About Us

Established in Perth, Western Australia, APEIRO Institute exhibits energy and passion towards offering exceptional learning platform that drives us to be the most advanced educational provider in Australia. We have a second campus in Melbourne, established in 2020, and a third campus in Sydney, established in 2021.

We are a team of professionals keen to share our knowledge and build better outcomes in the community we live in. As our name says, we are here to create infinite possibilities for all the new beginners willing to learn and adapt to the changes in the modern world.

Our Mission

Our Mission it to be a connoisseur in the Vocational Education Sector by developing the future workforce with professional and personal skills required to perform as an outstanding individual.

Our Vision

APEIRO Institute has a vision to develop and deliver courses that create longterm career prospects for those that are fascinated to change the world by inventing solutions that satisfy the needs of the modern world.

Why AUSTRALIA?

Australia is a leading global education powerhouse with some of the best facilities and educators, providing local and international students with a range of quality study options.

Australia has the third highest number of international students in the world behind only the United Kingdom and the United States despite having a low population of 23 million. Australia has 7 of the top 100 universities around the globe and delivers over 22,000 courses through 1,100 institutions.

We are the 4th happiest country in the world and have five of the 30 best cities in the world for students. Living in Australia will be a new experience, but there are support services available to help make adjusting to life in Australia easier.

When most people think of Australia, they see wide open spaces of outback bush, kangaroos, koalas and clean air and water. However, Australia has so much more to offer than just that! Many international students are choosing to study in Australia because of its friendly, laid-back nature, excellent education system, and high standard of living. No matter what type of study you are doing in Australia, whether you are here for a few months or a few years, some research and planning will help you have a safe and rewarding study experience.

Australia's standard of living is amongst the highest in the world. Living expenses and tuition costs are considerably lower in Australia than they are in the United States and the United Kingdom. International students are able to work part-time up to 20 hours per week while they study, allowing them to offset their living costs.

Why Study in PERTH Western Australia?

Western Australia is known as a quality education destination and presents many study opportunities for international students. Famous for its friendly people and relaxed atmosphere, Perth embodies the true Australian lifestyle. There are not many places left in the world where a passer-by will warmly greet you on the street or stop to have a chat. Australians love to interact with overseas visitors and embrace other cultures.

Perth is a city of growth, success and possibilities. Recent years have seen the benefits of our resources boom flow into every part of our lives, from education to transport, and tens of thousands of people have come to see the natural beauty of Western Australia and enjoy its year-round sunshine. The new international airport, along with the Perth Arena and expanding city rail network, riverside developments and beach-fronts are shaping Perth into Australia's western gateway for tourism and investment.

You can choose your course from a range of study options at universities, private higher education, vocational and English language institutions and schools in Perth and regional Western Australia. Whether it's English competency exam preparation, medicine, engineering, tourism, marketing or marine biology, you will find a suitable course in Perth.

The Western Australian education system is recognised around the world and can help you succeed in your career, in further studies, and in life.

As an international student studying in Perth, you will have the peace of mind of knowing that your interests and your place in your course are protected by government laws. There are strict regulations and quality systems in place which protect and ensure that they receive quality education.

Western Australia by Numbers*

WA Population - 2,800,000

Perth Population - 2.1 million people

Aboriginal and Torrest Strait Islanders account for 3.3 percent of the population in Western Australia

The top five languages (Other than English) - Mandarin, Italian, Tagalog, Vietnamese and Cantonese

The top five countries of birth (other than Australia) - England, New Zealand, India, South Africa and Phillipines

Western Australia is Australia's largest state - total area is 2,529,875 km2
(33% of Australia's total land mass)

Cost of Living Perth WA (Per Week)

- Average Accommodation Costs: AUD $200-$300 (Shared House or Apartment)
- Public Transport: AUD $25-$60
- Food: AUD $80-$150

Schooling Obligations for Dependants

Where school aged children are included in your student visa application, schooling costs of AUD8,000 per year for each child will need to be added to the amount of funds that is required. This amount is the minimum required for a visa application only and you are responsible for researching schooling costs, which may vary widely between states, territories and schools in Australia.

You do not have to provide evidence of schooling costs if you:

- Are a PHD student and can show you have enrolled your child in an Australian government school where the fees have been waived
- Have received an Australian Commonwealth Government scholarship, including Foreign affairs and Defence sponsored students, and you can show you have enrolled your child in a government school where the fees have been waived

(Source: Department of Home Affairs)

For more information on schooling options, please refer to: Study West: www.studywest.des.wa.gov.au/studyinwa/Schooling/Pages/default.aspx

For the private schools in Western Australia, information can be obtained directly from: Private Schools Directory: http://www.privateschooldirectory.com.au/melbourne-schools.php

Association of Independent Schools Western Australia: www.ais.wa.edu.au

For more information, contact APEIRO INSTITUTE at info@apeiro.edu.au

The Department of Immigration and Border Protection has financial requirements you must meet in order to receive a student visa for Australia. From 1 October 2023, the 12 month living cost is estimated at AU$24,505 per year for a single individual. For more information on the latest requirements and costs, please refer to: https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs

Getting Around in Perth

Getting around in the City of Perth is easy and does not necessarily need to cost you anything! Public transport can be quick and convenient option for many trips. The City of Perth is the primary destination for public transport with connections to all of metropolitan Perth. Instead of risking traffic, try the bus or train. You can sit back and relax, save on car running and parking costs and avoid the hassles of drivings while helping the environment!

Being on a Student Visa gives you the Student Concession Fare for your travels on public transport (Transperth) in Perth. You need to register for a SmartRider by submitting your application along with your Student ID card.

Why Study in MELBOURNE Victoria?

Victoria is known for its stability, healthcare, culture and environment, education and infrastructure. Melbourne is the capital and most populous city in Victoria. Studying in Melbourne will provide students with security, as well as the opportunity to live in a multi cultural city. People from over 200 countries call Melbourne and Victoria their home. This resulted in the exposure of various cultures through festivals, events and performances.

Many Australians landmarks such as Melbourne Cricket Ground, the National Gallery of Victoria and the World Heritage-listed Royal Exhibition Building are all located in Melbourne. More recently, it has been recognised as a UNESCO City of Literature and a global centre for street art, live music and theatre. Additionally, it hosts major annual international events such as the Australian Grand Prix, the Australian Open and the Melbourne Cup, and also hosted the 2006 Commonwealth Games.

Melbourne is home to many world class universities and institutions. International students who are looking for quality education will be presented with many options in Melbourne. Whether your study involves research, technical training, English language or business, you will not be disappointed by the institutions in Melbourne.

Melbourne is the best student city in Australia and the third best student city in the world, according to the prestigious QS Best Student Cities 2019. Key features such as its high standard and quality of living, vibrant multicultural society and social inclusion attracted 200,000 international students to Victoria in 2017.

As an international student, you will be able to experience various international culture from Melbourne's abundant cultural events. Furthermore, its highly regarded security will give you a peace of mind whilst studying.

Victoria by Numbers*

VIC Population - 6,780,000

Melbourne Population - 5.2 Million People

Aboriginal and Torrest Strait Islanders account for 1.0 percent of the population in Victoria

The top five languages (Other than English) - Mandarin, Italian, Greek, Vietnamese and Arabic

The top five countries of birth (other than Australia) - England, India, China, New Zealand and Vietnam

Victoria is Australia's most densely populated state, having the smallest mainland state but second most population in Australia

Cost of Living Melbourne VIC (Per Week)

- Average Accommodation Costs: AUD $240-$350 (Shared House or Apartment)
- Public Transport: AUD $25-$60
- Food: AUD $100-$160

Schooling Obligations for Dependants

Where school aged children are included in your student visa application, schooling costs of AUD8,000 per year for each child will need to be added to the amount of funds that is required. Getting Around in Melbourne

Newly arrived international students may find navigating Melbourne's public transportation a daunting experience but it doesn't have to be. Melbourne remains one of the best connected cities in Australia. Like major cities, buses and traines are available, but what Melbourne is really known for is its extensive tram network. Whether you opt for a tram, catch a bus or take a train, you can get pretty much anywhere in Melbourne car-free. To travel around Melbourne, you need a Myki card, a reusable public transport ticket you can buy or top up at metropolitan train stations as well as various convenience stores.

Being an international student means you are able to obtain Concession Myki pass, enabling you to save up to 50 percent on your trips! These exclusve student passes are called iUSEpass.

Why Study in SYDNEY New South Wales?

New South Wales is home to world-class universities, vocational schools, and research organisations which deliver cutting edge, industry-relevant education. It offers a wide range of courses and degrees and enjoys a strong repuation for internationally respected qualifications, high quality research and teaching, cultural diversity and a safe study environment.

Sydney is known as the largest city in Australia and is one of the most popular destinations for higher education. It is the home of many world-famous attractions such as Sydney Opera House, Bondi Beach, The Rocks, Sydney Harbour Bridge, Sydney Harbour, Paddy's Markets, Darling Harbour, the Blue Mountains and many more.

If you are a fan of shopping, Sydney provides arguably the best shopping experience in Australia. There are local shopping markets, famous shopping streets, and luxurious shopping malls for all your needs. Sydney's weather is also known to be the best, not too cold during winter, and not too hot during summer.

As the largest student city in Australia, Sydney houses a large number of international students, including Indians, Chinese and Southeast Asians.

As an international student, you will be able to experience various international culture from the mix of international students in Sydney.

New South Wales by Numbers*

NSW Population - 8,180,000

Sydney Population - 5.3 Million People

Aboriginal and Torrest Strait Islanders account for 3.4 percent of the population in New South Wales

The top five languages (Other than English) - Mandarin, Arabic, Cantonese, Vietnamese and Greek

The top five countries of birth (other than Australia) - China, England, India, New Zealand and Phillipines

NSW is Australia's most populated state, and its biggest city, Sydney is also the most populated city in Australia

Cost of Living Sydney NSW (Per Week)

- Average Accommodation Costs: AUD $250-$350 (Shared House or Apartment)
- Public Transport: AUD $60-$75
- Food: AUD $90-$150

Schooling Obligations for Dependants

Course Code: AUR50216

CRICOS Course Code: 0101707

This qualification reflects the role of individuals who diagnose, analyse, evaluate, design and modify vehicle systems in the automotive retail, service and repair industry.

Career Outcome

Job role and titles vary across different industry sectors. Possible job titles relevant to this qualification include:

- Automotive Diagnostic Technician
- Automotive Technician
- Service Technician

Entry Requirement

Completion of an automotive mechanical Certificate IV qualification or to be able to demonstrate equivalent competency

Duration

26 Weeks (inc 2 weeks Holiday)
20 hours per week + Self directed study

What Next

Successful completion of Diploma of Automotive Technology may give the learner an opportunity to further their education to Bachelor of Engineering (Automotive Engineering). Candidates wishing to proceed to further their education in an Australian University will be advised to contact the University directly for enrolment purposes.

Course Content

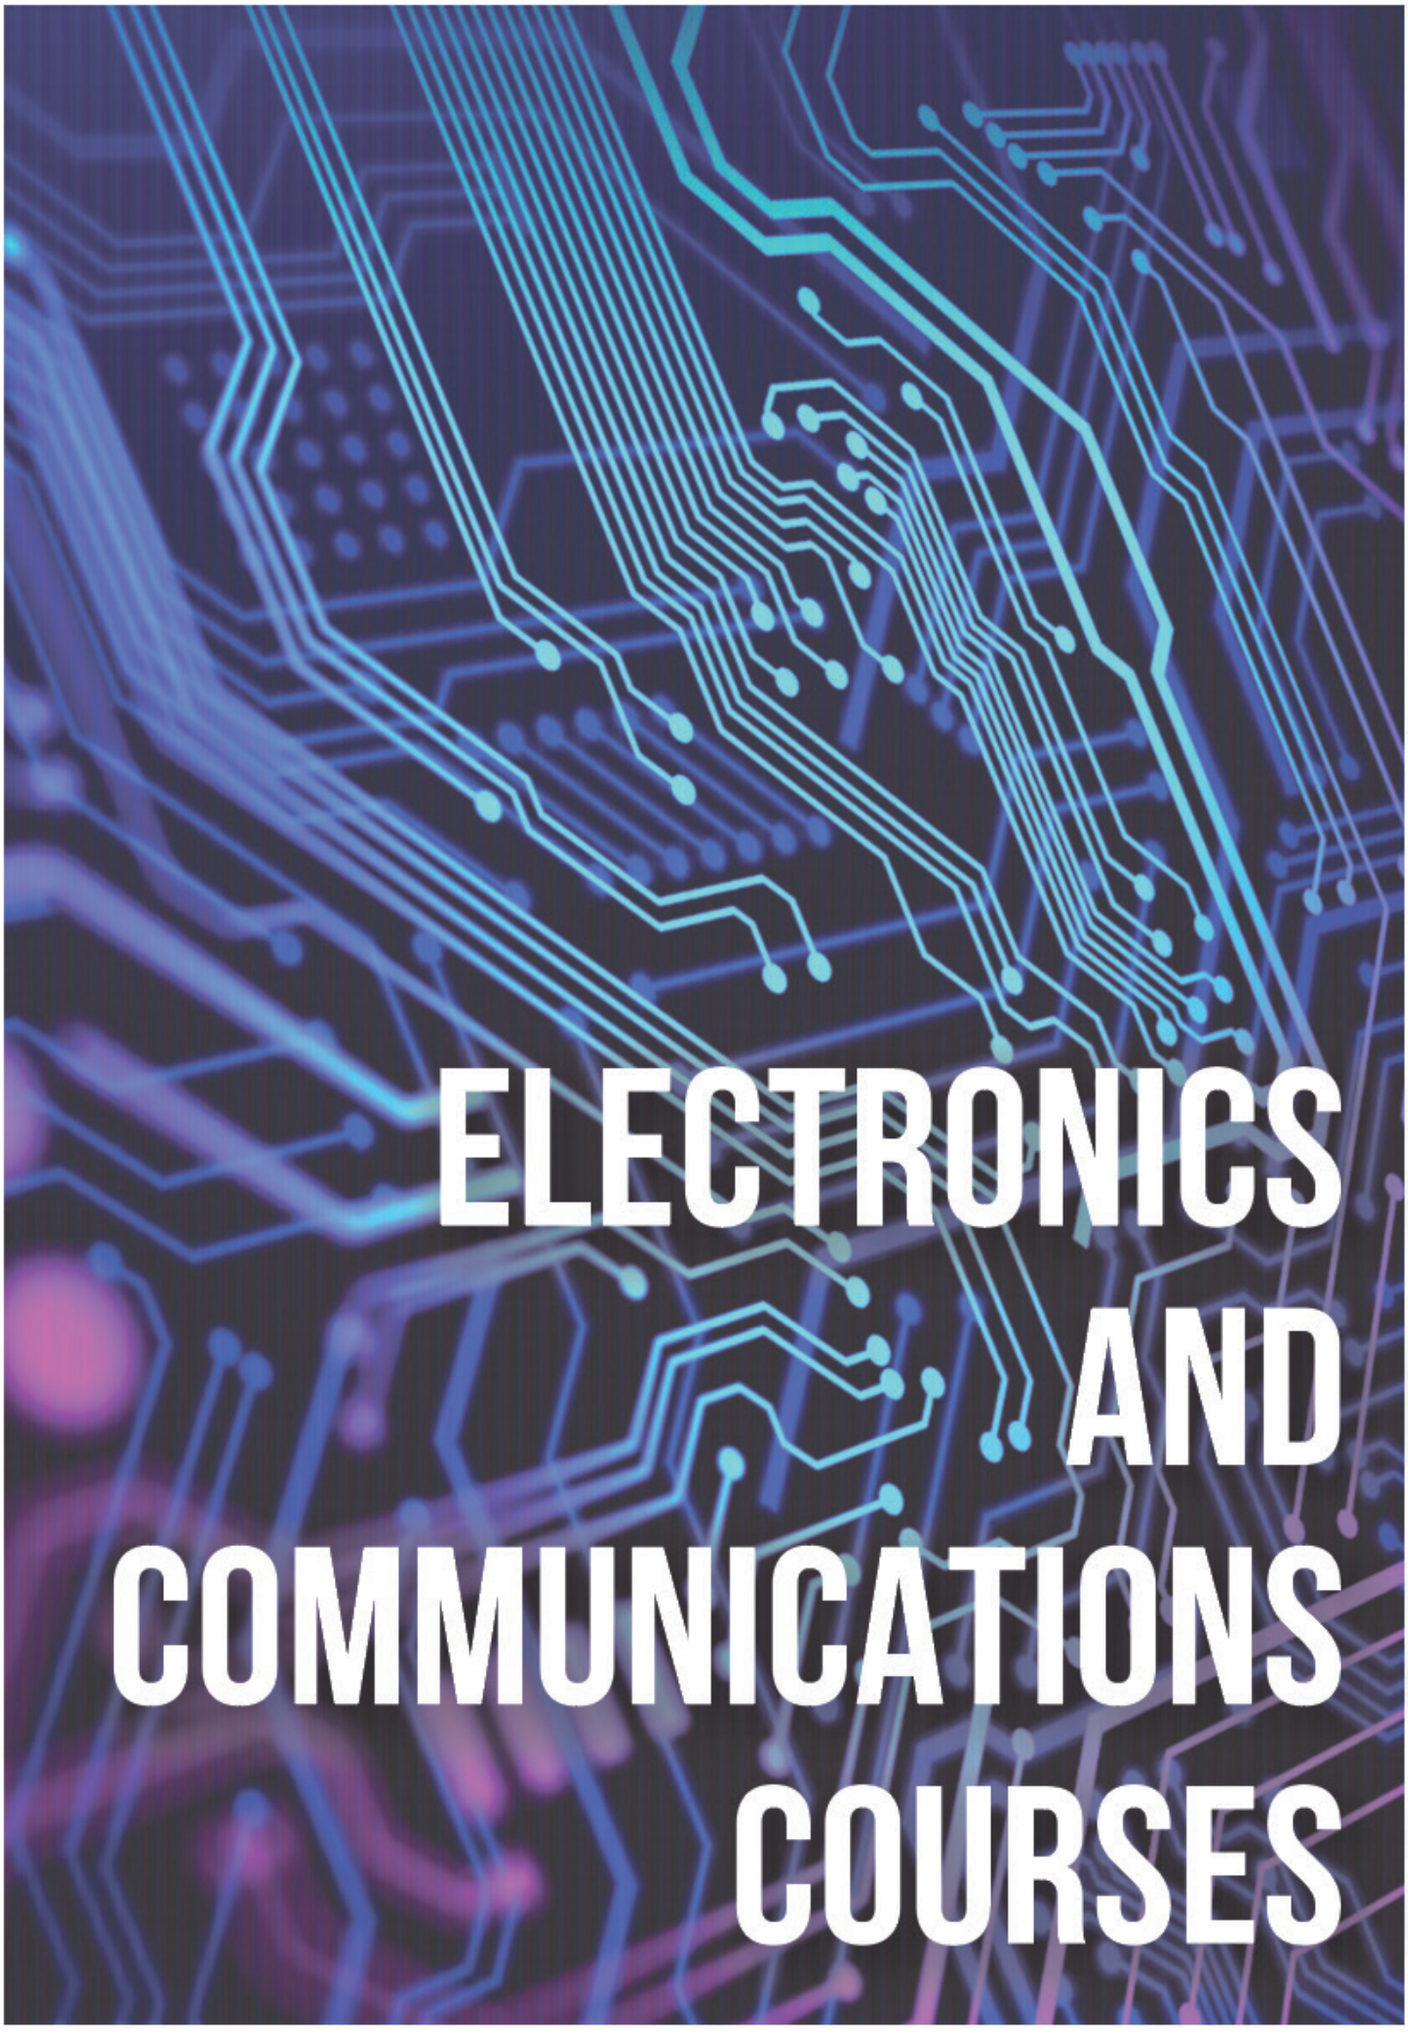
This course consists of a core unit and 11 Elective units.

Core Units:

AURAFA007 - Develop document specifications and procedures

Elective Units:

AURAFA006 - Conduct research and present technical reports
AURETA002 - Analyse and evaluate electrical and electronic faults in monitoring and protection systems
AURETA003 - Analyse and evaluate electrical and electronic faults in body management systems
AURETE001 - Analyse and evaluate electrical and electronic faults in engine management systems
AURLTB104 - Diagnose complex faults in light vehicle braking systems
AURLTD007 - Analyse and evaluate faults in light vehicle steering and suspension systems
AURLTE003 - Analyse and evaluate faults in light vehicle engine and fuel systems
AURLTE104 - Diagnose complex faults in light vehicle petrol engines
AURLTQ003 - Analyse and evaluate faults in light vehicle transmission and driveline systems
MSMENV472 - Implement and monitor environmentally sustainable work practices
MSMENV672 - Develop workplace policy and procedures for environmental sustainability



ELECTRONICS
AND
COMMUNICATIONS
COURSES

Certificate III in

Electronics and Communications

Course Code: UEE30920

CRICOS Course Code: 103417G

This qualification provides competencies to select, install, set up, test, fault find, repair and maintain electronic equipment and devices at component or sub-assembly level with options in communications,audio, video and TV, personal computers and networks, security and custom installations.

Duration

69 Weeks (Including 18 Weeks Holidays)
20 hours per week + Self directed study

Course Content

This course consists of 14 Core units and 8 Elective units.

Core Units:

UEECO0007 - Participate in electronics and communications work and competency development activities
UEECD0007 - Apply work health and safety regulations, codes and practices in the workplace
UEERE0001 - Apply environmentally and sustainable procedures in the energy sector
UEECD0016 - Document and apply measures to control OHS risks associated with electrotechnology work
UEECD0019 - Fabricate, assemble and dismantle utilities industry components
UEECD0043 - Solve problems in d.c. circuits
UEEEC0074 - Troubleshoot resonance circuits in an electronic apparatus
UEEEC0060 - Repairs basic electronic apparatus faults by replacement of components
UEEEC0067 - Troubleshoot basic amplifier circuits
UEEEC0075 - Troubleshoot single phase input d.c. power supplies
UEEEC0069 - Troubleshoot digital sub-systems
UEEEC0066 - Troubleshoot amplifiers in an electronic apparatus
UEEEC0028 - Fault find and repair complex power supplies
UEEEC0063 - Solve fundamental electronic communications system problems

Elective Units:

UEECO0002 - Maintain documentation
UEEIC0012 - Develop structured programs to control external devices
UEEAS0001 - Assemble electronic components
UEEAS0004 - Select electronic components for assembly
UEECS0022 - Install and configure a client computer operating system and software
UEECS0003 - Assemble, set-up and test computing devices
UEEEC0065 - Solve problems in basic electronic circuits
UEECD0051 - Use drawings, diagrams, schedules, standards, codes and specifications

*Prerequisites apply

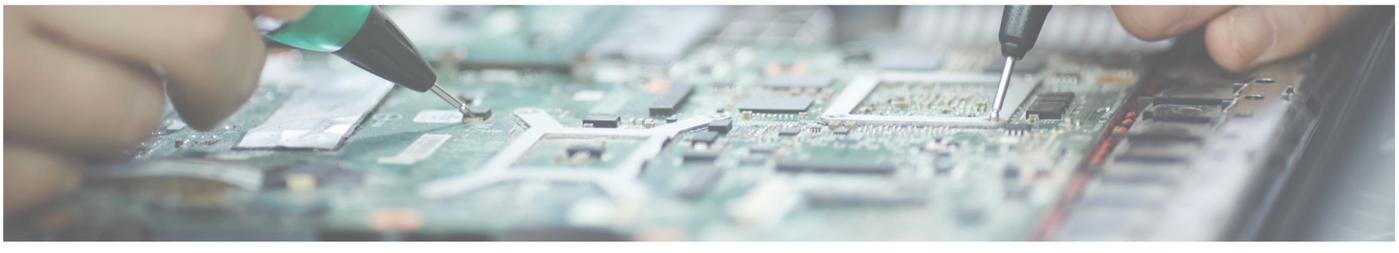
Career Outcome

Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification include:

- Electronics and Communications Tradesperson
- Electronic Equipment Tradesperson
- Custom Electronics Installations Technician

What Next

Successful completion of Certificate III in Electronics and Communications may give the learner an opportunity to further their education to Certificate IV in Electronics and Communications at Apeiro Institute or elsewhere. Candidate wishing to proceed to further their education in an Australian University will be advised to contact the University directly for enrolment purposes.



Certificate IV in

Electronics and Communications

Course Code: UEE40720

CRICOS Course Code: 103411B

This qualification provides competencies in audio and video, data systems, computer and network hardware, medical applications, and communication aspects of electronics such as transmitter, communications channel, receivers, attenuation, and noise reduction.

Duration

Pathway 1 - 82 Weeks (inc 18 Weeks Holidays)
[1]**Pathway 2** - 95 Weeks (inc 29 Weeks Holidays)
20 hours per week + Self directed study

Course Content

This course consists of 16 Core units and 12 Elective units.

Core Units:

UEECD0007 - Apply work health and safety regulations, codes and practices in the workplace
UEECD0016 - Document and apply measures to control WHS risks associated with electrotechnology work*
UEECD0019 - Fabricate, assemble and dismantle utilities industry components*
UEECD0043 - Solve problems in direct current circuits*
UEEEC0028 - Fault find and repair complex power supplies*
UEEEC0060 - Repairs basic electronic apparatus faults by replacement of components*
UEEEC0063 - Solve fundamental electronic communications system problems*
UEEEC0066 - Troubleshoot amplifiers in an electronic apparatus*
UEEEC0067 - Troubleshoot basic amplifier circuits*
UEEEC0069 - Troubleshoot digital sub-systems*
UEEEC0074 - Troubleshoot resonance circuits in an electronic apparatus*
UEEEC0075 - Troubleshoot single phase input d.c power supplies*
UEERE0015 - Implement and monitor energy sector environmental and sustainable policies and procedures
UEECD0010 - Compile and produce an energy sector detailed report
UEECD0024 - Implement and monitor energy sector WHS policies and procedures
UEECD0027 - Participate in development and follow a personal competency development plan

Elective Units:

UEECD0013 - Develop and implement energy sector maintenance programs
UEECD0047 - Supervise and coordinate energy sector work activities
UEECO0001 - Estimate electrotechnology projects
UEECO0013 - Prepare specifications for the supply of materials and equipment for electrotechnology projects
UEECO0002 - Maintain documentation
UEEAS0001 - Assemble electronic components*
UEEAS0004 - Select electronic components for assembly*
UEECD0051 - Use drawings, diagrams, schedules, standards, codes and specifications*
UEECS0003 - Assemble, set up and test computing devices*
UEECS0022 - Install and configure a client computer operating system and software
UEEEC0065 - Solve problems in basic electronic circuits*
UEEIC0012 - Develop structured programs to control external devices*

*Prerequisites apply

[1]Includes UEE30920Certificate III in Electronics & Communications

Career Outcome

Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification include:

- Electronics Tradesperson
- Electronic Instrument Tradesworker

What Next

Successful completion of Certificate IV in Electronics and Communications may give the learner an opportunity to further their education at Apeiro Institute or elsewhere. Candidate wishing to proceed to further their education in an Australian University will be advised to contact the University directly for enrolment purposes.

ENGINEERING COURSES

Advanced Diploma of Civil Construction Design

Course Code: RII60520

CRICOS Course Code: 108198F

This qualification reflects the role of an individual working as a senior civil works designer or a para-professional designer, who supports professional engineers. They perform tasks that are broad, specialised, complex and technical and include strategic areas and initiating activities. They are responsible for the design of complex projects to ensure the implementation of the client's site requirements and are required to demonstrate self-directed application of theoretical and technical knowledge and initiate solutions to technical problems or management requirements.

Career Outcome

Job roles and titles vary across different industry sectors· Possible job titles relevant to this qualification include:

- Senior Civil Construction Designer

Duration

95 Weeks (inc 22 weeks Holidays)
20 hours per week + Self directed study

Recognition of Prior Learning (RPL)

RPL is available upon application

Course Content

This course consists of 5 Core units and 7 Elective units.

Core Units:

BSBPMG632 - Manage Program Risk
BSBWHS616 - Apply safe design principles to control WHS risks
BSBTWK502 - Manage team effectiveness
RIICWD601E - Manage the Civil Works Design Process
RIIQUA601E - Establish and Maintain a Quality System

Elective Units:

BSBOPS601 - Develop and implement business plans
BSBPMG534 - Manage project human resources
BSBLDR601 - Lead and manage organisational change
BSBCRT611 - Apply critical thinking for complex problem solving
RIICWD533E - Prepare Detailed Design of Civil Concrete Structures
RIICWD534E - Prepare Detailed Design of Civil Steel Structures
RIICWD509E - Prepare detailed design of urban roads

What Next

Successful completion of RII60520 Advanced Diploma of Civil Construction Design gives learners an opportunity to apply for credit transfer in Australian Universities. Candidates wishing to proceed to further their education in an Australian University will be advised to contact the University directly for enrolment purposes.

PTE Preparation For Success

Cricos Course Code: 097833A

PTE Preparation for SUCCESS by APEIRO Institute provides an opportunity for students to enable their English Language proficiency to meet the standards set by Educational, Professional and Government bodies across Australia. This program gives the students the chance to improve their Enabling skills in Listening, Reading, Writing and Speaking of English Language.

Duration

4 to 14 Weeks (inc 2 weeks Holidays for 14 weeks)
20 hours per week + Self directed study

Course Content

- PTE Speaking Skills
- PTE Reading Skills
- PTE Listening Skills
- PTE Writing Skills
- PTE Vocabulary and Grammar

Course Outcome

Students are expected to reach PTE Equivalent 42 or higher upon successful completion of this course.

What Next

Participants completing this course will have the opportunity to enter and/or gain recognition in other courses of their interest at Apeiro Institute (subject to course eligibility requirement). Applicant is free to choose the registered course provider elsewhere.

IELTS Preparation For Success

Cricos Course Code: 097832B

IELTS Preparation for SUCCESS by APEIRO Institute provides an opportunity for students to enable their English Language proficiency to meet the standards set by Educational, Professional and Government bodies across Australia. This program gives the students the chance to improve their English Language skills in Listening, Reading, Writing and Speaking.

Duration

4 to 26 Weeks (inc 6 weeks Holidays for 26 weeks)
20 hours per week + Self directed study

Course Content

- IELTS Speaking Skills
- IELTS Reading Skills
- IELTS Listening Skills
- IELTS Writing Skills
- IELTS Vocabulary and Grammar

Course Outcome

Students are expected to reach IELTS Equivalent 5.5 Band score or above upon successful completion of this course.

What Next

Participants completing this course will have the opportunity to enter and/or gain recognition in other courses of their interest at Apeiro Institute (subject to course eligibility requirement). Applicant is free to choose the registered course provider elsewhere.

Entry Requirements

Age Restrictions (Applies to All Courses)

All international students must be at least 18 years or above at the time of the course commencement to study at APEIRO INSTITUTE.

For All Vocational Courses

- Must be 18 year or above AND
- Completion of Australian Year 12 or equivalent AND
- IELTS Test Score of at least 6.0 overall or equivalent

For ELICOS Courses

- All applicants may have completed Australian Year 12 (or equivalent) AND
- Must be 18 years or above AND meet at least one of the following:
  - IELTS Test Score of minimum 5.0 overall or
  - Other recognised English Language tests such as:

TOEFL iBT Test Score of 52 PTE Academic Test Score of 29 or above CEFR B1
Cambridge FCE English: At least 'C' Grade OET Grade D or above TOEIC 405 or above

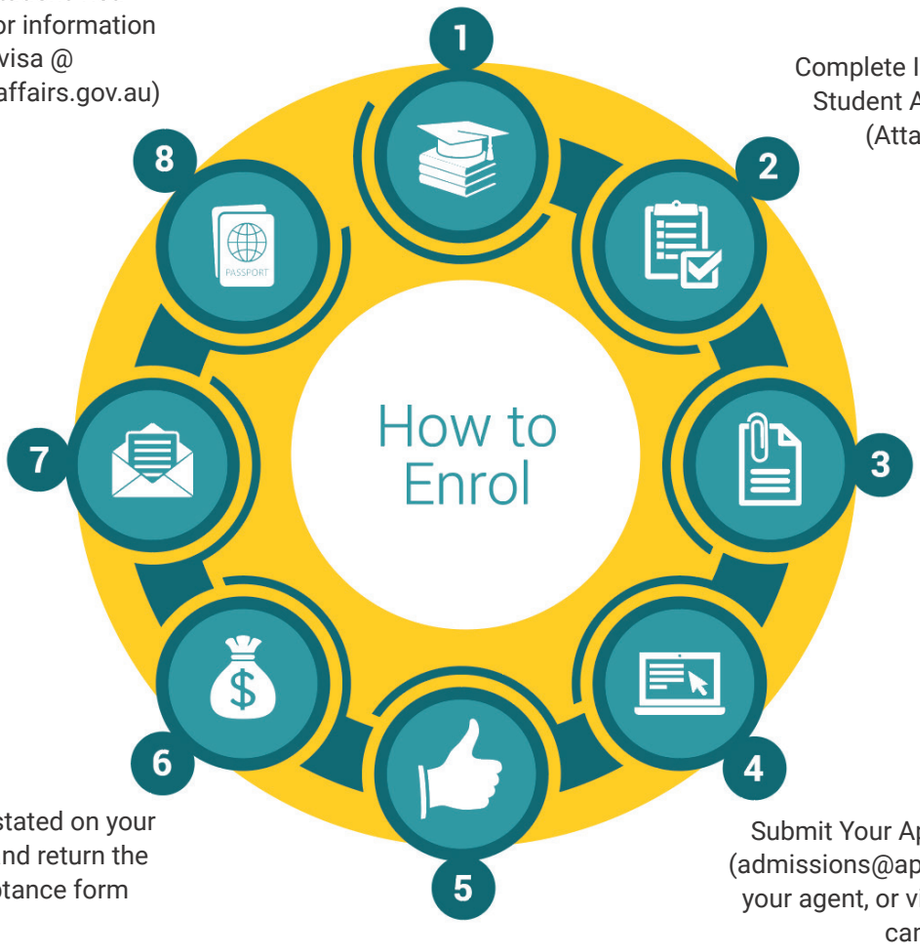
Refer to Fees & Intake flyer of your respective campus or visit apeiro.edu.au for the most updated fees and intake dates.

**Additional AUD$250 Non-Refundable Enrolment fee applies to all applicants. Please check the fees & intake flyer or visit apeiro.edu.au for the most updated information*

Other Fees and Charges

Administration fee	$300
Course Variation/Cancellation Fee	$300/ course
Credit card Surcharge (%of the amount being charged)	1%
Late Payment fee (Calculated from the date it was due)	$50/Week
Overseas Student Health Cover	Refer to Website
Recognition of Prior Learning (if requested)	$150-$250 per unit
Re-assessment fee - theory	$50 per assessment
Submission of assessment after the due date	$25 per assessment
Re-enrolment fee - per unit	$300
Re-print of any Statement of Attainment/ Certificate	$50
Re-issue of Student ID Card	$15
Printing Services	$0.30 (B/W) $1.00 (Color)
Airport greeting service (if requested)	$120
Accommodation placement fee (if requested)	$280

How to Enrol



1. Choose your Course and check your Entry Requirements
2. Complete International Student Application (Attached)
3. Attach all the Supporting Documents
4. Submit Your Application via Email (admissions@apeiro.edu.au), through your agent, or via post to any of our campuses
5. Receive Letter of Offer (if Successful)
6. Pay the fee as stated on your letter of offer and return the signed acceptance form
7. Receive an electronic confirmation of enrolment (eCOE)
8. Apply for your student visa (check with DHA for information on student visa @ https://www.homeaffairs.gov.au)

Student Support Services

APEIRO INSTITUTE has a Student Support team designated to support students. Reception is open daily Monday to Friday. Students are free to approach any APEIRO INSTITUTE staff member member for help or make general enquiries, for example: directions, public transport and other day to day needs, banking access to other services.

Arrival in Australia

APEIRO INSTITUTE can arrange for students to be met at the airport and taken to their accommodation. Students need to indicate the need of this service when submitting the application form.

Orientation and Transition Support

All students go through an Orientation Program on their first week at APEIRO Institute. The program involves familiarising with the campus, facilities, as well as living and studying in the chosen state. The program also includes:

- Orientation and a tour of the campus
- Details of the course, time table, staff members contact details
- Welfare and Academic issues
- Details of other Student Services and Support available in the Student Handbook
- Information on other support available e.g. Legal, The emergency and health services available
- Visa requirements and student safety for International students
- A copy of the Student Handbook *(Electronic Version)*
- Details of other Student Services and Support available

Academic, Language and Learning Support

APEIRO INSTITUTE is dedicated to provide the best Academic support. Students can approach their trainers, Course Coordinators, Department Head or the Student Support Officers if they need assistance in meeting course requirements.

The Course Coordinators and/or Department Head can assist students with the following:

a) Study Skills
b) Timetables
c) Learning Support Strategies
d) Academic issues

Student Welfare Services

APEIRO INSTITUTE has Student Support Officers to provide a basic counseling service to all students. This service provides assistance to students experiencing difficulties in any aspect of their lives, including issues of academic or personal nature.

The student support officers are available to international students to help the access study support and welfare-related services such as;

- Legal Services
- Accommodation
- Emergency and Health Services
- Facilities and Resources
- Complaints and Appeals Processes

APEIRO INSTITUTE can also refer students to an external Counseling Service for various issues if necessary however each issue is dealt with on a case by case basis. There is no fee attached to this welfare support and referral service. Any cost charged by the external services will be paid by students.

In addition to the normal support services, international students are provided with a range of specialist services like assistance with resume-writing and looking for part-time work. Students have access to welfare-related support services to assist with issues that may arise during their study, including program progress, attendance requirements and accommodation. These services are made available to all APEIRO INSTITUTE students.

REVIEWS

Christine Coppin

I completed my cert III in Light Vehicle Technology at Apeiro. I found the course brilliant and the staff very supportive and helpful. The lecturers were very knowledgeable and I recommend that if you are a female looking for a career in mechanics then Apeiro is a great place to start off your career.

Rocko Raj

I completed my Diploma of Business from Apeiro Institute. One of the Best Institute in Perth. Excellent trainers with best facility. Centralised location and easily accessible. The staff are more welcoming. 5 stars to the Institute. Right choice to complete my course from Apeiro Institute. I would highly recommend others to get enrolled with Apeiro Institute.

Akash Wahla

I just completed my Cert IV & Diploma in Automotive at Apeiro Institute. Perfect place to study this trade course. Well equipped workshop and trainers are very experienced. I am very much satisfied with the course delivery. I wanted to recommend this institute to everyone who wants to complete automotive course in Perth. 10/10.

Mohamed Alhadi Azlan

I recently completed my cert 3,4 and diploma in automotive from Apeiro institute. I had a wonderful experience and gain lot of knowledge, the lecturer are very helpful and I extremely enjoyed this journey. The campus and workshop facilities provided by the institute are very good. I would highly recommend Apeiro Institute. 10/10.

Jigar Pattani

Hello, I'm Jigar recently graduated from Apeiro Institute (Perth Campus), I would like to appreciate the admin staff as well as trainer as they were supportive and helpful throughout my educational journey. The campus and facilities provided by the institute are so good to make their student's journey more convenient and smooth with providing all study materials, practicals are more interesting with experienced trainers at workshop. Thank you so much for making my educational journey more easy with all your support. I'm happy and satisfied by joining this institute.
