STUDENT TESTIMONIALS

"The teachers are friendly. One of the things I like the most is that they help with our assignment problems. So far, at TIIS, the team management is very friendly. They listen to students' problems and try to find a solution for them."

- Guna

"Since there are many international students at TIIS, it has made my journey more comfortable. Discovering new things and learning from different cultures every day has been a comforting experience at TIIS."

- Apsara

"I received a lot of encouragement from the staffs. There were excellent tutors who consistently motivated me. As a result, I gained valuable experience here and acquired good skills."

- Gurwinder

"I began at TIIS in March, and I've liked the institute and the lecturers. It's not book-based; it's practical-based. I appreciate the interactive sessions with the lecturer. I also like the diverse community at TIIS, with different cultures and languages. I'm happy to study at TIIS."

- Anne

About Us

At TIIS, our academic programs are meticulously designed to align with the ever-evolving needs of various industries. We understand that education should be a direct bridge to your future career, and we've woven this philosophy into the very fabric of our institution.

Upon completing your degree at TIIS, you'll emerge equipped with the essential tools and knowledge needed to confidently enter the workforce. To facilitate this transition, TIIS actively connects its courses to industry - accredited standards wherever feasible. For instance, graduates of our Master of Professional Accounting program become eligible for accreditation with respected institutions like CPA Australia and Chartered Accountants Australian and New Zealand (CAANZ). These strong ties to industry stakeholders ensure you enter the global job market, meeting its increasing demand for skilled professionals.
