Acknowledgment of Country

Torrens University Australia acknowledges the Australian Aboriginal and Torres Strait Islander peoples as the first inhabitants of the nation and the Traditional Custodians of the lands where we live, learn and work. We respectfully acknowledge their Ancestors and Elders, past and present.

Samantha "Sammy" Hill, a Koori woman of Dharawal and Wandandian Country lineage.

Prof. Alwyn Louw Vice-Chancellor

Welcome to Torrens University Australia,
where your possibilities are endless.

Your journey begins here. We're all about igniting your potential and empowering you to make a meaningful impact on the world.

Our prestigious rankings speak volumes.

- We're the fastest-growing university in Australia (2021 Australia Higher Education Student Data by the Department of Education, published February 2023), and one of Australia's most innovative companies for three consecutive years (The Australian Financial Review BOSS).
- In 2022, the Quality Indicators for Learning and Teaching (QILT) Student Experience survey revealed our undergraduate students ranked us as #7 in Australia for the Quality of the Entire Education Experience, as well as being ranked in the Top 10 for student support and teaching quality.
- Our 5-star graduate salary rating means our postgraduates earn a salary within the top 20% in Australia (The Good Universities Guide 2022).
- An impressive 98% of employers of our graduates expressed satisfaction with their technical skills (QILT Employer Satisfaction Survey 2022, published April 2023).
- Torrens University Australia is ranked 6th in Australia for employment rates (overall and full-time) of international undergraduate recent

graduates (QILT, Quality Indicators for Learning and Teaching, International Graduate Outcomes Survey 2022, published February 2023).

- We now stand at #9 for international student support ranking (QILT Student Experience Survey 2022, published June 2023).

We'll connect your world.

It's not just about producing graduates with degrees, it's also about the contribution we make to our global community. That is the power of education, you can be a part of something extraordinary.

With a network encompassing over 40,000 alumni and 19,600 current students from 124+ countries, and the only university in Southeast Asia, Australia and New Zealand to be a certified B Corporation, we are a truly global institution that takes great pride in fostering an inclusive environment.

Our future vision is firmly rooted in shaping the trailblazers of tomorrow by equipping our students with skills, knowledge, and adaptability to thrive in the ever-evolving landscape of the 21st century.

We are ready to welcome you and support you to achieve your aspirations. Your future awaits.

Warm regards,
Professor Alwyn Louw
Vice-Chancellor

“

Niti Pearl Goel embodies the transformative power of education. After graduating from Torrens University, Niti returned home to India and founded St. Francis Christian Convent School. “My studies were instrumental in preparing me to establish a special needs school dedicated to providing quality education to students in my home country,” says Niti.

“Undertaking my Master of Education (Special Education) has been a life-changing experience. I’ve learned the importance of training teachers to make their teaching impactful. My international education in Australia has helped me understand the needs of students and how we can cater to them while adhering to global education standards.”

नीतिपार्ल गोयल, शिक्षा द्वारा बदले जाने की शक्तिका जीता-जागता उदाहरण है। टॉरेन्स विश्वविद्यालय से स्नातक की उपाधी प्राप्त करने के बाद नीतिभारत में घर लौट गई और उन्होंने सेंट फ्रांसिस क्रिश्चन कान्वेंट स्कूल की स्थापना की। “मेरी पढ़ाई मुझे विशेष आवश्यकताओं के स्कूल को स्थापित करने में बहुत सहायक थी जो मेरे अपने देश में विद्यार्थियों को उत्तम शिक्षा प्रदान करने के प्रति समर्पित थी,” नीतिने कहा।

“शिक्षा में मास्टर डिग्री (विशेष शिक्षा) की पढ़ाई करना एक जीवन-बदलने वाला अनुभव था। मैंने शिक्षकों को उनके पढ़ाने को प्रभावशील बनाने में प्रशिक्षित करने के महत्व को समझ लिया था। ऑस्ट्रेलिया में मेरी अंतरराष्ट्रीय शिक्षा ने मुझे विद्यार्थियों की आवश्यकताओं तथा विश्व के शिक्षा संबंधी मापदंडों को कैसे मान सकते हैं व हम वे कैसे प्रदान कर सकते हैं इस समझने में सहायता की।”

Niti Pearl Goel

Master of Education (Special Education)

Why study in Australia?

Australia is one of the world’s most popular destinations for international students who want to enhance their education and career prospects.

It is known for its natural beauty, cosmopolitan cities, friendly locals, cultural diversity and outdoor lifestyle. Australia’s international standards in education and quality of living are underpinned by strong economic growth.

When you study in Australia, you will enjoy once-in-a-lifetime experiences, enhance your credentials with education valued by industry and expand your job prospects in a country that offers endless opportunities.

Why choose Torrens University?

With our fresh approach to learning and strong industry connections, you'll be well equipped to work anywhere in the world.

We offer undergraduate, postgraduate and research programs across a wide range of academic disciplines, delivered online and on campus in Sydney, Melbourne, Brisbane and Adelaide.

Our work is strengthened through industry partnerships and collaborations with leading research, sporting and government organisations.

40,000+ alumni | 22,000+ overall students | 11,000+ international students
6 continents | 120+ countries

5-star graduate salary

Our postgraduates earn a salary within the top 20% in Australia.
(The Good universities Guide, 2022)

for international undergraduate employment

We are ranked 6th in Australia for employment rates (overall and full-time) of international undergraduate recent graduates.
(QILT, Quality Indicators for Learning and Teaching, 2023)

for quality of educational experience

Our students ranked us 7th for Quality of Undergraduate Educational Experience.
(QILT, Quality Indicators for Learning and Teaching, 2023)

Certified B Corp university in Australia

We belong to a global community of companies committed to inclusivity and sustainability.

industry placements

Students have access to thousands of industry placement opportunities with top-tier employers.

fastest-growing university in Australia

Bold, modern and agile, we're constantly evolving. With our national campus network, you can choose where to study.
(2021 Australia Higher Education Student Data by the Department of Education, published February 2023)

Graduate work-ready

We believe in delivering an educational curriculum that balances skills training, academic study and professional development. That's why our courses combine university teaching with industry experience and individual coaching. When you graduate from Torrens University, you'll have the knowledge and network to launch your career and transition into others.

Success Coach

Your Success Coach team focuses on your first year of study to enhance your performance and overall success.

Industry placements*

Hands-on experience, client briefs and industry placements set you up for career success.

Industry-connected experts

Stay on top of the latest trends, techniques and technologies with guidance from our leading academics.

Employability

Choose from 300+ courses

You are spoilt for choice with more than 300 industry-relevant courses – all designed to build work-ready skills.

Soft skills

Future-proof your career with transferable skills you can directly apply to the workplace in all industries.

Smaller classes

Our small class sizes provide a more immersive, collaborative learning environment.

5-star graduate salary

Our postgraduates earn a salary within the top 20% in Australia
(The Good Universities Guide, 2022)

*Not all courses offer industry placement. Please see course details for further information.

Industry placements*

We partner with organisations across a range of industries, so you'll be gaining genuine insights in situations that reflect your global career goals. Our aim is for students to graduate ready to work, with the competitive edge to help them land their dream job.

Your connection to industry

- Collaborate on briefs for actual clients with our industry partners
- Work in clinics, creative studios, five-star hotels and elite restaurants
- Train with industry practitioners who have expert skills and experience

Note: For courses that have an external placement, your industry host may require you to undertake a Police Check, Working with Children Check or an NDIS Worker Check. Please allow processing time. Find out your state requirements and plan ahead.

*Not all courses offer industry placement. Please see course details for further information.

Support from day one

We offer a range of student support services to make sure you get the most out of university life – from your first day all the way through to graduation.

Career success

Our Careers Connect platform is where employers advertise exclusive internships and work placements. It's where you can find help with your job search, from writing CVs to preparing for interviews.

Student support services

Our dedicated staff are here to help you settle into Australia and university. They will provide ongoing support from your very first day with us.

Wellbeing and diversity

We are committed to creating a healthy, safe and respectful culture that celebrates diversity. Our personal counsellors are on hand to talk you through any study or personal issues you may face.

Student representatives

Student Ambassadors represent Torrens University at activities and events, and the Student Representative Council (SRC) ensures student voices are heard, bringing the community to life.

Student app

Stay on top of subjects and timetables, connect to campus maps, and access resources from global learning partners, libraries and platforms.

Orientation sessions

An opportunity to meet classmates, academics and support staff, Orientation covers everything you need to know before you begin your studies, from online tools to campus facilities.

English language support

With our English programs, you'll be provided with support to improve your communication skills, ability to learn in an academic environment and employment opportunities.

Disability services

If you have an ongoing health condition or learning disability, or if you're the primary carer for a person with a disability or medical condition, our Disability Liaison Advisors can provide you with academic adjustments and other support services.

Ultimo

Design & Creative Technology

📍 46–52 Mountain Street, Ultimo, Sydney

Inside this revamped campus, you'll find everything you need to craft your future. You won't just work in classrooms – you'll flourish in creative studios and professional spaces that mirror your future world of work.

- Heritage building located in the epicentre of Sydney's creative culture
- Purpose-built study hubs including digital media lab, photo-imaging studio, craft workshop and fashion studio
- Creative pods for learning, collaboration and entrepreneurship

Surry Hills

Business, Education, Health, Hospitality and English Language

📍 17–37 Foveaux Street, Surry Hills, Sydney

Purpose-built and cutting edge, our Surry Hills campus is designed to enhance your education, offering modern facilities and the latest technologies to complement your studies.

- Work-Integrated Learning facilities, including a simulated hotel room and our student-led clinic, The Practice Wellbeing Centre
- Multi-purpose learning spaces, including a Learning Resource Centre (library)
- Student Services support

The Practice Wellbeing Centre

📍 17–37 Foveaux Street, Surry Hills, Sydney

The Practice Wellbeing Centre offers a unique and holistic approach to health in Naturopathy, Western Herbal Medicine, Counselling and Nutrition under one roof. This is a student-led clinic offering the latest approach and techniques at affordable prices. All sessions are supervised by qualified and experienced practitioners.

- Clinical labs with simulation rooms and equipment
- All sessions are supervised by qualified and experienced practitioners

Leura (Blue Mountains)

Leura (Blue Mountains) Hotel Management and English Language

📍 1 Chambers Road, Leura, NSW

Located 1.5 hours from Sydney on six hectares of landscaped private gardens, our Leura (Blue Mountains) campus combines hotel living* with world-class learning. Immerse yourself in the operations and culture of hotel management and hospitality.

- Live and learn in a simulated hotel environment
- Surrounded by World Heritage-listed national parks and 1.5 hours from Sydney
- Non-stop support with a 24/7 Duty Manager available to help students

*Room, board and other living costs are additional and are included in your offer letter.

Melbourne

Australia's cultural hub is rated among the world's most liveable cities for students, meaning you and your studies will flourish here.

Melbourne is often called Australia's cultural capital, hosting endless options such as the Australian Open, Australian Football League matches and world-renowned music, arts and literary festivals.

You can walk along the Yarra River, have a picnic in the Royal Botanic Gardens and go swimming at St Kilda Beach. Travel outside the city across the Great Ocean Road, visiting the Twelve Apostles along the way.

Our campus is in the heart of the CBD, so you'll always be near art galleries, restaurants and café precincts, and be connected to business and industries.

Business, Design & Creative Technology, Education, Health, Hospitality and English Language

📍 196 Flinders Street, Melbourne

The Practice Wellbeing Centre

📍 45 Victoria Street, Fitzroy, Melbourne

Our sustainable and inclusive campuses have state-of-the-art facilities. Immerse yourself in a forward-thinking learning culture with an open-door policy that means you'll always feel comfortable getting the most out of your studies.

- High-tech facilities including photography studio and sewing machine labs
- Clinical labs with simulation rooms and equipment
- Our student-led clinic, The Practice Wellbeing Centre, is located in the inner-city suburb of Fitzroy

Brisbane

When you choose to study in Brisbane, you will find a home in one of Australia’s warmest states.

International students enjoy 300 days of sunshine per year and nearby holiday destinations such as the Gold Coast and Sunshine Coast, as well as Australia’s favourite theme parks. Brisbane boasts a great balance of vitality, lifestyle, affordability and employability.

Brisbane is one of the fastest-growing cities in Australia. It was recently named the host of the 2032 Summer Olympic and Paralympic Games, creating a wealth of excitement and opportunity.

Our campuses are on the fringe of the city’s CBD, in the colourful cultural and business precinct of Fortitude Valley, overlooking the Brisbane River. It is the ideal place to spend your time at university.

Business, Design & Creative Technology, Health, Hospitality and English Language

90 Bowen Terrace, Fortitude Valley, Brisbane

Our cutting-edge campuses are the perfect place to complete your studies. Here you will find the latest digital technologies, open learning spaces and social connections to ensure you achieve your goals.

- Collaborative learning spaces, allowing students to share knowledge and form connections
- 24/7 access to computer lab
- State-of-the-art facilities including photography studio, sewing machine labs and project studios

Adelaide

With a low cost of living, vibrant cultural scene and an extra year of post-study work rights, it’s no wonder students choose Adelaide.

This city is where the Torrens University story began. Our Adelaide campus was designed for a single purpose: to deliver a world-class student learning experience.

You will be close to Adelaide Oval, Adelaide Botanic Garden, beautiful coastline and the world-renowned Kangaroo Island, which has native bushland, exotic wildlife and plenty of opportunities for exploration.

Business, Design & Creative Technology, Health, Hospitality and English Language

88 Wakefield Street, Adelaide

Hospitality

22 Pulteney Street, Adelaide

Located in the Central Business District, our campuses offer the latest digital technologies and an integrated English Language Centre.

- Dedicated study areas, breakout pods and relaxation zones
- Clinical labs with simulation rooms, high-fidelity mannequins and state-of-the-art equipment
- Our Pulteney Street campus is exclusively focused on students studying International Hotel Management

Accommodation

If you're moving to a new city to start university, where to live is one of the most important decisions you need to make.

Off-campus living

Torrens University can assist you by recommending accommodation, or you can organise your own private housing in your city and surrounding suburbs.

Short-term accommodation

Backpackers' hostels, hotels or serviced apartments can be good options while you become familiar with your new city and seek longer-term accommodation.

Homestay

Homestay is an accommodation option where you live with an Australian family while you study. In exchange for a weekly fee, the host family provides all your basic needs. Find out more at: homestaynetwork.org

Private rental or share house

You can rent a property on your own or with friends. This can be arranged privately or through a real estate agent. It's important that you inspect a property before moving in.

Purpose-built student accommodation

Student accommodation is close to campus, and can include electricity, water, internet and furniture in the rate. You may share a bathroom and kitchen, or have your own.

Amberstudent

Torrens University has partnered with Amberstudent, a leading student accommodation platform with presence across Australia. Amberstudent offers a lot of housing options for students including private rooms and ensuites on their platform. For details, visit:

amberstudent.com/partners/torrens-university

On-campus living at Blue Mountains International Hotel Management School

A 1.5-hour drive from Sydney, our Leura campus in the Blue Mountains is home to first- and second-year undergraduates studying towards a Bachelor of Business (International Hotel and Resort Management). Students live in hotel-style rooms while completing practical training.

During residential terms, all main meals are provided. After hours, the wellbeing of students is the responsibility of the Duty Manager, who can be contacted 24/7.

Study Abroad and Student Exchange programs

Complete one or two trimesters in Australia and earn credit towards your degree in your home country.

It's a golden opportunity to immerse yourself in a new culture, improve your English language skills and make lifelong connections while advancing your education and enhancing your employment prospects.

Find out more at: torrens.edu.au/studying-with-us

Meet Ivana Castillo Rodríguez from Pontificia Universidad Javeriana de Cali, Colombia

Ivana took advantage of our exchange program, choosing to undertake two trimesters of her Business study at Torrens University Australia at our Surry Hills campus in Sydney.

We love following journeys like Ivana's and welcoming exchange students from partner institutions around the world.

Course overview

Business

“I believe that students should aim to begin with an end goal in mind for what they hope to achieve in work and life. Teaching at Torrens enables me to engage students on this journey of clarifying how to achieve their goals. The smaller classrooms, industry engagement, and success coaching work together to make this possible.”

Deji Okuneye
Senior Learning Facilitator

- Graduate with a professional portfolio and work experience to give you a kickstart in the industry
- Design cutting edge video production using trends within social and new media platforms

Duration: 1.5 years

Location: Sydney, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 5.5 (no band less than 5.0) or equivalent

Industry partners:

Potential careers in Australia:

Digital Video Producer and Videographer
Average salary range: \$95,489-\$117,950 AUD

Video Editor
Average salary range: \$62,875-\$103,087 AUD

Compositor
Average salary range: \$70,844-\$182,386 AUD

Source: au.talent.com/salary and payscale.com

Towards the end of my studies I started doing more frequent freelancing, and real client work started to take priority over student work. I would find myself in meetings with directors and such, and this is when I started feeling more like a professional in training than a student.”

Dan Braga

Bachelor of Digital Media (3D Design and Animation) graduate, Norway

Potential careers in Australia:

Graphic Designer
Average salary range: \$74,990-\$108,751 AUD

Illustrator
Average salary range: \$64,377-\$104,806 AUD

Web Designer
Average salary range: \$75,750-\$120,673 AUD

Source: au.talent.com/salary and payscale.com

Diploma of Graphic Design

CRICOS: 102489K

Break boundaries and reshape societies – all with the power of your imagination.

Course highlights:

- Grow technical and theoretical knowledge from a course tried and tested for more than 30 years
- Discover the powerful uses of typography and design principles in creating meaning in communication
- Manipulate photography and illustration to create original works
- Master industry-standard software and related tools in a technical environment
- Learn the language of graphic design so you graduate job-ready with your own personal design style

Duration: 1.5 years

Location: Sydney, Melbourne, Brisbane, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 5.5 (no band less than 5.0) or equivalent

Pathway to: Bachelor of Communication Design, 3 years full time, CRICOS: 090295A

Industry partners:

*International students studying on a student visa must adhere to the conditions of their student visa including studying full time and completing a minimum of 2/3 of their studies face to face.

Diploma of
Interior Design and Decoration

CRICOS: 092484B

Enter into an ever-changing world of textiles, colours, joineries, finishes, balance and more.

Course highlights:

- Learn to ideate and illustrate your ideas before making them a reality
- Become proficient in industry-standard software and design tools AutoCAD and SketchUp, used by designers across the globe
- Explore various design processes and learn everything about materials and finishes in residential and commercial design and decoration
- Tackle issues of sustainability, and explore ways to design appropriately for a range of clients
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 1.5 years

📍 Location: Sydney, Melbourne, Brisbane, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 5.5 (no band less than 5.0) or equivalent

Pathway to: Bachelor of Interior Design (Commercial), 3 years full time, CRICOS: 105417B

Pathway to: Bachelor of Interior Design (Residential), 3 years full time, CRICOS: 105419M

Industry partners:

The Interior Design courses are developed in collaboration with Sibella Court

Potential careers in Australia:

Junior Interior Designer

Average salary range: \$56,000-\$75,000 AUD

Materials and Furnishing Consultant

Average salary range: \$53,099-\$85,000 AUD

Interior Stylist

Average salary range: \$80,625-\$85,000 AUD

Source: au.talent.com/salary and payscale.com

*International students studying on a student visa must adhere to the conditions of their student visa including studying full time and completing a minimum of 2/3 of their studies face to face.

Bachelor of
3D Design and Animation

CRICOS: 103341M

Create worlds and characters, and bring them to life.

Course highlights:

- Create the future of 3D workflows using procedural asset development and real-time animation production processes
- Work with industry-standard creative processes and live briefs, and intern with 3D design and animation studios
- Build who you are as a designer with electives from other disciplines
- Experiment with the latest advances in technical hardware and software from games, animation, interactive and 3D production processes
- Master skills in 3D modelling, rigging, animation, texturing, lighting, compositing, character modelling and development
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 3 years

📍 Location: Sydney, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Diploma of 3D Design and Animation, 1 year full time, CRICOS: 103343J

Pathway from: Associate Degree of 3D Design and Animation, 2 years full time, CRICOS: 103342K

Industry partners:

Our animation courses have featured on the Rookies World School Rankings. Awarded Top 10 Animation School in Australasia by Animation Career Review 2020.

Potential careers in Australia:

3D Animator

Average salary range: \$55,500-\$95,000 AUD

Environment Designer

Average salary range: \$80,000-\$107,611 AUD

Visual Effects (VFX) Artist

Average salary range: \$40,708-\$182,434 AUD

Source: au.talent.com/salary and payscale.com

Potential careers in Australia:

Photographer

Average salary range: \$57,500-\$92,017 AUD

Photo Retoucher

Average salary range: \$55,771-\$122,093 AUD

Photo Editor

Average salary range: \$60,000-\$102,000 AUD

Source: au.talent.com/salary and payscale.com

Diploma of
Photography and Photo Imaging

CRICOS: 102490F

Launch into a photography career with this comprehensive qualification.

Course highlights:

- Gain hands-on experience with industry-standard equipment to enhance your photography
- Learn to think visually and explore concept development within your photography
- Master industry-standard software and workflow for pre and post-production across still and video formats
- Understand the importance of business and self-promotion

Duration: 1.5 years

📍 Location: Sydney, Brisbane, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 5.5 (no band less than 5.0) or equivalent

Pathway to: Bachelor of Communication Design, 3 years full time, CRICOS: 090295A

Industry partners:

Choose Design & Creative Technology courses

Bachelor of Architectural Technology

CRICOS: 114510H

Picture yourself creating immersive built environments by applying computer-aided design (CAD) and building information modelling (BIM) practices to all the latest software and technology.

Course highlights:

- Develop sound knowledge of the entire architectural design process
- Leverage a range of technologies used in creating innovative built environments
- Explore new ways that materials and construction assemblies can provide sustainable solutions
- Apply an inside-out approach to building design by creating fully immersive digital environments
- Learn how 3D modelling and game engines can influence a range of architectural design proposals
- Evaluate human needs and the impact of new architectural artefacts for optimal spatial planning
- Develop your knowledge of electrical, mechanical, plumbing and structural engineering services to develop integrated building solutions
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 3 years

Location: Sydney, Melbourne, Brisbane, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Industry partners:

Potential careers in Australia:

Architectural Technician

Average salary range: \$77,885-\$110,000 AUD

Project Manager (Construction)

Average salary range: \$111,503-\$197,600 AUD

Studio Director

Average salary range: \$112,500-\$147,000 AUD

Source: au.talent.com/salary and payscale.com

Potential careers in Australia:

Game Designer

Average salary range: \$78,000-\$145,250 AUD

Character Artist

Average salary range: \$73,878-\$146,248 AUD

3D Animator

Average salary range: \$55,500-\$95,000 AUD

Source: au.talent.com/salary and payscale.com

Bachelor of Game Design and Development

CRICOS: 095346K

Dedicate yourself to the pursuit of creating breathtaking environments and characters for one of the biggest industries in the world.

Course highlights:

- Understand the game design and production principles that go into making world-class titles
- Gain practical industry insights from working professionals and build a professional portfolio
- Master your artistic style and technical skills to build storylines and characters in a range of different contexts
- Collaborate with other game artists and programmers and replicate operating within a games studio, in a real-world context
- Specialise in building games using the PlayStation® PS5 dev kits
- Master the theory of PlayStation® architecture and porting a project to the platform
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 3 years

Location: Sydney, Melbourne, Online *

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Diploma of Game Design and Development, 1 year full time, CRICOS: 102263F

Pathway from: Associate Degree of Game Design and Development, 2 years full time, CRICOS: 102265D

Industry partners and applications:

East meets West collection
created by Katherine Jiang

Winner of
Australia China
Distinguished
Alumni Award
(Arts and Creative
Industries)

“Lecturers have industry experience, give very good insights and understand what we could experience after graduation. This prepared me for what to expect in the industry. As my course was more all-rounded and not specifically about design, I was able to expand my career possibilities rather than narrow it down to one specific role.”

Katherine Jiang

Bachelor of Branded Fashion Design,
Australia

*International students studying on a student visa must adhere to the conditions of their student visa including studying full time and completing a minimum of 2/3 of their studies face to face.

Bachelor of
Branded Fashion Design

CRICOS: 090293C

Learn what it takes to begin your career as a Fashion Designer, Buyer, Merchandise Planner or Brand Manager.

Course highlights:

- Investigate the theory behind sustainable and ethical fashion design and marketing
- Learn a variety of cutting, sewing and finishing techniques and terminology, and their impact on shape and form
- Master concept development, fabric manipulation and draping
- Graduate with the digital skills to produce industry-standard technical drawings, design line sheets, lookbooks and social collateral
- Create and manage the integrity and positioning of a brand
- Experiment with both classic and cutting-edge techniques and technologies
- Create relationships with industry partners
- Create a professional Bill of Materials and industry-standard tech and specs pack
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 3 years

📍 Location: Sydney, Melbourne, Brisbane, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Diploma of Branded Fashion Design, 1 year full time, CRICOS: 107018A

Pathway from: Associate Degree of Branded Fashion Design, 2 years full time, CRICOS: 090286B

Industry partners:

Potential careers in Australia:

Fashion Designer

Average salary range: \$58,750-\$82,200 AUD

Fashion Buyer

Average salary range: \$65,000-\$98,000 AUD

Merchandise Planner

Average salary range: \$84,250-\$120,000 AUD

Source: au.talent.com/salary and payscale.com

Potential careers in Australia:

Brand Manager

Average salary range: \$88,690-\$150,000 AUD

Product Developer

Average salary range: \$97,504-\$182,500 AUD

Merchandise Planner

Average salary range: \$84,250-\$120,000 AUD

Bachelor of
Fashion Marketing and Enterprise

CRICOS: 108076E

Prepare yourself to be the next-generation leader in the fashion industry.

Course highlights:

- Distinguish between ethical and unethical marketing and enterprise management practices
- Understand the fashion industry's impact on local and global communities
- Demonstrate thought leadership and meaningful action for entrepreneurial and social enterprise pursuits across the broader fashion industry
- Solve unpredictable and/or complex marketing and management problems
- Use research and critical thinking to evaluate information and respond to complex issues, anticipating user behaviour and preferences
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 3 years

📍 Location: Sydney, Melbourne, Brisbane, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Diploma of Fashion Marketing and Enterprise, 1 year full time, CRICOS: 108078C

Pathway from: Associate Degree of Fashion Marketing and Enterprise, 2 years full time, CRICOS: 108077D

Industry partners:

*International students studying on a student visa must adhere to the conditions of their student visa including studying full time and completing a minimum of 2/3 of their studies face to face.

Potential careers in Australia:

Design Strategist

Average salary range: \$125,000-\$138,654 AUD

Art Director

Average salary range: \$95,265-\$150,000 AUD

Service Designer

Average salary range: \$111,944-\$156,784 AUD

Source: au.talent.com/salary and payscale.com

Bachelor of
Communication Design

CRICOS: 090295A

Focus on the creation of visual messages, ideas and information for a range of audiences.

Course highlights:

- Explore brand strategy, typography, customer experience design and service design
- Explore packaging and branded environment design for end-user needs
- Focus on creating messages, designs and integrated concepts for a range of clients, contexts and audiences
- Refine strategic thinking, design process and brand development skills to solve real-world problems
- Graduate with work experience and a professional portfolio
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 3 years

📍 Location: Sydney, Melbourne, Brisbane, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Diploma of Communication Design, 1 year full time, CRICOS: 090303F

Pathway from: Associate Degree of Communication Design, 2 years full time, CRICOS: 090287A

Industry partners:

“Having the opportunity to be in a creative environment like this makes me dream more, and understand that anything is possible.”

Valentina Marin Sanchez

Bachelor of Communication Design, Colombia

Collection by Tanaka Magoche
Bachelor of Branded Fashion Design,
Ireland

“

The internship with Vogue Living was such a milestone that helped boost my confidence. I formed industry connections while exploring the intricacies of the amount of hard work it takes to create each issue.”

Thai Vy Nguyen
Bachelor of Interior Design
(Residential), Vietnam
Vogue Living intern

Bachelor of
Interior Design (Commercial)

CRICOS: 105417B

Learn the role of emerging technologies in the commercial world of interior design.

Course highlights:

- Bring your designs to life and discover how commercial interiors can engage an audience
- Design, develop and document commercial interior design projects
- Learn 3D-modelling software for spatial projects
- Explore the importance of implementing environmentally sustainable practices
- Learn the professional practice and documentation techniques to build and install your future designs
- Graduate with work experience and a professional portfolio to walk into any design studio interview with confidence
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 3 years

Location: Sydney, Melbourne, Brisbane, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Diploma of Interior Design and Decoration, 1 year full time, CRICOS: 092484B

Pathway from: Associate Degree of Interior Design (Commercial), 2 years full time, CRICOS: 105418A

Industry partners:

Potential careers in Australia:

Interior Designer

Average salary range: \$74,148-\$110,000 AUD

Retail Designer

Average salary range: \$80,000-\$164,000 AUD

3D Computer Modeler

Average salary range: \$76,250-\$100,450 AUD

Source: au.talent.com/salary and payscale.com

Bachelor of
Interior Design (Residential)

CRICOS: 105419M

Residential interior design is a language that speaks to the notion of a home as both a physical and mental place.

Course highlights:

- Create future-ready residential interior design solutions that embrace new technologies and redefine how we live our lives
- Learn industry-standard software and design tools used by designers across the globe
- Understand the facets of residential interior design including product sourcing and the impact of materials, joinery and technology systems
- Build business and social enterprise skills
- Undergo Work-Integrated Learning
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 3 years

Location: Sydney, Melbourne, Brisbane, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Diploma of Interior Design and Decoration, 1 year full time, CRICOS: 092484B

Pathway from: Associate Degree of Interior Design (Residential), 2 years full time, CRICOS: 105420G

Industry partners:

Potential careers in Australia:

Interior Designer

Average salary range: \$74,148-\$110,000 AUD

Residential Designer

Average salary range: \$72,500-\$120,000 AUD

Property Stylist

Average salary range: \$60,000-\$75,000 AUD

Source: au.talent.com/salary and payscale.com

*International students studying on a student visa must adhere to the conditions of their student visa including studying full time and completing a minimum of 2/3 of their studies face to face.

Potential careers in Australia:

UI Designer

Average salary range: \$95,000-\$150,000 AUD

UX and Web Designer

Average salary range: \$96,130-\$150,000 AUD

Front-end Developer

Average salary range: \$99,043-\$151,190 AUD

Source: au.talent.com/salary and payscale.com

Bachelor of
UX and Web Design

CRICOS: 103344H

Are you passionate about the role of human psychology in designing user interfaces?

Course highlights:

- Learn the fundamentals of a wide range of languages used in front-end development such as HTML, CSS, JavaScript, jQuery, Python, PHP and modern frameworks such as Greensock, React and Vue
- Cover the theory and practice of contemporary UX design including the psychological elements of decision-making and digital interaction
- Craft compelling interactive experiences for web, mobile and social media
- Strengthen your design, scripting and development skills
- Develop strategic thinking skills to approach problems from different perspectives
- Graduate with a professional portfolio and work experience
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 3 years

Location: Sydney, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Diploma of UX and Web Design, 1.5 years full time, CRICOS: 103346F

Pathway from: Associate Degree of UX and Web Design, 2 years full time, CRICOS: 103345G

Industry partners:

Potential careers in Australia:

App Developer

Average salary range: \$77,313-\$177,525 AUD

Video Game Programmer

Average salary range: \$64,000-\$108,000 AUD

C++ Programmer

Average salary range: \$80,000-\$113,999 AUD

Source: au.talent.com/salary and payscale.com

Bachelor of
Software Engineering
(Game Programming)

CRICOS: 093341J

Thanks to our partnership with Sony Computer Entertainment Europe (SCEE), you will develop games using the PlayStation® platform through the PlayStation® First Academic Development Program.

Course highlights:

- Master C++ and other industry-standard coding languages
- Acquire skills in engine development and collaborative game creation including game development processes, rapid prototyping and 3D graphic development
- Specialise in the architecture and pipeline of PS5 and PS Vita systems and learn the proprietary PhyreEngine and optimised game development techniques for the PlayStation platform
- Research and explore advances in software engineering techniques and technology such as AI and procedural world-building
- Learn the algorithms, data structures and techniques that underpin expertise in software engineering and game programming
- Undergo 120 hours of real-world, industry-relevant experience (required)

Duration: 3 years

📍 Location: Sydney, Melbourne, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Associate Degree of Software Engineering (Game Programming), 2 years full time, CRICOS: 102266C

Industry partners:

*Delivered as part of the Play Station First Academy Program

Bachelor of
Software Engineering
(Artificial Intelligence)

CRICOS: 099352B

Work at the forefront of one of the most interesting and expanding fields in software engineering.

Course highlights:

- Explore different models for pattern recognition, algorithms and data structures
- Build a foundation of design skills, including design thinking, human-centred design and secure by design methodologies
- Master machine learning and deep learning to model and train neural networks to implement a variety of computer vision applications
- Discover data mining and visualisation
- Analyse datasets, data preparation, handling missing data, modelling, prediction and classification
- Work with natural language processing and speech recognition including language modelling, formal grammars, statistical parsing, machine translation and dialogue processing
- Undergo 360 hours of real-world, industry-relevant experience (required)

Duration: 3 years

📍 Location: Sydney, Melbourne, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Associate Degree of Software Engineering (Artificial Intelligence), 2 years full time, CRICOS: 102267B

Industry partners:

Potential careers in Australia:

Machine Learning Engineer

Average salary range: \$121,016-\$246,375 AUD

Systems Architect

Average salary range: \$100,000-\$162,230 AUD

Software Engineer

Average salary range: \$100,000-\$162,230 AUD

Source: au.talent.com/salary and payscale.com

Potential careers in Australia:

ICT Security Analyst

Average salary range: \$98,747-\$194,386 AUD

Cybersecurity Analyst

Average salary range: \$90,518-\$130,950 AUD

Cybersecurity Engineer

Average salary range: \$138,153-\$200,000 AUD

Source: au.talent.com/salary and payscale.com

Bachelor of
Cybersecurity

CRICOS: 110736M

Prepare for a career fighting cybercrime in some of the world's most in-demand roles.

Course highlights:

- Learn the fundamentals of preventative cybersecurity principles, programs and practices
- Understand complex cybersecurity requirements in designing innovative ICT solutions, using critical and analytical thinking to secure digital infrastructures
- Learn to detect vulnerabilities and assess their potential impact on digital infrastructures
- Learn ethical hacking and penetration testing practices used for proactive and offensive security strategies
- Develop and construct innovative cybersecurity solutions
- Identify emerging cybersecurity threats, risks and solutions
- Undergo 360 hours of real-world, industry-relevant experience (required)

Duration: 3 years

📍 Location: Sydney, Melbourne, Brisbane, Adelaide, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Diploma of Cybersecurity, 1 year full time, CRICOS: 110738J

Pathway from: Associate Degree of Cybersecurity, 2 years full time, CRICOS: 110737K

Course developed in collaboration with:

Cisco, Fortinet, IBM, Revio, Allianz

Bachelor of
Information Technology

CRICOS: 108468M

Learn the practical and theoretical knowledge to leverage smart and emerging technologies

Course highlights:

- Evaluate and select appropriate technology and design methodologies for the implementation of IT solutions
- Synthesise cognitive, technical and creative skills to design and develop inventive IT solutions for complex industry applications
- Communicate IT services and solutions to a diverse audience, ensuring they meet system and user needs
- Evaluate and recommend emerging IT technologies to deliver creative and human-centric IT solutions
- Undergo 360 hours of real-world, industry-relevant experience (required)

Duration: 3 years

📍 Location: Sydney, Melbourne, Brisbane, Adelaide, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway from: Diploma of Information Technology, 1 year full time, CRICOS: 108469K

Potential careers in Australia:

Solution Architect

Average salary range: \$120,556-\$199,640 AUD

Network Designer

Average salary range: \$88,628-\$168,175 AUD

Data Engineer

Average salary range: \$107,065-\$165,000 AUD

Source: au.talent.com/salary and payscale.com

The design workforce needs to reflect the diversity of the world it designs for. We need urgent action to change this.

Design Council UK,
Design Economy Report 2022

Sigil – created by Tai Ha, Sean, Caldecott, Derek Lai, Tom Wilson, Dayna Aspite and Elmin Kadric

“

I believe it's important to be exposed to a variety of fields and kinds of work. Being open to learning and actively doing so ultimately makes you a more competent individual.”

Silvia Garcia
Master of Design, Mexico
Vogue Living intern

Potential careers in Australia:

- Lead Designer**
Average salary range: \$115,000–\$160,000 AUD
- Creative Director**
Average salary range: \$129,756–\$172,524 AUD
- Design Lecturer**
Average salary range: \$108,187–\$145,365 AUD

Source: au.talent.com/salary and payscale.com

Master of Design

CRICOS: 114511G

Advance your professional practice across brand strategy, customer experience design and service design.

Course highlights:

- Critically analyse current practices and trends in design as they relate to social, cultural, economic, technological and environmental contexts
- Research complex problems, information and theoretical concepts to inform the development of design outcomes and solutions through independent analysis and synthesis
- Explore how innovation, technology, creativity and entrepreneurship can change economies
- Undergo 240 hours of real-world, industry-relevant experience (required)

Duration: 1.5 years (Cognate), 2 years (Non-Cognate)

Location: Sydney, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Completion of any Bachelor degree or equivalent are eligible to enter the 2 Year Non-Cognate Program Or
- Completion of a Bachelor of Design degree or equivalent, or successful completion of the Graduate Certificate of Design are eligible to enter the 1.5 Year Cognate Program Or
- Completion of any recognised Diploma or equivalent and a minimum of 5 years of work experience demonstrated by a resume or portfolio
- Academic IELTS 6.5 (no band less than 6.0) or equivalent

Pathway from: Graduate Certificate of Design, 6 months full time, CRICOS: 114513E

Industry partners:

Master of Cybersecurity

CRICOS: 110792C

Master of Cybersecurity (Advanced)

CRICOS: 110791D

Protect the digital fortress from a rise in cybersecurity threats.

Course highlights:

- Critically analyse and explain cybersecurity operations and their impact on society
- Assess human and technology requirements, using agile approaches to protect human and digital infrastructures
- Evaluate and leverage emerging cybersecurity tools and methodologies for preventative action
- Develop innovative and agile solutions to defend against cybersecurity breaches and attacks
- Research and evaluate emerging cybersecurity threats, risks and solutions
- Demonstrate ethical and professional leadership in implementing cybersecurity solutions
- Undergo 192 hours or 504 hours (Advanced) of real-world, industry-relevant experience (required)

Duration: 1.7 years (Standard), 2 years (Advanced)

Location: Adelaide, Brisbane, Melbourne, Sydney, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian bachelor's degree or equivalent in Information Technology, Business Information systems or relevant disciplines; and
- Academic IELTS 6.5 (no band less than 6.0) or equivalent

Pathway from: Graduate Certificate of Cybersecurity, 6 months full time, CRICOS: 110794A

Pathway from: Graduate Diploma of Cybersecurity, 1 year full time, CRICOS: 110793B

Course developed in collaboration with:

Cisco, Fortinet, IBM, Revio, Allianz

Potential careers in Australia:

- Cybersecurity Engineer**
Average salary range: \$138,153–\$200,000 AUD
- Chief Security Officer**
Average salary range: \$147,407–\$218,729 AUD

Why Education at Torrens University?

Broaden your expertise through fresh perspectives on teaching with our postgraduate courses in Education. The ability to specialise allows you to build skills and understanding to support individuals with a range of capabilities. With this knowledge, you'll help bring widespread change and raise the standards of education for both students and teachers at local and global levels.

Industry focus

We equip our graduates with industry-recognised skills for a seamless transition into the workforce.

Small class sizes

Get direct and personalised access to our industry-experienced lectures and facilitators.

Flexible learning

We offer flexible learning options, a national network of award-winning campuses, and industry-connected academics.

“

Students will graduate from these courses with the most specialised current skills and knowledge to be educators within their professional context, start a career in policy writing, or work for local government, to impact change. I'm really excited about that scope and the possibilities it brings with it.”

Jeannette Keser
Program Director - Education

Course overview

Education

Graduate Certificate of Education

CRICOS: 113060D

Graduate Diploma of Education

CRICOS: 113069F, 113065K, 113062B

Choose from three specialisation streams; Leadership and Innovation, Inclusive Literacies or Inclusive Education.

Course highlights:

- Practise commitment to social justice to validate positive educational outcomes.
- Evaluate evidence-based practice to drive project-based educational transformation.
- Identify and outline specialised knowledge and skills to design and evaluate inclusive learning environments.
- Interpret technology initiatives to improve local and global educational practice.
- Proficiently implement design-thinking and research skills.
- Model inclusive leadership to impact change in a professional learning context.

Duration: 6 months (Graduate Certificate), 1 year (Graduate Diploma)

Location: Sydney, Melbourne, Online*

Study options: Full time or part time* on campus, online* or blended*

Entry requirements:

- Australian bachelor's degree or equivalent; and
- Academic IELTS 6.5 (no band less than 6.0) or equivalent

Pathway to: Master of Education (Inclusive Education) (Advanced), (Inclusive Literacies) (Advanced), (Leadership and Innovation) (Advanced), 2 years full time, CRICOS: 113063A, 113067H, 113059H

Potential careers in Australia:

Education Services

Average salary range: \$78,905-\$137,779 AUD

Disability Support Manager

Average salary range: \$108,415-\$152,256 AUD

Teacher Aide

Average salary range: \$55,083-\$65,552 AUD

“After completing the Academic English course, I’ve learnt a lot of new things and experienced a new way of learning - how to speak in public and debate confidently. I am more confident speaking English and able to apply my skills in class presentations and interviews.”

Hieu Xuan Leu

English for Academic Purposes
and Bachelor of Software Engineering
(Artificial Intelligence),
Vietnam

*Online option is NOT available to International Students who would like to apply for or who hold a student visa.

Entry, English language and visa requirements

Get the qualification you want with our pathway options

Consider one of our pathway programs if you require an alternative method of entry into your chosen course.

Entry requirements

To study a degree at Torrens University, you must satisfy the general entry criteria and meet any additional course requirements where specified.

We recognise qualifications from other countries and education systems (eg. GCE A-Levels, International Baccalaureate and SAT) and assess students who have completed Australian equivalent qualifications.

If you don't meet the entry requirements for direct admission into our courses, you can apply for a pathway program (see next page for more details).

Students who have partially completed a degree can apply for direct admission with a credit transfer. You may see this referred to as "advanced standing", "exemptions" or "recognition of prior learning".

English language requirements

Entry to all courses calls for proficiency in English under the English Language Proficiency Requirements. Torrens University Language Centre (TULC) provides a pathway towards a higher education course. After successfully completing English for Academic Purposes at TULC, you can progress to your chosen degree.

Some courses may require a higher overall score/sub-score(s) for entry. These requirements are shown in accordance with the IELTS academic test requirements. We also accept other English tests, such as:

- International English Language Testing System (IELTS)
- Test of English as a Foreign Language (TOEFL)
- Cambridge English: Advanced
- Pearson Test of English Academic (PTE Academic)
- Occupational English Test (OET)

Visa requirements

As an international student, you can apply for a student visa once you have:

- Confirmation that you have been accepted to study at Torrens University
- Overseas Student Health Cover (OSHC)
- Confirmation of Enrolment (CoE)

For more details about visa options and requirements, please refer to: homeaffairs.gov.au

Online courses

International students must not enrol in more than one-third (33%) of online subjects over their course and must study at least one face-to-face subject each study period.

International students on a student visa are required to study full time, ie. the student must complete a minimum of 1.0 EFTSL of study per year.

Students under 18

If you are under 18, have an offer to study with Torrens University, and plan to travel to Australia on a student visa, you will need to have formal arrangements in place for accommodation and welfare before the Department of Home Affairs will process your visa. We are guided by requirements set out in the ESOS Framework. For more information about studying in Australia when you are under 18, visit:

homeaffairs.gov.au

Overseas Student Health Cover

It is a student visa condition that you have Overseas Student Health Cover for the duration of your stay in Australia. OSHC will contribute towards any medical and hospital expenses that you may incur.

English Language course

English for Academic Purposes 1 (Intermediate) and English for Academic Purposes 2 (Advanced) prepare students to transition into a university degree. The courses run from 10 to 30 weeks, and on successful completion you can progress into your chosen program at Torrens University.

For an undergraduate degree

For a postgraduate degree

Qualification pathways

If you have already completed a qualification, you may be able to credit this against your degree with us – even if it's from another institution. We will carefully review the learning gained from this qualification to ensure we provide you with credit towards our degrees whenever appropriate.

Recognition of prior learning

Learning as the result of work or life experience, self-tuition, hobby or leisure activities (ie. informal learning) or a structured course that does not lead to an officially accredited qualification (ie. non-formal learning) may be credited against your degree with us. Each application is assessed individually, and your experience matched to the learning outcomes of the subjects covered in your course. All claimed work experience must be relevant to the qualification being applied for, and you must provide evidence to support an application for credit based on informal and/or non-formal learning.

to learn more about course credits.

How to apply

Find an Education Agent

1. Find your course

You can explore our range of courses in this guide and online at torrens.edu.au/courses.

For more information, contact us at torrens.edu.au/contact-us or visit one of our authorised Education Agents.

2. Check entry requirements and pathway options

Find course-specific criteria at torrens.edu.au/how-to-apply/admissions-criteria. If you need support to meet your entry requirements, Torrens University provides English Language and pathway programs. Contact us for more details at: torrens.edu.au/contact-us

3. Gather your documents

You will need to attach supporting documentation with your application form. This can include certified copies of academic transcripts, English language proficiency and your passport. Be sure to also include a statement of purpose, CV and credit transfer application if required.

4. Submit your application

We accept applications throughout the year. International students can apply directly at apply.torrens.edu.au/apply-now or through one of our Education Agents.

5. Accept your Letter of Offer

Once your application has been assessed and if you're successful, we will provide you or your nominated Education Agent with a Letter of Offer and Written Agreement via email. You need to check that the details are correct, read, understand and agree with all the terms and conditions of your Letter of Offer, and provide any other documentation if requested, before you sign and send everything back to us together with the required deposit.

6. Prepare for your studies

After we have received your signed offer and confirmed your payment, we will secure a place in your chosen course and issue an Electronic Confirmation of Enrolment (eCoE). When you receive the eCoE, you will be able to apply for a student visa. Once this visa is granted, you can prepare for your Orientation session and select your subjects. Our International Student Advisors will help you prepare for your first trimester of study.

If you need extra support with your application, our authorised Education Agents can assist you. Our agents are located throughout the world, and will make sure that your application process runs smoothly.

To find a local agent visit: torrens.edu.au/studying-with-us/international-students/international-education-agents

Get online

youtube.com/watch?app=desktop&v=kWabb022G34&t for all the information you need to get started, from accepting your offer to registering for Orientation.

What's on at Torrens University

Find everything you need to know about your study options through our range of events and workshops.

Campus tours

Take a tour of our campuses, either on site or online. Explore our facilities, get a feel for student life and find out what makes us unique.

Open Days and Virtual Open Days

Learn more about our courses, explore your study options and career outcomes, and connect with academics and support staff.

International events

Throughout the year we host a range of events and information sessions for international students. For on-demand events, head to our YouTube channel.

Get online

torrens.edu.au/whats-on
for the latest information about upcoming events.

Future students

You can apply any time throughout the year for the next intake's start date – or a future date if you are planning ahead.

Students must submit their application forms at least two weeks prior to each intake's start date. Intake dates are subject to change and may vary depending on your course.

2024 key start dates

We offer four main intakes per year and two accelerated intakes. Accelerated intakes are shortened study durations with a later start date, and are available for select courses and campuses only.

Intakes	Start	Census	Finish	Breaks
Main intake 1	19 Feb	8 Mar	12 May	13 May – 2 Jun
Accelerated intake 1	1 Apr	12 Apr	12 May	13 May – 2 Jun
Main intake 2	3 Jun	21 Jun	25 Aug	26 Aug – 15 Sep
Accelerated intake 2	15 Jul	26 Jul	25 Aug	26 Aug – 15 Sep
Main intake 3	16 Sep	4 Oct	8 Dec	9 Dec – 16 Feb 2025
Main intake 4 (non compulsory)	4 Nov	15 Nov	9 Feb 2025	10 Feb – 16 Feb 2025

2024 key start dates for Research students

Intakes	Start	Census	Finish
Main intake 1	19 Feb	8 Mar	12 May
Main intake 2	3 Jun	21 Jun	25 Aug
Main intake 3	16 Sep	4 Oct	8 Dec

2024 key start dates for Blue Mountains International Hotel Management School (BMIHMS) students

The dates below apply to the following courses:

- Bachelor of Business (International Hotel and Resort Management)
- Master of International Hotel Management

Intakes	Start	Census	Finish	Breaks
Term 1	15 Jan	2 Feb	24 Mar	25 Mar – 6 Apr
Term 2	8 Apr	26 Apr	16 Jun	17 Jun – 30 Jul
Term 3	1 Jul	19 Jul	8 Sep	9 – 22 Sep
Term 4	23 Sep	11 Oct	1 Dec	2 Dec – 19 Jan 2025

2024 key start dates for English Language students

The dates apply to the following 10-week courses:

- General English
- English for Academic Purposes

Start date	End date
1 Jan	8 Mar
5 Feb	12 Apr
11 Mar	17 May
15 Apr	21 Jun
20 May	26 Jul
24 Jun	30 Aug
29 Jul	4 Oct
2 Sep	8 Nov
7 Oct	13 Dec
11 Nov	7 Feb 2025*

*Includes a two-week break for end-of-year holiday period.

Your graduation

On this monumental day, dressed in the traditional mortarboard and gown, you will walk on stage to accept your testamur in front of your family, friends, fellow graduates and industry professionals. During the ceremony, you will hear from inspiring keynote speakers, who will offer insights into what the future holds for you.

Celebrating this milestone is a day you and your family will remember forever.

Watch our graduation videos.

Part of our community

When you begin your studies with us, you join our community for life. We stay connected even after you graduate, keeping you informed about our latest innovations and plans for the future. As a valued member of our global alumni network, your journey beyond Torrens University is just as important to us.

Success from Torrens University Alumni

Studying at Torrens University Australia means that you're setting yourself up for success. Here are just some of our students showing how studying with us has helped them set up a flourishing career.

Shariel Meza Velasquez
Bachelor of Commerce
Colombia

Assurance Associate (Audit)
Ernst & Young

Radhika Mane
Master of Professional Accounting (Advanced)
India

Financial Accountant
Westpac

Natacha Yabre
Bachelor of Commerce
Italy

M&A Graduate Analyst
Deloitte

Gonzalo Sanchez
Master of Business Information Systems
Peru

Data Analytics Associate
PwC Australia
