry.

Engineering

Industry Demand

Construction activity, the rise of net-zero projects and growth of advanced manufacturing is driving high demand for engineering workers.^

Sustainability, innovation, robotics, the digital age - there has never been a more exciting time to work in engineering and electrotechnology. This is a sector that's always advancing, so take the opportunity to build a brighter future for yourself, and for the planet.

You will learn on specialist simulators and industry-standard software, in learning environments that are as industry-realistic as possible. TAFE NSW study can lead you into a wide range of industries, including construction, manufacturing, or robotics. Whatever career path you take, you'll use your logical, mathematical and critical thinking skills to build and shape the future.

Job ready and sustainable focus

From sustainable technologies, automation, and material technology to communications and 3D modelling, your learning is always focused on the needs of tomorrow's workplaces.

^ Source: CDA Writer Australia 2024, Lack of Skilled Manpower in Australia: High Demand for Engineers, Engineering Australia 2025, Engineering Tomorrow - Strengthening the engineering workforce for Australia's future prosperity.

Engineering

If you enjoy creative solutions, solving problems and working with machines and technology, then engineering and mechanical engineering could be for you. Build practical skills and knowledge to help solve real world problems. Make a difference by developing solutions and using your know-how to engineer a sustainably driven future.

Employment growth

Employment of engineering technicians in Australia is forecast to grow by 10,700 jobs (or 6.4%) from 2024-2029.^

Events, Travel & Tourism

Discover the local and global career opportunities on offer when you step into the exciting world of tourism and events. With the right mix of skills, experience, and an industry-recognised qualification, you'll be set to organise world-class events and exhibitions, provide memorable customer experiences or help plan the trip of a lifetime for your clients.

A TAFE NSW tourism and events course will set you up to step into the exciting world of tourism and events. You'll learn nuts and bolts skills and high level planning skills that will enable you to nail your vision and exceed customer expectations, as you organise world-class events and exhibitions.

Strong industry connections

TAFE NSW works closely with leading industry partners, including the Australian Hotels Association, Accommodation Australia, ICC Sydney, Marriott, Hyatt, Park Royal, and Wine and Spirit Education Trust (WSET), to support employment outcomes for students and graduates. These strong connections give students first-hand insight into how tourism and events contribute to economic growth at both regional and national levels. From large-scale festivals to destination marketing, students explore the broader systems that shape visitor experiences and drive the tourism economy.

Event Management

Launch your career in the exciting and diverse world of event management with a course at TAFE NSW. Taught by industry experts, you will learn to plan, organise, and deliver unforgettable business events, exhibitions, live performances as well as community, sporting and private events. Graduate with the skills and knowledge to excel in this global industry.

Industry growth

81% of event organisers in Australia and New Zealand plan to increase their volume of future events beyond 2025.^

Is it right for you?

- Do you have excellent organisation skills?
- Are you a good communicator?
- Do you have good negotiation skills?

Horticulture & Environmental Management

Industry demand

Backed by government initiatives, forestry and land management in Australia supports rural and regional employment.^

Turn your passion for the natural world into a rewarding career shaping a sustainable future for Australia. TAFE NSW is one of Australia's largest providers of land management and horticultural training. Thousands of employers and industry experts choose TAFE NSW each year, because we're passionate about providing the quality, practical experience that helps students to reach their career goals.

Our comprehensive courses cover a range of topics including plant cultivation, soil science, irrigation planning, pest control, and team management. Courses emphasise ecological restoration, environmental monitoring, and sustainable land use, preparing graduates to manage parks, gardens, and green spaces effectively. Whether you are just starting out or looking to take the next steps in your career, a TAFE NSW course can help you achieve your goals.

Strong industry connections

Established and dynamic employer networks, including Landcare NSW, Aboriginal Land Councils, the Australian Wool Exchange, the Australian Association of Bush Regenerators, The Landscape Association, the Australian Institute of Horticulture, the Forest Industry Council, Australian Forest Growers, the Australian Meat Industry Council, the Australian Institute of Food Science and Technology, the Australian Sports Turf Managers Association, the International Society of Sustainability Professionals, Society for Ecological Restoration, and Dairy Australia.

Information & Communications Technology

Skill shortage

The Australian Computer Society estimates 1.3 million technology workers are needed in Australia by 2030.^

The ever-evolving information and communications technology (ICT) industry continues to be dynamic, progressive and exciting. The need for technical support and creative solutions paves the way for ongoing innovation and growth, with skilled ICT professionals remaining in high demand.

TAFE NSW is a leading provider of training for the ICT sector. Choose from a wide range of courses and career paths across multiple industries, with specialisations matched to current and developing technologies; from cloud-based technology, mobile, and big data analytics, to social technologies. Whether you are interested in a technical support role, the creation of systems and software, cyber security, or the design of games and websites, our digital and IT students graduate with skills that are highly demanded within the workforce.

Practical education

High tech computer laboratories include a pull-apart workshop for hardware testing, networking tasks, and virus search and removal.

> Alice, Maritime Operations

Maritime & Marine Engineering

Job opportunities

Australia currently employs approximately 10,500 professionals in marine transport.^

If you feel more at home on the seas than on land, study a maritime course and live your dream. Qualified employees are in demand and there is great scope for career advancement in a wide range of work environments. From deckhands to marine engineers, there are a range of dynamic and exciting career options, all with the possibility of international work and travel.

TAFE NSW Maritime Operations and Marine Engineering courses are delivered by professionals who have the industry experience and connections to help you launch your career. Your training will be designed with industry leaders, teaching you the practical skills in interactive learning environments that include marine digital simulators. The maritime industry is truly international and plays a large part in global business and management. Potential employers include shipping lines, ports and terminals, shipping manufacturers, logistics and freight companies.

Industry-standard facilities

Apply your skills in interactive learning environments, including simulated workspaces and field trips on vessels.

TAFE NSW Degrees

A TAFE NSW degree will teach you the real world skills that employers are looking for. Taught by industry professionals in top quality facilities, our degrees are in industry sectors as diverse as ICT, Fashion Design, Applied Commerce, Early Childhood Education and Care, Business, Hospitality and Hotel Management. With a TAFE NSW degree, you will graduate with strong theoretical knowledge, practical experience and industry connections that will give you a head start in your career.

The TAFE NSW Degree difference

- Learn from highly qualified, friendly, and industry experienced teachers
- Enjoy smaller class sizes for an enhanced learning experience
- Study with a community of like-minded students
- Be connected with our many industry partners
- Learn in industry-standard, purpose built facilities
- Earn degrees that have been developed in consultation with industry to ensure currency and relevance
- Get valuable industry experience in work placements and internships

Get more information

At TAFE NSW, we are continually expanding our range of higher education opportunities in metropolitan and regional locations. For more information about our courses, delivery locations, application processes, and tuition fees, please visit our website at tafensw.edu.au/international/study/courses/degrees

> I am immensely grateful for the support and encouragement I received at TAFE NSW. The educators played a crucial role in motivating me to study and strive for excellence. Thank you all for making a significant difference in my education.

Gracie, Early Childhood Education and Care

TAFE NSW Degree Pathways

On successful completion of a TAFE NSW course, TAFE NSW Degree Pathway programs can provide you with a guaranteed pathway to enter a bachelor's degree, with credit towards the degree. Credit transfer arrangements vary from program to program and are available for TAFE NSW degrees as well as with our university partners.

Advantages of a degree pathway

- Get two recognised qualifications (often in the same amount of time it would take to complete a single degree) with practical, career-focused skills to accompany your degree
- Begin your studies in a small-class setting, with individual access to teachers and support staff
- Possibly lower the total cost of obtaining a degree

University Pathways

TAFE NSW is a pathway partner with leading Australian universities. On successful completion of the TAFE NSW course, agreements with these universities guarantees your entry.

UTS University of Technology Sydney

CRICOS Provider Code: 00099F
uts.edu.au/future-students/international

Charles Sturt University

CRICOS Provider Code: 00005F
study.csu.edu.au/international

University of Wollongong Australia

CRICOS Provider Code: 00102E
uow.edu.au/study/international/

The University of Newcastle Australia

CRICOS Provider Code: 00109J
newcastle.edu.au/study/international

Articulation

TAFE NSW has articulation agreements (credit transfer) with many Australian universities. This means that you could receive course credit at university for your previous studies, and not have to repeat subject areas you have already covered at TAFE NSW.

Find out more at credittransfer.tafensw.edu.au

TAFE

Application process

1. Choose a course and location

Pick the location you want to study tafensw.edu.au/international/study/locations. Make sure you meet the entry requirements: See page 75 or visit tafensw.edu.au/international/apply/entry-requirements

2. Download and complete the application form

For TAFE NSW to University packages, follow the respective university application process at tafensw.edu.au/international/apply/steps-to-apply

3. Prepare certified copies of your documents

A certified copy is a copy of the original document signed and dated by the organisation that issued the original document, a government official, Public Notary or Justice of the Peace, or an education agent of TAFE NSW, confirming that they have sighted the original.

4. Submit your application online

Access and submit your application at tafensw.edu.au/international/apply/steps-to-apply. A TAFE NSW education agent can help.

5. Receive offer letter

A TAFE NSW Admissions Support Officer will assess your application and issue your offer letter(s) with an invoice.

6. Make payment

Accept your offer and make payment.

7. Get a Confirmation of Enrolment (CoE)

Your Admissions Support Officer will issue a Confirmation of Enrolment (CoE).

8. Apply for visa

Apply for your visa and enrol at TAFE NSW.

Note: There are two semesters per calendar year.

TAFE NSW has made every reasonable effort to ensure the information in this guide is accurate (August 2025). TAFE NSW continuously reviews its curriculum to ensure it meets current industry requirements, and reserves the right to withdraw and change courses at short notice. TAFE NSW to University pathways, tuition fees and course locations are current at the time of printing but subject to review and/or change at short notice. It is advisable to visit our website tafensw.edu.au/international for the latest information.

Course entry requirements

TAFE NSW international student applicant qualifications are assessed as part of the admissions process. For academic equivalences by country, see www.tafensw.edu.au/international/apply/entry-requirements.

As a general guide, for diplomas and bachelor degrees, Year 12 or equivalent is required. Please also note:

- Additional requirements apply for most degree courses.
- To enter a diploma or advanced diploma course, you may need to complete a Certificate III or Certificate IV course, or demonstrate an equivalent skill level. If a prerequisite applies, you will receive an offer letter which includes both the lower and higher level course.
- For design, digital media, fashion technology courses, you are required to submit a portfolio, design or written task along with your application. For music courses submission of audio or visual files and/or attending an audition demonstrating musical performance may be required.

See the website for detailed information about entry requirements: tafensw.edu.au/international/apply/entry-requirements

Your level of English

The minimum English language requirement is Academic IELTS 6.0 (with no individual band less than 5.5) or TAFE NSW General English program.

TAFE NSW bachelor degrees, requires Academic IELTS 6.5 (with no individual band less than 6.0) or TAFE NSW English for Academic Purposes course.

Diploma of Nursing requires Academic IELTS 7.0 (with minimum scores: Listening 7.0, Reading 7.0, Speaking 7.0, Writing 6.5) or other equivalent acceptable test scores.

TAFE NSW offers English language courses: See page 10.

Your student visa application

To apply online for a student visa (subclass 500), visit immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500

If you do not have an ImmiAccount, you will be prompted to create one. You can use the Department of Home Affairs (Home Affairs) online tool to check the financial and English requirements that apply to you immi.homeaffairs.gov.au/visas/web-evidentiary-tool

If you are applying for a student visa from outside Australia, and if the online tool asks you to provide any additional financial or English language evidence, then you will need to apply through a TAFE NSW education agent.

For comprehensive information regarding student visas, visit the Home Affairs website immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500
