*Educating to achieve
a better tomorrow!*

Welcome

At Australian Vocational Training Academy (AVTA), we are passionate about delivering high-quality, practical education that opens doors to rewarding career pathways. With students from over 40 different countries worldwide, AVTA is a vibrant hub of diversity, learning, and opportunity.

Our industry-expert trainers bring a wealth of real-world knowledge and experience, inspiring students to achieve their study goals and excel in their chosen fields. Whether you're looking to build a future in Horticulture, Agribusiness Management, Civil Construction Design, Information Technology, Management, Hospitality, Early Childhood, or Community Services, AVTA offers nationally recognised qualifications tailored to meet industry demands.

With campuses in **Hobart**, **Sydney**, and **Bundaberg**, AVTA provides students with the perfect balance of academic excellence and lifestyle.

- **Hobart Campus:** Nestled in the heart of Tasmania's beautiful capital, our Hobart campus offers an inspiring environment for learning and exploration. Known for its world-class food, rich history, and vibrant arts scene, Hobart is the perfect destination to combine study with a relaxed lifestyle.
- **Sydney Campus:** Located in Blacktown, one of Greater Sydney's most multicultural areas, our Sydney campus provides access to the city's dynamic lifestyle. From iconic landmarks to golden beaches and diverse cultural experiences, Sydney offers endless opportunities for exploration and growth.
- **Bundaberg Campus:** Situated in the heart of Queensland's fertile agricultural region, our Bundaberg campus is perfect for students passionate about agribusiness management and automotive studies. With its stunning coastal landscapes, warm community, and proximity to the Southern Great Barrier Reef, Bundaberg offers a unique blend of academic excellence and outdoor adventure.

At AVTA, we are dedicated to empowering our students to succeed. Our extensive student support system ensures you are guided every step of the way on your journey to success. Unlock your future with AVTA today!

NATIONALLY RECOGNISED TRAINING

At Australian Vocational Training Academy, we are proudly registered with the Australian Skills Quality Authority (ASQA). We deliver nationally recognised Australian qualifications that are accredited with ASQA and governed under the Vocational Education and Training (VET) Quality Framework. This guarantees that the qualifications you earn from us are widely recognised by industry organisations and other education providers throughout Australia and worldwide.

Australian Vocational Training Academy acknowledges Aboriginal and Torres Strait Islander Peoples as the Traditional Custodians of the Land, Rivers and Sea. We acknowledge and pay our respects to the Elders past and present.

VOCATIONAL PLACEMENT

(UNPAID WORK PLACEMENT)

Vocational Placement is a requirement for qualifications that mandate work placement.

FACULTY OF COMMUNITY SERVICES

Vocational Placement will be provided for all students who require work placement under the Faculty of Community Services. Before commencing placement, students will be required to obtain mandatory documents as requested by the vocational placement provider at their own expense. Students will be notified of their placement details, including when to obtain these documents, prior to commencing vocational placement. Prior to attending placement, students will be provided with a relevant student placement logbook and/or workplace diary. Please refer to the individual course on our website, where you will find Vocational Placement Information with frequently asked questions, available to download for your reference.

FACULTY OF HOSPITALITY

Students will be required to demonstrate a variety of skills in an operational hospitality environment by performing a number of hours of complete service periods (shifts). The required number of service periods (shifts) may vary for each qualification under the Faculty of Hospitality. Prior to attending any complete service periods, students will be provided with relevant logbooks. Please refer to the individual course on our website for more information regarding service periods (shifts) for each qualification. You will also find Vocational Placement Information with frequently asked questions, available to download for your reference.

VOCATIONAL PLACEMENT SUPPORT

We are committed to offering comprehensive support, guidance, and assistance to students at every stage of their journey to securing and completing their unpaid work placements and service periods.

(The College reserves the right to change the location of the vocational placement childcare facility and simulated childcare environment from time to time. Students will be given 12 weeks' notice of any changes of location).

STUDENT PRE-ENROLMENT CONSULTATION

To help prospective students make an informed enrolment decision before enrolling in a qualification with the college, students are required to attend a pre-enrolment consultation session provided by either an authorised AVTA Education Agent and/or an AVTA staff representative from the college.

During this Pre-Enrolment Consultation session, students will receive comprehensive, transparent, accurate, and complete information relevant to their desired course of study. This information is provided prior to completing and signing the Enrolment Application form and is designed to assist students in making a formal decision that aligns with their existing skills and competencies, as well as their individual needs.

Before signing any documents, students will receive a Pre-Enrolment Consultation Checklist along with supporting marketing materials, such as the pre-enrolment information slides, and course outlines. This checklist ensures that students understand their intended course of study, the college's support services, and their obligations as international students. They must acknowledge that they have a clear understanding of their intended course of study before proceeding.

This information includes, but is not limited to:

- Intake dates
- The VET and CRICOS information of the college
- Entry requirements on training.gov.au and our website (i.e., academic requirements, language proficiency requirements, employment requirements, financial requirements, etc.)
- Course information on training.gov.au and our website (i.e., fees, duration, delivery mode, location, equipment, unpaid work placement, practical training locations if applicable, and other arrangements related to your application)
- Information about training and assessment
- Policies and procedures on course progress/attendance, assessment, and student conduct rules, etc. (Including complaints and appeals)
- Information about the support services available to students in the college
- Visa conditions

A Pre-Enrolment Consultation session is provided to a prospective student one or more times to give the student additional time and/or information to make an informed decision. In addition, the communication channels used for conducting Pre-Enrolment Consultation sessions can be various, such as face-to-face, video conference, telephone call, or email.

The college will only confirm the intake of a qualification when it meets the minimum number of applications. Students will receive a Letter of Offer in the proposed intake when the minimum number of applications is met. If the minimum number of applications is not met, a student will be advised of the following proposed intake.

For more information, please visit How to Apply on our website: avta.edu.au

ORIENTATION

The college conducts an Orientation Program prior to the commencement of a student's course.

Our comprehensive Orientation Program provides students with essential information to ensure a successful study experience. It enables them to familiarise themselves with their new campus surroundings and easily settle into their new life in Australia. Orientation also allows students to meet their trainers and fellow students.

Students will receive a welcome email with an invitation to the Orientation Program two weeks prior to the commencement of their course.

During Orientation, students will receive a welcome pack containing important information about their studies, campus and Student Support Services, including their student ID card.

Attendance at Orientation is compulsory for all new students. If students are unable to attend Orientation, they can contact our Student Support Team, who will assist them in organising Orientation on an alternative day.

STUDENT ID CARD

Your Student ID forms part of your official college email and is used in all communication with you. After attending Orientation, you will receive a digital Student ID card from the college. If you do not receive your Student ID or if you should lose your Student ID card, please contact our Student Support Team.

Your Student ID can also be used to receive student discounts on bank fees, movies, and other transactions. For more information visit: www.myunidays.com

If you do not receive your Student ID card, please contact our Student Support Team at: studentsupport@avta.edu.au.

UNIQUE STUDENT IDENTIFIER (USI)

You will need to have a Unique Student Identifier (USI) while you are studying at the college. A USI gives you access to your own online USI account. Your USI account will contain all your nationally recognised training records and results. You can create your USI online at www.usi.gov.au

COMPETENCY BASED TRAINING

Competency Based Training (CBT) is an approach to teaching that focuses on allowing a student to demonstrate their ability to do something. Used in the VET sector, CBT is used to develop concrete skills and is typically based on a standard of performance expected in the workplace and industry.

CBT programs deliver qualifications that are made up of Units of Competency. Each unit defines the skills and knowledge required to effectively perform in the workplace.

Assessment is based upon the learning outcomes expected from each Unit of Competency.

STUDENT TIMETABLES

All students will have access to adequate and dedicated study areas. The college has implemented a Timetable Announcement Protocol to ensure that students will be notified of their timetables prior to their commencement of classes. This includes information regarding specific practical training facilities (e.g. simulation labs, training kitchens, workshops, computer labs, including recreational and private study areas).

IT SUPPORT (DIGITAL SKILLS)

Don't worry if you're not tech-savvy yet. We offer digital skills training to help you navigate online learning comfortably. Our IT support team is also available to assist you with any technical issues, including but not limited to email, Microsoft Teams, and other platforms. From uploading assessments to using learning management systems (LMS), we've got you covered. See our Student Support Team for more information.

ONLINE STUDY SUPPORT

Studying online offers flexibility and convenience, allowing students to balance their studies with other commitments. We understand the importance of providing comprehensive support to our online learners. We offer a range of services, including academic advising, technical support, and access to online resources.

At the commencement of each qualification, some units may be initially conducted online to provide students time to adapt to their new study program.

Please note:

- The college will not deliver more than one-third of the units in the qualification by online mode to international students.
- The college will ensure that for each compulsory study period international students are enrolled in, at least one unit is not delivered through online learning unless it is the final unit of their qualification.

Stay connected with us! Log in regularly, participate in your learning, and progress through your course. We're here to support you every step of the way. Here's how:

- Connect with your trainers and peers easily via Microsoft Teams
- Multiple support channels: Reach out via phone, email, or messaging systems.
- Participate in regular one-on-one Consultations Sessions
- Quick support: Trainers and Student Support are equipped with tools to provide prompt assistance.

LEARNING SUPPORT

We provide support for students, ensuring they have access to the resources and assistance needed to succeed in their studies:

- Additional support from trainers
- Adjusted resources such as books with different print types, reworded instructions, or supporting tools.
- Identifying Students Struggling with Course Material
- We employ various measures to identify students who may be struggling, including regular Consultation check-ins with trainers/ assessors, assessment task results, and providing extra time or support for tasks.

LANGUAGE, LITERACY AND NUMERACY (LLN)

Prior to commencing their course, students will be required to complete an LLN test, which has been developed by the college. These tests are categorised based on the student's qualifications and serve as a tool to help college personnel identify students who may need language and/ or numeracy support. The LLN tests are designed in accordance with the Australian Core Skills Framework, providing a guideline for their development.

SAFE TRAINING ENVIRONMENT

Our providers have processes for dealing with internal issues, such as reports of bullying, harassment, or unsafe conditions, to ensure a positive training environment for all students. Student Conduct Rules provide students with a clear understanding of the standard of behaviour required while undertaking studies with the college. All students are provided with a copy of our Student Conduct Rules at their orientation. Student Conduct Rules are available on our website: avta.edu.au

DISABILITY SERVICES

We are dedicated to empowering students with disabilities and learning challenges, ensuring they have an equitable chance to actively engage and excel in their chosen academic pursuits by providing appropriate assessment modification where necessary for students who have a disability or learning difficulty.

The level of modification will be based on the needs of the individual student. The purpose of modification is to ensure all students receive equal and fair opportunities and that students with a disability or learning difficulty are not disadvantaged by the delivery of assessment.

This may include:

- communicating with teachers on your behalf when required
- coordinating alternative assessment arrangement

Assessment modification can be offered when the form of modification does not breach the requirements of the training package (refer to training.gov.au).

If you require assistance, our Student Support team will work with you to provide practical assistance, support, and advice for an individual support plan.

STUDENT ENGAGEMENT

Engagement is key to your success! We encourage regular check-ins, real-time interactions, and positive communication with your trainers and peers through tools like Microsoft Teams meeting rooms. These video conferencing tools help create a virtual classroom environment where collaboration thrives.

After enrolling, students are encouraged to reach out to their School Manager, Trainer, or Course Coordinator via email for information related to their enrolled course.

POLICIES & PROCEDURES

There are a number of important policies and procedures relevant to all aspects of your engagement with the college. Policies and Procedures can be found on our website: avta.edu.au

TUITION PROTECTION SERVICE (TPS)

The TPS is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that students can either:

- complete their studies in another course or with another education provider or
- receive a refund of their unspent tuition fees (international students).

TPS offers a flexible and streamlined approach to student study and refund arrangements in the event that a defaulting provider fails to meet its refund obligations under the ESOS Act.

For more information about the college's refund policy, please refer to the Refund Policy found on our website: avta.edu.au

For more information about TPS, please refer to the website: www.education.gov.au/tps

PRIVACY

The college strongly supports the privacy and confidentiality of its students. Information is collected and stored in accordance with the Privacy Act 1988. Certain general, non-specific information such as location, sex, age and results may be passed on to agencies to inform future funding arrangements and/or statistical data gathering requirements.

We will not give out your information to any person or agency without your permission, unless we are required to do so by law.

The college is required to comply with the Australian Privacy Principles which are outlined in Schedule 1 of the Privacy Act 1988.

ACCESS TO YOUR RECORDS

If you wish to access your student information file, please direct your enquiry to Student Support at studentsupport@avta.edu.au

COMPLAINTS AND APPEALS

Students have the right to lodge a formal complaint or appeal if they feel they have been unfairly treated by the college or its staff and they have been unable to resolve the grievance or dispute informally. The college has a documented internal complaints handling and appeals process and policy in place, available on our website at: avta.edu.au.

If you wish to lodge a complaint, please complete and submit the Complaints & Appeals Form, available at: avta.edu.au. If you are still unsatisfied with the outcome of the formal complaint, you have the right to appeal the decision.

PROCESS

Internal Complaints/Appeals

Overseas students who wish to make a complaint/appeal or grievance are encouraged to attempt to resolve their complaint/appeal through a formal discussion. The college staff, within 10 working days, will commence assessment of the complaint or appeal. The college will keep a written record of the complaint or appeal, including a statement of the outcome and reasons for the outcome.

When a complaint/appeal is not straightforward regarding a serious matter that requires significant and immediate attention, the student may directly turn to the Formal Complaints/Appeals Procedure. The college staff are also available to assist students in lodging the relevant documentation for formal complaint/appeal investigations.

External Complaints/Appeals

If the conditions where the complaint/appeal or grievance of the student is not able to be resolved through the formal complaints/appeals procedure, the student can appeal the decision externally through the Office of the Commonwealth Ombudsman (Overseas Students - Commonwealth Ombudsman) www.ombudsman.gov.au to escalate your complaint or appeal externally within 10 (ten) working days, at no cost.

For more details, please refer to the college's Complaints and Appeals Policy and Procedure, available at: avta.edu.au

MONITORING STUDENT ATTENDANCE & COURSE PROGRESS

We monitor your progress closely. Attendance and assessments help us identify areas where you may need additional support. If you're falling behind, we'll reach out to discuss your progression and offer assistance.

Students must maintain a satisfactory level of course progress and attendance in accordance with the college policy and procedure.

The Intervention Strategy Plan (ISP) for a student with unsatisfactory course progress can include but is not limited to phone notification, a reminder letter of course attendance, and any email communication between a student and the college staff for the improvement of a student's course attendance.

It is the student's responsibility to ensure they have access to their college email address for the purpose of direct communication with the college staff and to ensure they attend all classes. It is also a student's responsibility to notify and discuss any absences with their teacher/trainer (e.g., a student may inform trainers/teachers of any difficulties preventing them from attending classes).

A college administrative support officer will follow up with a student who is absent from their scheduled classes and, if necessary, create an ISP which is a documented process agreed upon between the trainer and the student, outlining the academic support and/or assistance to a student to achieve satisfactory course progress in any study period.

The strategies outlined in the ISP may include but are not limited to counselling, assistance with study, extra classes, additional training or tuition, reducing the student's workload temporarily, referring to student support services, assisting with welfare, housing or other personal issues that are impacting the student.

Overseas students have additional course progression requirements as a condition of their student visa.

For more information, please refer to the Monitoring Student Attendance and Course Progress Policy and Procedure on our website at avta.edu.au

ASSESSMENT

Assessment is specifically conducted to determine if a student can deliver essential outcomes related to the performance criteria within each Unit of Competency. Basically, this means assessment is conducted to see whether or not a student has the required skills and knowledge to perform effectively in the workplace. If a student's performance in the assessment does not demonstrate the requirements, the student is marked as 'Not Competent', while successful performance will result in the student being deemed 'Competent'. Assessors will look for evidence against which to base their judgements of competency.

The ways to demonstrate to our qualified assessors that you can perform to the required standard and be classed as "Competent" or "Meeting Requirements", include:

- Being observed as you work/perform the tasks and activities
- Responses to verbal questioning
- Written response to theory questions
- Responding to a role play or case study

SUBMITTING ASSESSMENT

You are expected to complete assessment for all units in your qualification. You will need to submit assessment by the due date for a result to be recorded. You will receive full and detailed instructions on the requirements for each assessment, including its context and purpose; ensure you talk to your trainer and/or assessor to clarify anything that is not clear to you.

ASSESSMENT FEEDBACK

You will receive feedback regarding the outcome of each of your assessment items. To be deemed “Competent” against a nationally accredited unit, you must meet the requirements for all elements that comprise that unit.

PLAGIARISM

All work that you submit must be your own. You will have signed a declaration at the start of each assessment that this will be the case. Plagiarism is taking someone else’s work and/or ideas and passing them off as your own. It is a form of cheating and is taken seriously by the college. To help you understand, the following are examples that constitute plagiarism:

- Copying sections of text and not acknowledging where the information has come from
- Mashing together multiple ‘cut and paste’ sections, without properly referencing them, to form an assessment response
- Presenting work that was done as part of a group as your own
- Using information (pictures, text, designs, ideas etc.) and not citing the original author(s)
- Unintentionally failing to cite where information has come from

REFERENCING

When it comes to properly acknowledging where information has come from, students should be aware of, and be able to properly use, referencing protocols.

TRAINING AND ASSESSMENT STRATEGIES

The college staff are appropriately qualified and have sufficient, relevant industry experience to train and assess the courses delivered. On occasion, a subject specialist may conduct assessment in conjunction with a fully qualified assessor. You will be advised of specific instances in your course whereby this may be the case.

Our methodologies regarding training and assessment work toward ensuring our processes meet national assessment principles including Recognition of Prior Learning (RPL), and Credit Transfer (CT).

ISSUING CERTIFICATES

Upon successful completion of your course and payment of all fees, you will receive a Certificate or Statement of Attainment within 30 calendar days of being assessed as competent and meeting all course requirements. This meets the compliance requirements under the Standards for RTOs 2015.

If for some reason the college ceases to operate whilst you are still enrolled, a Statement of Attainment will be issued to you for the units within the qualification for which you have successfully met requirements.

DEFERRAL, SUSPENSION AND CANCELLATION OF ENROLMENT

- The college may defer or suspend the enrolment of a student if it believes there are compassionate or compelling circumstances
- Before the college defers or suspends a student's enrolment for compassionate or compelling circumstances, it is to ensure that the student has a valid CoE with a start date that reflects the student's intended date of return to studies
- The college may suspend or cancel a student's enrolment for reasons, including, but not limited to:
 - misbehaviour by the student, in breach of the Student Conduct Rules
 - the student's failure to pay an amount he or she was required to pay the college to undertake or continue the course as stated in the written agreement
 - a breach of course progress or attendance requirements by the student, in accordance with Standard 8 of the National Code (see also: The college Monitoring Student Attendance and Academic Progress Policy and Procedure)

- Before deferring, suspending or cancelling a student's enrolment, the college is to advise the student in writing that the process may impact their student visa, in particular, if the grounds for the deferral, suspension or cancellation is due to:
 - the conduct of the student
 - for reasons other than compassionate or compelling circumstances
 - compassionate or compelling circumstances, where the studies of the student cease to exist
 - fraudulent evidence or documents provided to the college by the student

LEGISLATION

As an RTO, the college is required to adhere to legislation designed to uphold the integrity of nationally recognised qualifications. This includes:

- National Vocational Education and Training Regulator Act 2011
- Standards for Registered Training Organisations (RTOs) 2015
- Education Services for Overseas Students (ESOS) Act 2000.

Additionally, the college abides by a range of other legal requirements at a State and Commonwealth level including, but not limited to:

- Anti-discrimination
- Children and Young People
- Copyright
- Equal Opportunity
- Fair Work (including harassment and bullying)
- Privacy and Personal Information Protection
- Student Identifiers
- Taxation
- Workplace Health and Safety

The college is dedicated to following the provisions in the VET Quality Framework. More information about these regulations and legal frameworks can be found at:

- www.comlaw.gov.au which is the Australian Government website for Commonwealth Law
- www.asqa.gov.au which is the website for the regulator of Australia's vocational education and training (VET) sector

ACADEMIC PATHWAYS & EMPLOYMENT

ACADEMIC PATHWAYS

Our academic pathways are designed to equip you with the knowledge and skills needed to succeed in your chosen field. We provide career guidance and assistance to help you navigate the job market and secure fulfilling employment after graduation. We believe that with the right education and support, you can achieve great success in your academic and professional endeavours. Please contact Student Support for more information.

EMPLOYMENT

International students studying in Australia have the opportunity to work part-time during the academic year (up to 48 hours per fortnight) and full-time during breaks. This allows them to gain valuable work experience, support themselves financially, and engage with the Australian culture.

CAN I WORK AS A STUDENT?

The Australian government permits all students to work but there are several limitations imposed on your work privilege such as;

- Permitted to work only 48 hours per fortnight (or as advised by the Australian government)
- Cannot work until your course start date has commenced even though you arrived in Australia before that date.

For more information visit:
www.immi.homeaffairs.gov.au

HOW DO I FIND A JOB?

There are several ways to search jobs around Australia. Job agencies and websites are good tools to assist international students. Some of the websites are:

www.seek.com.au
www.careerone.com.au
www.gumtree.com.au/jobs
www.adzuna.com.au
www.au.indeed.com
www.workforceaustralia.gov.au

HOW DO I GET PAID?

Any student who is going to work in Australia must have a Tax File Number (TFN).

This number is unique to every individual and will be used to determine the tax bracket you fit into based on your income. The Australian financial year runs from 1 July to 30 June and workers are expected to lodge a tax return by 31 October.

You can apply for your TFN by visiting:

www.ato.gov.au or phone: 13 28 61

SUPERANNUATION GUARANTEE

Under the superannuation guarantee, employers have to pay superannuation contributions of 11.5% of an employee's ordinary time earnings when an employee is:

- over 18 years, or
- under 18 years and works over 30 hours a week.

If eligible, the super guarantee applies to all types of employees including:

- full-time employees
- part-time employees
- casual employees

Temporary residents are also eligible for super.

Super has to be paid at least every 3 months and into the employee's nominated account.

The ATO can give advice and assistance on superannuation issues, including on the super guarantee.

For more information, visit: www.ato.gov.au/super or phone: 13 10 20

WORKING CONDITIONS

Fair Work - employer/employee rights

While working in Australia, most jobs and working conditions are covered either by Commonwealth or State awards or certified agreements. Fair Work helps employees understand their rights and responsibilities under Australian workplace laws. This covers areas such as minimum wages, allowances, overtime, penalty rates, working hours and days off for holidays/vacations, long service or sickness. If you believe you are being treated unfairly or are not receiving your minimum rights and conditions at work, contact the Fair Work Ombudsman for free information and advice. There is also an interpreting service available.

For more information, visit: www.fairwork.gov.au or phone: 13 13 94

COUNSELLING, HEALTH & WELLBEING SUPPORT

FREE COUNSELLING & MENTAL HEALTH SUPPORT

We offer free and confidential counselling services to all students, whether they are studying face-to-face or online. Our services cover personal, social, and academic matters, including mental health and general welfare.

There may be times when you are faced with many challenges in life, which can make you feel very isolated. You may need support with the transition of moving from overseas to Australia. You may be feeling stressed with your studies, or you may be experiencing personal difficulties. No issue is too big or too small to ask for support. Student counselling sessions are designed to help students adjust to studying, working, and living in Australia.

We recognise the unique challenges of remote learning, such as screen fatigue from increased technology use, and aim to provide tailored support to address these concerns.

Our Counsellor, Mr Zohrab Balian has over fifteen years of experience in psychotherapy and provides free, caring, confidential support.

To schedule a session, contact our counsellor at:

CRITICAL INCIDENTS

What is a 'critical incident'?

Critical incidents are traumatic events occurring on or off campus (within or outside Australia) which significantly impact or threaten to significantly impact student wellbeing by causing extreme stress, fear or injury (or has the potential to cause) serious physical or psychological harm. Your safety is our top priority. We have a dedicated Critical Incident Management Policy that outlines how the college staff manage emergency situations for international students. It includes:

- missing student
- any fatality or serious injury
- a serious traffic collision
- murder or suicide
- physical / sexual assault or domestic violence
- severe verbal or psychological aggression
- fire where property is lost or people are harmed
- explosion or bomb threat
- a hold-up or attempted robbery
- serious threats of violence
- storms or natural disasters
- drug or alcohol abuse causing harm to someone

What to do if an emergency or critical incident happens

1. Do not put yourself in unnecessary danger
2. In an emergency, please call 000 for police, fire services or ambulance
3. Please contact Student Support: **+61 3 6118 4611 (24/7)** and email: **studentsupport@avta.edu.au**
Please give this phone number and email address to your family and friends so that if something happens to you, they can contact us.
4. We will guide you on what you need to do next, and what we can do to help. This may include reporting the incident to senior management for extra assistance.

HEALTH (OSHC)

WHICH INSURERS OFFER OSHC

- BUPA Australia
- Medibank Private Limited
- Nib Health Funds Limited
- Australian Health Management
- Peoplecare Health Limited
(Allianz Global Assistance)

It is a standard requirement for every International student to purchase Overseas Students Health Cover (OSHC) to live and study in Australia. This provides each student with the basic services of the Australian Healthcare System such as access to an ambulance (in the case of an emergency dial 000), making an appointment with a General Practitioner (GP) and requesting a home doctor.

Most of these services are free and are covered by your insurance provider. If there is an out of pocket expense for medical services, contact your insurance provider for the possibility of claiming back the money. Please note that claims are subject to your insurance provider's policies.

It is important you contact your OSHC insurer before being admitted to a private hospital. While private hospitals will still provide you with medical attention, be aware that not all of their services will be covered by OSHC and you may have to pay extra for these services.

The membership card is provided to you once you register your details with your OSHC provider upon arriving in Australia and it will be sent to the address you include during the registration.

ADJUSTING TO AUSTRALIAN CULTURE

Living and studying in Australia can be an exciting new adventure, but it can also present a range of challenges adjusting to living in a new country and culture. Adapting to the Australian way of life may take time and patience. It is quite normal for most students to experience homesickness from time to time and can simply be that you may be missing your family, friends or lifestyle.

If you ever feel homesick, please talk to our student support team or our student counsellor. There are also many associations in Sydney, Hobart and Bundaberg where you can find support from people who have experienced the same feelings and challenges. It is important to give yourself some time to adjust so that you can fully experience and embrace a new and different culture!

INTERPRETERS/TRANSLATORS

The Translating and Interpreting Service (TIS National) is an interpreting service provided by the Department of Home Affairs for people who do not speak English that need to communicate with their non-English speaking clients.

If you need an interpreter from the Translating and Interpreting Service (TIS) during your medical visit, an immediate phone interpreting service is available 24 hours, every day of the year.

For more information visit: www.tisnational.gov.au | Phone: 131 450

TIPS TO KEEPING SAFE

Sydney, Hobart and Bundaberg are generally safe but here are more tips to reduce the likelihood of a mishap:

- Memorise the emergency number 000 for police and ambulance services
- When travelling in trains at night, avoid travelling in empty carriages
- If you must wait for public transportation at night, try waiting in well lit areas or near open shops
- Try walking in groups at night and avoid shortcuts through dark areas.
- Always stay alert and be aware of your surroundings
- Always inform friends or family of your whereabouts to ensure you can be accounted for if necessary
- Ensure your personal effects and property is always kept safe and close to you to prevent it from getting stolen
- Close and lock the doors of your accommodation when leaving and before you go to bed at night
- Avoid providing personal information to strangers and institutions that you have not properly identified as genuine
- Be alert and protect yourself from being scammed. Scammers are getting increasingly sophisticated in their attempts personal details. Scamwatch is run by the Australian Competition and Consumer Commission (ACCC). It provides about how to recognise, avoid and report scams

ACCOMODATION

There are several accommodation options to choose from in Sydney, Hobart and Bundaberg. The price of accommodation may vary according to the type of accommodation.

Accommodation choices may range from short term arrangements such as hotels, motels, backpackers to shared options such as granny flats, studio apartments, student accommodations etc.

HOMESTAY

Homestay is another go-to option for student accommodation because it helps students settle in a new environment before learning to live by themselves. Homestay provides students an opportunity to live with an Australian family and learn the culture. Students are provided with meals and other amenities to make their stay very comfortable. If you are interested in a Homestay arrangement, please contact student support.

STUDENT ACCOMMODATION

This accommodation arrangement offers various styles and configurations such as studio (single) and shared apartments for four to six people. These apartments could be same sex or mixed.

RENTAL

Most rental properties require a bond and is usually equivalent to the amount of four weeks' rent. If you have a limited budget, you may consider sharing a house or apartment with several friends or looking for share house accommodation. This allows you to split the costs among several people. Some places may ask you to sign a lease committing to 6 months or 12 months, while others may be more flexible.

If you leave early in your lease term, (called breaking lease) your landlord or agent may seek compensation. Another thing to consider is location. It is important to think whether your accommodation is close to shops and restaurants, and how long it takes to travel to your campus and work. Consider living close to your campus, otherwise look into public transport options.

TENANTS NSW / TAS / QLD

ELECTRICITY

You may need an adapter in order to plug your appliances into the power sockets. The adapter required for Australia is Type 1 Australia plug. The plugs in Australia have two flat metal pins, forming an inverted 'V' shape and occasionally a third pin in the centre. The electrical current in Australia is 220 – 240 volts, AC 50Hz.

PUBLIC TRANSPORT

Getting to our campuses is easy using public transport. Sydney, Hobart and Bundaberg city trains, buses and ferries connect you easily from one destination to the other. A comprehensive bus service runs throughout the cities, connecting outer and inner suburbs to the CBD, major shopping centres, railway stations and ferry terminals. Special Night Link bus services run after midnight on Fridays and Saturdays for late-night travellers.

DRIVING AND PARKING

Australians drive on the left-hand-side of the road, so please pay careful attention to the road and road rules when driving and crossing roads, especially if you are used to driving on the right-hand-side. If you chose to drive in Sydney, Hobart or Bundaberg, a valid and translated (if required) international license should be in your possession every time you drive.

The use of seat belts is compulsory for front and rear seat passengers. Children below the age of 5 must use the child seats while travelling in the car.

FINANCE

BANKING

There are many banks and automatic teller machines (ATMs) where you can withdraw money from an overseas bank account. You can easily open a bank account in Australia.

All you will need is your passport, eCoE and Visa.

BUDGETING FOR EXPENSES

Living away from home can pose a great strain on any student financially. Budgeting effectively can help you to stay on top of your spending and help you manage your expenses, subsequently allowing you to have some savings.

LIVING COSTS IN AUSTRALIA

www.studyinaustralia.gov.au

Knowing the average living costs in Australia is an important part of your financial preparation. For your reference, here are some of the costs associated with living and studying in Australia (all costs are in Australian dollars).

The costs below are an approximate guide only. Students should be aware that these costs can vary depending on your study location in Australia.

OTHER LIVING EXPENSES

Groceries and eating out - \$140 to \$280 per week

Gas, electricity - \$10 to \$20 per week

Phone and Internet - \$15 to \$30 per week

Public transport - \$30 to \$60 per week

Car (after purchase) - \$150 to \$260 per week

Entertainment - \$80 to \$150 per week

MINIMUM COST OF LIVING

The Department of Home Affairs has financial requirements you must meet in order to receive a student visa for Australia. The 12-month living costs are:

For students - \$29,710

For partners coming with you - \$10,394

For a child coming with you - \$4,449

For more information, visit: immi.homeaffairs.gov.au

- All costs are per year in Australian dollars. To convert to your own currency, visit www.xe.com
- The Australian Government provides information and guidance on managing your finances. You can read more at www.moneysmart.gov.au
- The 'Insider Guides Cost of Living Calculator' is also a useful tool to help estimate your cost of living in Australia www.insiderguides.com.au

If you experience financial trouble while in Australia, please talk to our student support staff for assistance.

ACCOMMODATION AVERAGE COST

Hostels and Guesthouses - \$90 to \$150 per week

Shared Rental - \$95 to \$215 per week

Homestay - \$235 to \$325 per week

Rental - \$185 to \$440 per week

BEACH SAFETY

Lifesavers are a good way to improve your safety at a beach.

- Don't swim where there are no lifesavers
- Swimming at night is not safe
- Swim between the red and yellow flags as they are the safest areas to swim
- Always swim under supervision, or with a friend
- Always obey all signs at the beach
- Don't swim directly after a meal
- Don't swim under the influence of alcohol or drugs
- Avoid running and diving into the water
- Conditions change regularly, check surf conditions before you enter the water
- If you get into trouble in the water, don't panic, raise your hand to signal for help, float and wait for assistance
- Float with a rip current or undertow. Do not swim against it

For more information, visit: www.beachsafe.org.au

SUN SMART

The sun in Australia is very strong and can cause sun damage or skin cancer. Australia has one of the highest rates of skin cancer in the world. To avoid sunburn and lower the risk of developing skin cancer, it is important that you follow these simple precautions:

Protect your skin - For best protection, we recommend a combination of sun protection measures:

SLIP, SLOP, SLAP

- Slip on some sun-protective clothing that covers as much skin as possible
- Slop on broad spectrum, water resistant SPF30+ (or higher) sunscreen. Put it on 20 minutes before you go outdoors and every two hours afterwards. Sunscreen should never be used to extend the time you spend in the sun
- Slap on a hat – broad brim or legionnaire style to protect your face, head, neck and ears
- Seek shade
- Slide on some sunglasses – make sure they meet Australian Standards.

OBEYING THE LAW

The law in Australia is intended for all Australians and visitors, which includes international students as well. Obeying the law will ensure you avoid breaching your visa conditions. Disobeying the law, in some cases could land you in jail or get your deported from the country. One prevalent law in Australia covers the topic of discrimination which is greatly frowned upon.

Every individual living in Australia must learn to respect others and not act with prejudice in relation to gender, nationality, religious beliefs, disability, marital status and sexual preference.

RELIGION

Sydney, Hobart and Bundaberg are multicultural cities where you can find churches, temples, mosques and religious centres. Google to find one close to you! Worship centres sometimes provide free English lessons and fun activities for international students as well.

MARRIAGE AND DOMESTIC VIOLENCE

Under Australian law, men and women have equal rights and may choose to enter into marriage. An individual can be legally married at the age of 18. Marriage to more than one person is against the law and could be punishable by jail time.

Violence against another person is illegal in Australia. This includes physical abuse, sexual abuse, assault, social abuse, economic abuse, physiological, emotional and verbal abuse.

All forms of violence are punishable by jail sentence or deportation.

LOCAL REGULATIONS

Below are some of the regulations that must be adhered to when living in Australia:

- Australian law protects wildlife such as plants, trees and ferns. All protected wildlife should not be destroyed
- Australia is very clean and maintain this cleanliness with strict littering regulations. Do not litter, rather use the disposable garbage cans provided by observing the trash description of trash and recyclables
- Smoking is banned in many places in Australia including all airports, government offices, hospitals and health care facilities, workplaces, restaurants, shopping centres and within 5 metres of building entrances
- Smoking and drinking are illegal for anyone under 18 years
- All drugs not prescribed by a general practitioner can be considered as illegal

ALCOHOL, TOBACCO & OTHER DRUGS

Understanding drug laws is crucial. Legal drugs include alcohol, caffeine, nicotine, and prescribed medications, while illegal drugs include amphetamines and heroin. Illicit drug use covers misuse of prescriptions and other substances. Some drug laws are different depending on the state or territory you're in.

LEGAL DRUGS INCLUDE

- alcohol
- caffeine
- nicotine
- over-the-counter and prescribed drugs

Some of these have restrictions related to:

- age – for example, you can't legally drink under the age of 18
- where you can use them – for example, you can't drink alcohol or smoke in certain places
- driving – for example, there are limits on blood alcohol concentration when driving
- their sale – for example:
 - tobacco products must display specific health warnings
 - you must have a doctor's prescription to purchase prescribed drugs

ILLEGAL DRUGS INCLUDE

- amphetamines
- cannabis (marijuana)
- ecstasy (MDMA)
- heroin

They are banned because using them can endanger your health, your life, or the life of others. Because they are not regulated in the way legal drugs are you can never be sure what's in them or how strong they are.

ILLICIT DRUG USE INCLUDES

- illegal drugs
- misuse or non-prescribed use of prescription drugs (also called pharmaceuticals)
- inappropriate use of other substances – for example, sniffing glue.

VAPING AND E-CIGARETTES

E-cigarettes, also known as vapes, are devices that make vapour for inhalation, simulating cigarette smoking. They are not safe and use can lead to serious health outcomes. They are sometimes marketed as a way to quit smoking, but there is limited evidence to show that they help – or are safe.

SMOKING

Smoking, including the use of electronic cigarettes, is banned in a number of outdoor public areas, eating and drinking venues and education, healthcare and residential aged care facilities, as well as some communal areas in multi-unit residential premises.

OUTDOOR SMOKE-FREE PUBLIC AREAS

No smoking:

- at and within 5 metres of public transport waiting points such as bus stops, taxi ranks, and ferry terminals
- at or within 10 metres of campsites and public facilities at national parks such as:
 - picnic tables
 - toilet blocks
 - barbecues
 - visitor information centres
 - roofed shelters
 - jetties, boat ramps and landing stages
- at or within 10 metres of playing and viewing areas during organised under-18 sporting and recreational events
- within 5 metres of non-residential building entrances

ALCOHOL, TOBACCO & OTHER DRUGS

- at outdoor pedestrian malls
- at government precincts around certain state government buildings (including the land around prescribed buildings and adjacent footpaths and nature strips)
- at or within 10 metres of public skate parks and children's outdoor playground equipment
- at patrolled beaches between the flags
- at public swimming facilities
- at prescribed outdoor swimming areas (e.g. artificial beaches and lagoons)
- at major sports or events facilities
- at or within 5 metres of the entrances and exits of outdoor markets

SMOKING IN VEHICLES

No smoking in vehicles:

- where children under the age of 16 years are present
- used for business if anyone else is in the vehicle

EATING OR DRINKING VENUES

No smoking:

- anywhere inside eating and drinking venues such as pubs, clubs, restaurants and cafes
- at and within 5 metres of commercial outdoor eating or drinking areas
- Smoke-free restrictions at pubs and clubs will be extended
- Children cannot remain in a smoking area at a liquor licensed venue

EDUCATIONAL FACILITIES

No smoking:

- at public or private schools or within 5 metres beyond their boundaries
- at all school carparks
- at early childhood education and care facilities or within 5 metres beyond their boundaries, including kindergartens, childcare centres, day care providers and after school hours care

HOSPITALS, HEALTHCARE AND RESIDENTIAL AGED CARE FACILITIES

No smoking:

- at public hospitals and health facilities or private hospitals or within 5 metres beyond their boundaries
- at public or private residential aged care facilities or within 5 metres beyond their boundaries

RESIDENTIAL PREMISES

No smoking:

- in enclosed common areas of multi-unit residential accommodation such as foyers and enclosed stairwells.

LOCAL GOVERNMENT MAY PROHIBIT SMOKING

- Local government can ban smoking in outdoor public spaces not covered by state-wide smoking bans

LAWS ABOUT SELLING SMOKING PRODUCTS

Strict requirements are in place regarding the supply, sale and promotion of smoking and smoking related products including, but not limited to:

- no sales of smoking products to children under 18 years of age
- no supply of smoking products to children by their parents or guardians
- illicit tobacco cannot be supplied or stored at retail stores
- smoking products can only be sold at one point of sale at retail stores
- mandatory training of employees who sell smoking products
- smoking products cannot be sold from temporary retail outlets
- bans on the display and requirements for the storage of smoking products at retail stores
- mandatory signage must be displayed at the point of sale and on or near tobacco product vending machines
- requirements for how information about smoking products is provided e.g. price tickets
- no smoking product advertising, competitions, giveaways or entitlements
- invoices for smoking products must be kept for at least 2 years
- tobacco vending machines must be located in bar, casino or gaming machine areas only

ALCOHOL, TOBACCO & OTHER DRUGS

ALCOHOL

Alcohol laws help to reduce the harmful effects of alcohol on individuals, families and communities. Some laws, such as the legal drinking age, are the same across Australia. Other laws, such as where you can drink, are different in each state and territory.

LAWS THAT APPLY ANYWHERE IN AUSTRALIA

- Legal drinking age – you must be 18 or older to buy alcohol or to drink alcohol in a licensed venue.
- Drink driving – you're breaking the law if you drive and your blood alcohol concentration is equal to or more than 0.05. If you're on a learner or provisional licence, your BAC must be zero.
- Selling alcohol – it's illegal to sell alcohol to anyone under 18 or to someone who is already drunk.
- Labelling – all packaged alcohol must show how many standard drinks it contains.

**Guideline 1: Reducing the risk of alcohol-related harm for adults**

To reduce the risk of harm from alcohol-related disease or injury, healthy men and women should drink no more than 10 standard drinks a week and no more than 4 standard drinks on any one day. The less you drink, the lower your risk of harm from alcohol.

Guideline 2: Children and people under 18 years of age

To reduce the risk of injury and other harms to health, children and people under 18 years of age should not drink alcohol.

Guideline 3: Women who are pregnant or breastfeeding

- To prevent harm from alcohol to their unborn child, women who are pregnant or planning a pregnancy should not drink alcohol
- For women who are breastfeeding, not drinking alcohol is safest for their baby

LAWS THAT ARE DIFFERENT IN EACH STATE AND TERRITORY

Some alcohol laws are different depending on the state or territory you're in.

BE CAREFUL WHAT YOU POST ONLINE OR ON SOCIAL MEDIA SITES

To comply with the College's Social Media Policy, it is important that students:

DO NOT

- Post derogatory or inappropriate comments about fellow students, staff, or the college
- Post inappropriate photos or videos
- Refrain from sharing defamatory, false, racist, offensive, or sexist content

Remember that social media content can be shared beyond your immediate circle, so exercise caution with what you post.

- Be respectful and considerate.
- Keep in mind how your posts may affect others, especially in light of cultural differences, and consider how images or content might be interpreted.

GRADUATION & OTHER STUDENT EVENTS

Student events play a pivotal role in fostering a supportive and inclusive campus environment. These events bring students together, creating opportunities for them to connect, share experiences, and form bonds that extend beyond the classroom. Graduation and R U Ok Day are among the many events hosted by Australian Vocational Training Academy.

R U OK? DAY

Is an annual event promoting mental health awareness and encouraging meaningful conversations among international students and the community. It provides a platform for students to connect, share experiences, and access resources. Through workshops and social activities, the day fosters a supportive environment that promotes well-being and encourages help-seeking behaviour.

GRADUATION

The annual graduation ceremony stands out as a momentous occasion, celebrating the culmination of students' hard work and dedication in completing their training programs. This event honours graduates and provides a platform for them to showcase their achievements to industry professionals and loved ones. They underscore the importance of hands-on learning and industry-relevant skills in preparing students for successful careers.

VISA COMPLIANCE REMINDER FOR INTERNATIONAL STUDENT VISA HOLDERS

As an international student, it is essential to understand and adhere to the conditions of your student visa throughout your course of study.

Please ensure that you do not stay in Australia for purposes not intended by your visa and that you are honest about your visa status when dealing with immigration officials and the college. It is illegal to remain in Australia without a valid visa.

ADHERENCE TO VISA CONDITIONS

- **Always Comply with Visa Conditions**

Ensure you are aware of and follow the specific conditions attached to your student visa at all times.

- **Restrictions on Visa Changes**

Do not change or apply for a protection visa if your last substantive visa was a student visa granted based on your enrolment with the college.

- **Extension of Visa**

Students may apply for a student visa extension if their current student visa expires before the completion of their course. This could be due to a number of reasons, for example, course deferment or failure to progress. If your student visa has expired within the last 28 days, you can apply for a new student visa.

- **Consequences of Unlawful Stay**

Staying in Australia after your visa becomes invalid or expires is a violation of government law. Students who remain in Australia unlawfully for more than 28 days after their student visa has expired are in breach of their visa conditions and may face serious consequences, including being barred from being granted a visa for at least three years. Overstaying a student visa can also result in penalties, including fines, detention, and/or deportation.

VISA CONDITIONS

As an international student you have legal obligations that are different from Australian students. All students need to understand the conditions of their visa grant and must take the following steps:

COURSE REQUIREMENTS - VISA CONDITION 8202

- Remain enrolled in a registered course (if you are a Foreign Affairs or Defence sponsored student or a secondary exchange student you must maintain full-time enrolment in your course of study or training)
- Maintain enrolment in a registered course that is the same Australian Qualifications Framework (AQF) level or higher for which we granted your student visa, unless changing from AQF level 10 to level 9.
- Maintain satisfactory attendance in your course and course progress for each study period as required by your education provider.
- Continue to satisfy the requirements of the student visa grant by ensuring the main course of study matches your student visa, and that you still have financial capacity

UPDATING CONTACT INFORMATION - VISA CONDITION 8533

- It is the student's obligation to inform the college of their residential address and contact details within 7 DAYS of arriving in Australia.
- If you change your address/contact details while studying in Australia, you are expected to notify your education provider within 7 DAYS. For more details: www.homeaffairs.gov.au

WORKING HOURS - VISA CONDITION 8105

- Must not work more than 48 hours per fortnight during course semester but can work for unlimited hours during holidays, or as advised by the Australian Government.

HEALTH INSURANCE - VISA CONDITION 8501

- Maintain health insurance cover for the entirety of your stay in Australia as failure to do so is a breach of your visa conditions

EDUCATION OF SCHOOL AGE DEPENDANTS - VISA CONDITION 8517

- You must maintain adequate arrangements for the education of your school-age dependants who are in Australia for more than 3 months as a dependant on your visa.
