DEGREES OF DIFFERENCE

ACAP

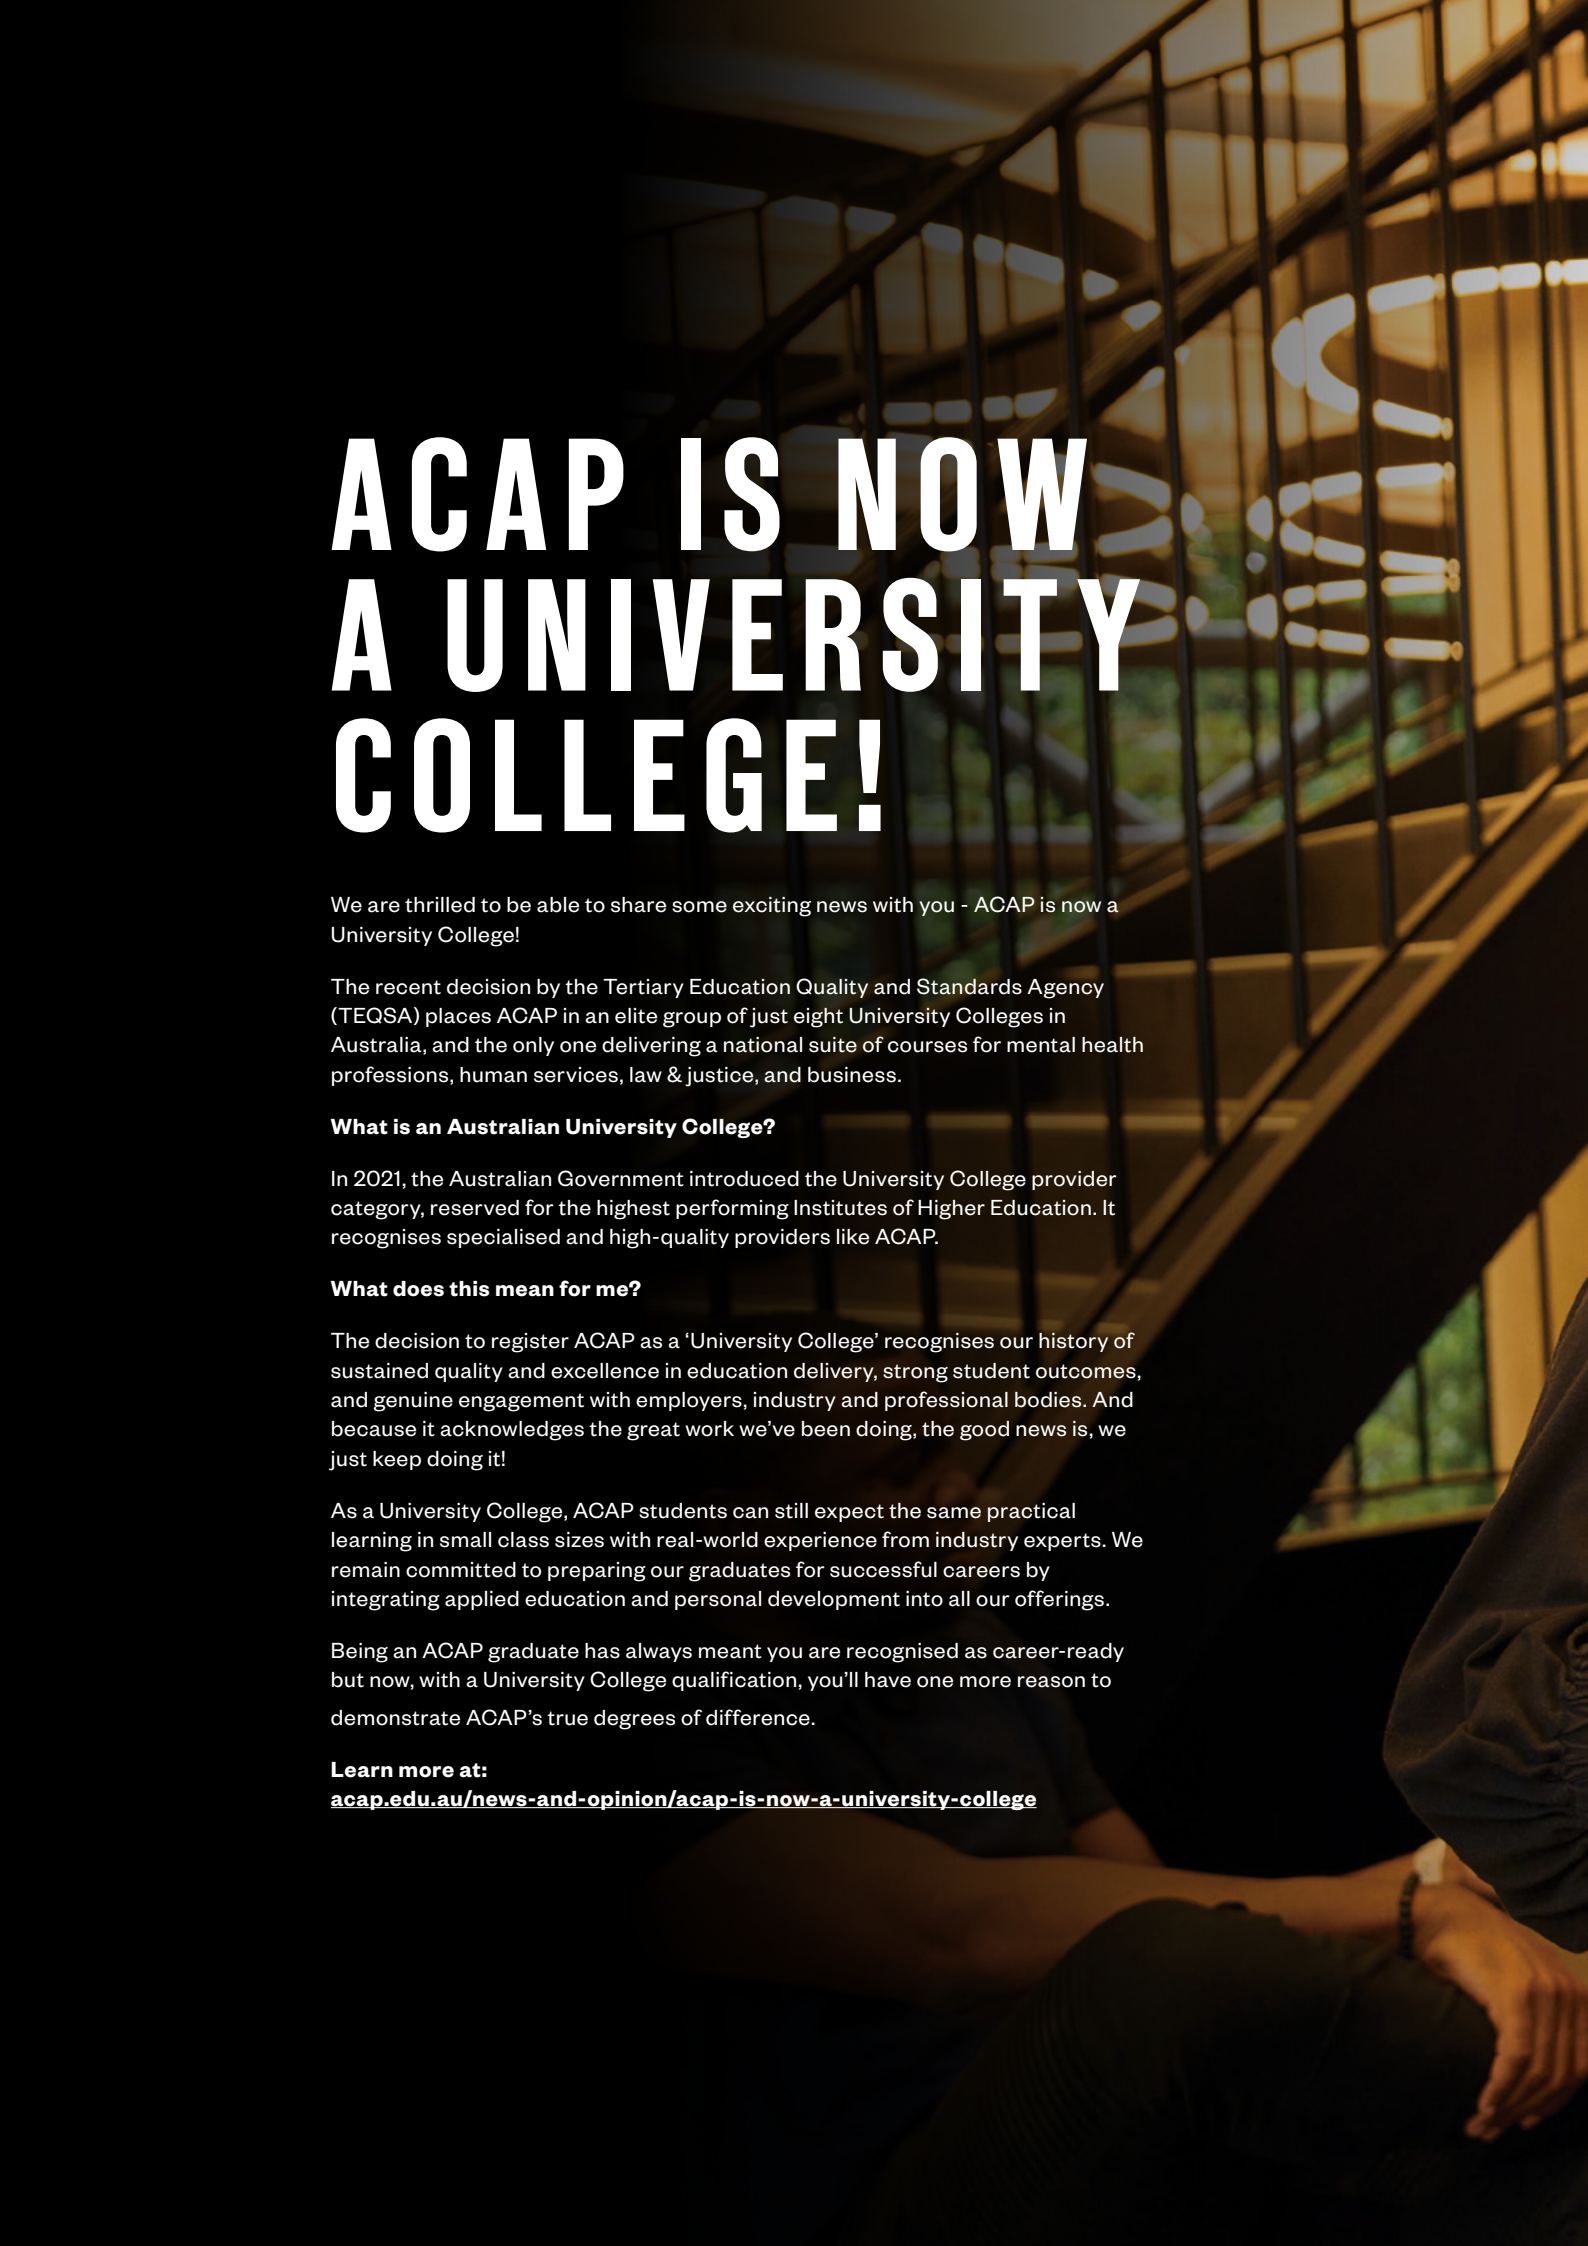

COURSE GUIDE

FOR INTERNATIONAL STUDENTS

2025

ACAP Australian College of Applied Professions

ACAP IS NOW A UNIVERSITY COLLEGE!

We are thrilled to be able to share some exciting news with you - ACAP is now a University College!

The recent decision by the Tertiary Education Quality and Standards Agency (TEQSA) places ACAP in an elite group of just eight University Colleges in Australia, and the only one delivering a national suite of courses for mental health professions, human services, law & justice, and business.

What is an Australian University College?

In 2021, the Australian Government introduced the University College provider category, reserved for the highest performing Institutes of Higher Education. It recognises specialised and high-quality providers like ACAP.

What does this mean for me?

The decision to register ACAP as a 'University College' recognises our history of sustained quality and excellence in education delivery, strong student outcomes, and genuine engagement with employers, industry and professional bodies. And because it acknowledges the great work we've been doing, the good news is, we just keep doing it!

As a University College, ACAP students can still expect the same practical learning in small class sizes with real-world experience from industry experts. We remain committed to preparing our graduates for successful careers by integrating applied education and personal development into all our offerings.

Being an ACAP graduate has always meant you are recognised as career-ready but now, with a University College qualification, you'll have one more reason to demonstrate ACAP's true degrees of difference.

MESSAGE FROM THE DEAN

At ACAP you can future proof your career by obtaining the qualification you need for your chosen profession and prospective world of work.

Our team of knowledgeable academics and experienced industry professionals are committed to delivering a learning experience that integrates contemporary work practices and industry relevancy. We provide a distinctive student-centred learning environment based on active learning activities and feedback-focussed authentic assessment tasks. Our philosophy is simple: the best way for you to learn is to interact.

Whichever professional avenue you choose, our support team will provide you with the necessary academic, professional, and personal support throughout your studies to achieve your goals and I hope to meet you in person at one of our ACAP campuses or online soon.

I look forward to welcoming you and guaranteeing you feel a sense of belonging during your time learning at ACAP and beyond.

Prof Christopher Klopper

Professor Christopher Klopper SFHEA (he/him)

How to Apply for a Course at ACAP 50
Admissions Requirements 51

Information correct at August 2024 and may be subject to change. Not all units of courses may be available for online and on campus delivery in every trimester.
Navitas Professional Institute Pty Ltd trading as Australian College of Applied Professions. TEQSA Provider Category: University College, TEQSA Provider ID: PRV12009, National CRICOS Provider Code: 01328A, ABN: 94 057 495 299.

WHY CHOOSE ACAP?

At ACAP, we specialise in facilitating real-world experiences and imparting the practical and human skills you need for a successful career. When you study with us, you'll grow as much personally as you will professionally thanks to our uniquely human-centred approach that puts you first.

Our specialist courses unlock opportunities for those starting out in the workforce, changing careers, enhancing existing qualifications, or pursuing a personal passion for helping others.

Applied learning in a class of its own

Our small class sizes mean you'll quickly form strong bonds with your teachers and classmates. This closer interaction makes for a comfortable environment for exchanging ideas and exploring opinions, fostering an overall richer learning experience. It also allows teachers to give you more detailed and personal guidance.

Professionally accredited courses

Most ACAP courses have industry-specific accreditation that meet the relevant standards, assuring high-quality educational outcomes for international students that's relevant to your chosen field from a quality education provider. Professional accreditation ensures our programs remain current and relevant to match the standards of the relevant industry bodies.

Learn from the experts

You'll be taught by highly-skilled academics and teachers who have significant industry experience as practising professionals, so what you learn will be highly-relevant and applicable in your career. We're experts in applied education and are part of global education provider, Navitas. Since 1983, we have helped over 20,000 people to reach their goals and, importantly, enjoy the journey.

More than a qualification. Qualified for the job

Everything you learn with ACAP will be practical and applicable to real-life solutions, creating real-world change. You will have the opportunity to complete a professional work placement, where you'll apply your knowledge, gain experience in your field, and build indsutry networks. When you graduate, you'll have the expertise, practical skills and professional experience to forge a successful career and make a genuine difference in the lives of others.

Every voice is heard and respected

You're encouraged to bring your true self to ACAP, and we're active in creating a culture where you feel comfortable doing so. Our goal is for every voice to be heard and respected. Our philosophy is led by a passionate Equity, Diversity and Inclusion Steering Group which welcomes everyone's involvement and feedback as we continue to evolve.

WELCOME TO AUSTRALIA

Australia is a popular choice for international students due to the high quality education system, great diversity, and endless opportunity.

Studying overseas is always exciting. Study with ACAP in Australia and it will open the door to a lifetime of adventures.

International students are an essential part of the ACAP student body, bringing diversity, experience, and enthusiasm to each campus. We can't wait to meet you.

Feel safe and welcome

G'day! Australians are friendly, open-minded, and welcoming. It's a great way of living that we take pride in here, in Australia.

Opportunities to explore

Australia has something for everyone, no matter what you like to do or where you would like to go! It's no wonder Australia attracts people from all over the world.

You might find yourself relaxing on our beautiful beaches, hiking in beautiful scenery, or exploring the untamed outback.

Enjoy a high standard of living

Australia consistently ranks as one of the top five destinations for quality of life, education, healthcare, transport, and infrastructure. There is a wide range of affordable indoor and outdoor activities to enjoy in Australia - we are certain you will find something you like to do or see.

To find out more information on our campuses, view pages 10 to 13.

Information correct at August 2024 and may be subject to change. Not all units of courses may be available for online and on campus delivery in every trimester.
Navitas Professional Institute Pty Ltd trading as Australian College of Applied Professions. TEQSA Provider Category: University College, TEQSA Provider ID: PRV12009, National CRICOS Provider Code: 01328A, ABN: 94 057 495 299.

DISCIPLINE OVERVIEW

Whatever you choose to study with ACAP, all courses are designed to prepare you for a rewarding profession working with diverse people in the community, and making a positive difference.

Online and On-Campus Events

Get details of courses, career prospects, resources and more. Register at:

acap.edu.au/events

Social Work

Social work promotes social change, cohesion and the empowerment of people. The profession is underpinned by the principles of human rights, collective responsibility and social justice. You'll explore why people behave the way they do, and learn strategies to guide people in need with empathy, helping them resolve problems and improve their overall wellbeing.

Psychology

Psychology is the scientific study of the human mind and behaviour. You'll explore theories around what determines the way people think, feel and behave at individual and group levels to gain a deep understanding. You'll develop extensive knowledge and learn practical skills you can use in your own personal life, and as a professional who changes lives for the better.

Counselling

Counselling is a process that helps individuals, couples, families and groups to navigate a wide range of issues in their personal and professional lives, like relationships, stress, addiction and loss. You'll explore contemporary counselling strategies, gaining practical skills to support others and help them live a more positive life through human connection, empathy and deep understanding.

Criminology and Justice

Criminology and justice is the study of crime through a social perspective. This understanding of law and criminal behaviour helps create a fairer, safer and more equal society. You'll explore insights into why people commit crime, what the government and society do to address such behaviour and the relationship between the law, the criminal justice system and society.

ACAP CAMPUSES

ADELAIDE ACAP CAMPUS

15-19 Franklin Street, Adelaide, SA, 5000

Nestled between rolling hills and pristine beaches, Adelaide, the capital city of the state of South Australia, is a vibrant hub that welcomes international students from all corners of the globe. Known for its high quality of life and welcoming community, Adelaide is the ideal place to live and study. It's affordable, friendly, accessible and is a leading education city.

ACAP's Adelaide campus is conveniently located on Franklin Street in the heart of the Central Business District (CBD), a vibrant hub of shopping, parks, cafés, restaurants and businesses, close to the Adelaide central market Victoria Square and other major landmarks.

Transport

ACAP Adelaide is easy to get to via public transport. There are multiple regular bus services and tram stops less than a five minute walk from campus, and Adelaide train station is a 10 minute walk away.

Campus features

- State-of-the-art computer laboratories and video recording facilities.
- Contemporary library designed as a learning hub.
- Student lounge with kitchen facilities.
- Multiple break-out spaces, including lounges and study areas with USB ports and power outlets.
- Floor plan designed to encourage social engagement and collaboration.

More Information

acap.edu.au/campuses/adelaide

MELBOURNE ACAP CAMPUS

Level 3, 222 Bourke Street, Melbourne, VIC, 3000

ACAP's Melbourne campus is located on Bourke Street in the heart of the Melbourne CBD, conveniently situated within the Kmart Centre on the third floor. The campus is close to Swanston Street, with entrances on Bourke Street and on the Chinatown side on Little Bourke Street. It is a perfect location for students to grab a coffee or a spot of lunch between classes. From the campus, you'll be able to explore Melbourne's magical laneways, enjoy its famous creative and cultural scenes as well as savour some of the best coffee in Australia.

Transport

There are multiple tram routes that stop right in front of the campus. Parliament and Melbourne Central Railway stations are each a 10-minute walk. Paid parking is readily available nearby for those who wish to drive.

Campus features

- Enhanced Wi-Fi in all campus spaces.
- State-of-the-art computer laboratories and video recording facilities.
- Contemporary library designed as a learning hub.
- Student lounge with kitchen facilities.
- Multiple break-out spaces, including lounges and study areas with USB ports and power outlets.
- Floor plan designed to encourage social engagement and collaboration.

SYDNEY ACAP CAMPUS

Level 11, 255 Elizabeth Street, Sydney, NSW, 2000

Our Sydney campus is in the heart of the city overlooking Hyde Park, near Town Hall train station, World Square and just down the road from the Opera House.

For stunning beaches, hop on the bus for the short ride to Bondi or Coogee, or take the ferry across the famous Sydney Harbour to Manly.

There are multiple sun-drenched classrooms and kitchen areas with lounges and tables, creating a great communal space for catching up and collaboration.

Transport

The campus is easy to get to via public transport. There are multiple regular bus services and both Museum and Town Hall train stations are only minutes away.

Campus features

- State-of-the-art computer laboratories and facilities for video recording.
- Contemporary library designed as a learning hub.
- New furniture and technology-enabled facilities throughout the premises.
- Student lounge areas and modern kitchen facilities.
- Floor plan designed to encourage social engagement and collaboration.

WHAT SUPPORT WILL I RECEIVE?

We all need help from time to time. ACAP proudly offers a range of services to help you achieve academic success and aid your mental wellness. You can view full details of all our support services here: acap.edu.au/student-resources/support-services

Community atmosphere

Our interactive teaching approach and small class sizes build a nurturing atmosphere for students. From your first enquiry to graduation day, we are dedicated to helping you to meet your personal and career goals.

During early contact, a course advisor will help put your study program together, matching your availability with our timetable and study mode options. Once your studies commence you will have access to our dedicated Student Engagement and Student Learning Support teams.

Events: Information Sessions and Orientation

Attending a course information session as well as the ACAP Orientation Session (when your enrolment is accepted) is a crucial step in your educational success and helps you transition into college life. These sessions are an excellent opportunity to become familiar with ACAP, meet staff, teachers and fellow students and get a better understanding of what life is like as a student at ACAP. Check out our events here: acap.edu.au/events.

Academic and learning support

We understand that if you have not studied recently, you may need to refresh your skills in academic writing, referencing, researching and study discipline. We help in these areas, in addition to English language support, from our learning support team through workshops, webinars, online resources, individual learning support, peer mentoring programs and specific activities for students transitioning into the College or advancing between courses. Further information on Student Learning Support can be found here: sls.navitas-professional.edu.au.

Personal support

We understand that studying can be challenging, and your health and wellbeing are important to us. At ACAP you have access by self-referral to our free and confidential counselling support service. Our team of professional counsellors are here to support you in reaching your full personal and academic potential.

Library services

Comprehensive library services are available to support and enhance your learning experience at ACAP. Students have access to extensive book collections, as well as electronic books and professional journals. Our experienced and friendly librarians can help with your research needs in person at or via email or phone. For more information on the libraries, libguides.navitas.com/home.

On-campus study

On-campus study typically involves three to four hours per week of face-to-face teaching for each subject or unit. This may take the form of single classes or be combined as lectures and tutorials. For example, if you are taking three units or subjects, you will spend nine to twelve hours in classes each week.

Classes are held in the mornings, afternoons, and evenings and in some cases, on weekends. Each campus may run classes on different days and times and not all units or subjects are available at all times on all campuses. In addition to attending classes, on-campus students have access to their online class space with services including resources, student forums, teacher feedback, in addition to to an area for submitted assessments.

Studying online

Limited online study is available to international students. With a student visa, students may complete one-third of their course online and need to be enrolled full-time and in at least one on-campus unit per semester. Online students need to devote the same number of hours per week, per unit as on-campus students, to reading course material, participating in group discussions and completing assessments. Teachers of online classes provide continual guidance by introducing content, asking students for their insights and by sequencing and pacing activities throughout the trimesters. Where mandatory workshops apply to a course, students are required to attend sessions in person at an ACAP campus in Brisbane, Melbourne, Sydney or Perth.

Blended delivery

A selection of ACAP courses are delivered by a combination of online and on-campus learning. Limits do apply as to how many hours international students can study online. For blended delivery units, students are required to undertake activities, assessment, and self-directed study online, as well as attend some classes.

Student Portal

Students use the online portal to access their class spaces and connect with teachers and each other in discussion forums, live-chat sessions and virtual conferencing. Unit materials, instructions, assessment feedback, grades, video lectures and other presentations are viewed and downloaded from the student portal. Assessments are also submitted using this central system. The student portal also gives you access to all information, forms and support services you need throughout your journey at ACAP.

To read important information, including details on student visas, go to: acap.edu.au/student-resources-international-student-resources.

Navitas Professional Institute Pty Ltd trading as Australian College of Applied Professions. TEQSA Provider Category: University College, TEQSA Provider ID: PRV12009, National CRICOS Provider Code: 01328A, ABN: 94 057 495 299.

Technology required

ACAP students need to have ready access to high-speed internet and an understanding of how to use the web and email. Familiarity with word processing programs, such as Microsoft Word is also required for preparing and submitting assignments. You can find additional information on computer standards and recommended software by visiting our IT helpdesk here: acap.edu.au/student-resources/support-services/it-student-helpdesk.

Student safety and wellbeing

ACAP is committed to supporting a positive health and safety culture and environment, including ensuring that our students are safe from sexual harassment, sexual assault, bullying and racial harassment during their studies. Everyone has a responsibility for health, safety and wellbeing, including students, staff, volunteers, visitors and contractors. To this end, all students are personally, as well as academically, supported during their studies with the College through a variety of support services. These include:

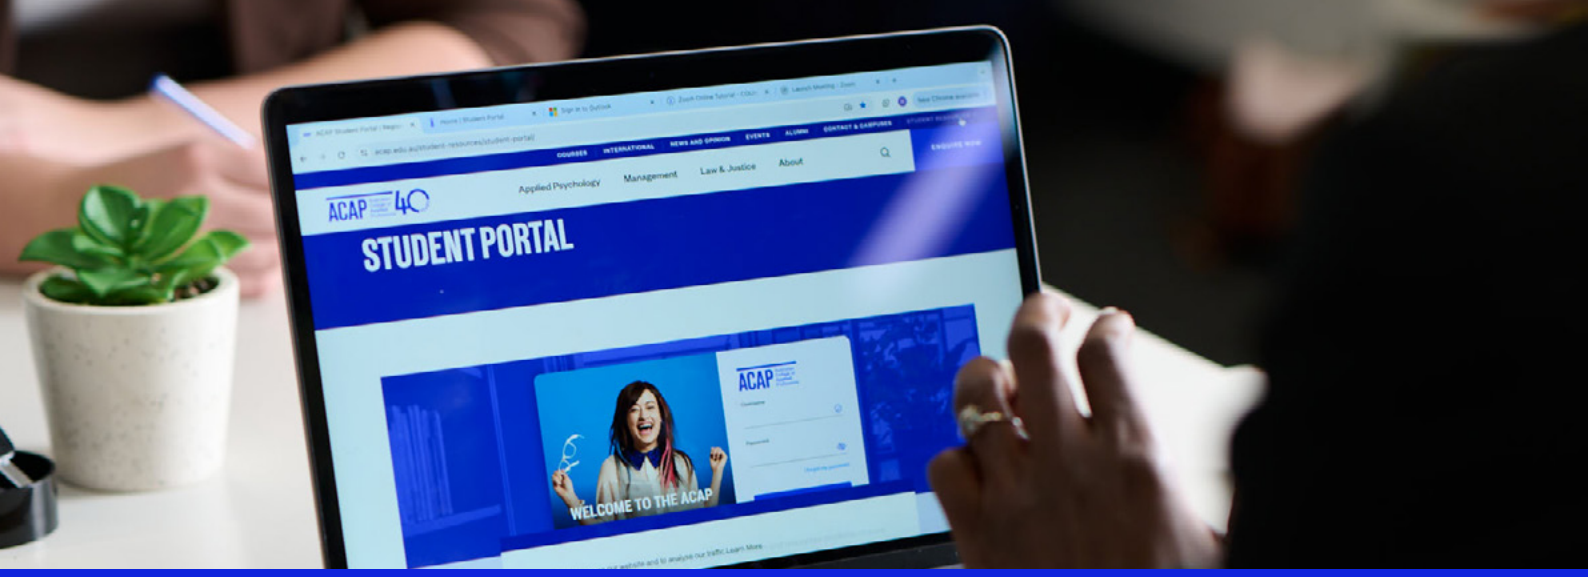

- Dedicated International Students Officer on each campus as part of the Student Engagement Team,
- A free and confidential, short-term counselling service to all current students,
- An AccessAbility Service which supports students with disabilities,
- Learning Support services which provides a range of academic resources and activities for students,
- A placement service which provides contact details of organisations available to students for placement,
- An orientation service to help new students familiarise themselves with the local campus, facilities and services and prepare for study with the College,
- College policies that promotes a positive health and safety culture and environment, including Student Code of Conduct; Student Welfare and Support Policy; Fair Treatment and Equal Opportunities Policy; Facebook Group Guidelines and Terms of Use; Moodle Site Policy and Terms of Use; and Emergency and Personal Safety procedures. For more information on our policies please check here: acap.edu.au/pages/policies-procedures.

Study loads

A full-time study load for most undergraduate courses is equal to 48 credit points. This is typically 2-3 units per trimester, depending on the course. A part-time study load is equal to 24 credit points and is typically 1-2 units per trimester. A full-time study load for most postgraduate courses is equal to 80 credit points.

For more information on credit points and course sequences, please refer to the information under Course Structure on the specific course page found at acap.edu.au/courses.

YOUR SUPPORT TEAMS

Whether you choose to study on-campus, online or a combination of both, we'll work together to keep you on track for success. The ACAP community is friendly, nurturing and warm. From your first enquiry to graduation day, we want you to feel completely connected and supported.

Course Advisory

Our Course Advisors are here to help you early on, from making a decision whether to study, through to creating a study program that will suit your goals and fit in with your lifestyle. They're here to talk through options and find the best course for you.

Orientation

We run orientation at the start of each trimester and when you enrol, you'll be invited to join. It's a great opportunity for us to get to know each other and you'll be able to meet staff, teachers and fellow students. We also run an online version of orientation for those who can't get to campus.

Equity, Diversity and Inclusion

Social justice and inclusion are at the core of what we do at ACAP. Our Equity, Diversity and Inclusion Steering Group is active in its work to make sure each student feels comfortable bringing their whole selves to College. They provide leadership, support and encouragement to ensure fairness in our day to day operations, so that you're supported, included and happy.

Personal Support

Studying is exciting, but we do understand that it can also create personal pressure when combined with other commitments. If you feel you'd benefit from some confidential support at any stage in your studies, our Student Support Counsellors can help with counselling, referrals and liaising with College staff (with your permission).

Learning Hub

ACAP's Learning Hub is designed to help students thrive academically, no matter how much knowledge or previous experience you have. It provides a wealth of online resources available round the clock, personalised webinars, friendly advisors, and an option for support should students have a disability or neurodiversity that affects their academic studies. Students can also collaborate with experienced student peers through the Peer Assisted Study Sessions (PASS). These vital resources are available at the ACAP Student Hub.

ACAP LEARNING HUB

Information correct at August 2024 and may be subject to change. Not all units of courses may be available for online and on campus delivery in every trimester.
Navitas Professional Institute Pty Ltd trading as Australian College of Applied Professions. TEQSA Provider Category: University College, TEQSA Provider ID: PRV12009, National CRICOS Provider Code: 01328A, ABN: 94 057 495 299.

STUDENT PLACEMENT

This is your opportunity to put the theory you are learning into practice within a supervised workplace.

What is involved in student placement?

Student placement is a period of unpaid work experience in a workplace suitable to your studies and career goals.

ACAP's social work, counselling and psychology students have the opportunity to apply the theory and skills learned in class in the field, under supervision. Placement also gives you a hands-on understanding of the different types of work available after graduation.

Why is student placement important?

Placement gives you the opportunity to put theory into practice in a supervised workplace and develop your skills. While working in the field, you will apply what you have learned in class to real-life situations, putting theories into action and seeing results.

Some ACAP students have been offered employment by their placement organisations.

Choosing your student placement

ACAP has links with respected organisations in the counselling, social work, youth work, case management, coaching and psychology fields across Australia.

When the time comes to plan your placement, we can help you connect with the right workplace to match your personal and professional interests, or to help broaden your experiences, if you want to explore different options.

Prior to placements, students must undertake a National Police Check and Working with Children Check.

Volunteering

If your degree entails a mandatory volunteering component, the Placement Team will assist you with this. The volunteering hours must be completed prior to commencing student placement.

Further information regarding placement requirements can be found on our website: acap.edu.au/student-resources/placements-field-education.

ACAP CLINICS

The ACAP Psychology, Counselling and Social Work Clinics are non-profit organisations in Adelaide, Melbourne and Sydney that benefits students and the wider community.

For students

The clinic is an additional learning environment where psychology, counselling and social work students who are on the path to accreditation can develop their skills in a professional setting, under the supervision of fully-qualified and endorsed psychologists. The clinics providine evidence-based assessments and treatment for the whole community, with no Medicare referral or current mental health plan required.

For the general public

The clinic offers a range of quality, accessible psychological services to the wider community. The psychology students working in the clinic have completed their undergraduate training in psychology and are 'provisionally-registered' which means they're undertaking supervision under a qualified and experienced endorsed psychologist as part of their path to full accreditation.

"ACAP Clinics help more than 1,000 clients a year with a range of services from therapy for anxiety to psychological assessments."

Clinic services

Some of the services the clinic provides are:

- Individual therapy for adults.
- Therapeutic intervention for children, adolescents and families.
- International student support group.
- Psychometric assessment for adults.
- Psychometric assessment for children and adolescents.
- Group therapy programs.

Information correct at August 2024 and may be subject to change. Not all units of courses may be available for online and on campus delivery in every trimester.
Navitas Professional Institute Pty Ltd trading as Australian College of Applied Professions. TEQSA Provider Category: University College, TEQSA Provider ID: PRV12009, National CRICOS Provider Code: 01328A, ABN: 94 057 495 299.

ACCREDITATION AND QUALITY ASSURANCE

Further information on policies applicable to course enrolment can be viewed at acap.edu.au/pages/policies-procedures

National government registration and accreditation

ACAP is an institute of higher education with self-accrediting authority under the Tertiary Education Quality and Standards Agency (TEQSA).

All courses delivered by ACAP that lead to a education award issued by ACAP are recognised in the Australian Qualifications Framework (AQF). AQF qualifications are recognised in Australia and by other countries. Further information about AQF qualifications is available at aqf.edu.au.

Industry association membership

ACAP is a member of the Independent Tertiary Education Council Australia (ITECA). ITECA is the national industry association for independent providers of post-compulsory education and training, for Australian and international students.

ACAP is a member of Independent Higher Education Australia (IHEA). IHEA is the peak body representing Australian higher education providers. For more information visit ihea.edu.au.

Legislative Compliance

ACAP policies and procedures meet the requirements of Commonwealth or State and Territory legislation relevant to our operations, including but not limited to:

- *Education Services for Overseas Students Act 2000* (ESOS Act).
- *Tertiary Education Quality and Standards Agency Act 2011* (TEQSA Act).
- *Higher Education Support Act 2003* (HESA).
- *Higher Education Standards Framework (Threshold Standards) 2021* established under the TEQSA Act.
- *National Code of Practice for Providers of Education and Training to Overseas Students 2018* (National Code 2018)
- *Australian Qualifications Framework* (AQF).

Students are provided with information about legislation that affects their participation in their studies through College policies and course guides, at orientation, on administrative forms, and through our website at acap.edu.au.

Professional registration of courses

ACAP seeks accreditation of its courses with relevant professional bodies for quality assurance purposes and to ensure our courses meet the relevant educational and training standards that allow graduates to seek recognition and to practice as a professional.

It is common for courses to undergo a regular accreditation review process. The accreditation statuses noted were correct as at August 2024.

Counselling courses

ACAP's Bachelor of Counselling and Master of Counselling and Psychotherapy are accredited by the Australian Counselling Association (ACA) and the Psychotherapy and Counselling Federation of Australia (PACFA). The Bachelor of Psychological Science and Counselling is also accredited by PACFA. The minor in Coaching (for the Bachelor of Counselling) is accredited by the International Coach Federation (ICF). For graduates of these courses this provides certainty that their course meets the training standards.

Psychology courses

ACAP's psychology courses are accredited by the Australian Psychology Accreditation Council (APAC), the body that develops the accreditation standards for the education and training of psychologists for approval by the Psychology Board of Australia and accredits the higher education providers and the programs of study they offer to determine whether they meet the approved accreditation standards. For graduates of these courses, this provides certainty that their course meets the national psychology training standards.

Social Work courses

ACAP's Bachelor of Social Work, Bachelor of Social Work (Honours) and the Master of Social Work (Qualifying) are fully accredited by the Australian Association of Social Workers (AASW), the body that sets the benchmarks for professional education and practice in social work. For graduates of these courses, this provides certainty that their course meets the principles, standards and graduate attributes for social work education in Australia set-out in the Australian Social Work Education and Accreditation Standards (ASWEAS).

Ethical standards

ACAP endeavours to act at all times in a professional and ethical manner. Staff and agents of the College must abide by the professional standards expected of education and training providers communicated in ITECA's Code of Ethics. Staff are also expected to abide by the ethical standards relevant for their profession.

Staff and students of the College planning to undertake human research must obtain research approval through ACAP's Human Research Ethics Committee (HREC) before commencing the research. ACAP's HREC is registered with the National Health and Medical Research Council (NHMRC). For further information, refer to acap.edu.au/applied-psychology/research/research-ethics.

Quality assurance

ACAP has established a Quality Framework which sets out the common principles, criteria and processes for quality assurance at ACAP. This framework is reflective of the Australian Government regulatory and quality standards for sustainable and responsible tertiary education. The framework blends the provision of consistent, quality, learning and pedagogy with the need for continuous improvement. For further information on ACAP's Quality Framework go to acap.edu.au/qualityframework.

SOCIAL WORK COURSES

INTRODUCTION

Are you passionate about human rights and the welfare of others? Do you want to make a genuine difference in your community?

The social work profession is committed to creating a more just and equitable world for all. Social workers play a crucial role in facilitating social change and work with people to enhance the quality of their lives.

In the Bachelor of Social Work and Master of Social Work (Qualifying) programs you will study human development, human rights, principles of social justice, theories of social work, and skills for practice. In the final two years of the program, you will complete 1000 hours of supervised professional practice (work integrated learning) in a range of settings.

ACAP's Bachelor of Social Work and Master of Social Work (Qualifying) are accredited by the Australian Association of Social Workers (AASW), the body that sets the benchmarks for professional education and practice in social work. Successful graduates are eligible for membership of the AASW, pending assessment of the English language requirements.

Social work careers have a strong outlook, with job prospects estimated to increase from 32,900 in 2018 to 35,500 this year. This demand is huge, with Australia expected to reach 49,300 social workers by 2026 (Job Outlook).

For more information check out:
acap.edu.au/applied-psychology/social-work

Social Work Pathways

When you graduate with a Bachelor of Social Work or Master of Social Work (Qualifying) from ACAP you will have the knowledge and skills needed to be a critically reflective agent of change. Units:	28
Duration:	4 years full-time (12 trimesters).
Admission Criteria:	• Participate in a screening interview (typically by phone though online can be arranged if required); and • Be 18 years or above at the date of commencement; and • Completion of a Senior Secondary Certificate of Education (or equivalent); or • Completion of a Diploma or above (or equivalent); or • Admission to an undergraduate degree at an Australian University (or equivalent). It is a condition of this course that students complete a National Criminal History Record check prior to enrolment into the second unit of study.
Minimum English Language Requirements:	Academic IELTS minimum overall band of 7.0 with no individual band below 7.0 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	7
CRICOS:	084932E

Potential Career Outcomes

- Child Protection Officer
- Policy Developer
- Researcher
- Mental Health and Disability Services Social Worker
- Hospital Social Worker

Assessment

Assessment types vary for each unit and include essays, literature reviews, student-based projects, group presentations, practice videos, role playing and case studies.

Workload

i) General Study (Non-placement units)

ACAP recommends an average of nine hours of study per unit, per week, made up of:

- One three-hour class.
- 6 hours per week of self-directed study, assessment preparation, general research and reading.

ii) Placement Units:

Students have two field education placements totalling 1000 hours. For Field Education 1 and Field Education 2 an average of 49–60 hours is recommended per fortnight. This is made up of:

- On average between three to four days per week for 16–22 weeks in a placement agency.
- 2 hours of practice-theory integration seminars (fortnightly).
- In addition, one hour is recommended for portfolio and assessment preparation per week.

Units

The following are a few of the typical units in this course:

- Individuals, Children and Families
- Ethical Social Work with First Nations People
- Community Work and Social Action

Student placements

This course includes two unpaid field education placements totalling 1,000 hours. Each 500-hour placement includes 12 hours of practice-theory integration seminars.

Professional Recognition

This course has been accredited by the Australian Social Work Education and Accreditation Standards (ASWEAS), as entry level social work qualification graduates are eligible for membership with the AASW.

AASW Accredited Qualification

Information correct at August 2024 and may be subject to change. Not all units of courses may be available for online and on campus delivery in every trimester.
Navitas Professional Institute Pty Ltd trading as Australian College of Applied Professions. TEQSA Provider Category: University College, TEQSA Provider ID: PRV12009, National CRICOS Provider Code: 01328A, ABN: 94 057 495 299.

POSTGRADUATE

GRADUATE CERTIFICATE OF HUMAN SERVICES

This pathway will provide international students with the knowledge and skills to seamlessly transition into a higher qualification in Social Work, such as the Master of Social Work (Qualifying). The course provides international students with specific knowledge in sociology, Indigenous issues, and professional communications. Students will learn about contemporary Australian issues and nuances and how this relates to human services work, especially social work in the Australian community. International students will be guided on how to develop verbal and written communication and critical thinking.

Availability:	On-campus in Adelaide, Melbourne and Sydney.
Intakes:	February, May and September.
Units:	4
Duration:	26 weeks full-time (2 trimesters).
Admission Criteria*:	• A Bachelor degree with at least 4 cognate units (for example in social sciences, psychology, community and welfare work, nursing, allied health, counselling), or • A Bachelor degree with evidence of at least six months of full-time study in social sciences, or equivalent AND • A written 500-word (maximum) statement outlining your interest in studying social work. *The Admission Criteria is relevant for international students seeking entry into the Master of Social Work (Qualifying) upon completion of the Graduate Certificate of Human Services.
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.5 with no individual band below 6.0 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	8
CRICOS:	0101845

Potential Career Outcomes

- First Nations Liaison Officer
- Child Protection Officer
- Disability Support Worker
- Social Worker

Workload

ACAP recommends an average of ten to twelve hours of study per week, per unit, made up of workshops, self directed study and assessment preparation.

Assessment

Assessment types vary for each unit and include in class written and spoken assessments, critical essays, case studies and oral presentations.

Further Study

The Graduate Certificate in Human Services is not available to international students as a stand-alone qualification. It provides the knowledge and skills to gain entry into the Master of Social Work (Qualifying).

Units

The following are a few of the typical units in this course:

- Australian Society.
- Academic and Professional Communication Skills.
- Sociology for Human Service Professionals.

More Information

For a complete list of units, requirements and more information on this course, visit the course page.

acap.edu.au/courses/graduate-certificate-of-human-services

POSTGRADUATE

MASTER OF SOCIAL WORK (QUALIFYING)

The Master of Social Work (Qualifying) is an entry qualification into the social work profession, with strong industry recognition. It is designed for professionals in the human and community services sector wishing to gain a postgraduate qualification in social work. This course provides graduates with the knowledge and skills needed to professionally and actively navigate the complex profession of social work and to develop their professional identity as a social worker.

Availability:	On-campus in Adelaide, Melbourne and Sydney.
Intakes:	February, May and September.
Units:	12
Duration:	2 years full-time (6 trimesters).
Admission Criteria:	• A Bachelor degree in a cognate area (for example social sciences, psychology, community and welfare work, nursing, allied health, counselling); or • A Bachelor degree with evidence of at least one year of full-time study in social sciences, or equivalent AND • A written statement outlining your interest in studying social work (maximum 500 words). It is a condition of this course that students complete a National Criminal History Record check prior to enrolment into the second unit of study.
Minimum English Language Requirements:	Academic IELTS minimum overall band of 7.0 with no individual band below 7.0 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	9
CRICOS:	082661F

Potential Career Outcomes

- Health Care Social Worker
- Community-based Social Worker
- Child Protection Officer
- Aged Care Assessment Advisor

Workload

ACAP recommends an average of nine hours of study per week, per unit, made up of timetabled classes, as well as self-directed study.

Units

The following are a few of the typical units in this course:

- Becoming a Social Worker - Social Policy and Practice Context.
- Public Policy and Civil Society.
- Social Work Theory and Practice (Individuals and Families).

Assessment

Assessment types vary for each unit and include essays, literature reviews, student-based projects, group presentations, practice videos, role playing and case studies.

Student Placement

Two field education placements totalling 1,000 hours.

Pathway

International students who do not meet entry requirements may be offered to enrol in the Graduate Certificate of Human Services as a pathway into the Master of Social of Work (Qualifying).

Note: The Graduate Certificate of Human Services is only offered as a pathway program into the Master of Social Work (Qualifying).

Professional Recognition

This is an Australian Association of Social Workers (AASW) accredited qualification. It is an entry qualification into the social work profession and has been determined to meet the Australian Social Work Education and Accreditation Standards (ASWEAS).

AASW Accredited Qualification

PSYCHOLOGY COURSES

INTRODUCTION

Psychology is the science of human behaviour. It focuses on developing and testing theories on the determinants of emotions, cognition, perception, performance, learning, mental health and treatments.

Psychology-based positions continue to experience growth year-on-year. Jobs and Skills Australia (JSA) estimates that the number of psychologist roles in Australia is expected to increase by 13.3 percent by 2026, creating approximately 4,100 additional job opportunities.

People who have completed an undergraduate psychology degree can complete an Honours program (if eligible), which constitutes a recognised 4th year sequence for entry into post graduate professional registration programs. Alternately, a psychology degree graduate may choose a career in allied health, child and family services, corrections, social services, teaching or business.

Becoming a registered psychologist requires a minimum of a 6 year study sequence, all of which can be undertaken with ACAP. After the completion of the Honours 4th year program, students enrol in a master's degree which meets the 5th and 6th requirements for their professional training which leads to registration. ACAP currently provide both clinical psychology and general psychology master degrees.

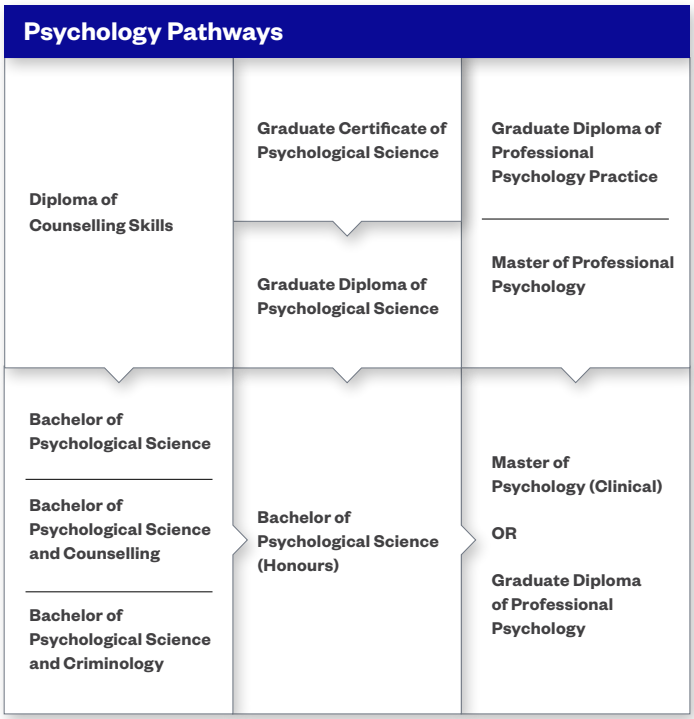

Most of our psychology degrees are accredited by the Australian Psychology Accreditation Council (APAC), providing graduates with the certainty their qualifications meet the standards for national registration as a psychologist.

For more information check out:
acap.edu.au/applied-psychology/psychology

Psychology Career Options

Depending on your interests and level of study, you could work as:

- Registered Psychologist
- Clinical, Neuro or Health Psychologist
- Organisational or Educational Psychologist
- Counselling, Sport or Educational Psychologist
- Psychotherapist or School Counsellor
- Human Resources, Media or Marketing Professional or Researcher

UNDERGRADUATE

BACHELOR OF PSYCHOLOGICAL SCIENCE

The Bachelor of Psychological Science provides the first step in preparing you for a career in psychology, and for further study. To help put theory into practical context, international students can enrol in electives in counselling, criminology, social welfare and in other areas of psychology.

Availability:	On-campus in Melbourne and Sydney.
Intakes:	February, May and September.
Units:	24
Duration:	3 years full-time (9 trimesters).
Admission Criteria:	• Participate in a screening interview (online or by phone); and • Be 18 years or above at the date of commencement; and • Completion of a Senior Secondary Certificate of Education (or equivalent); or • Completion of a Diploma or above (or equivalent); or • Admission to an undergraduate degree at an Australian University (or equivalent).
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.0 with no individual band below 5.5 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	7
CRICOS:	071878B

Potential Career Outcomes

- Policy Developer
- Social Scientist
- Program Evaluator
- Market Research Analyst
- Guidance Counsellor

Workload

ACAP recommends an average of 10-12 hours of study per unit, per week, made up of:

- 4 hours of classes.
- 6-8 hours of self-directed study, assessment preparation, general research and reading.

Units

The following are a few of the typical units in this course:

- Foundational Psychological Processes.
- Abnormal Psychology and Intervention.
- Individual Differences and Assessment.

Assessment

Most units involve the submission of two assignments and some units have exams.

Further study

Depending on grades, a graduate may enter fourth year psychology courses such as the Bachelor of Psychological Science (Honours), or Master of Social Work (Qualifying), or graduate-entry degrees in areas such as health sciences, community services, business and accounting and policy.

Professional Recognition

This course is accredited by the Australian Psychology Accreditation Council (APAC) .

apac accredited.

UNDERGRADUATE

BACHELOR OF PSYCHOLOGICAL SCIENCE AND COUNSELLING

This double major program combines theoretical and practical strengths of the disciplines of psychology and counselling, thus enhancing further study and graduate career opportunities. The psychology major focuses on the fundamental theoretical frameworks underpinning the discipline as a science. The counselling major is concerned with theoretical and practical skill acquisition related to the discipline.

Availability:	On-campus in Melbourne and Sydney.
Intakes:	February, May and September.
Units:	24
Duration:	3 years full-time (9 trimesters).
Admission Criteria:	• Participate in a screening interview (online or by phone); and • Be 18 years or above at the date of commencement; and • Completion of a Senior Secondary Certificate of Education (or equivalent); or • Completion of a Diploma or above (or equivalent); or • Admission to an undergraduate degree at an Australian University (or equivalent).
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.0 with no individual band below 5.5 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	7
CRICOS:	0101844

Potential Career Outcomes

- Diversional Therapist
- Indigenous Health Worker
- Mental Health and Wellbeing Specialist
- Addictive Behaviour Counsellor
- Social Research Worker

Workload

ACAP recommends an average of 10 hours of study per unit, per week, made up of:

- Up to 4 hours of classes.
- 6 hours of self-directed study, assessment preparation, general research and reading.

Units

The following are a few of the typical units in this course:

- Psychology: History, Science and Application 1.
- Foundational Psychological Processes.
- Counselling Skills Training 1.

Assessment

Most psychology units involve the submission of two assignments and an exam. Most counselling units involve two or three pieces of assessment. These assessments may include reports and written assignments, critical reflection, group work, practice counselling sessions and supervised work placements.

Volunteering

To meet industry requirements, students enrolled in this course, are required to undertake volunteering as a mandatory part of their course requirements. Bachelor of Psychological Science & Counselling students must complete 140 hours of volunteering before commencing placement.

Placement

In their final year of study, students must complete one 200 hour student placement. Students attend placement one – two days per week, across two trimesters.

Further study

Graduates may apply for the Bachelor of Psychological Science (Honours) program as well as postgraduate degrees offered by the disciplines of Counselling and Social Work, such as the Master of Social Work (Qualifying). Please note, enrollment in further studies is subject to satisfaction of eligibility criteria specific to the course. To become a registered psychologist, a fourth year of study, for instance the Bachelor of Psychological Science (Honours), is essential.

Professional Recognition

This course is accredited by the Australian Psychology Accreditation Council (APAC). This course is accredited nationally with the Psychotherapy and Counselling federation of Australia (PACFA).

UNDERGRADUATE

BACHELOR OF PSYCHOLOGICAL SCIENCE AND CRIMINOLOGY

The psychology major provides a comprehensive education in the theories and models underpinning the critical and analytical thinking, research methodology, design and analysis necessary for conducting and evaluating psychological research. The criminology major is concerned with approaches to criminal behaviour, the causes of crime, crime prevention, and responses to crime.

Availability:	Psychology units available on-campus in Melbourne and Sydney. Criminology units available on-campus in Melbourne.
Intakes:	February, May and September.
Units:	24
Duration:	3 years full-time (9 trimesters).
Admission Criteria:	• Participate in a screening interview (online or by phone); and • Be 18 years or above at the date of commencement; and • Completion of a Senior Secondary Certificate of Education (or equivalent); or • Completion of a Diploma or above (or equivalent); or • Admission to an undergraduate degree at an Australian University (or equivalent).
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.0 with no individual band below 5.5 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	7
CRICOS:	097107J

Workload

ACAP recommends an average of 10 hours of study per unit, per week, made up of:

- Up to 4 hours of classes.
- At least 6 hours of self-directed study, assessment preparation, general research and reading.

Units

The following are a few of the typical units in this course:

- Applications in Context.
- Psychology: History, Science and Application 1.
- Foundational Psychological Processes.

Assessment

Most units involve the submission of two assignments including formal written assignments, quizzes and preparation for research, and an exam.

Further study

Depending on grades, graduates may apply for the Bachelor of Psychological Science (Honours) program as well as postgraduate degrees offered by the disciplines of Counselling and Social Work, such as the Master of Social Work (Qualifying). Graduates will also be eligible for further study in criminology. To become a registered psychologist, a fourth year of study, for instance the Bachelor of Psychological Science (Honours), is essential.

Potential Career Outcomes

- Intelligence Analyst
- Immigration Officer
- Policy Developer
- Juvenile Justice Support Worker
- Drug and Alcohol Support Services Worker

Professional Recognition

This course is accredited by the Australian Psychology Accreditation Council (APAC) in Sydney, Melbourne, Brisbane, Adelaide and Perth.

apac accredited.

UNDERGRADUATE

BACHELOR OF PSYCHOLOGICAL SCIENCE (HONOURS)

The Bachelor of Psychological Sciences (Honours) is a one-year degree providing a fourth year of accredited study in psychology. International students who have already completed an accredited three-year sequence of study wishing to continue training towards registration as a psychologist in Australia should consider this course.

Availability:	On-campus in Melbourne and Sydney.
Intakes:	February, May and September. Trimester 3 Monday 16 September 2024 (applications close 16/8/24, subject to availability). Trimester 1 Monday 3 February 2025 (applications close 20/12/2024, subject to availability). Trimester 2 Monday 26 May 2025 (subject to availability). Contact an ACAP Course Advisor for more information
Units:	6
Duration:	One year full-time (3 trimesters).
Admission Criteria:	Meet both of the following criteria: • Completed an Australian Psychology Accreditation Council (APAC) accredited three year psychology sequence within the last ten years. • Achieved a GPA of at least 5.8+ (7-point scale) in the APAC accredited 2nd & 3rd year Psychology sequence.
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.5 with no individual band below 6.0 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	8
CRICOS:	102922J

Potential Career Outcomes

- Mental Health Expert
- Health and Welfare Officer
- Policy Developer / Advisor
- User Experience (UX) Researcher
- Data Analyst

* Students who study the Honours course typically progress to post graduate training or undertaking a PhD.

Workload

During the trimester, the study workload is equivalent to approximately 16 hours per week, per unit, including timetabled classes, other directed and self-directed learning activities, and the completion of assessments.

Units

The following are a few of the typical units in this course:

- Research Project.
- Applied Research Methods: Analysing and Interpreting Data.
- Application of Psychology: Principles and Practice.

Assessment

Coursework units may require submission of one or two formal pieces of written assessment, quizzes, and/or an exam, as well as a thesis including a literature review and manuscript based on the student's original research.

Further study

Graduates are qualified to apply for further study in psychology and for provisional registration as a psychologist. They may be eligible to apply for postgraduate study in professional psychology leading to registration as a psychologist, such as at the masters (such as ACAP's Master of Psychology [Clinical]) or doctoral levels, or through the 5+1 pathway which include one year of postgraduate study (such as ACAP's Master of Professional Psychology). Graduates may also choose to undertake further research training, such as a PhD.

Professional Recognition

This course is accredited by the Australian Psychology Accreditation Council (APAC).

apac accredited.

POSTGRADUATE

GRADUATE CERTIFICATE OF PSYCHOLOGICAL SCIENCE

The Graduate Certificate of Psychological Science pathway provides international students with psychological knowledge and skills that can be applied to current and/or future workplaces. At the end of the course, international students will also be able to contemplate further study in psychology. As completion of the Graduate Certificate comprises the initial stages of a four-year sequence in psychology (i.e., the first year of this sequence), the qualification provides the necessary knowledge and skills to gain entry and successfully complete the Graduate Diploma of Psychological Science. The Graduate Diploma represents a fundamental component in students' progression to registration as a psychologist in any state or territory in Australia, and employment in a wide range of settings.

Availability:	On-campus in Melbourne and Sydney.
Intakes:	February, May and September.
Units:	4
Duration:	2 trimesters full-time
Admission Criteria:	Completion of a Bachelor Degree or higher in any discipline.
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.5 with no individual band below 6.0 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	8
CRICOS:	099624E

Potential Career Outcomes

- Mental Health Support Worker
- Youth Support Worker
- People and Culture Specialist
- Marketing and Design Specialist

Workload

ACAP recommends an average of 10 hours of study per week for each unit. This includes a 2.5-hour lecture and a one-hour tutorial each week and six hours of self-directed study and assessment preparation.

Units

The following are a few of the typical units in this course:

- Psychology: History, Science and Application 1 Advanced
- Personal, Professional and Global Sustainability
- Foundational Psychological Processes Advanced

Please note: The Graduate Certificate of Psychological Science is only offered as a pathway into the Graduate Diploma of Psychological Science for international students. Three units will be delivered in one trimester and the remaining unit of this course will be delivered in the following trimester with units from the Graduate Diploma of Psychological Science.

Assessment

Assessment types vary for each unit and include research report, reflective journal, evaluation report, practical skills training logbook, research participation, and multiple choice and short-answer quiz and exam.

Further study

Depending on grades, a graduate may enter fourth year psychology programs such as the Bachelor of Psychological Science (Honours), or Master of Social Work (Qualifying), or graduate-entry degrees in areas such as health sciences, community services, business and accounting and policy.

More Information

For a complete list of units, requirements and more information on this course, visit the course page.

POSTGRADUATE

GRADUATE DIPLOMA OF PSYCHOLOGICAL SCIENCE

This course provides a comprehensive foundation for understanding the theoretical basis of the scientific discipline of psychology. It develops skills in critical and analytical thinking, and in the underpinnings of the professional applications of psychology. The Graduate Diploma of Psychological Science suits those with an undergraduate degree including accredited first year psychology subjects.

Availability:	On-campus in Melbourne and Sydney.
Intakes:	February, May and September.
Units:	9
Duration:	One year full-time (3 trimesters).
Admission Criteria:	• Completion of a Bachelor Degree or higher in any discipline, and • Completion of an Australian Psychology Accreditation Council (APAC) accredited first year psychology sequence within the last ten years. These units are available for completion at ACAP.
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.5 with no individual band below 6.0 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	8
CRICOS:	071879A

Potential Career Outcomes

- Mental Health Support Worker
- Youth and Welfare Services Worker
- Counsellor
- Human Resource or Marketing Consultant

Workload

ACAP recommends an average of 10 hours of study per week, per unit, made up of;

- Classes, and
- Self-directed study

Units

The following are a few of the typical units in this course:

- Psychology: History, Science and Application 2 Advanced
- Foundational Perspectives: Cognition Advanced
- Foundational Perspectives: Biological Bases Advanced

Assessment

For most units, one or two assignments and an exam are required.

Further study

Depending on grades, a graduate may enter fourth year psychology programs such as the Bachelor of Psychological Science (Honours), or Master of Social Work (Qualifying), or graduate-entry degrees in areas such as health sciences, community services, business and accounting and policy.

Pathway

International students who do not meet entry requirements may be offered a Graduate Certificate of Psychological Science as a pathway into the Graduate Diploma of Psychological Science.

Note: The Graduate Certificate of Psychological Science is only offered as a pathway program into the Graduate Diploma of Psychological Science.

Professional Recognition

This course is accredited by the Australian Psychology Accreditation Council (APAC).

apac accredited.

POSTGRADUATE

GRADUATE DIPLOMA OF PROFESSIONAL PSYCHOLOGY PRACTICE

The Graduate Diploma of Professional Psychology Practice provides a sixth year of professional training in psychology for fifth-year APAC accredited psychology graduates seeking to complete the 5+1 pathway to registration. It involves extensive hands-on psychological practice, individual and group supervision, and professional development explicitly designed to reflect the eight core competencies and prepare candidates for the hurdle requirements of the 5+1 pathway, including the national psychology examination.

Availability:	On-campus in Sydney.
Intakes:	February.
Units:	3
Duration:	One year full-time (3 trimesters).
Admission Criteria:	Meet the following requirements: • Completion (or soon to be completion) of a fifth-year tertiary qualification in psychology accredited with the Australian Psychology Accreditation Council (e.g. Graduate Diploma of Professional Psychology). • Current, or eligibility for, registration with the Psychology Board of Australia as a provisional psychologist (which requires you to meet all the requirements for registration).
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.5 with no individual band below 6.0 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	8
CRICOS:	099076F

Potential Career Outcomes

- Psychologist
- Private Practice Psychologist
- Mental Health Worker
- Clinical Case Manager

Workload

ACAP recommends an average of 10-12 hours per week, per unit, made up of attending practicum, supervision, self-directed study and assessment preparation.

Units

The following are a few of the typical units in this course:

- Advanced Professional Psychology Practice: Working with Clients.
- Advanced Professional Psychology Practice: Supervision.
- Professional Psychology: Assessment, Interventions, Ethics and Communication.

Assessment

Assessment types vary for each unit and include a reflective journal, role playing, log book of professional practice, supervisor's report, case studies, and multiple choice quizzes.

Student Placement

Psychological practice totalling 1400 hours. Assistance is provided to students to find placement sites. Students can also be supported in their existing role or internship.

POSTGRADUATE

MASTER OF PROFESSIONAL PSYCHOLOGY

The Master of Professional Psychology provides the fifth year of six years of professional study required for general registration as a psychologist in Australia. Graduates can complete an additional one-year Psychology Board of Australia approved internship to obtain their sixth year of training. Study during this course combines theory with practical work, sequenced to promote an integration of knowledge and professional skill development, completed on-campus at the ACAP Psychology Clinic.

Availability:	On-campus in Sydney.
Intakes:	February.
Units:	9
Duration:	One year full-time (3 trimesters).
Admission Criteria:	Meet the following requirements: • Qualifications equivalent to an Australian Psychology Accreditation Council accredited four-year undergraduate sequence within the last 10 years (qualifications must be assessed by the Australian Psychological Society (APS) for equivalence and evidence of assessment provided); and • Be eligible for registration with the Psychology Board of Australia as a provisional psychologist (which requires you to meet all the requirements for registration).
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.5 with no individual band below 6.0 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	9
CRICOS:	103525C

Potential Career Outcomes

- Psychologist*
- Mental Health Worker
- Wellbeing Officer
- Program Evaluation Officer

*Following completion of registrar period under supervision.

Workload

ACAP recommends an average of 10-12 hours per week, per unit, made up of attending on-campus classes, self-directed study and assessment preparation.

Units

The following are a few of the typical units in this course:

- Professional Psychology: Core Skills and Ethics.
- Professional Psychology: Practice Across the Lifespan.
- Professional Psychology: Assessing Psychological Problems.

Assessment

Assessment types vary for each unit and include reflective journal, role playing, literature reviews, essays, log book of professional practice, supervisor's report, response to case studies, case presentations, examinations and administering, scoring and reporting the findings of standardised psychological tests.

Student Placement

Three placements totalling 300 hours. Students will complete their placement requirements at the ACAP Psychology Clinic.

Professional Recognition

This course is conditionally accredited by the Australian Psychology Accreditation Council (APAC), the body that sets the standards for psychology education in Australia.

apac accredited.

For a complete list of units, requirements and more information on this course, visit the course page.

acap.edu.au/courses/master-of-professional-psychology

POSTGRADUATE

MASTER OF PSYCHOLOGY (CLINICAL)

This course covers specialist areas of clinical psychology as well as developing skills and knowledge in core professional areas. The Master of Psychology (Clinical) provides a fifth and sixth year sequence of professional training in psychology required for general registration as a psychologist in Australia. The program also provides the basis entry to the clinical psychology area of practice endorsement registrar program through the Psychology Board of Australian (PsyBA).

Availability:	On-campus in Sydney.
Intakes:	February.
Units:	15
Duration:	2 years full-time (6 trimesters).
Admission Criteria:	Meet the following requirements: • Successful completion of an Australian Psychology Accreditation Council accredited Level 1 and 2 qualification within the past 10 years (with a GPA of 5.5 or above in the Level 2 qualification) and be eligible for provisional registration with the Australian Health Practitioner Regulation Agency as a psychologist. • Be able to demonstrate personal and professional suitability for post-graduate training in psychology. It is a condition of this course that students complete a National Criminal History Record check prior to enrolment into the second unit of study.
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.5 with no individual band below 6.0 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications. International students also need to meet the Psychology Board of Australia (PBA) language standards. For details see the section, English language skills registration standards, at: psychologyboard.gov.au
AQF Level:	9
CRICOS:	074848F

Potential Career Outcomes

- Clinical Psychologist*
- Mental Health Clinician
- Organisational Psychologist
- Private Practice Psychologist

*Following completion of registrar period under supervision.

Workload

ACAP recommends an average of 10-12 hours per week, per unit, made up of attending on-campus classes, self-directed study and assessment preparation.

Units

The following are a few of the typical units in this course:

COUNSELLING COURSES

INTRODUCTION

Counselling is an applied discipline focussing on person-to person relationships and requiring knowledge about human behaviour, advanced interpersonal and relating skills, and ethical and professional standards.

With ACAP's counselling courses you will gain practical skills and strategies to successfully explore a career in contemporary counselling and wellbeing professions. You will develop an understanding of how to support individuals, couples, families or groups within the cultural and socio-political contexts that impact their lives.

Our Diploma of Counselling Skills offers an introduction to the field with targeted, foundational skills ideal for counselling support roles within community services and health industries. Our Diploma is a pathway to higher education qualifications within ACAP, such as the Bachelor of Counselling.

ACAP's Bachelor of Counselling, Graduate Certificate of Counselling and Master of Counselling and Psychotherapy are all accredited by the Psychotherapy and Counselling Federation of Australia (PACFA) and the Australian Counselling Association (ACA).

According to the latest data from the National Skills Commission (Jobs and Skills Australia), counselling jobs are expected to grow for the five years between November 2021 and November 2026. It is forecast that the number of counselling professionals is expected to increase from 24,400 to 27,800 by 2026.

For more information check out:
acap.edu.au/applied-psychology/counselling

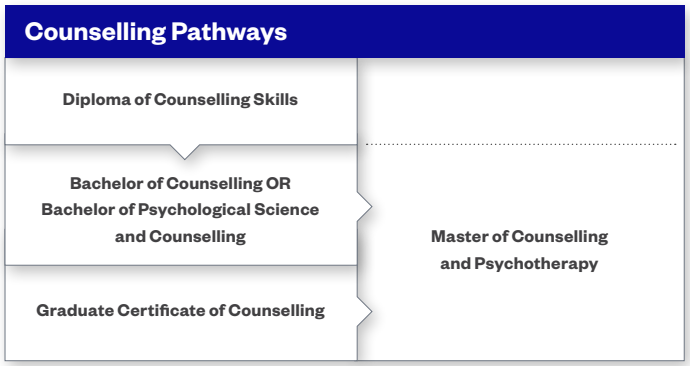

Counselling Pathways

Counselling can be a rewarding career, working in areas such as relationship counselling, grief and loss, trauma, mental health, family violence, and addictions.

Roles are largely in health care, social assistance, education, public health and safety or in private practice.

These are just some of the directions you could go in:

- Mental Health Counsellor
- Grief Counsellor
- Trauma Counsellor
- Relationship Counsellor
- Family Counsellor
- School Counsellor

UNDERGRADUATE

DIPLOMA OF COUNSELLING SKILLS

The Diploma of Counselling Skills is a leading course that focuses on the academic and practical aspects of counselling. It provides an introduction to the field of counselling, with an emphasis on counselling skills, knowledge of mental health systems, and skills required to provide social and health support within the community. The course covers foundational theories of counselling, mentoring techniques, and professional ethics.

Availability:	On-campus in Melbourne and Sydney.
Intakes:	February, May and September.
Units:	8
Duration:	One year full-time (3 trimesters).
Admission Criteria:	• Participate in a screening interview (online or by phone); and • Be 18 years or above at the date of commencement; and • Completion of a Senior Secondary Certificate of Education (or equivalent); or • Completion of a Diploma or above (or equivalent); or • Admission to an undergraduate degree at an Australian University (or equivalent).
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.0 with no individual band below 5.5 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	5
CRICOS:	0101661

Workload

ACAP recommends an average of 10 hours of study per unit, per week, made up of:

- One three-hour class
- Six to seven hours per week of self-directed study, assessment preparation, general research and reading

Units

The following are a few of the typical units in this course:

- Professional Reflection and Self-Care.
- Mental Health and Wellness.
- Professions and Society.

Assessment

Assessment types vary for each unit and may consist of reports, formal essays, critical reflections, group work, practice sessions. Units will involve formative assessments, and the submission of two summative assessments.

Further study

Graduates of the Diploma of Counselling Skills can apply for admission into the Bachelor of Psychological Science and Counselling or the Bachelor of Counselling with up to 8 units credit.

Potential Career Outcomes

- Community Worker
- Family Support Worker
- Disability Support Worker

CRIMINOLOGY COURSES

INTRODUCTION

Studying criminology and justice provides deep insight into why we behave the way we do, the effect our justice system has on our future actions, and the intrinsic relationship it has to the community.

Studying criminology will give you an understanding of what drives criminal behaviour, how the justice system works and the impacts of crime. Criminology courses at ACAP focus on applied skills to influence positive change and develop practical responses that can have a positive impact on criminal justice issues.

The Criminal Justice degree may be used to transition into other university courses such as law, forensics, counter terrorism, criminology and psychology, in both undergraduate and postgraduate programs.

From working in investigative services as part of the federal police, to being on the frontline of criminal justice as a court reporter, your criminology degree could take you in any number of directions. With a projected national job growth of 18.9 per cent through to 2026 (Labour Market Insights), social professionals including human behaviour experts are in demand. Find out about typical occupations and salaries below, based on industry data.

For more information check out:
acap.edu.au/law-justice/criminology

Criminology Pathways

ACAP's criminology courses can provide paths to many different roles in criminal justice, including:

- Policing
- Law
- Courts
- Corrections
- Youth Justice
- Case management
- Customs
- Intelligence

Information correct at August 2024 and may be subject to change. Not all units of courses may be available for online and on campus delivery in every trimester.
Navitas Professional Institute Pty Ltd trading as Australian College of Applied Professions. TEQSA Provider Category: University College, TEQSA Provider ID: PRV12009, National CRICOS Provider Code: 01328A, ABN: 94 057 495 299.

UNDERGRADUATE

ASSOCIATE DEGREE OF CRIMINAL JUSTICE

The Associate Degree examines criminal behaviour, its various causes, and how the criminal justice system responds to crime. It requires successful completion of the first four trimesters of the six-trimester Bachelor of Criminology and Justice. The Associate Degree of Criminal Justice can be completed in 16 months. Those in occupations related to criminal justice and similar professions who wish to enhance their knowledge, professional capabilities and career prospects should apply for this course.

Availability:	On-campus in Melbourne.
Intakes:	February, May and September.
Units:	16
Duration:	2 years.
Admission Criteria:	• Participate in a screening interview (online or by phone); and • Completion of a Senior Secondary Certificate of Education (or equivalent); or • Completion of a Certificate IV or above (or equivalent); or • Admission to an undergraduate degree at an Australian University (or equivalent); or • Be 21 years or above at the date of commencement (applicable for mature age applicants).
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.0 with no individual band below 5.5 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	6
CRICOS:	081563E

Potential Career Outcomes

- Law Enforcement Officer
- Court Registrar
- Youth Justice Worker
- Case Manager
- Corrections Officer

Workload

An average of 10 hours of study per week for each unit is recommended, comprising lecture and tutorial attendance, assessment preparation, general research and reading, and self-guided study. Generally, students with a full-time on-campus study load can expect to attend classes three days per week.

Assessment

You will be assessed using a number of methods, including essays, reports, debates and quizzes.

Units

The following are a few of the typical units in this course:

- Foundations of Justice.
- Crime and the Media.
- Drugs and Crime.

UNDERGRADUATE

BACHELOR OF CRIMINOLOGY AND JUSTICE

The Bachelor of Criminology and Justice examines the criminal justice system by covering a number of interrelated but diverse disciplines including corrective services, criminal law, forensic psychology, law enforcement and justice-related issues such as ethics, drugs and crime, community safety and sentencing.

Availability:	On-campus in Melbourne.
Intakes:	February, May and September.
Units:	24
Duration:	3 years full-time (9 trimesters).
Admission Criteria:	• Participate in a screening interview (typically by phone though online can be arranged if required); and • Be 18 years or above at the date of commencement; and • Completion of a Senior Secondary Certificate of Education (or equivalent); or • Completion of a Diploma or above (or equivalent); or • Admission to an undergraduate degree at an Australian University (or equivalent).
Minimum English Language Requirements:	Academic IELTS minimum overall band of 6.0 with no individual band below 5.5 completed in the last two years (or equivalent). Overseas qualifications must be deemed by ACAP as equivalent to Australian qualifications.
AQF Level:	7
CRICOS:	081562F

Potential Career Outcomes

- Intelligence Officer
- Corporate Crime Analyst
- Counter Terrorism Expert
- Community Corrections Officer
- Paralegal

Workload

An average of 10 hours of study per week for each unit is recommended, comprising lecture and tutorial attendance, assessment preparation, general research and reading, and self-guided study. Generally students with a full-time, on-campus study load can expect to be in classes three days per week.

Work Placement

After successful completion of four trimesters, students are eligible for work placement. This course offers hands-on work placement experience in a selection of organisations such as Victoria Police, in the court system or at law firms, in the community welfare sector, or at correctional centres. Work placement is a valuable practical learning opportunity to work beside industry professionals and provides graduates with a significant addition to their resume, showing evidence of job-readiness to prospective employers. The Practicum unit is undertaken in the final trimester of the course and includes a placement of 75 hours and 36 hours of associated class time, with assessment.

Assessment

You will be assessed using a number of methods, including essays, reports, debates and quizzes.

Units

The following are a few of the typical units in this course:

- Foundations of Justice
- Diversity and Justice
- Crime and the Media

HOW TO APPLY

To apply to study at ACAP, you either go through an agent or directly with ACAP through our website. The information below explains the options.

Using an Education Agent

ACAP has partnered with international education agents in many countries and cities throughout the world. As an international student, you can choose to use an education agent to assist in applying to ACAP, arranging your visa and travel requirements.

An education agent's role is to provide information about ACAP courses and assist you in making the right education choices.

Approved ACAP/Navitas agents are well known for having a professional approach when assisting students with their next career step.

If you use an agent, please follow the steps below and complete the appropriate Agent section on the application form. ACAP will then communicate with your agent regarding your application.

How to find an Agent

ACAP is part of the Navitas group. The Navitas group is a world leader in the development and provision of educational services and learning solutions. Members of the Navitas group offer English language training, high school, university preparation, university programs, career advancement programs, and migrant settlement services to students, professionals, and migrants from all over the world. View a list of ACAP Agents here: acap.edu.au/wp-content/uploads/2024/02/Agent-List.pdf

Applying direct

If you're already in Australia (with a valid student visa) or if you prefer to arrange all the details yourself, you can apply via our website acap.edu.au

These are the steps to follow:

1. Complete the ACAP International Student Application Form
2. Receive an offer
3. Accept your offer
4. Finalise enrolment
5. Apply for your visa
6. Plan your travel

You'll find more detail on each of these steps on our website acap.edu.au/pages/how-to-apply-international-students.

1. Complete the ACAP International Student Application Form:

info.acap.edu.au/f/international-application

- Attach certified copies of all academic qualifications required and that certified translations accompany documents that are not in English (completed by an accredited translator).
- Attach certified copy of your English test results (if available).
- Attach International Student Statement of Purpose Form. acap.edu.au/wp-content/uploads/2022/09/Statement-of-Purpose-for-International-Students.pdf

2. Receive an offer:

Our International Admissions team will review and assess your application and if all is in order, will email you a Letter of Offer. If you are using an education agent, your offer will be sent to your agent.

- An offer may include conditions that must be met before your enrolment can be approved.
- If you have requested advanced standing or credit/ Recognition of Prior Learning (RPL), we will help you to apply for this before you receive your course offer.

3. Acceptance of offer:

When your application for enrolment has been approved by admissions, you will be asked to:

A: Sign an Acceptance Agreement.

B: Pay a tuition deposit.

C: Arrange OSHC (Overseas Student Health Cover). Visit acap.edu.au/pages/how-to-apply-international-students for more information.

4. Finalise enrolment:

Your study placement is confirmed when you receive an electronic Confirmation of Enrolment (CoE). A CoE is required before you can apply for your Student Visa. If you are using an education agent, your CoE will be sent to your agent, who will then forward it to you.

5. Apply for your visa:

International students must obtain a Student Visa.
For more information, go to: immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500
If you are using an education agent, they will assist with this. Please also see the section on Student Visa.

6. Plan your travel:

Wait to receive your Student Visa, then book your tickets to Australia. For more information about planning your arrival, visit: acap.edu.au/student-resources-international-student-resources

Need some advice/help:

If you are considering enrolling at ACAP contact our central Admissions Office.

apply.international@acap.edu.au

Information correct at August 2024 and may be subject to change. Not all units of courses may be available for online and on campus delivery in every trimester.
Navitas Professional Institute Pty Ltd trading as Australian College of Applied Professions. TEQSA Provider Category: University College, TEQSA Provider ID: PRV12009, National CRICOS Provider Code: 01328A, ABN: 94 057 495 299.

ADMISSION REQUIREMENTS

Before you can apply for a Student Visa, you will need to receive an electronic Confirmation of Enrolment (CoE) from ACAP. The CoE can only be issued after you have satisfied all admissions requirements as follows (see below for more details on each of the sections):

1. Entry requirements.

2. English language requirements.

3. Up-front payment requirements.

4. OSHC (Overseas Student Health Cover) costs.

1. Entry requirements

All students must meet the following requirements:

- Students must be aged 18 years or over to enrol.
- Students must have successfully completed secondary studies (assessed equivalent of Australian Year 12).
- Academic requirements can vary for each course, so it is best to check the criteria for your specific course.

2. English language requirements

Students are required to provide current evidence of their English language proficiency for admission to ACAP from one of these three options:

- an accepted English language proficiency test, or
- an accepted English language provider, or
- a recognised qualification

3. Up-front payment requirements

Your Letter of Offer will list the tuition fees and any other general charges levied by ACAP. All required fees must be paid in advance for each trimester.

For more information on non-tuition fees, go to the Administrative or Other Fees (Non-Tuition Fees) section on this page: acap.edu.au/pages/fees-payments

4. OSHC (Overseas Student Health Cover) costs

All international students must have an Overseas Student Health Cover (OSHC) for the whole duration of their student visa. The Application form will ask you to indicate your intended (OSHC) arrangements. The College can arrange your Overseas Student Health Cover (OSHC) on your behalf with the College's preferred provider – Allianz Global Assistance OSHC. For more details: studyaustralia.gov.au/english/live/insurance

Eager for more information

Australia is up there as one of the best countries in the world to study in. ACAP is one of the most supportive educational environments you'll find. Make friends for life, learn from some of the most dedicated teachers in the field and pave the way to a successful career - here, back home or somewhere new.

Be prepared and get excited with more information provided below about studying at ACAP.

International student resources

Check out this section dedicated to International Students, full of great information and links on what your need to know about studying at ACAP and in Australia.

acap.edu.au/pages/international-students-resources

Conditions of enrolment

Head to this webpage which contains all the important information, policies and links to ensure you have what you need prior to enrolling in a course at ACAP.

acap.edu.au/wp-content/uploads/2022/12/ACAP-202211241509-InternationalStudentsConditionsofEnrolment-AWWeb.pdf

Living and accommodation costs

The cost of relocating for study varies according to a number of factors including which city you live in, the type of accommodation you choose to stay in and your preferred lifestyle. Check out our webpage to help you get prepared, scroll down until you hit 'Living and Accommodation'

acap.edu.au/pages/international-students-resources

Important dates

ACAP has three standard study trimesters each year. You can start your course in any of the three trimesters depending on what suits your timetable and your chosen course.

All important dates in the ACAP calendar can be viewed: acap.edu.au/student-resources/key-dates

Information correct at August 2024 and may be subject to change. Not all units of courses may be available for online and on campus delivery in every trimester.
